Robbie Parker, Sandyhook crisis actor, at long last exposed!

REAL NAME IS ' Samuel Travis Delaney'

Samuel Travis Delaney (aka Robbie Parker) is an actor, an entertainer and a musician who uses multiple aliases, including Robbie Parker, John Matthew Walker, Samuel Adams (his favorite beer, we were told) and Eugene Rosenberg, which is his alias on YouTube

Robbie was the poster boy as a grieving parent who lost his daughter Emilie, in what we now understand was a cleverly contrived psychological warfare campaign known as the Sandy Hook shooting.
This chameleon-like con-man, it appears, had one and only one purpose - to help to sell a lie.

Surely, monetary compensation for Samuel Travis Delaneys part was his principal motivation in this reprehensible ploy

This fraud had already set up a charity fund account before the fake childs death was even known to have occurred. But he knew he would be protected and allowed to secure the funds, and still to this day is receiving donations from naive gullible people who are still falling for this hoax.

SANDYHOOK WAS A MOCK TERROR DRILL

No students, teachers or staff / no buses, no EMTs, no ambulances, no Med-Evac chopper

Not only was it unnecessary for there to be a surge of EMTs into the building and no reason to summon Med-Evac helicopters, but there was not even any need for buses, who would simply had been a distraction. As we know, none of the above were there because they simply were not needed. It was a mock terror drill.

Sandyhook was non-operational during at least the four years prior to the events of 14 December 2012.

The New World Order is an extension of the imperialism of the "Crown", a clique of Jewish bankers and their Gentile accomplices devoted to "absorbing the wealth of the world" (in Cecil Rhodes words) and enslaving the human race.
We are being colonized by this financial power. The bogus "War of Terror" obviously is directed against us. It is the naked fist of this imperialism. Our jobs and resources are exported. Illegal aliens are imported to divide our political culture and dilute our job market. The education system is used for mass indoctrination. News is controlled. Remember, the central bankers are involved in a massive fraud:
printing our money for the price of the paper,
loaning it to us and then demanding repayment with interest.
The only way they can perpetuate this fraud is to distract us.
That involves creating enemies and distractions like racial tensions,
false-flag terror attacks, Al-Qaeda, orchestrated economic depressions,
mindless entertainment, feminism to pit women against men,
class-warfare, porn, sports, and so much more.

UNDERSTANDING MONEY
1. Money has no inherent value. It is a medium of exchange like sea shells or beads. It is simply a convenient method for billions of people to exchange millions of different products and services.
2. Nobody can own a medium of exchange. It must be public.
3. But a network of private Illuminati families do own it. They produce the medium of exchange in the form of a debt to them. And they charge compound interest on this "debt" created out of thin air. We are being strangled by these debts.

SOME BASIC FACTS YOU SHOULD KNOW.....
Numerous crises actors were used. People posed as bereaved parents. Child victims were invented and fake pictures were used. Connecticut legislators are complicit in the cover up. They sealed all records of homicides and autopsies in order to prevent the hoax from being revealed.
There is a five year jail term for revealing any information dealing with any homicide. One opponent of this move correctly termed it "Orwellian."

ISIS ~ A banker's dream come true

The bankers have been running a scam and causing wars for hundreds of years at everyone else's expense including at times their allies in the major churches, the aristocracy and the major industrialists. At any time throughout history and up to the present day, the bankers are at risk of being exposed, overthrown and put in jail. That risk will not go away until they control every country and every central bank in the world. So they are hell bent on controlling the world and cannot give up that quest while ever they have a dollar in their pocket to buy people with and breath in their body to tell lies.

The connection between the rock 'n roll music and Marxism was illustrated by a song entitled "Imagine" written by John Lennon, a member of the Beatles. A careful reading of the lyrics to the song reveals that Lennon was aware of the teachings of Karl Marx:

Song -

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky

Imagine all the people
Living for today

Imagine there's no countries

Nothing to kill for
and no religion too

Imagine all the people Living life in peace
Imagine no possessions

I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one.

Marx's teachings

The attack on religion

The "do your own thing" today philosophy; do not worry about tomorrow

The attack on nationalism

The abolition of private property

The "new international order"

A one world government

It is a tragedy that mankind's collective and idealistic impulses have been co-opted by the Illuminati bankers and used to increase their power and wealth.
"Equality" and "social justice" are ruses to cover their real agenda: robbing the human race of its birthright and reducing humanity to the status worker-consumers with the rights and knowledge of children. Now, they are taking our racial, religious, national and family identity. Gradually they are taking our freedom and property. Perhaps then, too late, we'll get the message. The Protocols of the Elders of Zion are genuine.
This agenda is the real meaning of "revolution."
The Illuminati view perpetual war and destruction as the most effective means of destroying the old and shaping the new.

This is just an indication of how the Illuminati Bankers have used Freemasonry to infiltrate and control virtually everything

Barack Obama is a dangerous shill and tool of Rothschild and Illuminati Jewish criminal interests.

American imperialism is largely an Illuminati Jewish phenomenon. The ordinary Jew is no more responsible for its ravages than the ordinary American.

Thus, as we finish out the first decade of the 21st century, we have Rothschild, Israel, and his Zionist conquerors and Illuminati Jewish criminal elite literally standing atop the U.S.A. heap, with President Obama as their media-made hero and champion. The whole world is falling into line, as global banks and corporations merge, and the few rogue, dissenting nations that remain (e.g. North Korea, Iran) are dealt with, using America's mighty military arm as a threat and potential bludgeon.

Robbie Parker, Sandyhook crisis actor, at long last exposed!

REAL NAME IS ' Samuel Travis Delaney'

Samuel Travis Delaney (aka Robbie Parker) is an actor, an entertainer and a musician who uses multiple aliases, including Robbie Parker, John Matthew Walker, Samuel Adams (his favorite beer, we were told) and Eugene Rosenberg, which is his alias on YouTube

Robbie was the poster boy as a grieving parent who lost his daughter Emilie, in what we now understand was a cleverly contrived psychological warfare campaign known as the Sandy Hook shooting.
This chameleon-like con-man, it appears, had one and only one purpose - to help to sell a lie.

Surely, monetary compensation for Samuel Travis Delaneys part was his principal motivation in this reprehensible ploy

This fraud had already set up a charity fund account before the fake childs death was even known to have occurred. But he knew he would be protected and allowed to secure the funds, and still to this day is receiving donations from naive gullible people who are still falling for this hoax.

Websites asking for donations and advising "how to talk to children about Sandy Hook" were put online a day before the event took place.

The people impersonating grieving parents have received hundreds of thousand of dollars in donations and many have made lucrative careers as professional anti-gun lobbyists.

Dawn Hochsprung, the principal of Sandy Hook, is quoted in the Newtown Bee as describing the rampage.
Later the story is revised to say she was killed immediately.
The reporter later prevaricated that a mystery women pretending to be Hochsprung gave him the description.

What terrorist leaves his ID in the getaway car? - One that is being set up as a patsy -

Analysts have pointed out that the attack was carried out with military precision and skill. If you watch the footage of the getaway (shot by Amchai Stein, deputy editor of Israel's IBA Channel 1, who "just happened"to be on the scene), the perps wore hoods over their faces: they clearly did not want their identities known. Why, then, after all this precision, did they carelessly leave identification in the car? Could it be that the masked shooterswere NOT the same men whom the ID card hassent the police chasing after? -

In order to sleep more soundly, the Illuminati bankers have taken "steps."

These precautions help us to understand the world we live in, why it is becoming safer for bankers but less safe and more bizarre for everyone else.

First, people who own money machines tend to have a lot of friends. Bankers helped their friends establish monopolies in oil, chemicals, pharmaceuticals, transportation, media,etc. and took a healthy stake. As you can imagine, these people are thick as thieves. Lawyers, journalists and intellectuals all vie for a piece of the action. (Servicing this cartel of cartels is what passes for "success" these days.)

Then the bankers use the government and media to convince us that religion, nationalism and nuclear family are unfashionable, and we want what they want.

We "want" world government ("globalization"). The bankers need to eliminate nation states, freedom and democracy in order to streamline their business and consolidate their power. The UN, the IMF and World Bank, -- glorified loan sharks and collectors -- will make the laws.

The Establishment - both Jews and non-Jews (Freemasons) - are witting and unwitting collaborators in this pernicious plan.

"ANTI-SEMITISM" HAS A MANIFOLD ROLE IN THE JEWISH SCHEME

False claims of anti-Semitism are used as a shield to protect the Jewish hierarchy when evidence of their crimes are uncovered.

Former Israeli government official Shulamit Aloni succinctly described the epithet anti-Semite as"a trick, we [Jews] always use." She explained that Jews hide behind it like a smokescreen, which is used to conceal evidence of Jewish malefaction.

By the trick of labeling a person as an anti-Semite, the accused person's credibility is undermined, and the focus shifts from the evidence against wrongdoing by Israel or the Jews to the motives of the accused anti-Semite. The Jewish controlled media then destroys the reputation of the accused anti-Semite, and he becomes an object lesson for anyone who might consider criticizing Israel or Jews.

Kevin Barrett Promotes New Book Claiming Israel Behind Paris Attacks

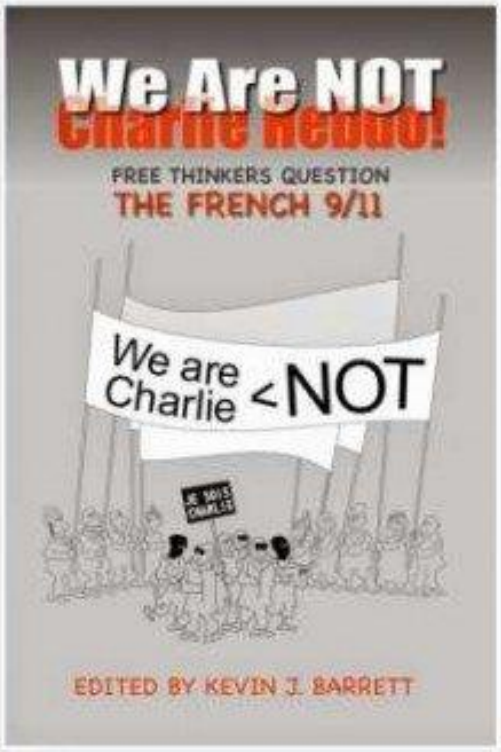
8

Kevin Barrett, anti-Semitic conspiracy theorist and frequent *Press TV* contributor, is on a speaking tour of the Midwest from April 19–30 to promote his new anti-Semitic and conspiratorial book, *We Are Not Charlie Hebdo! Free Thinkers Question the French 9/11*.

According to Barrett, his book tour includes stops at public libraries in Iowa, the Islamic Society of Greater Kansas City, the Islamic Foundation of Greater St. Louis, as well as stops in Peoria, Illinois and Milwaukee and Madison, Wisconsin.

A photo posted on Facebook shows approximately 15 people in attendance for his talk in Fairfield, Iowa.

Barrett's *We Are Not Charlie Hebdo! Free Thinkers Question the French 9/11* features essays by Barrett as well as from twenty-one others, most of which claim that the shootings at the *Charlie Hebdo* headquarters and at a kosher market in Paris were a "false flag operation" perpetrated by any number of culprits including the Israeli government, the United States government, and/or the French government.



Cover of Barrett's new book

The majority of the interviews and essays featured in the anthology allege that Israel, with or without help from the United States, orchestrated the attacks. Barrett claims that these attacks were just one in a long history of events – such as the 9/11 attacks and the 2001 anthrax poisonings – perpetrated by Israel in order to "incite hatred of Muslims and solidarity with Israel."

Such conspiracy theories are nothing new for Barrett, who recently appeared on Iran's English-language propaganda network, *Press TV*, where he claimed that Jews and/or Israel were behind the creation of ISIS, the 2011 attacks in Norway that left 77 people dead, and the 9/11 terrorist

The Jewish hierarchy uses anti-Semitism to keep Jews from assimilating into gentile society; they want their Jews cloistered from gentiles. They also used anti-Semitism as a means of herding Jews to Israel.

The “final solution” was not the extermination of the Jews, as is commonly believed, it was the persecution of the Jews in order to drive them out of Europe into Israel. The Nazis were simply unwitting tools in the hands of the Zionist Jews in their Machiavellian plan to gain hegemony over Palestine. All who engage in persecution of Jews, simply because they are Jews, are unwitting accessories to the Zionists.

To this day anti-Semitism is fostered by the Zionist hierarchy. A close examination of Neo-Nazi hate groups reveals that there are Jews throughout their leadership.The Neo-Nazis act as agent provocateurs in the hands of the controlling Jews in order to fan the flames of AntiSemitism. Look at what has happened since the Zionists pulled off 9-11
- the introduction of the USA Patriot Act,
- the Military Commissions Act of 2011,
- the introduction of the Transportation Safety Administration and the Department of Homeland Security
the warrantless surveillance of the NSA,
and the draconian National Defense Authorization Act (NDAA), which authorizes the un-Constitutional suspension of habeas corpus and even the targeted assassinations of American citizens without due process of law.

The United States has been in full partnership with Saudi Arabia, Israel, and Erdogan in Turkey in importing Takfiris and Wahhabic terrorists in Syria, financing them, and training them. The 250,000 deaths and the displacement of half the population of that country is the result of these deliberate criminal policies

We should not be surprised that the tragedy of San Bernardino is a prime example that What goes around, comes around... that is if its not a falsflag.

Talmud Jews expect the arrival of Messiah Ben-Yosef, a military leader who will crush Israel's enemies and enable the world empire of Messiah Ben-David. The occultist Illuminati share a similar belief in a global leader (Christians call him the antichrist) who will rule from Jerusalem
For these extraordinary events to happen, a traumatizing war must occur first. It should be much easier to promote this total war if all Israel's neighbors are crazy fanatics prone to violence, and not moderates such as Mubarak. Let the tension grow and nuke them all in retaliation for some false flag or real attack on Tel-Aviv with a dirty bomb or biological weapon launched from Syria or Iraq.
This view would explain why Israel is unnecessarily cruel in it's actions against Gaza and Lebanon, targeting civilians with no objective military advantage. The more the Arabs hate Israel, the higher the tension and the closer the total war.

As usual, the Pentagon puts out another fake Bin Laden story to keep selling the phony war on terror to braindead Americans -this time saying Rob O'Neill is the man who shot and "killed" Bin Laden....

Osama bin Laden died in December 2001 of renal failure and other health problems, having denied in his last recorded video any responsibility for 9/11, instead directing Americans to look inside their own government. The FBI itself has stated that there is no evidence that Osama bin Laden is responsible for 9/11. Bin Laden's obituary appeared in numerous foreign and Arabic press, and also on Fox News.

No one can survive renal failure for a decade, and no dialysis machine was found in the alleged Abbottabad compound of bin Laden, who allegedly was murdered by SEALs a decade after his obituary notices.

Just as the ship from which Bin Laden was allegedly "buried" has no witnesses to the deed, the SEAL unit, whose members formed the team that allegedly dispatched an unarmed Terrorist Mastermind rather than to take him into custody for questioning, mysteriously died in a helicopter crash when they were loaded in violation of procedures in an unprotected 1960s vintage helicopter and sent into a combat zone in Afghanistan shortly after the alleged raid on "bin Laden's compound."

For awhile there were news reports that the families of these dead SEALS do not believe one word of the government's account. Moreover, the families reported receiving messages from the SEALs that suddenly they felt threatened and did not know why. The SEALs had been asking one another: "Were you on the bin Laden mission?" Apparently, none were. And to keep this a secret, the SEALs were sent to their deaths.

EXACTLY WHICH OF THESE "OSAMAS" WAS BURIED AT SEA???

In 2009, Qatar put forth a proposal to run a natural gas pipeline through Syria and Turkey to Europe.
Assad however rejected this, and in 2011 he forged a pact with Iraq and Iran to run a pipeline eastward cutting Qatar and Saudi Arabia out of the loop completely.
MOLOKO
REPORTING THE TRUTH
Not surprisingly Qatar, Saudi Arabia and Turkey (all covert sponsors of ISIS) have been the most aggressive regional players in the push to topple the Syrian government.
But why would this pipeline dispute put Syria in Washington's cross hairs? Three reasons:
1. This pipeline arrangement would significantly strengthen Irans position, allowing them to export to European markets without having to pass through any of Washingtons allies. This obviously reduces the U.S. governments leverage.
2. Syria is Irans closest ally. Its collapse would inherently weaken Iran.
3. Syria and Iran have a mutual defense agreement, and a U.S. intervention in Syria could open the door to open conflict with Iran.

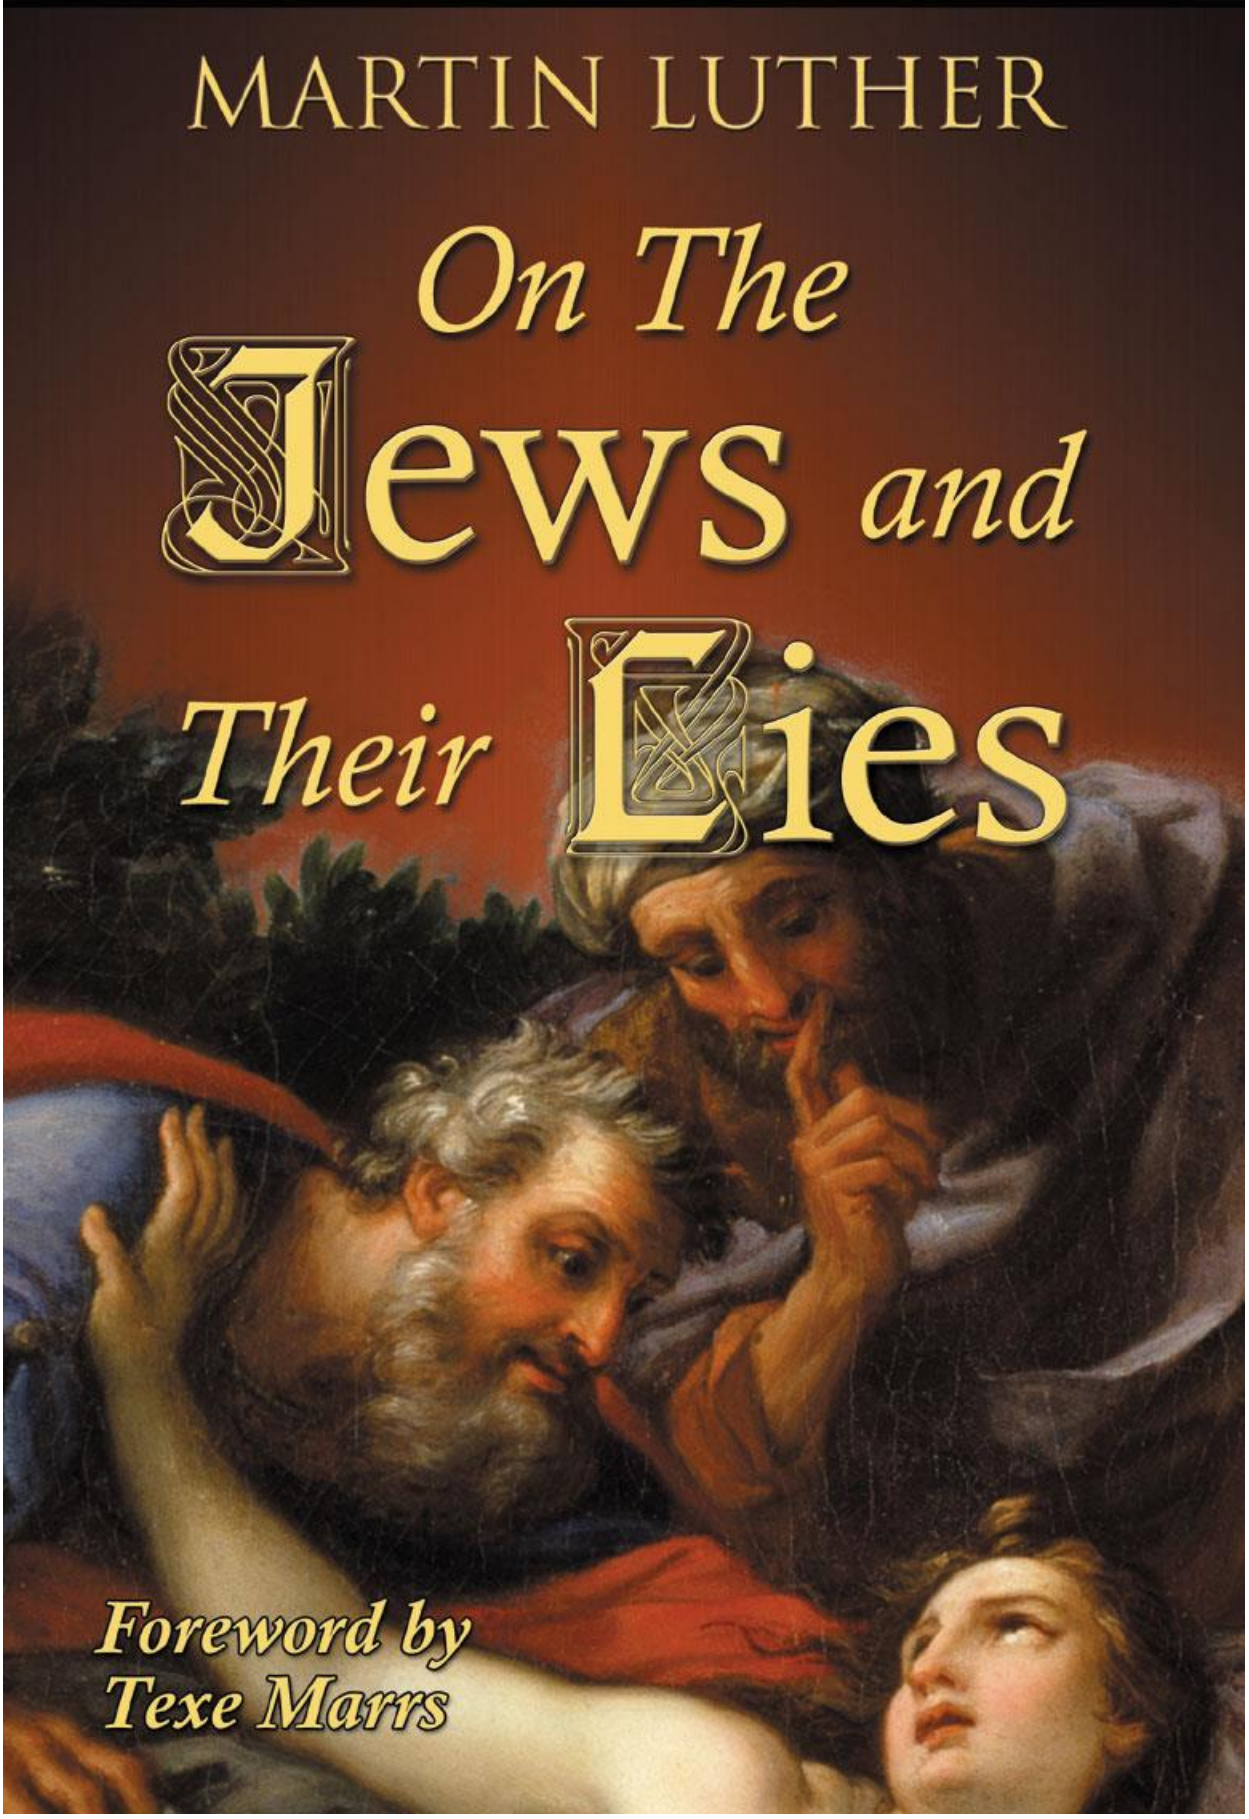
MARTIN LUTHER

On The Jews *and Their* Lies



Foreword by Texe Marrs

Why does the murder of President John F. Kennedy still matter?

It matters because the murder of President Kennedy was not only a conspiracy but a coup d'etat. The powers behind the assassination took control over the government and orchestrated the cover-up.

It matters because if the government is still lying about the Kennedy assassination, it essentially means that the powers that killed John F. Kennedy are still in charge to this very day.

smoloko.com

Lyndon B. Johnson, who became the president on the day Kennedy died, was an ardent Zionist and devoted supporter of the state of Israel.

His aunt Jessie Johnson Hatcher, who was a major influence on Lyndon, was a member of the Zionist Organization of America.

While it seems very likely that his family was in fact Jewish (i.e.Crypto-Jews), there is absolutely no question that Lyndon Johnson was a high-level Zionist who had been involved for decades with the Jewish Freemasonic organization,the International Order of the B'nai B'rith -

Lyndon Johnson and the Zionist-controlled media have covered-up the truth of the assassination of President John F. Kennedy because it was a crime that was carried out by the Zionist criminal network, which took power in the coup d'etat in Dallas in November 1963 and which has been in power ever since.

The role of the Zionist-controlled media is to keep the population from realizing that a criminal regime of Zionist agents controls their government.

smoloko.com

Martin Luther, one of the greatest champions of the Christian faith ever to live, wrote a book "On the Jews and their Lies" to warn Christians of the darkness of the Jewish religion.

Luther learned of the true teachings of the Jews, teachings kept hidden. He discovered that Judaism was rife with hatred and blasphemy toward Jesus and Christianity.

In the Babylonian Talmud, the most holy book of the Jews, Luther found horrible lies about Jesus and his mother, Mary. The Talmud claims Jesus is a bastard, a liar, a drunk, and a sex magician who as a criminal deserved to die. His mother, Mary, is alleged to have been a filthy whore who conceived Jesus after illegitimate sex with Roman soldiers.

The rabbis boast that Jews are "divine gods" on earth, in contrast to non-Jews, who are said to be little more than dumb beasts. It is acceptable, then, to cheat and to rob non-Jews, even to kill them.

Martin Luther also condemned usury and stated plainly: "All usurers are thieves and belong in the gallows."

Israel deliberately machine-gunned and bombed a unarmed U.S Navy Communications ship, the U.S.S Liberty, off the coast of Lebanon on June 8, 1967

The Israeli fighter jets killed 34 American servicemen and marines, wounding 174 others.

Israel's plan was to blame Egypt, and have the US retaliate against Egypt.

The liberty carried clear markings indicating it to be an American ship, but the Israeli fighters were ordered to attack anyway.

Fidel Castro rightly says ISIS is a US and Israel creation

Castro, 88, also attacked US Senator John McCain over his policies in the Middle East, describing him as Israels most unconditional ally.

Castro correctly accused McCain of supporting Israels Mossad intelligence agency as well as participating together with that service in the creation of the Islamic State

In a lengthy essay the Castro government published in the November 4,1979 edition of Granma—an official newspaper—the Cuban Marxists critiqued Israel and Zionism . . .

We can see why the Mossad and it's allies in the CIA had no problem sheep-dipping Oswald as a 'pro-Castro agitator'

Castro's newspaper said, in part:
"The Zionists never did, and never will, forgive the Soviet state and its Leninist Party . . . because the Bolsheviks implemented a correct policy that incorporated the talents and efforts of the Soviet Jews into the tasks of building a new society and thus demonstrated the class origins of discrimination and anti-Semitism, breaking with the past and providing a genuine solution to the Jewish problem, a solution which was not and could never be a massive exodus to Palestine."

"With the outbreak of the cold war the Zionists collaborated in all the subversive and diversionary activities against the USSR and other socialist countries. The secret services of the Zionist state of Israel coordinated their spy activities with the CIA. And to complete the picture there is the Zionist counter-revolutionary action against the national liberation movements."

"The Zionists became a power and succeeded in establishing their own state in 1948. Now their task is to defend oil routes, protect all the interests of U.S. imperialism and block the advance of the Arab revolution. Neither the machinations of Zionist counterrevolution, nor Israeli arms, can hold back the victorious march of the peoples of the world."

Lee Harvey Oswald's identity as a "pro-Castro agitator", the role he played prior to the JFK assassination— was tailor-made for (or, perhaps we should say, tailor-made by) the CIA and its allies in the Mossad.

What few JFK assassination researchers have noted (or perhaps even understood) was that Fidel Castro's Cuba had long been hostile to Israel and the cause of Zionism.

Thus, both the Mossad and the CIA would find a "pro-Castro agitator" an ideal patsy.

JEWISH MOTIVE TO KILL JFK

The Primary motive was to get Israel a nuclear bomb.

The Israeli version of the CIA, called the Mossad, has a motto is by way of deception shalt thou wage war.

It knew that:

1) the family patriarch, Joe Kennedy Senior, was strongly 'antisemitic', and as US ambassador had tried to keep American from joining WWII on the British side;

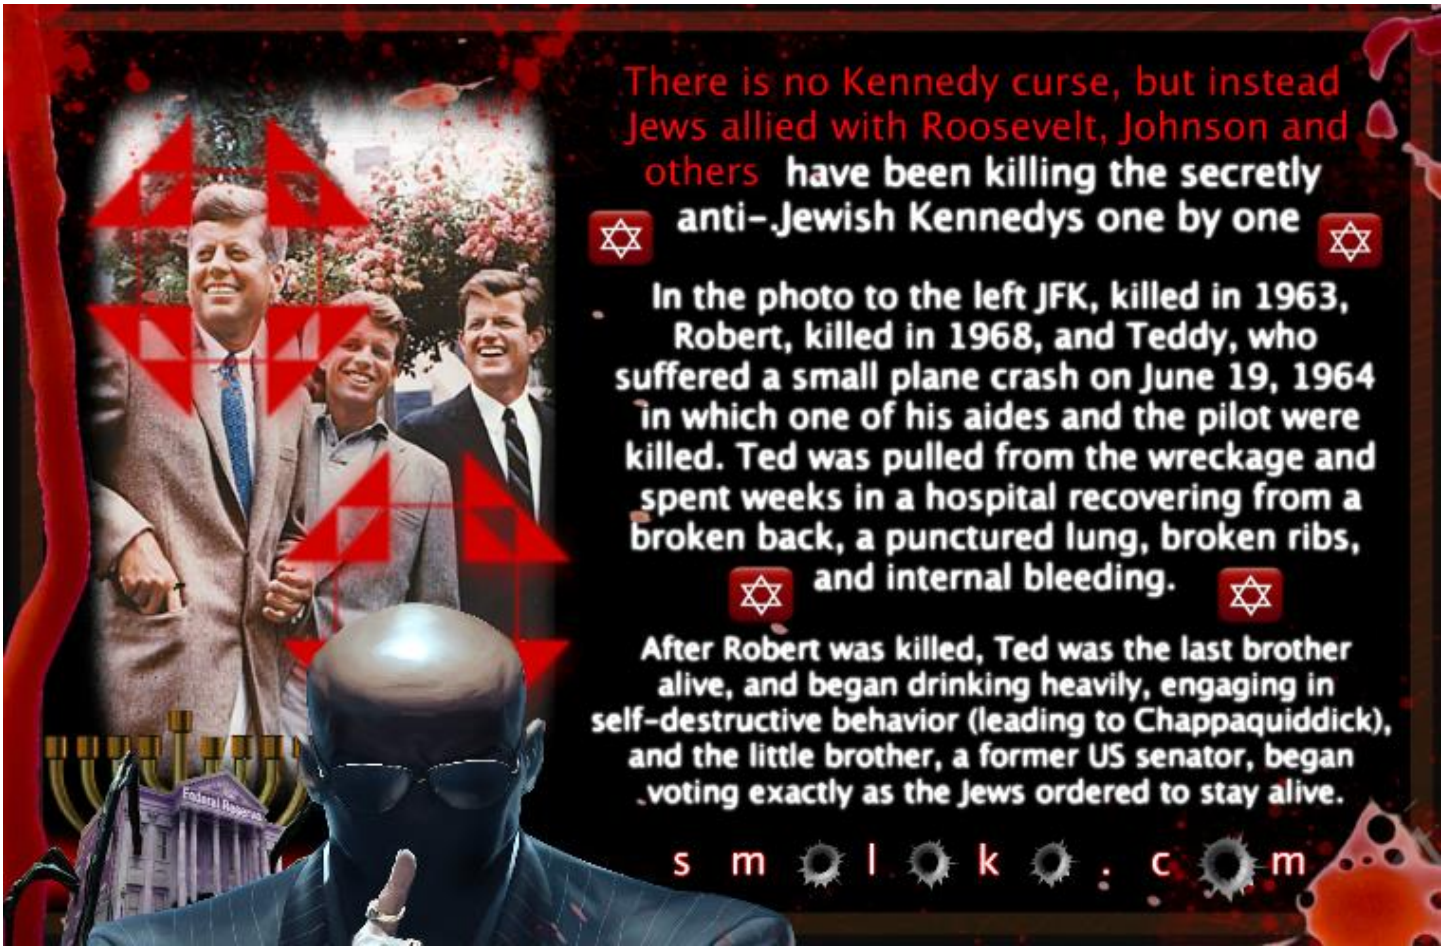
2) his son, John Fitzgerald Kennedy had written very favorably about Hitler in his published diary;

3) JFK had defended Republican US Senator Robert Taft in his bestseller, Profiles in Courage, for denouncing the Nuremberg War Crimes Trials (the trial and hanging in 1946 of the 11 top German leaders who had served in the Hitler government) as a farce;

4) as president, Kennedy had done all in his power to prevent Israel from building The Bomb.

The Mossad organized the killing of JFK, which put in the crypto-Jew Lyndon Baines Johnson (mothers maiden name: Baines, a name as Jewish in Texas as Cohen or Goldberg).

smoloko.com



There is no Kennedy curse, but instead Jews allied with Roosevelt, Johnson and others have been killing the secretly anti-Jewish Kennedys one by one
In the photo to the left JFK, killed in 1963, Robert, killed in 1968, and Teddy, who suffered a small plane crash on June 19, 1964 in which one of his aides and the pilot were killed. Ted was pulled from the wreckage and spent weeks in a hospital recovering from a broken back, a punctured lung, broken ribs, and internal bleeding.
After Robert was killed, Ted was the last brother alive, and began drinking heavily, engaging in self-destructive behavior (leading to Chappaquiddick), and the little brother, a former US senator, began voting exactly as the Jews ordered to stay alive.

"For over 1,700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland,as they call Palestine.But gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live only among themselves. They must subsist on Christians and other people not of their race.

"If you do not exclude them from these United States,in their Constitution, in less than 200 years they will have swarmed here in such great numbers that they will dominate and devour the land and change our form of government, for which we Americans have shed our blood, given our lives, our substance and jeopardized our liberty.

As usual, the Pentagon puts out another fake Bin Laden story to keep selling the phony war on terror to braindead Americans -this time saying Rob O'Neill is the man who shot and "killed" Bin Laden....

Osama bin Laden died in December 2001 of renal failure and other health problems, having denied in his last recorded video any responsibility for 9/11, instead directing Americans to look inside their own government. The FBI itself has stated that there is no evidence that Osama bin Laden is responsible for 9/11. Bin Laden's obituary appeared in numerous foreign and Arabic press, and also on Fox News.

No one can survive renal failure for a decade, and no dialysis machine was found in the alleged Abbottabad compound of bin Laden, who allegedly was murdered by SEALs a decade after his obituary notices.

Just as the ship from which Bin Laden was allegedly "buried" has no witnesses to the deed, the SEAL unit, whose members formed the team that allegedly dispatched an unarmed Terrorist Mastermind rather than to take him into custody for questioning, mysteriously died in a helicopter crash when they were loaded in violation of procedures in an unprotected 1960s vintage helicopter and sent into a combat zone in Afghanistan shortly after the alleged raid on "bin Laden's compound."

For awhile there were news reports that the families of these dead SEALS do not believe one word of the government's account. Moreover, the families reported receiving messages from the SEALs that suddenly they felt threatened and did not know why. The SEALs had been asking one another: "Were you on the bin Laden mission?" Apparently, none were. And to keep this a secret, the SEALs were sent to their deaths.

NEW WORLD ORDER PLEDGED TO JEWS

Arthur Greenwood of British War Cabinet Sends Message of Assurance Here

RIGHTING OF WRONGS SEEN

English Rabbi Delivers to Dr. S. S. Wise New Statement on Question After War

In the first public declaration on the Jewish question since the outbreak of the war, Arthur Greenwood, member without portfolio in the British War Cabinet, assured the Jews of the United States that when victory was achieved an effort would be made to found a new world order based on the ideals of "justice and peace."

Mr. Greenwood, who is Deputy Leader of the British Labor party, declared that in the new world the "conscience of civilized humanity would demand that the wrongs suffered by the Jewish people in so many countries should be righted." He added that after the war an opportunity would be given to Jews everywhere to make a "distinctive and constructive contribution" in the rebuilding of the world.

The message was delivered last week to Dr. Stephen S. Wise, chairman of the executive committee of the World Jewish Congress, by Rabbi Maurice L. Perlzweig, chairman of the British section of the congress. Rabbi Perlzweig arrived from England Monday evening.

Intention to Right Wrongs

Comparing the statement with the Balfour Declaration of 1917, Dr. Wise declared that in a sense it had "wider and farther reaching implications," as it dealt with the status of Jews throughout the world. He said that Mr. Greenwood's message could be interpreted as a statement of England's firm intention to help right the wrongs which Jews have suffered and continue to suffer today because of Hitler's "disorder and lawlessness."

Mr. Greenwood, sending the Jews of America a message of "encouragement and warm good wishes," wrote:

"The tragic fate of the Jewish victims of Nazi tyranny has, as you know, filled us with a deep emotion. The speeches of responsible statesmen in Parliament and at the League of Nations during the last seven years have reflected the horror with which the people of this country have viewed the Nazi relapse into barbarism.

"The British Government sought again to secure some amelioration of the lot of persecuted Jewry both in Germany itself and in the countries which were infected by the Nazi doctrine of racial hatred. Today the same sinister power which has trampled on its own defenseless minorities, and by fraud and force has temporarily robbed many small peoples of their independence, has challenged the last stronghold of liberty in Europe.

New World Order Forecast

"When we have achieved victory, as we assuredly shall, the nations will have the opportunity of establishing a new world order based on the ideals of justice and peace. In such a world it is our confident hope that the conscience of civilized humanity would demand that the wrongs suffered by the Jewish people in so many countries should be righted.

"In the rebuilding of civilized society after the war, there should and will be a real opportunity for Jews everywhere to make a distinctive and constructive contribution; and all men of good-will must assuredly hope that in new Europe the Jewish people, in whatever country they may live, will have freedom and full equality before the law with every other citizen."

In an interview at the Hotel Astor, Rabbi Perlzweig declared he was certain Mr. Greenwood "speaks for England." There is a clear realization, he added, that freedom and emancipation for the Jewish people are tied up with emancipation and freedom for people everywhere. The message, Rabbi Perlzweig remarked, was the subject of earnest consideration by the British Government.

"This is a declaration in behalf of the whole world," he observed. "Here the British Government expresses clearly what it hopes will take place after the war is won."

Ex-oil employees say stealing from Indian wells is common

WASHINGTON (AP) — Former employees of a Kansas-based oil company say they were pressured to steal oil from wells on Indian land, and their company was not alone in the practice.

Gene Poteet, a former gauger for Koch Industries of Wichita, Kan., told a Senate committee Tuesday that his nephew worked for an oil firm that told him, "If he couldn't steal his wages, they didn't need him." Poteet did not name the firm.

Poteet and James Spaulding, another former gauger for Koch, testified before a special committee of the Senate Select Committee on Indian Affairs, which is investigating theft of oil from and underpayment of oil royalties to Indians.

As gaugers, both men were employed to measure oil from tanks at well sites into either a pipeline or onto trucks for sale by Koch, which does a large amount of business on Indian oil fields.

They said the company expected them to "mismeasure" so that more oil would be received than paid for.

Spaulding said that when he resisted, he was informed that Koch "would send one their gaugers to reteach me."

Spaulding said he worked for Koch from 1984 until 1988, when he was fired for refusing to work Sundays. Poteet, who worked for the company from 1979 to 1984, said he quit because "I didn't agree with their practices."

Spaulding said when he went to work for another oil company, Union Texas, he caught the employee who replaced him at Koch stealing oil from Union Texas. Union Texas then canceled its contracts with Koch, he said.

Donald L. Cordes, Koch Industries vice president for legal and corporate affairs, issued a statement Tuesday saying testimony and information during the hearing was incomplete and created a false impression.

Cordes said the Senate panel didn't reveal that the so-called overages being attributed to Koch represent a minute percentage of the total oil the company buys and resells. He said Koch crude oil purchases were measured short the first two months of 1989, and the overage for 1988 was .0023 of the total volume of crude oil handled and measured by the company.

"This percentage is well within the range of overage percentages reflected in the reports of the states which compile that data," Cordes said. Overage reports from Texas and Louisiana, for example, show many other companies with higher percentages, Cordes said.

A spokesman for the Senate panel said that depositions were taken with Koch officials, though they were not called to testify.

Investigators told the committee that Koch consistently took hundreds of thousands more barrels of crude oil than it paid for during the last three years. A certain amount of mismeasuring is normal in the industry, but not to the degree shown in documents subpoenaed from Koch, witnesses said.

The documents indicated that Koch ended 1986 with 803,874 more bls of oil than it paid for, 1987 with 671,144 more barrels and 1988 with 474,281 extra barrels. The value of the excess oil was estimated at $12.2 million in 1986, $11.9 million in 1987 and $7.1 million in 1988.

Chris Tucker, an independent oil expert who investigated Koch, said most companies mismeasure accidentally but "try to be as accurate as possible.

"At year's end, they try to get to zero (difference)," he said.

Tucker was hired to investigate the company by a brother of the owner, Charles Koch, according to a Senate panel spokesman, who indicated the brothers had quarreled.

Sen. Dennis DeConcini, D-Ariz., who chairs the special committee, said findings from the investigation would be referred to the Justice Department.

All of the witnesses who testified Tuesday said it is easy to steal oil from Indian land because no one supervises the purchasers when they take oil from tanks at the wells.

Two Caudo Indians from Gracemont, Okla., said they receive royalties from three wells in Oklahoma, but have noticed their individual checks have decreased from $3,000 per month to $1,000 despite the rising price of oil.

Thurmon Parton and Arnita Gonzalez said they learned from investigators for the committee that a gauger from Koch Industries had been caught stealing from their wells.

Neither Parton nor Gonzalez is employed, and both say they depend on their royalty checks to pay their bills.

The whole of modern history can be explained by their farm management practices. Wars are started to increase the debt and cull the herd. The goal is to cull the herd to 500 million and chip the remnant. These families and their henchmen own 80% of the world's wealth and do nothing useful yet believe the impoverished majority are parasites.

"ANTI-SEMITISM" HAS A MANIFOLD ROLE IN THE JEWISH SCHEME

False claims of anti-Semitism are used as a shield to protect the Jewish hierarchy when evidence of their crimes are uncovered.

Former Israeli government official Shulamit Aloni succinctly described the epithet anti-Semite as"a trick, we [Jews] always use." She explained that Jews hide behind it like a smokescreen, which is used to conceal evidence of Jewish malefaction.

By the trick of labeling a person as an anti-Semite, the accused person's credibility is undermined, and the focus shifts from the evidence against wrongdoing by Israel or the Jews to the motives of the accused anti-Semite. The Jewish controlled media then destroys the reputation of the accused anti-Semite, and he becomes an object lesson for anyone who might consider criticizing Israel or Jews.

The Jewish hierarchy uses anti-Semitism to keep Jews from assimilating into gentile society; they want their Jews cloistered from gentiles. They also used anti-Semitism as a means of herding Jews to Israel.

The “final solution” was not the extermination of the Jews, as is commonly believed, it was the persecution of the Jews in order to drive them out of Europe into Israel. The Nazis were simply unwitting tools in the hands of the Zionist Jews in their Machiavellian plan to gain hegemony over Palestine. All who engage in persecution of Jews, simply because they are Jews, are unwitting accessories to the Zionists.

To this day anti-Semitism is fostered by the Zionist hierarchy. Illuministic Communism the Goal
The goal of the Jewish Masonic elite is to establish dictatorial Illuministic Communism and to enslave all of mankind under the thumb of a Jewish master race led by a world messiah who is to rule from Jerusalem.
An essential element in this grandiose plan is the Masonic plot to blow up and destroy Islam's golden-domed monument now sitting on the Temple Mount in Jerusalem, despised by Orthodox Jewish rabbis and the secularist Masonic Illuminists alike.
On the heap of its ruins, the Masons intend to build a Jewish Masonic temple where they and their satanically energized messiah shall worship and pay homage to the Egyptian double-headed eagle deity, Mammon-Ra, the god of money

The Zionist (Mossad) false flag attack on the World Trade Center was a pretext for renewed Zionist imperialist expansion.

"We're going to take out seven countries in five years, starting with Iraq, and then Syria, Lebanon, Libya, Somalia, Sudan and, and, finishing off, Iran."

Almost 15 years later, this plan is well advanced. None of these countries represented a threat to nuclear armed Israel or the US. They were the first victims in the satanist (Illuminati) agenda to subjugate the whole world. As we have seen, the plan has met some resistance from Russia in the Ukraine and Syria.

The Legend of Zelda video game series is an allegory about Jewish World Control

It is no coincidence that the evil antagonist and arch-nemesis Ganondorf has red kinky hair with long earlocked sideburns, dark beady eyes, a giant hooknose and the typical look of a creepy smirking pedophile.

Ganon symbolizes the Jew: the timeless cosmic fiend and bloodthirsty adversary to the Aryan race. He routinely and systematically kidnaps blond White women and hold them hostage.

His agenda is total World domination and ruthless enslavement of all the so-called Goyyim.

This devious Kike is even wearing a tefillin on his forehead and arms. The only thing missing is a yarmulke, and you would have a fully equipped baby-penis sucking Orthodox Hasidic Chabad-Lubavitch rabbi.

Japanese game series Legend of Zelda Represents the White Struggle against the Jew

The ancient Aryan struggle to break free from the death grip of Zion and throw these disgusting Hebrew vermin into the abyss has been turned into a legendary adventurous gameplay series by the Japanese game designers who created this popular and timeless franchise.

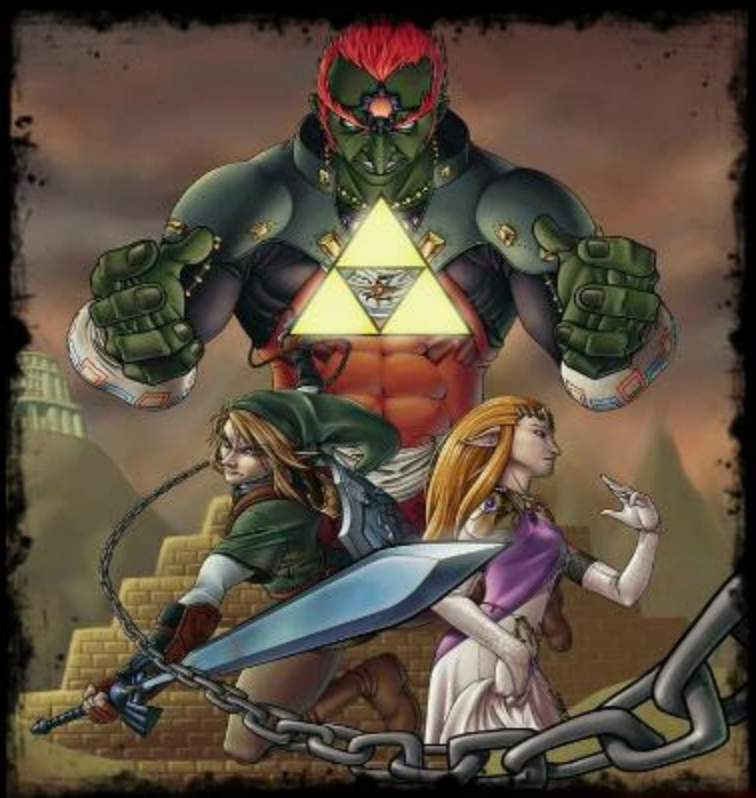
Ganondorf, the leader of the Jews, a race of desert brigands, is the archenemy of the Aryan freedom fighter Link and the entire White race.



The Jew embarks on an evil Hebrew quest to conquer all the kingdoms of the World, and seeks godlike power to facilitate this.

His specific motives vary, but most often they include capturing the blond blue-eyed Aryan Princess Zelda and planning to achieve the domination of the White lands known as Hyrule (and presumably the World beyond it).

Jews are the most cruel of slave traders.

An observer of the slave traffic noted -

"Every Jewish trader who got a license for 100 Africans casually loaded 5 times that number into their ship." But they were given free reign to sell the rest."

"Traders "bribed the governor and treasurer with slaves and cash for permission to land twice as many slaves as registered."

BE AN AMERICAN

Due to Masonic Jewish control of banking, business, government, culture and communications, we have all become Jews. Western society is a satanic cult. Sex is the new God. "Sex symbols" point the way.

Judaism is defined by Cabalism, a satanic sex cult, and the Talmud, which is characterized by incest and pedophilia.

Jews don't know this but Judaism is not a religion.The Illuminati Jewish leadership wants to replace God, and degrade mankind to an animal state using sex. Whenever you deny God, you create false Gods like sex.

The lesson? This is a battle for the mind. If we don't control our thoughts, they will.

The money never actually goes to the country.
It goes instead to US corporations, who build big

In 1926 Count Cherep-Spiridovitch published a book entitled "The Secret World Government" which shows how the Rothschild's plan for world tyranny dominates modern history.

The fact that Secret World Government is generally considered "right wing" and "antisemitic" is revealing: -

1) It shows the extent society already has been brainwashed and subverted by the Rothschild conspiracy.

2) It reveals how the bogus issue of antisemitism is used to divert attention from a genuine mortal threat to humanity.

3) It explains the true meaning of "right wing" and why the Left is an instrument of the bankers.

Count Cherep-Spiridovitch was a Czarist general who battled the Bolsheviks in the 1917 Russian Revolution.

Bush was hated by the Mossad and considered an enemy of Israel because he wouldn't give in to all of Israel's demands.

In his 1994 book, The Other Side of Deception, former Mossad agent Victor Ostrovsky finally revealed the specifics of what he had learned of the 1991 Mossad plot against Bush: the Mossad planned to assassinate Bush during an international conference in Madrid.

The Mossad had captured three Palestinian "extremists" and leaked word to the Spanish police that the terrorists were on their way to Madrid. The plan was to kill Bush, release the "assassins" in the midst of the confusion — and kill the Palestinians on the spot.

The crime would be blamed on the Palestinians— another Mossad "false flag".

UNDERSTANDING MONEY
1. Money has no inherent value. It is a medium of exchange like sea shells or beads. It is simply a convenient method for billions of people to exchange millions of different products and services.
2. Nobody can own a medium of exchange. It must be public.
3. But a network of private Illuminati families do own it. They produce the medium of exchange in the form of a debt to them. And they charge compound interest on this "debt" created out of thin air. We are being strangled by these debts.

The British would have abandoned Stalin only
as a last resort. British Freemasonry (i.e. the central bankers) was behind the Bolshevik Revolution but by pretending to be opposed, Britain was able to betray their allies, the nationalist White Russians. The bankers later created Nazi Germany because Stalin had become too nationalistic himself.

The very flag of Israel tells you who owns it. There are many reasons why the Rothschilds and their allies wanted to hijack Palestine and one was to keep the Middle East in a state of disruption and turmoil from which a global war can eventually be triggered to usher in the New World Order of world government dictatorship.

The central banking cartel is the mainspring of the New World Order. By giving foreign private interests the power to create money based on our credit, our predecessors doomed Western Civilization.
These private interests naturally bought control of everything and everyone and now want to institutionalize their control globally.
This is behind world government a and at the heart of the "war on terror."

Clinton added to what Houston said, talking in local colloquialisms. "Bottom line is, we've got control of the (drug) industry, therefore we've got control of them (suppliers and buyers). You control the guy underneath ya' and Uncle (Sam) has ya' covered. What have ya' got to lose? No risk. No one's gonna hang ya' out to dry. And whatever spills off the truck as it passes through (he laughed and snorted another line of coke) you get to clean up."

Hall smiled at his friend, which was apparently interpreted as consent. Clinton motioned for his aide to get his ledger. Overstreet began pulling out his paperwork, and Hall neatly cleared the table of the remaining coke lines.

Clinton gestured to me and told Houston, "Get her out of here".

Houston didn't move and laughed. "She's a Presidential Model. She's kept secrets bigger than yours."

Clinton responded, "I don't care. Get her the fuck out of here."

Hall's wife led me away and locked me in a back bedroom. After an indeterminate period of time, I heard her telephone Hillary at the guest villa. She then drove me up the mountain through the dark to meet with Hillary. Although I had previously met Hillary we had very little to say to each other--particularly since I was still dazed and tranced from the tortures I had endured at the CIA Near Death Trauma Center in Lampe. Hillary knew I was a mind-controlled slave, and, like Bill Clinton, just took it in stride as a "normal" part of life in politics.

Hillary was fully clothed and stretched out on the bed sleeping when Hall's wife and I arrived. "Hillary, I brought you something you'll really enjoy. Kind of an unexpected surprise. Bill ordered her out of the meeting and I took her to my bedroom and made an interesting discovery. She is literally a two-faced (referring to my vaginal mutilation carving) bitch."

"Hmm?" Hillary opened her eyes and sleepily roused herself. "Show me."

Hall's wife ordered me to take my clothes off while Hillary watched. "Is she clean?" Hillary asked, meaning disease free.

"Of course, she's Byrd's," she responded, continuing the conversation as though I were not there. "Plus, I heard Houston say something about her being a Presidential Model, whatever the hell that's supposed to mean."

"It means she's clean," Hillary said matter-of-factly as she stood up.

I was not capable of giving thought to such things back then, but I am aware in retrospect that all Presidential Model slaves I knew seemed to have an immunity to social diseases. It was a well known fact in the circles I was sexually passed around in that government level mind-controlled sex slaves were "clean" to the degree that none of my abusers took precautions such as wearing condoms.

Hall's wife patted the bed and instructed me to display the mutilation. Hillary exclaimed, "God!" and immediately began performing oral sex on me. Apparently aroused by the carving in my vagina,[2] Hillary stood up and quickly peeled out of her matronly nylon panties and pantyhose. Uninhibited despite a long day in the hot sun, she gasped, "Eat me, oh, god, eat me now". I had no choice but to comply with her orders, and Bill Hall's wife made no move to join me in my distasteful task. Hillary had resumed examining my hideous mutilation and performing oral sex on me when Bill Clinton walked in. Hillary lifted her head to ask, "How'd it go?"

Clinton appeared totally unaffected by what he walked into, tossed his jacket on a chair and said, "It's official. I'm exhausted. I'm going to bed."

Police arrest 660 suspected pedophiles

LONDON – In a massive national dragnet, British police have arrested more than 600 suspected pedophiles who allegedly accessed pornographic images of children on the Internet, authorities said Wednesday.

The sweep comes at a time of heightened sensitivity over pedophilia in a country where sensational stories of the sexual abuse of minors regularly headline the tabloids, which some critics accuse of whipping up public hysteria over the issue.

Those arrested include doctors, lawyers, caregivers and former police officers, according to Britain's National Crime Agency. Of the 660 suspects, 39 were known sex offenders.

The arrests culminated a six-month investigation involving 45 different law-enforcement agencies across Britain. The National Crime Agency declined to elaborate how detectives traced the suspects from their online activities but said that all the suspects had used the Internet to look at indecent images of children.

Female Israeli Defense Force Female Drone Jockeys Kill Gazans Remotely

The IDF created a new weapon called (Hebrew) in its arsenal and trained a new group of fighters to use it. It is a remote-operated gun mounted on an IDF security tower along the Gaza border. The guns are operated by female IDF soldiers trained, like drone jockeys, to monitor the border area by video feed and shoot to kill pretty much anything that moves there, including Palestinians.

Militarily, Israel could conquer much of the Mideast in mere days. Israels American allies, known as neocons, engineered the Iraq war with help of the 9/11 falseflag that destroyed Israels most capable Arab enemy. Now, thanks again to the neocons, the other serious enemy, Syria, lies in ruins.

The Israeli army employs a mathematical formula to limit outside food deliveries to Gaza to keep the caloric levels of the 1.5 million Palestinians trapped inside its open air prison just above starvation; a government official later denied that he had joked in a meeting that the practice is "like an appointment with a dietician."

Since June 1967, the Israeli Committee Against House Demolitions (ICAHD) estimates at least 27,000 Palestinian homes and structures lawlessly destroyed.

THE ROTHSCHILDS TYPICALLY OPERATE BEHIND THE SCENES. IN THE CASE OF ISRAEL, THE ROTHSCHILDS ENGINEERED WWI AND WAITED UNTIL 1917 WHEN BRITAIN WAS IN TROUBLE. THE ROTHSCHILDS THEN PROMISED THE BRITISH GOVERNMENT THAT THEY COULD GET THE U.S. TO ENTER WWI (ON THE SIDE OF BRITAIN) AND THUS ENSURE BRITAIN'S VICTORY OF GERMANY ET AL. HOWEVER, THEY WANTED SOMETHING IN RETURN: PALESTINE. THUS THE BALFOUR DECLARATION WAS CREATED, WHICH IS AN OFFICIAL LETTER FROM THE BRITISH GOVERNMENT FOREIGN SECRETARY JAMES BALFOUR TO BARON ROTHSCHILD. IT STATES THAT:

"HIS MAJESTY'S GOVERNMENT VIEW WITH FAVOUR THE ESTABLISHMENT IN PALESTINE OF A NATIONAL HOME FOR THE JEWISH PEOPLE, AND WILL USE THEIR BEST ENDEAVOURS TO FACILITATE THE ACHIEVEMENT OF THIS OBJECT."

THERE IS A BIG PROBLEM WITH THIS. PALESTINE WAS NEVER BRITAIN'S TO GIVE AWAY. IT RIGHTFULLY BELONGS TO THE ARAB AND PALESTINIAN PEOPLE LIVING THERE. From 1965 to 1973, the US dropped over two million tons of bombs on Laos, far more than all sides dropped in World War II. The bombing was so ferocious that over a quarter of the population became refugees, with many people living in caves for years at a time.
Since this CIA-run war in Laos was "secret," it only received a fraction of the attention given to the war in Vietnam.
If killed, they were listed as casualties of the Vietnam war. But when the Pathet Laofinally took power in 1975, no prisoner exchange treaty was signed, because we couldn't admit we'd been running a secret war in Laos.

Nazism, Zionism and Communism are Rothschild sponsored movements.

In order to justify the state of Israel, The Rothschild's and their Zionist cronies collaborated with the Nazis and,despite the blood on their hands, continue to exploit the holocaust for their political benefit.

Israel has little to do with the Jewish people. Zionism, Communism, Feminism, Nazism, are all creations of the same Rothschild satanic cabal. These 'isms are all means to the final goal, a neo feudal global dictatorship. -

Timeline of Israeli bombings of United Nations Facilities

In 1996, Israelis shelled a UN compound in Qana, Southern Lebanon - which it had occupied since 1982 - killing more than 100 civilians.

In 2002, during Ariel Sharon's mauling of the West Bank, Israelis repeatedly struck UN ambulances. The commissioner-general of UNRWA stated that the Israelis deliberately targeted the ambulances.

In 2009, during Operation Cast Lead, Israelis bombed several UN buildings.

In 2006, during the most recent Israeli invasion of Lebanon, the Israeli military bombed a well-marked, well-known UN observation post, killing UN personnel.

THE BANK OF NORTH AMERICA, 307 Chestnut Street
Oldest bank in the country and one of the most substantial. Chartered by Congress in 1781 and has continued ever since under the same name. Capital, $1,000,000. Surplus and profits, $1,800,000

The First Bank of the United States

was closely modeled after the Bank of England and created a partnership between the government and banking interests. Twenty percent of the bank's capital was obtained through the federal government with the remaining 80 percent pledged by private investors, including foreigners such as the Rothschilds.

The law records show that they [the Rothschilds] were the power in the old Bank of the United States

This bank also caused inflation by the creation of fractional-reserve notes. Money merchants prospered but the average citizen suffered. In 1811, when the bank's twenty-year charter came up for renewal, it was defeated by one vote in both the Senate and the House

UNDERSTANDING HOW THE ILLUMINATI CENTRAL BANKERS HAVE USED WORLD WARS TO ADVANCE THEIR COMING ONE-WORLD-GOVERNMENT

	WORLD GOVT	COMMUNISM	ZIONISM
WORLD WAR I	LEAGUE OF NATIONS	CONQUEST OF RUSSIA	BALFOUR DECLAR-ATION
WORLD WAR II	UNITED NATIONS	EASTERN EUROPE, CHINA	FOUNDING OF ISRAEL
WORLD WAR III	WORLD GOVT	COMMUNIST-STYLE RULE	THRONE OF ANTICHRIST

~ World Government was first established by World War I (the League of Nations); was strengthened by World War II (United Nations), and would presumably be fulfilled by World War III (all-powerful world government).

~ Communism was a tool to overthrow kings, governments and religion. World War I established the first communist state (Soviet Russia); World War II empowered communism and spread it over half the globe; World War III would not end in Marxist communism per se, but would establish totalitarian rule surpassing communism's worst excesses.

~ Zionism: World War I generated the Balfour declaration, and seizure of Palestine for a "Jewish homeland"; World War II led to establishment of the political state of Israel; World War III would result in the Antichrist reigning from a rebuilt temple in Jerusalem. (As the Bible predicts in 2 Thessalonians, "He will oppose and exalt himself over everything that is called God or is worshipped, so that he sets himself up in God's temple, proclaiming himself to be God.")

As a result of media disinformation, Western public opinion is unaware that the ISIS terrorists have from the very outset been supported by the United States and its allies.
US-NATO support to the Islamic State is also channeled covertly through America's staunchest allies: Qatar and Saudi Arabia.

In fact the only meaningful and effective campaign against Islamic State terrorists is being waged by Syrian government forces.
Needless to say, US, NATO, Saudi and Qatari support and funding to the Islamic State will continue.
The objective is not to destroy the Islamic State as promised by Obama. What we are dealing with is a US sponsored process of destabilizing and destroying both Iraq and Syria.
The campaign against the Islamic State is being used as a justification to bomb both countries, largely targeting civilians.
The endgame is to destabilize Iraq as a nation state and trigger its partition into three separate entities.

9/11 was brought to us by the CIA, the Neo-Cons in the Department of Defense (most of whom were from Project for the New American Century), which believed that, with the collapse of the Soviet Union, there was a unique historical opportunity for the US to build a world-wide empire that would endure for the next 100 years, if only we would move aggressively into the Middle East and project military and diplomatic influence outward from that geopolitically sensitive region, and the Mossad.It hasn't played out that way, but that was the plan. The chaos with Iraq, Syria and Afghanistan continues unabated with Iran as the ultimate objective," James Henry Fetzer said in an exclusive interview with Fars News Agency on the advent of the 13th anniversary of 9/11 attacks.

To understand 9/11, we must return to the dissolution of the USSR in 1990-91
which left the US military-industrial-intelligence complex without an international boogeyman motivate the American people to continue to support vast expenditures on bombs, planes and tanks. A shadowy and elusive terrorist organization in the Middle East was the perfect replacement, especially since terrorist attacks could be arranged almost anywhere at almost anytime and,if the government declared that it was the work of terrorists, who would be in the position to contradict them?
The master plan was to draw the United States into endless wars in the Middle East on behalf of Israel, where no American interests were at stake. In the past, the stability of the region was viewed as paramount to guarantee the uninterrupted flow of oil from stable but despotic regimes. Indeed, no rational soul today would claim that Iraq, for example, is better off now than it was under Saddam Hussein, whose blunder may have been to abandon the petro-dollar. Gaining a foothold for international bankers in a region dominated by Islam, which tends to eschew usury, was another powerful motive.

"It's one of the biggest abuses we've seen," Bamford quoted Snowden as saying.
It is well known that the intelligence is used to oppress Palestinians.. People are arrested in the Palestinian territories. Sometimes without trial. And even when they are taken to trial its often with evidence that cant be exposed [in court] because it is classified.

If the Obama Administration were sincere in its stated intent to forge a broad regional coalition against ISIL, it would not be threatening to bomb the Syrian government, ISIL's biggest enemy. Instead, it would be working with President al-Assad's government, and the other governments of the region, as well as Russia, in a long-term effort to address the real causes of the rise of ISIL.
And the first real cause that needs to be addressed is Western and Zionist support of ISIL. Why was ISIL armed and trained at CIA bases in Jordan? Why has Israel provided direct and indirect support to ISIL, going so far as to bring wounded ISIL fighters to Israeli hospitals for treatment? Why are Western assets in the Persian Gulf pouring money into ISILs coffers? And why is the Western deep state, which controls much of the worlds illegal drug trade, throwing its dirty money at ISIL?

Western society and culture have been pushing "tolerance." But Why?
Because the Illuminati bankers want to "dislocate
all collective forces which are still unwilling to submit to them.
The four major collective forces are:
Race, Religion, Family and Nation.
They are the four pillars of our human identity.
How do you undermine them?
Certainly a frontal attack wouldmeet with spirited resistance.
Instead you promote "tolerance"which destroys these
collective forces by erasing the differences between them.
Thus you have ecumenism in religion, miscegenation
in race, and regionalism (i.e. EU, NAU) in nation states.
You destroy family by erasing gender differences.

So the video depicting the beheading of James Foley has taken its place as part of a Zionist propaganda campaign designed to defame Islam and keep the US fighting and killing Israel's enemies. Was that, in fact, why it was created? In a word, yes.

The video purporting to show the decapitation of James Foley is a classic example of neocon hate propaganda. It is the sort of Two Minutes Hate event satirized in George Orwells book 1984, in which citizens are whipped into such a frenzy of loathing by enemy images that they sometimes physically assault their telescreen.

In 1828, immediately upon his election as the new President of the US, President Andrew Jackson began an investigation of the Second Bank of the United States.
President Jackson argued that the bank was privately owned with stockholders from foreign nations who had political agendas at odds with the United States.
Jackson said "More than 8,000,000 of the stock of the bank is held by foreigners who are more dangerous than the military power of an enemy." —
In 1832 when Jackson ran for re-election and, despite the fact that the Jewish bankers poured $3,000,000 into Henry Clays campaign to defeat him, he was re-elected and immediately STARTED REMOVING the governments deposits from the Rothschilds Second Bank of the United States and ended the bank itself returning money creation power back to the congress.

Historian Carroll Quigley commented on the creation of the central banks in his 1975 book Tragedy And Hope:
SMOLOKO.COM
"The powers of financial capitalism had (a) far reaching (plan), nothing less than to create a world system of financial control in private hands able to dominate the political system of each country and the economy of the world as a whole.
This system was to be controlled in a feudalist fashion by the central banks of the world acting in concert, by secret agreements arrived at in frequent meetings and conferences. The apex of the system was to be the Bank For International Settlements in Basel, Switzerland, a private bank owned and controlled by the world's central banks which were themselves private corporations. Each central bank ... sought to dominate its government by its ability to control treasury loans, to manipulate foreign exchanges, to influence the level of economic activity in the Country, and to influence cooperative politicians by subsequent economic rewards in the business world."

ECONOMIC HITMEN
work in many different ways,
but perhaps the most common one is that they will identify
a third world country that has resources their corporations covet,
such as oil, and then they arrange a huge loan to that country
from the World Bank or one of its sister organizations.
The money never actually goes to the country.
It goes instead to US corporations, who build big
infrastructure projects - power grids, industrial parks,
harbors, highways - things that benefit a few very rich people
but do not reach the poor at all. The poor aren't connected
to the power grids. They don't have the skills to get jobs
in industrial parks. But they and the whole country are
left holding this huge debt, and it's such a big bet that
the country can't possibly repay it. So at some point in time,
the economic hit men go back to the country and say,
"Look, you know, you owe us a lot of money.
You can't pay your debt, so you've got to give

Richard Haass, director of the Council on Foreign Relations and former high level functionary at the State Department, is calling for attacking ISIS
The real objective here is not defending Iraq or the preservation of ethnic and religious minorities there, including Christians, but rather serves as an elaborately constructed excuse to enter Syria and take out the al-Assad regime, thus far a difficult task, even for ISIS, the terror army trained by the U.S. military.

Gays make up just 0.1% of all married couples, a proportion which is consistent with other countries that permit same-sex marriage.

In other words, the definition of the most important heterosexual institution is being changed to satisfy one couple in one thousand.

The vast majority of homosexuals don't want gay marriage. It is being foisted on them and on society by elite social engineers using the media, government and a few activists. The goal is to undermine heterosexual marriage by obscuring its true character. The purpose is to destroy the family and render society more vulnerable to world government dictatorship by the Illuminati central bankers.

The former president was friends with Jeffrey Epstein, a financier who was arrested in 2008 for soliciting underage prostitutes

A new lawsuit has revealed how Clinton took multiple trips to Epstein's private island where he 'kept young women as sex slaves'

Clinton was also apparently friends with a woman who collected naked pictures of underage girls for Epstein to choose from

He hasn't cut ties with that woman, however, and invited her to Chelsea's wedding

Tom Clancy - 1947 - 2013
Obama had Tom Clancy killed as well, noting that it takes 5 days for plant toxins and most poisons to break down and leave no traces in the human body. Strangely (or not), doctors did not perform an autopsy on Clancy's body for 5 days.
The CIA "spoon fed" Clancy classified information and scenarios to write his novels in a manner that was entertaining but contained that elements of truth. This is possibly why Clancy was killed, because he was getting too close to a secret they don't want the world to know.

How dare Zionist Israel say anything about the nuclear status of Iran when Israel itself has covertly developed the 4th or 5th largest nuclear arsenal on the planet !

As a longstanding member of the nuclear Non-Proliferation Treaty, it is astounding that Iran has to negotiate for international recognition of its right to have a peaceful nuclear energy program ! Articles four and five of the treaty make it abundantly clear that Iran not only has an inalienable right to pursue such a program, but also a right to expect other signatory countries to share whatever technology is required for Iran to advance its program,

Because it's a Zionist creation...DUH !
We must begin with a simple question: Who benefits from ISIS?
The answer, of course, is that the beneficiaries of 9/11 and ISIL are the very people al-Qaeda and ISIL claim to be fighting: the Zionists and imperialists.
The purpose of ISIS is to remove or weaken any power that is independent of the Illuminati central bankers, represented by the NATO powers and Israel.

The Oden Yinon Plan

is an Israeli strategic plan to ensure Israeli regional superiority. It insists and stipulates that Israel must reconfigure its geo-political environment through the balkanization of the surrounding Arab states into smaller and weaker states

the Yinon Plan calls for a divided Iraq, Lebanon, Egypt, and Syria. The partitioning of Iran, Turkey, Somalia, and Pakistan also all fall into line with these views. Former Arkansas State Trooper confirms....
Both Bill and Hillary Clinton are active swingers
L.D. Brown was an Arkansas state trooper who served as a bodyguard to Bill Clinton in the mid-1980s when Clinton was governor and, therefore, saw and knew a lot of the shenanigans (and worse) that went on.
The US election is really a job competition where a shortlist of candidates vie for the privilege of selling the public on the central bankers' agenda. Even this process is fixed, as the bankers naturally prefer the candidates who are most corrupt and dissolute and therefore most blackmail-able and obedient.

Former Arkansas state trooper and personal body-guard to Bill Clinton 'LD Brown ' describes how he had solicited women for Bill Clinton:

"I would talk to the women personally, sometimes give them my business card. If they were from out of town, I would find out where they were staying. If we were out of town and/or in town anywhere in Arkansas, I would try to get their telephone number and introduce them subsequently to the Governor…. I would usually say something like that I was his bodyguard or I was his state police officer."

Below he desribes a particular occasion where he accompanied Gov. Clinton to a Southern Regional Education board meeting in Boca Raton, Florida:

"when it was time to go and pay the bill after dinner, the governor got in the car with the girl that I had given the card to, and we followed them to an area that was under development. It was kind of a remote area from this club…and they stayed back there in the car for a few minutes. I can't remember how long…and then the governor came back and jumped in the backseat and we left and went back to the hotel….Well, he [Clinton] indicated in so many words that she had performed oral sex on him.

Not surprisingly Qatar, Saudi Arabia and Turkey (all covert sponsors of ISIS) have been the most aggressive regional players in the push to topple the Syrian government.
But why would this pipeline dispute put Syria in Washington's cross hairs? Three reasons:
1. This pipeline arrangement would significantly strengthen Irans position, allowing them to export to European markets without having to pass through any of Washingtons allies. This obviously reduces the U.S. governments leverage.
2. Syria is Irans closest ally. Its collapse would inherently weaken Iran.
3. Syria and Iran have a mutual defense agreement, and a U.S. intervention in Syria could open the door to open conflict with Iran.

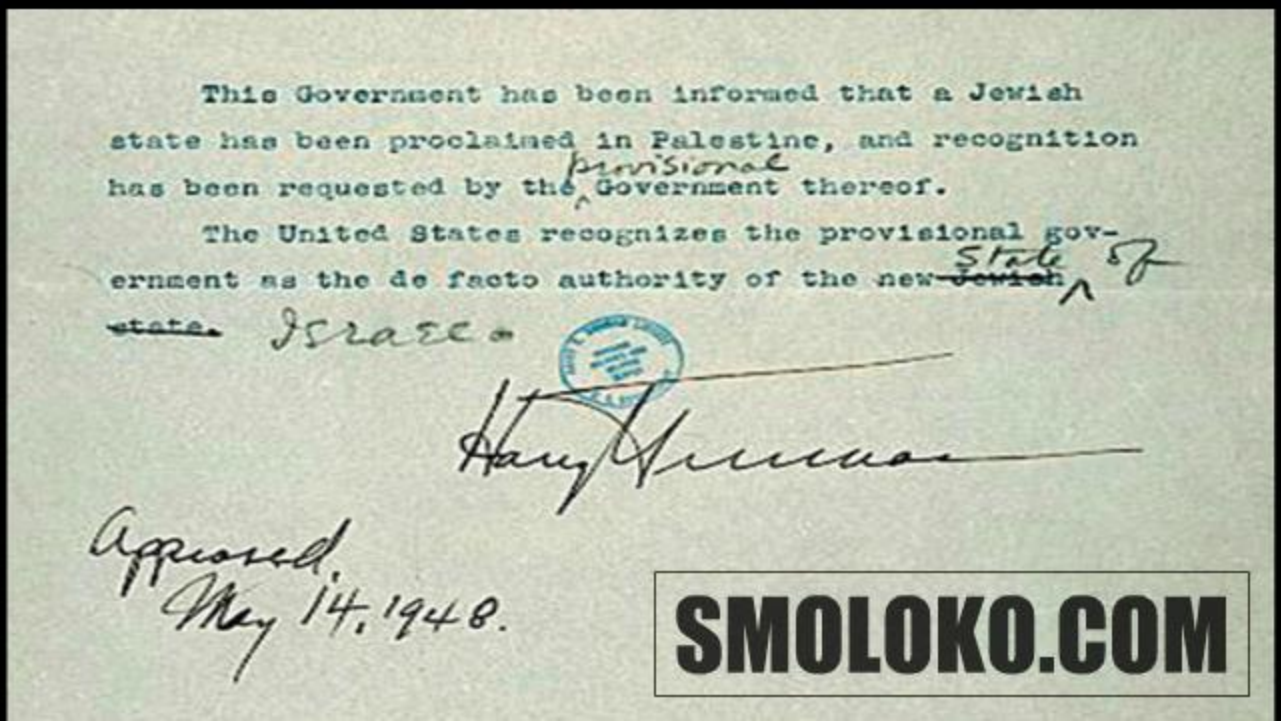
LIFE

Following the devastation of World War II, Truman signed this document recognizing Israel as a new nation. However, he refused to recognize Israel as a "Jewish" State. This gives Palestinians (non-Jews) today the right to demand equal rights with Jewish citizens of Israel.

As you can clearly see -Truman took his pen and lined through the words "new Jewish."

To this day, the Zionists insist Israel is a "Jewish" State. In other words, a Jewish religious theocracy. But this is not so. Israel was recognized by President Truman and the U.S. as a secular State, not as a Jewish religious theocracy. This has tremendous significance for the Palestinians. Today, the Palestinians are unfairly treated as non-citizens in Israel. They are allowed neither to vote or to own property, as the Jews spout the fiction that Israel was founded as a Jewish State and those of other races and religions do not belong.



This Government has been informed that a Jewish state has been proclaimed in Palestine, and recognition has been requested by the provisional Government thereof.

The United States recognizes the provisional government as the de facto authority of the new ~~Jewish~~ State of ~~state.~~ Israel.

STATE OF ISRAEL IS BORN

The first independent Jewish State in 19 centuries was born in Tel Aviv as the British Mandate over Palestine came to an end at midnight on Friday, and it was immediately subjected to the test of fire. As "Medinat Yisrael" (State of Israel) was proclaimed, the battle for Jerusalem raged, with most of the city falling to the Jews. At the same time, President Truman announced that the United States would accord recognition to the new State. A few hours later, Palestine was invaded by Moslem armies from the south, east and north, and Tel Aviv was raided from the air. On Friday the United Nations Special Assembly adjourned after adopting a resolution to appoint a mediator but without taking any action on the Partition Resolution of November 29.

Yesterday the battle for the Jerusalem-Tel Aviv road was still under way, and two Arab villages were taken. In the north, Acre town was captured, and the Jewish Army consolidated its positions in Western Galilee.

Most Crowded Hours in Palestine's History

Between Thursday night and this morning Palestine went through what by all standards must be among the most crowded hours in its history.

For the Jewish population there was the anguish over the fate of the few hundred Haganah men and women in the Kfar Etzion bloc of settlements near Hebron. Their surrender to a fully equipped superior foreign force desperately in need of a victory was a foregone conclusion. What could not be known, with no communications since Thursday morning, was whether and to what extent the Red Cross and the Truce Consuls would secure civilized conditions for prisoners and wounded, and proper respect for the dead. Doubts on some of these anxious questions have now been resolved.

On Friday afternoon, from Tel Aviv, came the expected announcement of the Jewish State, and its official naming at birth, "Medinat Yisrael"—State of Israel, with the swearing in of the first Council of Government. The proclamation of the State was made at midnight, coinciding with the sailing from Haifa of Britain's last High Commissioner. Within the hour, President Truman announced in Washington that the Government of the United States had decided to give *de facto* recognition to the Jewish State, with

The Security Council met yesterday in a special session to consider action on the invasion of Palestine by member states of the U.N.

In the afternoon, Jerusalem was subjected to shelling from the northwest.

Haganah forces throughout the country continued mopping up, and Jewish sources claimed most of Western Galilee safe against attack. Nahariyim, near Jisr el Majamie, inside Trans-Jordan,

JEWS TAKE OVER SECURITY ZONES

The Battle for Jerusalem, which began when the British forces withdrew on Friday morning, continued all day Friday and yesterday. The crackle of small-arms fire and explosions of mortar shells were still being heard in the early hours of this morning as the battle entered its third day.

Repeated efforts on Friday evening and again on Saturday by the U.N. Truce Commission to bring about a "cease fire" were brought to naught when the Arab representatives failed to agree within the specified time limit.

On Friday morning, Jewish forces entered the Russian Compound and Zone C to reoccupy the buildings requisitioned from Jews last year. This operation was almost bloodless, but beyond the western edge of Zone C, Arabs engaged the Jews in Jaffa Road. The Arabs were forced back and the Barclays Bank area was taken.

In other parts of the city fighting flared up. Jews overran one after another the areas evacuated by the British. By last night, the quarters and

Egyptian Air Force Spitfires Bomb Tel Aviv; One Shot Down

Kol Israel, the Tel Aviv broadcasting station, reported at 2 o'clock yesterday afternoon that Tel Aviv had been bombed three times in the previous evening and morning, and that one plane had been shot down and its Egyptian pilot taken prisoner.

In the first raid, four planes attacked from a height of 300 feet. Two dropped bombs, while the others strafed the city. Little damage was caused. In the second attack two hours later, the airport to the north of the city was bombed, and an Air France plane parked there was damaged. The third raid was launched shortly before midday, but the planes were driven off without causing any damage.

Two settlements in the Negev had also been attacked from the air, the radio reported.

A country-wide blackout was ordered by Air Raid Precaution Headquarters in Tel Aviv.

Mr. David Ben Gurion, the Prime Minister, broadcast from Tel Aviv to the people of America yesterday morning. As he spoke, Egyptian planes were bombing the city.

In the north, the settlements of Ein Gev and Shaar Hagolan and Dan had been shelled, but no further details were available.

Kalandia airfield was taken by the Jewish army on Friday morning, shortly after the High Commissioner had left there by plane for Haifa. The field was evacuated, together with the neighbouring settlement of Ataroth, on Friday night. The settlement itself was burnt by Arabs yesterday.

U.S. RECOGNIZES JEWISH STATE

WASHINGTON, Saturday. —Ten minutes after the termination of the British Mandate on Friday, the White House released a formal statement by President Truman that the U.S. Government intended to recognize the Provisional Jewish Government as the *de facto* authority representing the Jewish State.

The U.S. is also considering lifting the arms embargo but it is not known whether to Palestine only or the entire Middle East, and the establishment of diplomatic relations with the Jewish Provisional Government.

The White House press secretary, Mr. Charles Ross, told correspondents today that reaction so far to the recognition had been overwhelmingly favourable. He said this step had been discussed with Mr. Marshall and Mr. Lovett before action was taken, and it had their complete support.

Mr. Ross said that the President had decided several days ago to grant American recogni-

Proclamation by Head Of Government

The creation of "Medinat Yisrael", the State of Israel, was proclaimed at midnight on Friday by Mr. David Ben Gurion, until then Chairman of the Jewish Agency Executive and now head of the State's Provisional Council of Government.

David Ben Gurion, Prime Minister

The first act of the Council of Government, as announced by its head, was to abolish all legislation of the 1939 White Paper of the late Mandatory Power, particularly the Ordinances and Orders relating to immigration and land transfer.

In the declaration of independence, Mr. Ben Gurion called on the Arabs of Palestine to restore peace, assuring them full civic rights and full representation in all governmental organs of the State.

Mr. Ben Gurion prefaced the declaration with a review of the historic connection of the Jewish people with the Land of Israel and of their efforts to return, which never ceased throughout the generations of their dispersal, until the Nazi holocaust proved anew the urgency of the need for a Jewish State.

While President Truman, for the most part, meticulously followed the marching orders dictated to him by his Zionist overlords, he privately chafed about his subordinate status. He despised the Jews' smug, superior attitudes and resented the fact that they had bribed him to recognize Israel.

Years after Truman's death, found in his files was this entry dated July 21, 1947 from the President's Personal Diary :

In order to sleep more soundly, the Illuminati bankers have taken "steps."

These precautions help us to understand the world we live in, why it is becoming safer for bankers but less safe and more bizarre for everyone else.

First, people who own money machines tend to have a lot of friends. Bankers helped their friends establish monopolies in oil, chemicals, pharmaceuticals, transportation, media,etc. and took a healthy stake. As you can imagine, these people are thick as thieves. Lawyers, journalists and intellectuals all vie for a piece of the action. (Servicing this cartel of cartels is what passes for "success" these days.)

Then the bankers use the government and media to convince us that religion, nationalism and nuclear family are unfashionable, and we want what they want.

We "want" world government ("globalization"). The bankers need to eliminate nation states, freedom and democracy in order to streamline their business and consolidate their power. The UN, the IMF and World Bank, -- glorified loan sharks and collectors -- will make the laws.

Overseas Zionists in the US and France have played a strategic (and treasonous) role in stealing and illegally shipping nuclear technology and weapon components to Israel,

The outage happened Wednesday afternoon in the Old Nepean and Barrhaven neighbourhoods, on the same day much of the downtown was in lockdown because of the shootings at the War Memorial and Parliament Hill.

The energy provider said the outage had nothing to do with the shootings.

At about 2:30 p.m., Hydro Ottawa said about 20,000 customers were still affected as they worked to restore power.

The Illuminati are re-ordering the middle east
Why ? To remove or weaken any power that is independent of the Illuminati central bankers, represented by the NATO powers and Israel.
It is progressing well. Libya is in chaos. Syria is in ruins. Iraq is in turmoil. So are Somalia and Sudan. ISIS is establishing a "Caliphate" that reaches from Northern Iraq across Syria to Lebanon.

The Illuminati Jews are also most unhappy with Muslims throughout the world.
This is because the plan to destroy the Muslim faith that worked so well for the Jews with regard to the Christian faith has largely failed.
The Jews worked hard to get Muslims to migrate into many Western nations, the plan being that they would forget their religious beliefs and become nothing but a consumer of Jewish owned products, services and governments, like the majority of the white Christian world.
Unfortunately the majority of Muslims maintained their religious faith and formed their own communities within these Western nations, failing to fall into the Jews trap, like the Christians
The Jews decide this means the Muslims have to be destroyed, and they decide they'll get the Christians to do the job for them.

Israel and Jewish criminals occupying key positions of power and influence within the United States government and mass media planned, organized, and executed 9/11 in order to officially initiate and justify the "Global War on Terror,
In which American military, financial, and human capital would be wasted fighting wars on Israel's behalf. A parallel development following the events of 9/11 was the Israelification of American domestic security and law enforcement policy, where the threat of terrorism is constantly hyped and manufactured to psychologically terrorize the American public.

Both Israel and Saudi Arabia were intimately involved in planning and carrying out the 9/11 attack on the United States.
Both countries, while seemingly enemies, have been longtime secret allies. They share a number of common enemies, including Iran, Shi'a Islam, pan-Arab nationalism, Hezbollah, and the Muslim Brotherhood.
Their intelligence chiefs often meet and conspire in utmost secrecy. Who really brought slaves to America ?

Jews and Freemasons

The captains of the ships were Protestants, but the owners of the slave ships and auction houses were wealthy Jews. Most of the slaves were purchased by plantation owners who were all Jews and Freemasons. I think it's safe to say that 99.99 percent of people of European ancestry have no negro slavery whatsoever in their family history. In fact, many thousands of white Europeans came to the US as indentured servants, and slavery of the Irish in the Americas was common. I don't doubt that there was brutality, but the Oprah Winfreys and their opportunistic race industry have greatly exaggerated the historical facts. At most, 3,500 Negros were lynched, but a far greater number of white men were lynched, because that was the favored method of execution, and my guess it that most of these men got the justice they deserved.

The Implications of WTC7

the more than obvious smoking gun 9/11 was a falseflag

First, the controlled demolition of WTC7 means if one building at the WTC was wired for a controlled demolition, then all three were.

Second, the impacting civilian airliners were intended to provide a gruesome and shocking distraction that would facilitate the actual destruction of the buildings by other means.

Third, any successful operation of this type requires expertise, access to the target(s), and effective local support to facilitate post-attack escape & evasion.

Fourth, neither the 19 named Arabs nor any of their possible supporters in the US or elsewhere had the expertise, access and local support needed to do that.

Fifth, only Israel had the required expertise, access and local support – inside and outside of the US Government – and a positive incentive to bring down those buildings, which was to enrage the American public and bring the US into war against Israel's enemies.

The contract to run security at the WTC was awarded to Kroll Associates after the 1993 WTC bombing. Kroll is otherwise known as "Wallstreet's CIA". The contract was awarded by The Port Authority of New York and $2.5 million was paid to them to revamp security at the complex. The owners of Kroll were two Zionist Jews named Jules & Jeremy Kroll.

The company that ran airport security at all three airports where the alleged hijackings originated was also owned by Zionist Jews...

Huntsleigh USA - a wholly owned subsidiary of ICTS International and owned by Ezra Harel and Menachem Atzmon - both Israeli Jews.

THERE IS NO ACTUAL INTENTION OF ELIMINATING ISIL

The idea that America would actually be fighting against this monster (ISIL) which the US created in the first place is ridiculous on its face.

the whole point is to destabilize the entire region around Israel so that Israel can expand into the Greater Israel Project.

United States repeatedly creates monsters in order to justify never ending war. That is the way that the empire sustains itself

The Paris shootings were staged. End of story. Five reasons:

1) Faked shooting of injured police officer with an AK-47: no blood, nothing. His brain should have been scattered and splattered everywhere!,

2) Terrorists leave behind their ID?? You believe this?? The terrorist remembered to pick up the shoe outside the passenger door before he got in but somehow dropped his ID after they abandoned the car?

3) After a successful attack with an easy get away, they abandon their car and hijack another, and then hole themselves up in a printing press building in Dammartin-en-Goele and are reported as saying, before they were killed, that they wanted to be martyrs. You couldn't script this any better.

4) Hayat Boumeddienne somehow stealthily escapes with the hostages as they are running from the grocery store unnoticed amongst the chaos after the Amedy Couliably is shot and killed. The authorities have NO idea where she currently is.

5) Police Commissioner commits suicide in his office while preparing a report of the attack. How convenient and timely. There was a media blackout of this story.Why? Not relevant? This in itself is suppression of free speech. N'est pas Charlie?

The Israeli Mossad was behind the October 3,1980 Synogogue Bombings on Copernicus Street in Paris

On October 3, 1980 a synagogue on Copernicus Street was bombed in Paris. Four bystanders were killed. Nine were injured. The media frenzy which followed the incident was worldwide. Reports held that "right wing extremists" were responsible. Yet, of all of the "right wing extremists" held for questioning, none was arrested. In fact, all were released.

In the upper echelons of French intelligence, however, the finger of suspicion was pointed at the Mossad. According to one report: "On April 6,1979, the same Mossad terror unit now suspected of the Copernicus carnage blew up the heavily guarded plant of CNIM industries at La Seyne-sur-Mer, near Toulon, in southeast France, where a consortium of French firms wasbuilding a nuclear reactor for Iraq.

"The Mossad salted the site of the CNIM bomb blast with 'clues' followed up with anonymous phone calls to police—suggesting that the sabotage was the work of a 'conservative' environmentalist Troup—'the most pacific and harmless people on earth' as one source put it."

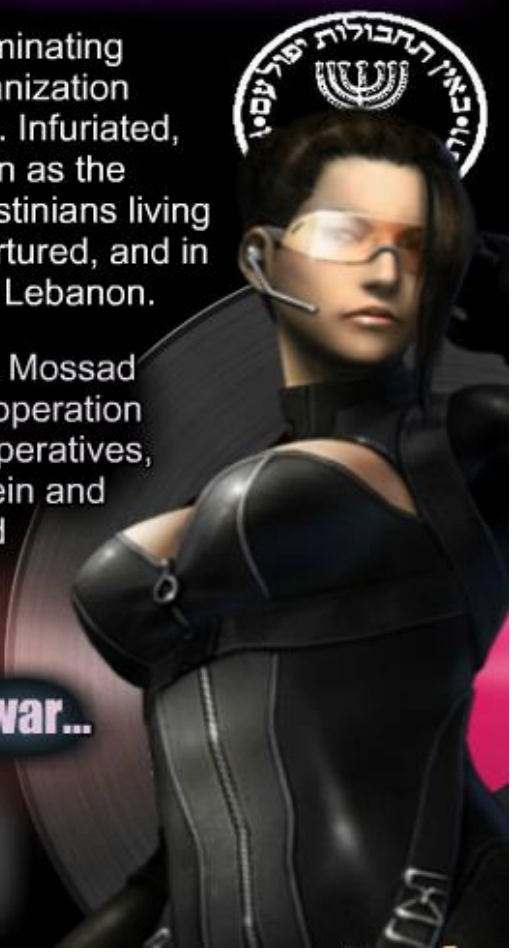
Israel tricked Jordan back in 1970 to make enemy with the Palestinians...

In 1970, King Hussein of Jordan was provided with incriminating intelligence that suggested the Palestine Liberation Organization was plotting to murder him and seize power in his nation. Infuriated, Hussein mobilized his forces for what has become known as the 'Black September' purge of the PLO. Thousands of Palestinians living in Jordan were rounded up, some of the leaders were tortured, and in the end, masses of refugees were driven from Jordan to Lebanon.

New data, coming to light after the murder of two leading Mossad operatives in Larnaka, Cyprus suggested that the entire operation had been a Mossad covert action, led by one of its key operatives, Sylvia Roxburgh. She contrived an affair with King Hussein and served as the linchpin for a major Mossad coup designed to destabilize the Arabs.



Remember the Mossad's motto -
By Way of Way of Deception, thou shalt do war...

smoloko.com

The use of "false flag" operations by Israel and its Mossad has been documented repeatedly since the Jewish State first came into being.

It is worth noting that the attempted assassination—in London—of Israel's Ambassador to England, Shlomo Argov, was initially blamed upon the PLO and was cited by Israel as one excuse for its bloody 1982 incursion into Lebanon. -

In fact, the diplomat was one of Israel's "doves" and inclined toward a friendly dispositionof Israel's conflict with the PLO and the least likely target of PLO wrath. What's more, one of the suspects in the crime was found carrying a "hit list" which actually included the name of the head of the PLO office in London.

Thus, it appears that the assassination attempt was carried out by the Mossad—under another "false flag"—for two purposes: (a) elimination of a "peacenik" considered friendly toward the Palestinians; and (b) pinning yet another crime on the PLO.

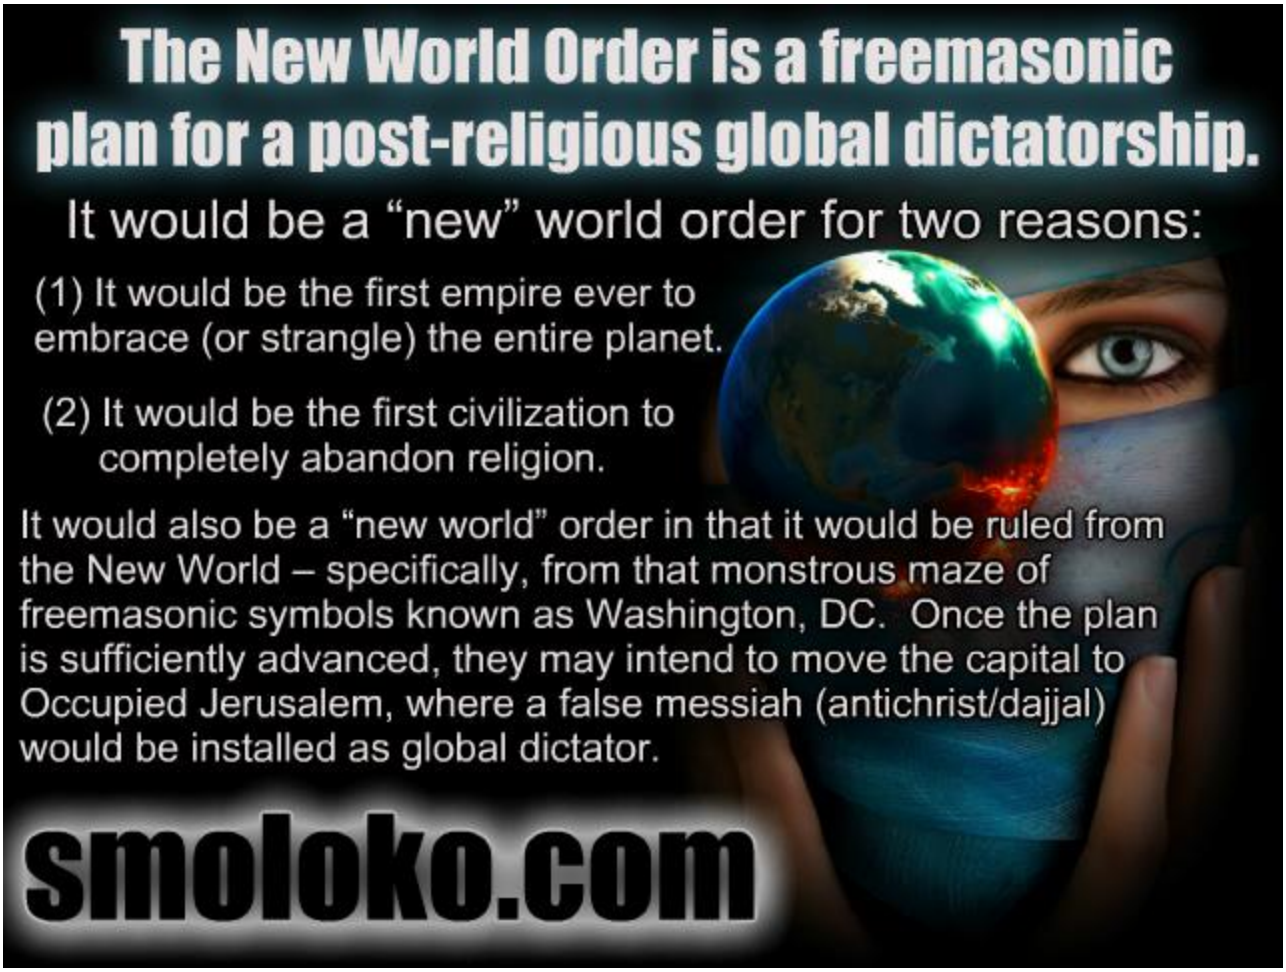
Lacking military capacity to attack Iran on its own, Israel has directed its Zionist agents to manipulate the US government to start a war with Teheran.

The militarist leaders in Tel Aviv have unleashed their political assets throughout the US to work to destroy Iran – the last formidable adversary to Israel supremacy in the Middle East .

The Israeli-Zionist strategy is designed to set the stage for a US confrontation with Iran using its agents in the Executive branch as well as its ongoing corruption, bribery and control of the US Congress and mass media.



The New World Order is a freemasonic plan for a post-religious global dictatorship.
It would be a "new" world order for two reasons:
(1) It would be the first empire ever to embrace (or strangle) the entire planet.
(2) It would be the first civilization to completely abandon religion.
It would also be a "new world" order in that it would be ruled from the New World – specifically, from that monstrous maze of freemasonic symbols known as Washington, DC. Once the plan is sufficiently advanced, they may intend to move the capital to Occupied Jerusalem, where a false messiah (antichrist/dajjal) would be installed as global dictator.

Zionist-controlled media seeking to destroy religions: Scholar

In the aftermath, they were able to impose a security crackdown, a costly military build-up and a war in Afghanistan and Iraq on a stunned population

There was no wreckage at the Pentagon. Explosives demolished all three buildings. Our "leaders" are accomplices to the murder of over 3000 Americans and the destruction of an American icon.

The Illuminati Jews are also most unhappy with Muslims throughout the world.
This is because the plan to destroy the Muslim faith that worked so well for the Jews with regard to the Christian faith has largely failed.
The Jews worked hard to get Muslims to migrate into many Western nations, the plan being that they would forget their religious beliefs and become nothing but a consumer of Jewish owned products, services and governments, like the majority of the white Christian world.
Unfortunately the majority of Muslims maintained their religious faith and formed their own communities within these Western nations, failing to fall into the Jews trap, like the Christians
The Jews decide this means the Muslims have to be destroyed, and they decide they'll get the Christians to do the job for them.

"ANTI-SEMITISM" HAS A MANIFOLD ROLE IN THE JEWISH SCHEME

False claims of anti-Semitism are used as a shield to protect the Jewish hierarchy when evidence of their crimes are uncovered.

Former Israeli government official Shulamit Aloni succinctly described the epithet anti-Semite as"a trick, we [Jews] always use." She explained that Jews hide behind it like a smokescreen, which is used to conceal evidence of Jewish malefaction.

By the trick of labeling a person as an anti-Semite, the accused person's credibility is undermined, and the focus shifts from the evidence against wrongdoing by Israel or the Jews to the motives of the accused anti-Semite. Israel's involvement in the assassination of President Kennedy is one of the deepest-darkest secrets of our time.

The motives for the Kennedy assassination are manifold, but one of the key reasons was Kennedy's intent to put an end to the Israeli plans for developing their own nuclear weapons.

The separate involvement of Lyndon Johnson, the Dallas Police Department, the CIA, the FBI, anti-Castro Cubans, French intelligence agencies, the U.S. Secret Service, and organized crime in the assassination of President Kennedy were all tied together in a conspiracy that at its core was set in motion by the Israeli Mossad.

The Jewish hierarchy uses anti-Semitism to keep Jews from assimilating into gentile society; they want their Jews cloistered from gentiles. They also used anti-Semitism as a means of herding Jews to Israel.

The “final solution” was not the extermination of the Jews, as is commonly believed, it was the persecution of the Jews in order to drive them out of Europe into Israel. The Nazis were simply unwitting tools in the hands of the Zionist Jews in their Machiavellian plan to gain hegemony over Palestine. All who engage in persecution of Jews, simply because they are Jews, are unwitting accessories to the Zionists.

To this day anti-Semitism is fostered by the Zionist hierarchy. A close examination of Neo-Nazi hate groups reveals that there are Jews throughout their leadership.The Neo-Nazis act as agent provocateurs in the hands of the controlling Jews in order to fan the flames of AntiSemitism. Jews are sent in to control the Jewish run gentile Neo-Nazi front.

The political power and influence of the Jews stem directly from their control of banking.

The only way to free ourselves from underneath the power of the Jews is to take away from them the power of monopoly usury.

President Jackson succeeded in doing that when he killed the first central bank in the United States. President Lincoln did it again during the civil war, when he printed Lincoln green backs rather than borrow from the bankers. President Kennedy tried to do that same thing, but he was assassinated by the bankers before his efforts bore fruit.

The monopoly power to print money must be taken awayfrom the private banking cartel called the Federal Reserve and given back to the U.S. Government where it rightfully belongs.

Victor Ostrovsky, a former Mossad agent revealed startling claims on the willingness of the worldwide Jewish community to assist the Mossad, as, "sayanim," (which derives from the Hebrew word lesayeah which means, "to help") over and above any loyalty they have to the nation they are citizens of or resident in

He says there are thousands of sayanim around the world. In London alone, there are about 2,000 who are active, and another 5,000 on the list (in his 1994 book, "The Other Side Of Deception," Ostrousky reveals that the Mossad maintain over a hundred safe houses in London alone). They fulfil many different roles.

A car sayan, for example, running a rental agency, could help the Mossad rent a car without having to complete the usual documentation. An apartment sayan would find accommodation without raising suspicions, a bank sayan could get you money if you needed it in the middle of the night,

a doctor sayan would treat a bullet wound without reporting it to the police, and so on. The idea is to have a pool of people available when needed who can provide services but will keep quiet about them out of loyalty to the cause...

Feminism is a grotesque fraud perpetrated on society by its governing elite.

Women's oppression is a lie. Sex roles were never as rigid as feminists would have us believe. Women were always free to pursue careers if they wanted to. Nelson Mandela was a Terrorist

Mandela's "African National Congress" (ANC) was funded and run by Communist Jews who in turn were shills for the Illuminati bankers.

In South Africa during the 1960's and 70's, barely a week went by without terrorism -- dynamite at a fuel depot, a car bomb outside Air Force headquarters in in a city center.

The ANC's guerrilla force -- known simply as MK, or more formally as Umkhonto we Sizwe - translated "Spear of the Nation" was founded in 1961 by Nelson Mandela and his handler, the Communist Jew Joe Slovo.

Terrorism is an instrument

of the Illuminati Jewish central banking cartel based in London.

Ninety five percent of the world's terror, including 9-11, can be traced to this source via the world's intelligence services, especially the CIA, Mossad and MI-6.

They are funding ISIS so Americans can waste their energy in endless war.

smoloko.com

Terrorism is not terrorism

when the Illuminati Jewish banking cartel is behind it.

From 1961-1990, the Illuminati-sponsored African National Congress waged a terrorist war against the Apartheid government of South Africa. It was characterized as a "people's struggle" in the Zionist-controlled mass media.

However, when the Palestinians employ terror against the Apartheid regime of Israel, they are "terrorists." Never mind that Israel was built on Zionist terror against the British. When the Illuminati bankers or their shills use it, terrorists are "freedom fighters" and "insurgents." (Syria today is another example.)

Imagine if every time there was a case of food poisoning at McDonald's, it made the evening news. But food poisoning at Burger King got no mention at all. What would you conclude?
The same applies to domestic violence.
Even though women initiate violence against men in almost equal numbers, most of the publicity is devoted to women as victims.
This is because feminist activists, funded and empowered by Rockefeller social engineers, want to stigmatize men and marriage in the eyes of young women.
They want young women to Eat at Lesbian Jill's or Single Jane's but definitely not at Joe's. This is how mass behavior modification works.
smoloko.com

Just as the Illuminati banksters enlisted workers, Blacks and Jews to do their bidding,they used feminism to harness the political power of women who couldn't get a date Saturday night.
The banksters gave them positions of power in government and media. So periodically we get a dose of propaganda about how domestic violence stalks married women.
smoloko.com

THE MASONIC JEW BANKER CONTROLLED MEDIA NEVER MENTIONS GAY DOMESTIC VIOLENCE

We never hear that "Spousal violence was twice as common among homosexual couples compared to heterosexual couples. Fifteen percent of gay and lesbian relationships experienced violence -

This is because they want the homosexual "lifestyle alternative" to appear as attractive as possible. -

Homosexuality is the inability to form a permanent bond with a member of the opposite sex due to confusion over gender identity. The goal of social engineers is to spread this disorder which results in arrested development to society at large.

smoloko.com

Women who have been to a woman's shelter will tell you how callously they are treated by the hags employed there.

Distressed women are pressured to end their marriages, and are offered help and resources to do so. Feminists are not interested in the welfare of women. They rely on domestic violence for their cushy jobs and to emasculate men (by portraying them as abusers.)

The publicity given to male domestic violence,as opposed to the other equal or more prevalent kinds, illustrates how elite social engineers select information to shape mass perception and behavior according to the New World Order agenda.

They created and financed ISIS and Islamic extremism as a bogeyman.

Anti-terror measures (militarization of police, NSA surveillance, etc.) protect the credit monopoly, not the public. The emergent police state ensures that the "debt" is honored and interest paid.

The people are collateral on trillions of dollars of "debt" i.e. the money supply.

Here is a frightening thought

What if mankind were the highest expression of life in the universe?
What if God pinned all His hopes on this craven, credulous monkey, man?

What if a powerful satanic cult hijacked the human race? Imagine it displaced God and enslaved the human race in spiritual, mental and physical bondage.

The cult did this by virtue of a very simple scam. It interjected itself between the state and its people by creating the medium of exchange (money) as an interest-bearing debt to itself. Money creation is something the State is perfectly capable of doing itself, without incurring any debt nor paying any interest.

This fundamental fraud is the explanation for almost everything that has gone wrong with the world.

And as we now realize with certainty, Hamas was covertly started by Israel using mind-kontrolled patsies that could be activated periodically to lob relatively harmless "bottle rockets" into Israeli settlements in order to create a pretext for Israel to unleash mass-death and steal more and from the Palestinians.

However, Israel has been losing control over Hamas and their mind-kontrol programming is now wearing off, so any terror attacks against Israel will now have to be lone wolf attacks by sheep-dipped Mossad who have had their souls murdered as they are mind-kontrolled.

Israel is a Nuclear Beast that has been setting off nukes and threatening to set off nukes to blackmail the whole World.

Satellite provided data from sophisticated US Satellites and other nations show unequivocally that Iran has no fissionable material which could be used for a nuclear weapon.

In the fall of 2006, Barrett taught an introductory class called "Islam: Religion and Culture", an undergraduate course for which he had formerly been a teaching assistant.[3] Before the semester began, it was reported that he planned to devote a week or two of the sixteen-week class to the September 11, 2001, terrorist attack and the War on Terrorism. Controversy erupted when it became known Barrett was planning to discuss conspiracy theories in his lectures.[4][*not in citation given*] An internal university review found that "although Mr. Barrett presented a variety of viewpoints, he had not discussed his personal opinions in the classroom" and that the department-approved syllabus, which included a section on the War on Terror, had been followed.[5]

The Anti-Defamation League named Barrett as one of the "key figures" promoting anti-Semitic 9/11 conspiracy theories.[6]

Cabalist Judaism is a satanic cult which subverts its members by promoting promiscuity and gender confusion.

First, it made some Jews sick and through them (and some Freemasons) it has subverted the planet

Just as the Illuminati banksters enlisted workers, Blacks and Jews to do their bidding,they used feminism to harness the political power of women who couldn't get a date Saturday night.
The banksters gave them positions of power in government and media. So periodically we get a dose of propaganda about how domestic violence stalks married women.

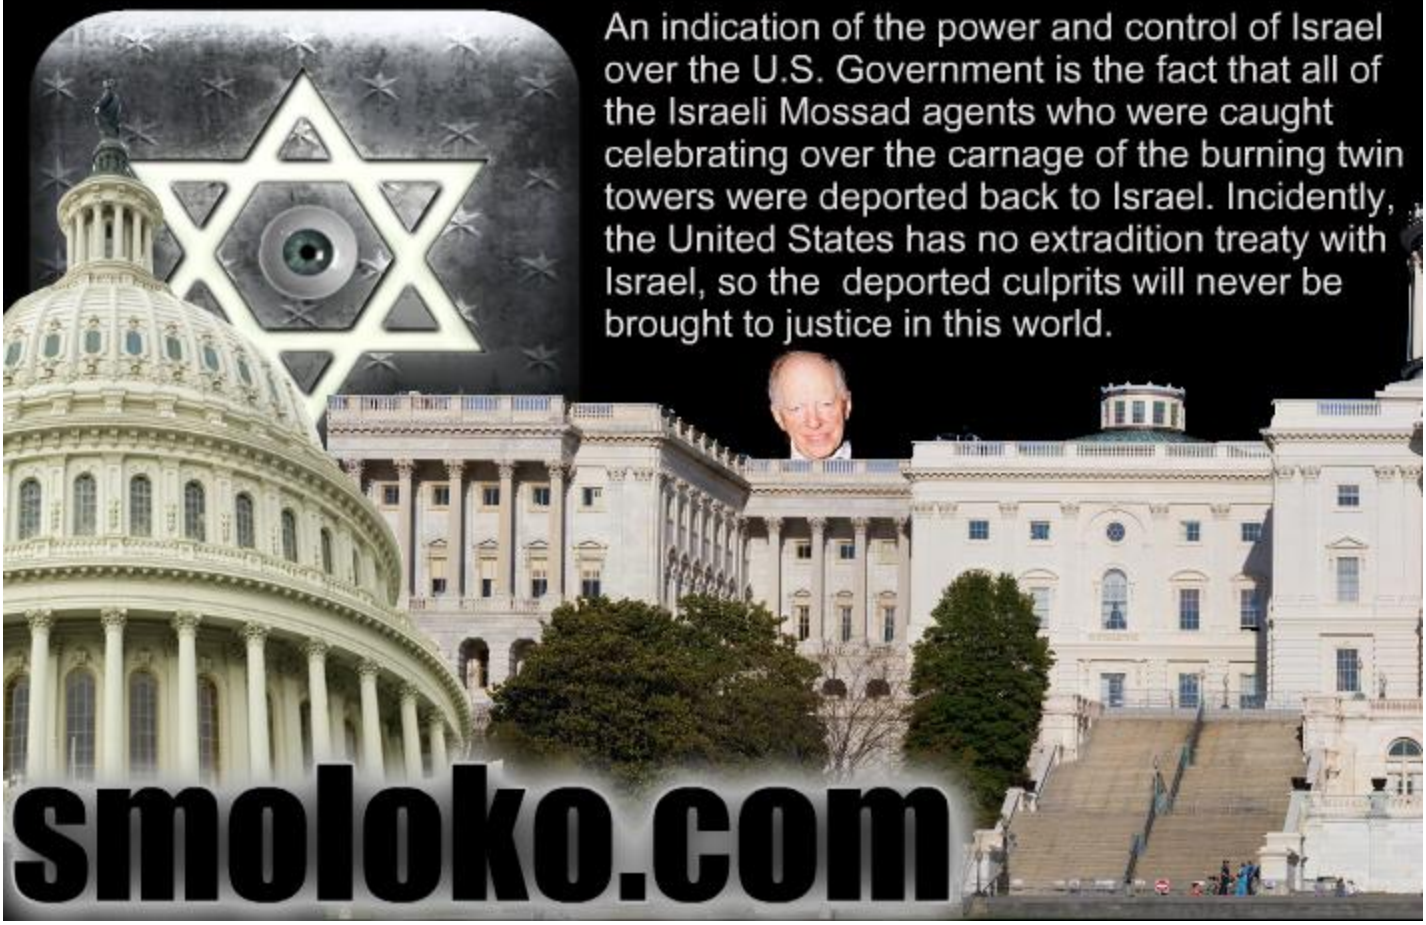
The U.S. Government responded on cue to the stimulus, like a Pavlovian-rabid dog.



Israel & Bush admin are responsible for the 9/11 attacks, not Saudi Arabia.

MEDIA AND POLITICIANS ARE ALL TRAITORS

Israel certainly had a motive to do 9-11 and frame Muslims for it, to trick Americans into siding with Israel's continued land grabs and wars against Israel's enemies, with Israel's agenda being (as it was with the Lavon affair, the USS Liberty, and the Libyan radio hoax) that Americans fight those wars for them!

smoloko.com we are truth

A report that purportedly claims Saudi arabia was behind 9-11 is just a piece of propaganda intended to deflect interest away from Israel

At worst, it is the start of the campaign to justify military invasion of that country, just as Saddam's nuclear weapons were the excuse to invade Iraq, and the more recently (and thankfully failed) attempt to justify invasion of Syria by claiming Syria's government was gassing their own people.

Israel has a long track record of playing dirty tricks against the United States and other countries,including the Lavon affair (framed on Egypt), Israel's attack on the USS Liberty (initially framed on Egypt), and Israel's smuggling a radio transmitter into Libya that was used to send fake messages that tricked President Reagan into bombing Libya.

The United States is spending an "endless" amount of wealth and sacrificing human lives to fight wars on behalf of Israel
a total "disaster" for the American people and US foreign policy brought to us by none other than George W. Bush and especially Dick Cheney and Donald Rumsfeld
The 9/11 terrorist attacks in the US were contrived by the Bush administration to get the United States engaged in wars in the Middle East to destruct the modern Arab states that served as a counterbalance to Israel's domination of the entire region

The World's largest Organized Crime Syndicate is now referred to by insiders as the Khazarian Mafia (KM) because it tracks back to Khazaria.

It's origin involved a mass conversion of Khazarians on or about 700 AD to a very strange and perverted form of Judaism known as ancient Babylonian Talmudism.

The Babylonian Talmud is the source of the evil which drives the Rothschild Khazarian Mafia.

This Babylonian Talmudism inculcates it followers with a group religious delusions of racial superiority accompanied by a paranoid delusion that the whole World wants to eradicate them.

This paranoid delusion that all Goyim are after them creates a deep unconscious desire for them so they must strike first and dominate the whole World before it gets them.

This has motivated many of the top Babylonian Talmudic Judaics to seek to infiltrate, hijack and dominate America and many other nations including European nations to make sure that their "Judaic race" will be safe from domination and eradication.

The Jewish hierarchy uses anti-Semitism to keep Jews from assimilating into gentile society; they want their Jews cloistered from gentiles. They also used anti-Semitism as a means of herding Jews to Israel.

The “final solution” was not the extermination of the Jews, as is commonly believed, it was the persecution of the Jews in order to drive them out of Europe into Israel. The Nazis were simply unwitting tools in the hands of the Zionist Jews in their Machiavellian plan to gain hegemony over Palestine. All who engage in persecution of Jews, simply because they are Jews, are unwitting accessories to the Zionists.

To this day anti-Semitism is fostered by the Zionist hierarchy. A close examination of Neo-Nazi hate groups reveals that there are Jews throughout their leadership.The Neo-Nazis act as agent provocateurs in the hands of the controlling Jews in order to fan the flames of AntiSemitism. Who really brought slaves to America ?

Jews and Freemasons

The captains of the ships were Protestants, but the owners of the slave ships and auction houses were wealthy Jews. Most of the slaves were purchased by plantation owners who were all Jews and Freemasons. I think it's safe to say that 99.99 percent of people of European ancestry have no negro slavery whatsoever in their family history. In fact, many thousands of white Europeans came to the US as indentured servants, and slavery of the Irish in the Americas was common. I don't doubt that there was brutality, but the Oprah Winfreys and their opportunistic race industry have greatly exaggerated the historical facts. At most, 3,500 Negros were lynched, but a far greater number of white men were lynched, because that was the favored method of execution, and my guess it that most of these men got the justice they deserved.

the creation of ISIS is another KM proxy - which is aimed to increase western military and security spending which places us further into debt while the KM bankers consolidate more and power and wealth into their hands.

We have seen the rise and increasing terrorists elements within the Middle East because of the covert support given to these elements by the CIA and Mossad
This is precisely the long-term goal of the Illuminati central bankers who control the CIA,Mossad and every other intelligence outfit, they are happy to see this kind of fanaticism because it justifies the continuation of the propping of their military industrial complex which receives the multi-billion dollar government war contracts. The Illuminati control the few huge major war corporations receiving the multi-billion dollar government war contracts. The Illuminati generated wars in Afghanistan and Iraq have cost the American taxpayers hundreds of billions of dollars so far and these and other planned Illuminati "wars for profits" will probably cost them hundreds of billions more in the future.
So you can see why war is good for the bankers. It's good for them because most importantly, they then collect interest on the hundreds of billions of dollars that need to be borrowed by the government of their "puppet" leader of a Nation, who gets his "puppet"government to approve the billions of dollars to be used for war.

Without the threat of Israel's massive nuclear arsenal, there would be no need for an Iranian nuclear program – it would be unnecessary.

The only solution now is a UN-declared Nuclear Weapons Free Zone, (NWFZ) to include both states which will require a formal inspection, by the IAEA, of Israel's underground nuclear arsenal in the Negev desert, together with its total dismantling under UN supervision. Only then will Europe and the world, breathe easier

Israel is a key overseas ally of the NSA

Two Israeli high-tech firms (Verint and Narus) with ties to the Mossad and Israeli secret police, have provided the spy software for the NSA

this of course has opened a window for Israeli spying in the US against Americans opposed to the Zionist state.

Israeli spymasters via their software "front companies" have long had the ability to 'steal proprietary commercial and industrial data" with impunity

And because of the power and influence of the Presidents of the 52 Major American Jewish organizations, Justice Department officials have ordered dozens of Israeli espionage cases to be dropped.

Netanyahu's real feelings about America were revealed in a secretly tape-recorded conversation in Fink's Bar in Jerusalem al-Quds in 1990
"If we get caught they will just replace us with persons of the same cloth. So it doesn't matter what you do, America is a Golden Calf and we will suck it dry, chop it up, and sell it off piece by piece until there is nothing left but the world's biggest welfare state that we will create and control.
Why? Because it's God's will and America is big enough to take the hit so we can do it again, again and again. This is what we do to countries that we hate. We destroy them very slowly and make them suffer for refusing to be our slaves."

We have seen the rise and increasing terrorists elements within the Middle East because of the covert support given to these elements by the CIA and Mossad
This is precisely the long-term goal of the Illuminati central bankers who control the CIA,Mossad and every other intelligence outfit, they are happy to see this kind of fanaticism because it justifies the continuation of the propping of their military industrial complex which receives the multi-billion dollar government war contracts. The Illuminati control the few huge major war corporations receiving the multi-billion dollar government war contracts. The Illuminati generated wars in Afghanistan and Iraq have cost the American taxpayers hundreds of billions of dollars so far and these and other planned Illuminati "wars for profits" will probably cost them hundreds of billions more in the future.
So you can see why war is good for the bankers. It's good for them because most importantly, they then collect interest on the hundreds of billions of dollars that need to be borrowed by the government of their "puppet" leader of a Nation, who gets his "puppet"government to approve the billions of dollars to be used for war.

We as a people are now ruled by a system of Jewish banking influence that has usurped the mantle of government,

disguised itself as our legitimate government,
and set about to pauperize and control our people.

It is now a centralized, all-powerful political apparatus whose main purposes are promoting war,confiscating the people's money, and propagandizing to perpetuate its power

Our two main political parties have become its servants, the various departments of government have become its spending agencies, and the Internal Revenue Service is its collection agency.

Transgenderism is the Illuminati's Way of Mocking God

By engaging in Transgenderism and Transhumanism

Mankind is doomed as long as these Illuminati Jewish bankers control society.

Society is totally subverted. Government, education, entertainment and the news media are in the hands of this central banking cartel.

Nationalize the central banks, repudiate debts created from nothing, break up cartels, especially Hollywood and the media, and institute strict public campaign financing. In addition, we need a spiritual revival, a return to true religion, or at least an affirmation of God and a moral order

When women challenge and usurp male leadership, marriages fall apart.

Masculinity is defined by power. Give women power in an intimate relationship and you have "phallic" women and emasculated men. The glue is dissolved.

Femininity is defined by love and nurturing. To a degree, a woman sacrifices worldly ambition for her husband and children.

Women get love by making this sacrifice. Men get love by accomplishments.

Young women no longer know how to sacrifice. By "empowering females" young women are conditioned to behave as males.

Everyone suffers as a consequence but women suffer most

Just like the CIA-funded al Qaeda had been used as a facade by the US to achieve its own geopolitical and national interests over the past two decades, ISIS is nothing more than al Qaeda 2.0

If you look at who originally funded ISIL,

it was the Saudis and the Qataris

and if United States was serious about stopping the gains that ISIL has traded, they would just simply pick up the phone, call up the ambassadors from Saudi Arabia and Qatar and say stop funding ISIL and without the funds coming in, the soldiers would go home and the whole thing would be over.

"We must realize that our party's most powerful weapon is racial tensions. By propounding into the consciousness of the dark races that for centuries they have been oppressed by whites, we can mold them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill in the whites a guilt complefor their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our 'cause."

The Illuminati Jewish Banking Cartel has been foaming at the mouth to remove the Assad government for years, and enraged that their CIA/Al-Qaeda-led attempt at a regime change had, up to this point, stalled in humiliating fashion.
It appeared to be a failure.
The CIA, on behalf of their bankster masters, struggled to stop infighting among its Al-Qaeda shock troops in southern Syria. What should have been a finished job years ago has required arduous new political maneuvering among NATO allies, and the untold expenditure of yet more military/intelligence resources.
The ISIS war of deception was created almost specifically to hasten the demise of Syria, to break the stubborn resistance of Assad.

Geopolitics 101

We see that people in the region of the Middle East , Yemen in this case,who are not accepting imperial and Zionist control and oppression and have risen up to try to take matters in their own hands and resist are being punished brutally for having the temerity to stand up for their rights.

And the Saudi blockade on food and fuel could conceivably end up qualifying as genocide. The people of Yemen are very very vulnerable.

There are reports of people selling their jewelry and their valuables to buy just a handful of rice. And it is going to be stopped quickly or there is going to be a disaster of ethnic proportions.

The US funded rebels in Syria are not "moderate"

we have seen rebel insurgents that are cutting heads off.

And then we see ones that what, maybe they don't cut heads off, but they take these Kalashnikovs into these heavily residential areas...

I mean that are populated heavily with women and children, and just indiscriminately fire on people that are not of their sect.

Now you may call them moderate next to people like ISIL, but they are not really moderates, they are all just insurgents and terrorists acting on behalf of the Masonic Jewish money power in a nutshell.

David Crowley was one of the Zionist New World Order's most effective enemies. His movie project Gray State had the potential to mobilize millions of people.

Gray State is a highly-anticipated independent film envisioning a brutal police state, martial law crackdown, complete with biometric identification, a ubiquitous surveillance state and FEMA stormtroopers rounding dissidents up into camps." Now it appears the New World Order police state Crowley warned against is pre-emptively murdering those who might succeed in rallying the American people against the coming dystopia.

Professional killers slaughtered the anti-New World Order filmmaker David Crowley, his wife, Komel, and their 5-year-old daughter on 1/19/2015– employing the same modus operandi used in the killing of 9/11 truth author Philip Marshall two years ago.

Not because it is rich in natural resources.
It has got some oil, but certainly not enough to go to war over.
The strategic location of Yemen is important. The waterways through which millions of barrels of oil pass daily, that is the reason Yemen is important.
The other issue is Yemenis' sovereignty. America tolerates no independent state. So the Houthis that declared sovereignty in Yemen
They want the right to run their own country independently of what others may want from them,namely America and the West, and Washington does not tolerate this.

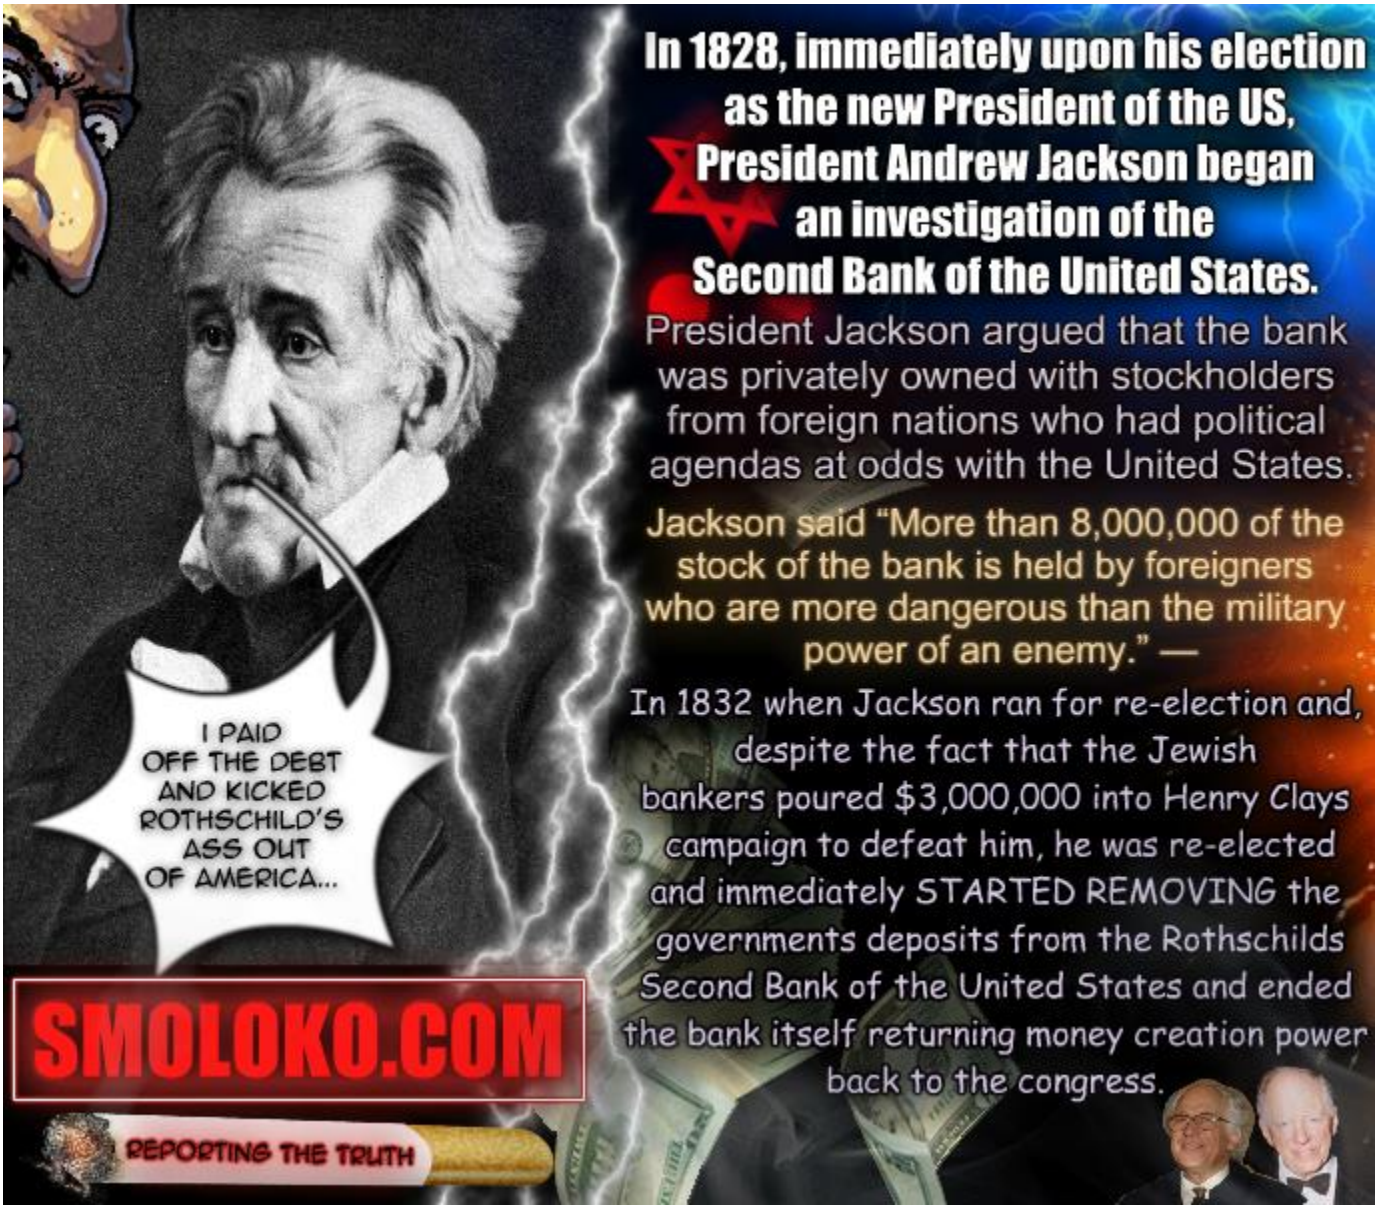
ATTEMPT ON THE PRESIDENT'S LIFE. 529
Attempt on General Jackson's life.



In 1828, immediately upon his election as the new President of the US, President Andrew Jackson began an investigation of the Second Bank of the United States.
President Jackson argued that the bank was privately owned with stockholders from foreign nations who had political agendas at odds with the United States.
Jackson said "More than 8,000,000 of the stock of the bank is held by foreigners who are more dangerous than the military power of an enemy." —
In 1832 when Jackson ran for re-election and, despite the fact that the Jewish bankers poured $3,000,000 into Henry Clays campaign to defeat him, he was re-elected and immediately STARTED REMOVING the governments deposits from the Rothschilds Second Bank of the United States and ended the bank itself returning money creation power back to the congress.

the one world order is near everybody

The Syrian War goes back to the conflict with the Iranian owned Pars gas facility in the Persian Gulf,

where the Masonic Jewish Central Bankers through their big oil companies were going to run a pipeline through Qatar, Saudi Arabia, Jordan, Syria, Turkey and they were going to bid all the natural gas for Europe.

The Syrians declined that proposal and then instead they accepted one from Iran to run it through Iran, Iraq, Syria, Lebanon, and down in the Mediterranean Sea and come out in Greece and end up in Europe

So that is the major players; at one side you have Turkey, Jordan, Saudi Arabia and Qatar who want the line to go through their countries, and on the other side, you have the other anti-Zionist countries that want it to go through.

So you can see in these conflicts that on one side of course you have Iran, Iraq, Syria, and Lebanon and on the other side you have the Persian Gulf States that are funding ISIL on behalf of the bankers

smoloko.com

In 2009, Qatar put forth a proposal to run a natural gas pipeline through Syria and Turkey to Europe.

MOLOKO
REPORTING THE TRUTH
Not surprisingly Qatar, Saudi Arabia and Turkey (all covert sponsors of ISIS) have been the most aggressive regional players in the push to topple the Syrian government.
But why would this pipeline dispute put Syria in Washington's cross hairs? Three reasons:
1. This pipeline arrangement would significantly strengthen Irans position, allowing them to export to European markets without having to pass through any of Washingtons allies. This obviously reduces the U.S. governments leverage.
2. Syria is Irans closest ally. Its collapse would inherently weaken Iran.
3. Syria and Iran have a mutual defense agreement, and a U.S. intervention in Syria could open the door to open conflict with Iran.

Only a nation subverted by the agents of an international financial cartel empowers its young females at the expense of its males.

International finance is dedicated to destabilizing society by destroying the family and submerging the US in a world dictatorship

This has been the Illuminati banker goal for 200 years.

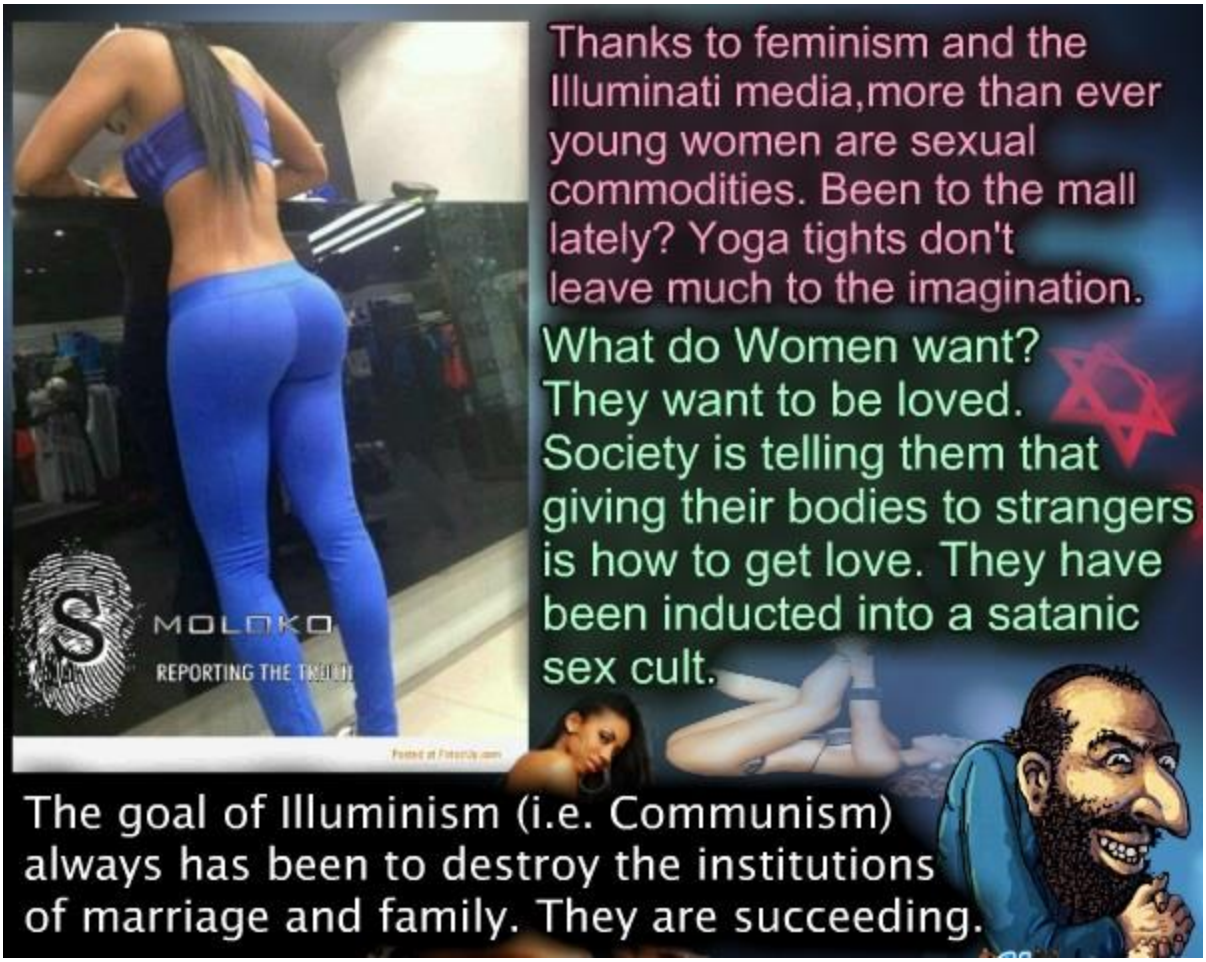
But first I will explain why "empowering" females leads to a breakdown of heterosexual marriage and family.

smoloko.com

It's all Illuminati Feminist Propaganda

All prime-time TV (Masonic Jewish created) shows made today are designed to make women feel they can't be fulfilled by being wives and mothers.

smoloko.com



Thanks to feminism and the Illuminati media,more than ever young women are sexual commodities. Been to the mall lately? Yoga tights don't leave much to the imagination.
What do Women want? They want to be loved. Society is telling them that giving their bodies to strangers is how to get love. They have been inducted into a satanic sex cult.
MOLOKO
The goal of Illuminism (i.e. Communism) always has been to destroy the institutions of marriage and family. They are succeeding.

Ladies, where do you think feminism came from?
It was organized by the US Communist Party, the CIA and the elite media, all instruments of the central bankers. It is funded by the Rockefeller Foundation. -
CENTRAL INTELLIGENCE
smoloko.com

Feminism taught women they could behave like men & sleep around. By the time they hit 30, no good men are interested

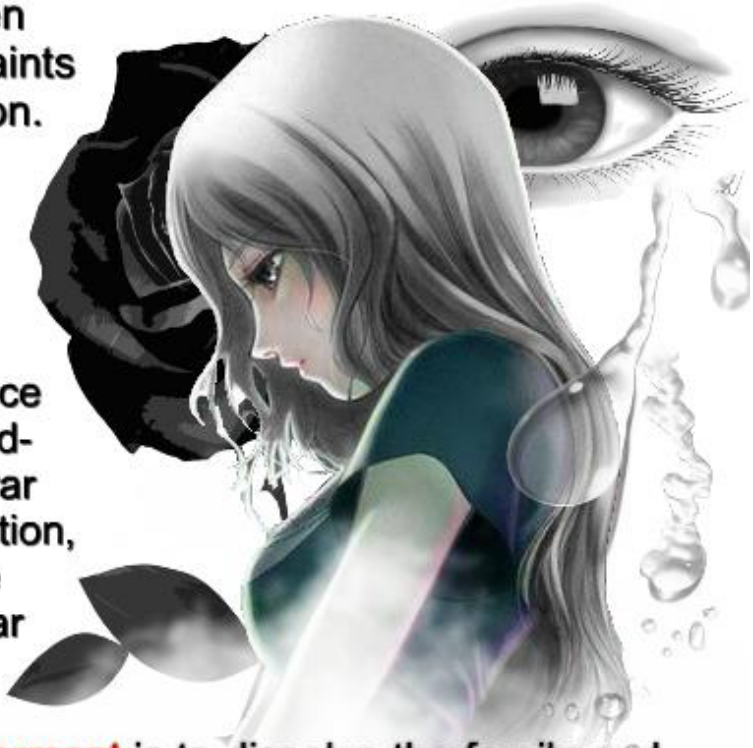
smoloko.com

Obviously many people will do whatever they are told and imitate whatever is presented as "cool".

They have not yet learned to distrust the media, government and education.

"FEMALE EMPOWERMENT" IS A CRUEL HOAX

It flatters and lures young women with money and recognition and paints marriage and family as oppression.



Thus many women are deprived of a lifetime of love from husband and children.

The Illuminati-Communists advance their plan by a policy of divide-and-rule: world war, class war, race war and now gender war. Crime, corruption, dysfunction and decadence are other weapons in their secret war waged on humanity.

The purpose of female empowerment is to dissolve the family and to increase our dependence on the media and government, which are both owned and controlled by agents of Illuminati bankers.

smoloko.com

When women challenge and usurp male leadership, marriages fall apart.

Masculinity is defined by power. Give women power in an intimate relationship and you have "phallic" women and emasculated men. The glue is dissolved.

Femininity is defined by love and nurturing. To a degree, a woman sacrifices worldly ambition for her husband and children.

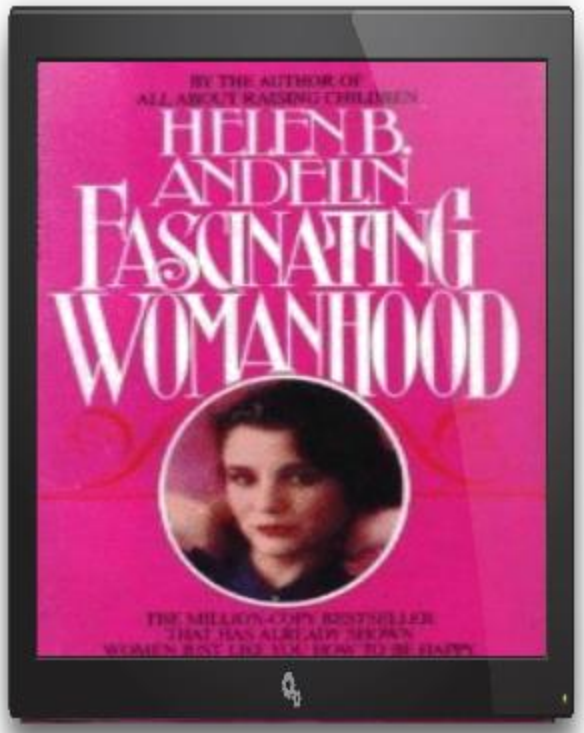
Women get love by making this sacrifice. Men get love by accomplishments.

Young women no longer know how to sacrifice. By "empowering females" young women are conditioned to behave as males.

Everyone suffers as a consequence but women suffer most

smoloko.com

Helen Andelin's Fascinating Womanhood (1963) is subversive to the New World Order because it upholds the inherent difference between the sexes and the basic laws governing marriage.



Such a book would never be published today.
It is only available because it appeared 48 years ago and sold more than 2 million copies.

The fact of the matter is that the 9/11 terror attacks were planned, designed and carried out by Israeli Military Intelligence,

alongside the treasonous help of high US officials, most of whom were dedicated Zionists working on behalf of the state of Israel and the Rothschild bankers behind the rouge entity.

The goals they had were simple

1. Increase US military and Security spending to place us further into debt

2. Reduce domestic civil rights (create a police state) to protect and expand their fraudulent credit monopoly

3.Enhance Israel's (Rothschild's) position in the Middle East for it's future role as the NWO's capital .

The assertions by Francesco Cossiga, former President of Italy, Hamid Gul, the former chief of Pakistani intelligence (ISI), and Andreas von Buelow, the former head of the parliamentary commission that oversaw the German intelligence agencies that the 9/11 attacks were the works of state intelligence agencies, primarily the Mossad, worried the conspirators behind the attacks.

The video depicts someone portraying Osama Bin Laden admitting that he masterminded the 9/11 attacks

The only suspects arrested anywhere in the United States on 9/11 who were thought to have been involved in the 9/11 attacks were Israelis !

It was then Jerusalem Mayor Ehud Olmert who personally interceded with New York Mayor Rudolph Giuliani to have released from prison five Urban Moving Systems employees, identified by the CIA and FBI agents as Mossad agents

But you probably didn't know this....because all mainstrem media is Zionist controlled.

Other countries see 9/11 for what is really was....a Jewish false flag op -

The dual purpose of 9/11 in a nutshell was to terrify the populace here in the Western World and put fear into the hearts of the people so that they would gladly sacrifice their freedoms for safety measures. -

The second purpose of 9-11 was to gain support for the NWO War on Terror which is a total farce in the Middle East ....(destroying all of ISRAELS enemies) - and creating a police state here in the US. It was the biggest fraud (besides the FED which was 13 Jewish families) ever perpetrated on the American lemmings. -

But most Jews don't even want to discuss any aspect of what really happened on 9/11 because they ALL KNOW WHAT REALLY HAPPENED AND Jews don't need to be hated more than they already are in this world. -

By admitting the truth that ISIL is a manufactured enemy – "the best enemy money can buy" – Obama could undercut the series of neoconservative false flags that are leading towards planetary nuclear destruction. He would also be undercutting what little legitimacy ISIL enjoys among that small segment of the Muslim population whose anger is matched only by its naiveté.
During the same speech, Obama could reveal the fact that 9/11-anthrax, 7/7, the Madrid and Bali bombings, and the Mumbai slaughters have all been inside jobs orchestrated by the same neoconservative Zionist cabal.

The Illuminati Jews are also most unhappy with Muslims throughout the world.
This is because the plan to destroy the Muslim faith that worked so well for the Jews with regard to the Christian faith has largely failed.
The Jews worked hard to get Muslims to migrate into many Western nations, the plan being that they would forget their religious beliefs and become nothing but a consumer of Jewish owned products, services and governments, like the majority of the white Christian world.
Unfortunately the majority of Muslims maintained their religious faith and formed their own communities within these Western nations, failing to fall into the Jews trap, like the Christians
The Jews decide this means the Muslims have to be destroyed, and they decide they'll get the Christians to do the job for them.

Well they are... Israel is training your police

You wouldn't want them trained by Russia or China ? Am I right ? So why Israel ?

The door to this foreign influence in America was thrown open by the Department of Homeland Security and, in particular, Michael Chertoff, an Israeli citizen who was, in particular, most instrumental as former Director of DHS in implementing policies challenged as unconstitutional, policies the new "Israeli trained" American police are tasked with stopping opposition to.

How dare Zionist Israel say anything about the nuclear status of Iran when Israel itself has covertly developed the 4th or 5th largest nuclear arsenal on the planet !

As a longstanding member of the nuclear Non-Proliferation Treaty, it is astounding that Iran has to negotiate for international recognition of its right to have a peaceful nuclear energy program ! Articles four and five of the treaty make it abundantly clear that Iran not only has an inalienable right to pursue such a program, but also a right to expect other signatory countries to share whatever technology is required for Iran to advance its program,

Each of the 45 black dots is a U.S. military base.

But Iran is the one threatening the U.S.?

Israel, through its agents and Fifth Column throughout various US administrations, makes sure its agents and Fifth Columns are appointed in key administrative positions in the White House -

smoloko.com

All US senators, who have expressed opposition to the deal with Iran are essentially traitors

they are in the pay of Israel, a hostile foreign power, a foreign power which has repeatedly attacked the United States

"the Lavon Affair in 1954, when Israeli terrorists attacked US interest in Egypt and attempted to blame Egyptians and got caught ….to September 11, 2001, when the Zionists were the biggest force behind the attacks on America," are all clear examples of Israeli enmity towards the US

Israel is secretly America's worst enemy and yet these senators are absolutely complete slaves of this foreign power making them the worst kinds of traitors imaginable

smoloko.com

The Lavon Affair
In 1954 Israeli agents recruit Egyptian citizens of Jewish descent to bomb Western targets in Egypt, and plant evidence to frame Arabs, in an apparent attempt to upset American/Egyptian relations. Israeli defence minister, Ashkenazi Jew,Pinhas Lavon is eventually removed from office,though many think real responsibility lies with David Ben-Gurion.
This is the first known use of Jews who look like Arabs, being used by the Jews to carry out terrorist attacks that they then blame on the Arabs, and is an example of how their secret service motto -
"By Way of Deception, Thou Shalt Do War," works in practice.

Jewish Lobbies like AIPAC and the ADL fund political campaigns, working closely with the Jewish-owned media, to promote, ignore, or smear candidates depending on their degree of loyalty to Jew interests.

SOLUTION ?

Require AIPAC to register as a foreign agent.

Jews with dual-citizenship, like many in AIPAC, must choose one or the other.

If they remain Israeli citizens they must not be allowed 'constitutionally' to hold office nor be allowed to vote.

Jews who choose US citizenship must sign a loyalty oath based on the Immigration and Nationality Act of 1953 which requires "renunciation" of allegiance to a foreign country.

With this in place, AIPAC could no longer draft Israel-First legislation for all their 'bought' hacks to pass.

The entire agenda in the Middle East is based on the Israeli Likudnik Oded Yinon strategy for a 'Greater Israel' in the 1980s which the neoconservatives, which are the upper echelons of the Israel lobby in America, have put into play in the Middle East beginning with Iraq

This is all the Zionist, Likudnik Oded Yinon's plan for the Middle East, and that started with Iraq, it was put into play against Gaddafi in Libya, it's in play now in Syria, in Lebanon, Yemen

It's basically to divide and conquer the enemies of Israel in the Middle East by creating sectarian and ethnic strife, and it couldn't be going better for the neoconservatives

If a person is wrong on the Gospel,then they are going to be wrong on everything else too.

David Icke bashes the Biblical teaching of the Pretribulation Rapture. Icke bashes the belief in a Godhead (Trinity), claiming it originated in ancient pagan religion. Icke denies Jesus Christ. Icke's future reality will sadly be spending eternity damned in the Lake of Fire in his sins (2nd Thessalonians 1:8-9; Revelation 20:13-15).

Very few have ever heard of Sabbatai Zevi, who declared himself the Messiah in 1666

By proclaiming redemption was available through acts of sin, he amassed a following of over one million passionate believers, about half the world's Jewish population during the 17th century.

They eschewed all morality preaching that good is evil and vice- versa. They believe that chaos and devastation will hasten the return of the Messiah. They went underground and prospered by intermarrying with non-Jews and assuming conventional Jewish or non-Jewish identities.

The Jewish hierarchy uses anti-Semitism to keep Jews from assimilating into gentile society; they want their Jews cloistered from gentiles. They also used anti-Semitism as a means of herding Jews to Israel.

The “final solution” was not the extermination of the Jews, as is commonly believed, it was the persecution of the Jews in order to drive them out of Europe into Israel. The Nazis were simply unwitting tools in the hands of the Zionist Jews in their Machiavellian plan to gain hegemony over Palestine. All who engage in persecution of Jews, simply because they are Jews, are unwitting accessories to the Zionists.

To this day anti-Semitism is fostered by the Zionist hierarchy. US support for militants in Syria is illegal and ineffective.

provision of military support to illegal structures runs counter to the principles of modern international law and the United Nations Charter

Syrian President Bashar al-Assad deserves international support because he is fighting terrorist organizations,

Russia's support for the Assad government is in accordance with the UN Charter, since "we have been providing assistance to legitimate government entities only."

Russia was certainly invited in Syria by the legitimate elected government (of President Bashar al-Assad)

and all the US has done, has created the very same terrorist that they are claiming to fight

Putin has done a very good job, very subtly show that the game that Obama is playing the Middle East is a complete farce

It is going to be only even more obvious to the rest of the world that the United States and it's allies are completely responsible for ISIS (ISIL) and that any efforts that they make to try to coordinate with Russia are completely comical at last.

The Pentagon's $500 million program to train and equip militants in Syria has been a massive failure because God is not going to let America destroy another middle east country on behalf of the anti-Christ state of Israel

It turns out that only 60 of these fighters have been properly trained, and as few as four or five people actually carry weapons,

The rest of them have deserted with the American weapons to join ISIS, who are now on the verge of extinction now that Putin's Russia is militarily active in Syria

It was he who taught of the Kabbalah's doctrine that inside Judaism's vaunted Tree of Life there resides a great and Sacred-Serpent whose masculine name is Leviathan and whose feminine name is Malkut.

It is this Sacred Serpent, the Kabbalah teaches, that in the coming Messianic age shall rise from the abyss to conquer the Gentiles and exalt God's Chosen, the Jews.

This Leviathan, the holy and piercing serpent, is the expected Messiah prophesied to appear, the one who will supernaturally possess the bodies of the worlds Jews and lead them to global domination and glory.

This strange doctrine, accepted by the vast majority of today's Orthodox Rabbis, also makes the bold claim that the Jews are a Holy Race of wise and virtuous serpent beings. Collectively, World Jewry is claimed to be the very incarnation on earth of the Holy Serpent.

Could it be Judaism is a really a secret society like Freemasonry where the members don't know the hidden agenda, which in fact is Communism ?

In the religion of Judaism, the Sacred Serpent is said to rise from the abyss. Through his power and guidance, a divine World Jewry will triumph over the Gentiles, and the Jews' Messiah will reign supreme.

This is a well-known rabbinical doctrine of the Jews. It is also a core secret revealed in the controversial book, The Protocols of the Learned Elders of Zion.

However, in Judaism, as in all satanic religions, truth is turned upside down. The rabbis emphasize that the serpent is a godly being, a constant help and guide for Israel and its people.

The Jews themselves, in their devilish religion of Judaism, admit their god is the Serpent. Their leaders well know that this is the Devil, or Satan

Now do you see why God's Word twice in the book of Revelation (Chapter 2:9 and 3:9) warns of the horror and wickedness of the "Synagogue of Satan?"

JFK was demanding Israel to permit Palestinian refugees the right to return to their homes in Israel or be compensated by Israel to be resettled in Arab countries or elsewhere.
This angered Israel greatly. Prime Minister Ben Gurion responded with his own demands, demanding JFK sign a exclusive security treaty with Israel. Kennedy refused to sign. Ben Gurion resigned as PM in disgust, and just before he resigned he gave the order to the Mossad's assassination chief, Yitzhak Shamir to proceed with the plans for killing Kennedy.
MOSSAD
Kennedy wanted one thing in particular understood by all sides in the conflict: the new U.S. president wanted "to make it crystal clear that the U.S. meant what it said in the Tripartite Declaration of 1950—that we will act promptly and decisively against any nation in the Middle East which attacks its neighbor." This policy was directed not only to the Arabs, but Israel as well. Kennedy did indeed mean business.

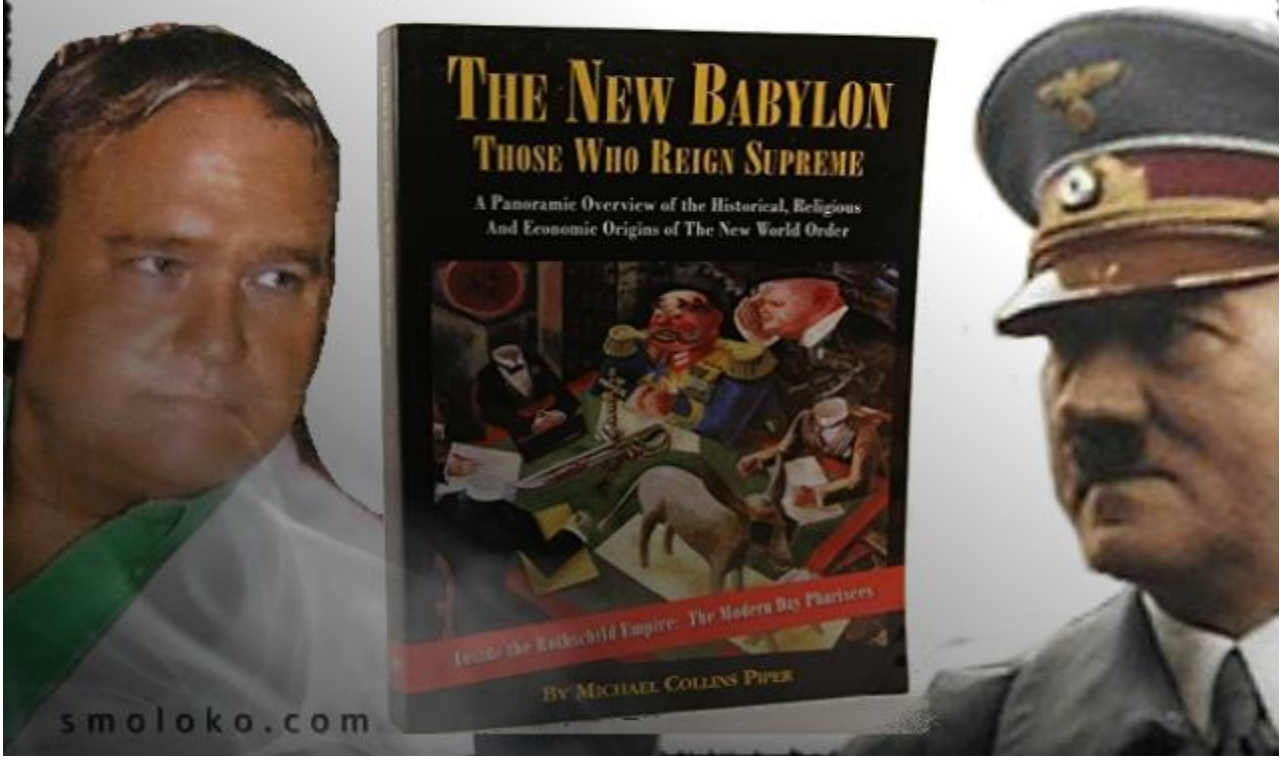
Michael Collins Piper Demolishes Kosher Anti-Hitler Myths

Prolific writer and author, Michael Collins Piper, demolished the mindless myths perpetuated about Hitler being an agent of Zionism and Jewish bankers in his outstanding book



"In one instance, a Jewish financier in Germany did give money to the Nazi Party prior to the rise of Adolf Hitlerbut those funds were designed to help Hitlers intra-party opposition to stop Hitler. But despite this fact, some patriots still say that The Jews Backed Hitler."

"Many of those who worship at the altar of this nonsense cite a flagrantly-fraudulent document of shadowy origins entitled Hitlers Secret Bankers, ostensibly written by one Sidney Warburg, one of those Jewish bankers. But this document, as weve said, is a fraud."

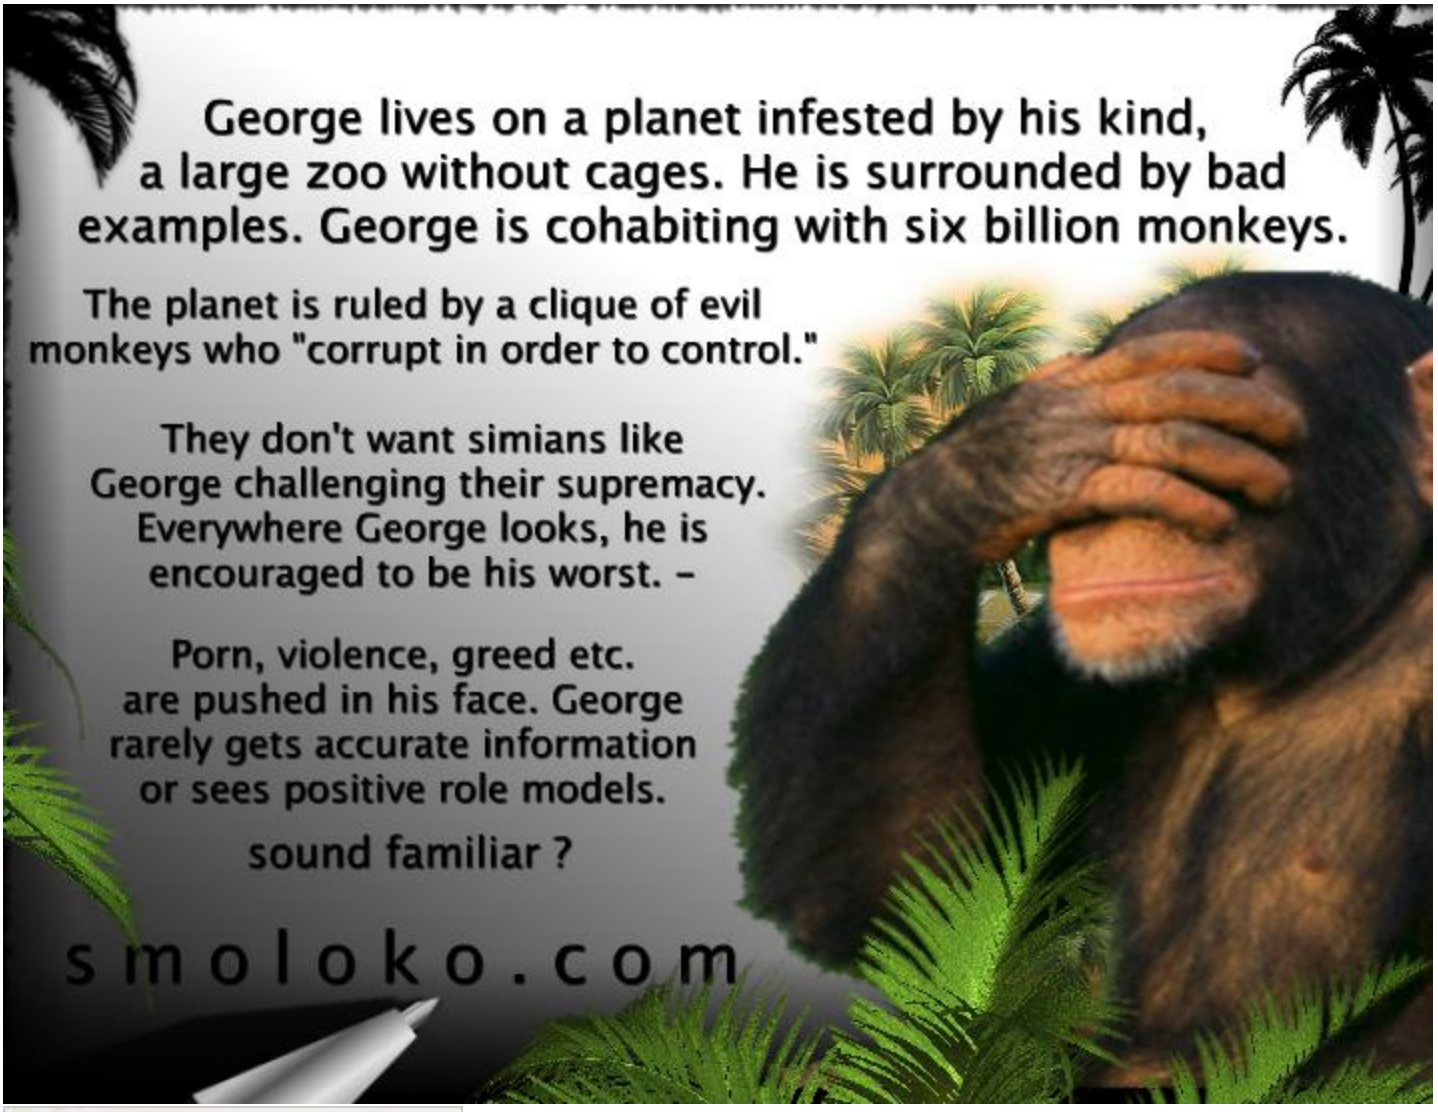
Michael Collins Piper - The New Babylon: Those Who Reign Supreme - A Panoramic Overview Of The Historical, Religious And Economic Origins Of The New World Order (pp. 88-90):

"While the National Socialist regime in Germany did initially form some loose collaborative efforts with Zionists in Europe and Palestine, seeing this as an ideal way to convince and persuade Jews to leave Europe, these ties disintegrated as the Germans recognized, during wartime, that collaboration with anti-Zionist Arabs in North Africa and the Middle East was far more productive for German goals."

"So while there is truth that the Germans did collaborate with the Zionists, the matter has been largely overstated by persons who are unwilling or simply incapable of looking at the much-larger and far more important geopolitical picture."

Let it also be said that many of those who have adopted the stance that Hitler was a Zionist often tend to be individuals however well-meaning they may be who use that term to prove that they arent anti-Semitic, as if to say, Well, even though Im a critic of Israel, Im not like Hitler since, after all, it was Hitler who helped bring about the state of Israel.

Michael Collins Piper - The New Babylon: Those Who Reign Supreme - A Panoramic Overview Of The Historical, Religious And Economic Origins Of The New World Order (pp. 88-90):



George lives on a planet infested by his kind, a large zoo without cages. He is surrounded by bad examples. George is cohabiting with six billion monkeys.
The planet is ruled by a clique of evil monkeys who "corrupt in order to control."
They don't want simians like George challenging their supremacy. Everywhere George looks, he is encouraged to be his worst. -

American banks and corporations did work with the Hitler regime, usually a continuation of previous financial arrangements going back decades, but this was not part of any grand conspiracy to bring Hitler to power.

Not because it is rich in natural resources.

DRAMATIC ACTION

"Daily Express" Special Political Correspondent.

ALL Israel is uniting in wrath against the Nazi onslaught on the Jews in Germany.

Adolf Hitler, swept into power by an appeal to elemental patriotism, is making history of a kind he least expected. Thinking to unite only the German nation to raise excitement to fair round the whole Jewish people to a national consciousness.

The appearance of the sword in symbol of a new Germany has united forth the Lion of Judah, the old battle symbol of Jewish defiance.

Fourteen million Jews dispersed throughout the world have banded together as one man to declare war on the German persecutors of their co-religionists. Sectional differences and antagonisms have been submerged in one common purpose—to stand by the men, women and children of Israel in the fight for freedom, and to compel Herr Hitler to end his campaign of violence and suppression directed against the Jewish minority.

World Jewry has made up its mind to wage relentless war on the Nazi movement in all its forms.

He says there are thousands of sayanim around the world. In London alone, there are about 2,000 who are actiue, and another 5,000 on the list (in his 1994 book, "The Other Side Of Deception," Ostrousky reueals that the Mossad maintain ouer a hundred safe houses in London alone). They fulfil many different roles.

A car sayan, for example, running a rental agency, could help the Mossad rent a car without hauing to complete the usual documentation. An apartment sayan would find accommodation without raising suspicions, a bank sayan could get you money if you needed it in the middle of the night,

a doctor sayan would treat a bullet wound without reporting it to the police, and so on. The idea is to haue a pool of people available when needed who can prouide seruices but will keep quiet about them out of loyalty to the cause...

The bankers' Satanic Conspiracy is the source of antisemitism.
The sooner more Jews oppose it; the sooner antisemitism will disappear.

Throughout history the Rothschild central bankers routinely have assassinated politicians who stand in their way or whose removal will result in war. Lincoln, Arch Duke Ferdinand and JFK are the most prominent but there are hundreds.

Israel has sought to keep the entire Middle East region in a state of destabilization since it's inception in 1948

This serves several factors

A constant state of conflict portrays Israel as the only stable entity in a volatile region thus appearing to be the only 'democracy' in the region for the United States to deal with

Destabilization ensures that there can be no united front against Israelis aspirations, which are never-ending.

The extent of this destabilization strategy has included Mossad backing of 'Islamists' like ISIS and other Al-Qaeda groups.

Beginning in the late 1970s, Israel gave direct and indirect financial aid to Hamas over a period of years text here.

the Israelis wanted to use Hamas counterbalance to the PLO (Palestinian Liberation Organization)

Israels support for Hamas was a direct attempt to divide and dilute support for a strong, secular PLO by using a competing religious alternative, said a former senior CIA official.

The thinking on the part of some of the right-wing Israeli establishment was that Hamas and the others, if they gained control, would refuse to have any part of the peace process and would torpedo any agreements put in place, said a U.S. government official who asked not to be named.

Israel would still be the only democracy in the region for the United States to deal with, he said. All of which disgusts some former U.S. intelligence officials.

Israel went to the extent of backing the Red Brigades in Italy during the 1970s as part of a destabilization strategy - at least until 1978 Israeli secret services had infiltrated Italian subversive groups.

Based on confessions of jailed guerrillas who turned police informers there had been an Israeli plan to destabilize Italy.

The plan aimed at reducing Italy to a country convulsed by civil war so that the United States would be forced to count more on Israeli for the security of the Mediterranean

The immigration debate is disingenuous because America has been subverted by the Illuminati, a Masonic Jewish satanic cult. -

Its goal is to use immigration to dilute and destroy the European Christian heritage of the US and the West in general.

Both parties are following the Masonic One World Race agenda.

This agenda is playing out both in the United States and Europe. The Illuminati undermine the nations of Latin America, North Africa and the Middle East.

They set off a tidal wave of northward migration as millions of desperate people seek a stable and prosperous homeland.

In the US and Europe, the object is to make Europeans a minority, and to create another political constituency like women and gays dependent on the Illuminati. It's called the "Cloward-Piven Strategy."

"I fully agree with General Washington, that we must protect this young nation from an insidious influence and impenetration. The menace, gentlemen, is the Jews.

"In whatever country Jews have settled in any grea tnumber, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which that nation is founded, by objecting to its restrictions;have built up a state within the state; and when opposed hav etried to strangle that country to death financially, as in the case of Spain and Portugal.

"For over 1,700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland,as they call Palestine.But gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live only among themselves. They must subsist on Christians and other people not of their race.

"If you do not exclude them from these United States,in their Constitution, in less than 200 years they will have swarmed here in such great numbers that they will dominate and devour the land and change our form of government, for which we Americans have shed our blood, given our lives, our substance and jeopardized our liberty.

"Jews, gentlemen, are Asiatics, let them be born where they will nor how many generations they are away from Asia, they will never be otherwise. Their ideas do not conform to an American's, and will not even thou they live among us ten generations. A leopard cannot change its spots. but since American Jewry owns and controls virtually all western news media, they are able to shape the false perceptions Americans have about Iran and manipulate them into fighting and supporting more illegal,unconstitutional and financially devastating wars for the Satanic state of Israel.

Jewish Lobbies like AIPAC and the ADL fund political campaigns, working closely with the Jewish-owned media, to promote, ignore, or smear candidates depending on their degree of loyalty to Jew interests.

SOLUTION ?

Require AIPAC to register as a foreign agent.

Jews with dual-citizenship, like many in AIPAC, must choose one or the other.

If they remain Israeli citizens they must not be allowed 'constitutionally' to hold office nor be allowed to vote.

Jews who choose US citizenship must sign a loyalty oath based on the Immigration and Nationality Act of 1953 which requires "renunciation" of allegiance to a foreign country.

With this in place, AIPAC could no longer draft Israel-First legislation for all their 'bought' hacks to pass.

There is no other country in the world that allows members of its national government to be a citizen of two different nations at the same time, except the United States. The dual citizen status can only apply to citizens of Israel, and no other country. This change to US law was made possible by the subversion and betrayal of Jewish Supreme Court Justice Abe Fortas, a Johnson appointee, who later had to resign from the Supreme Court.

"ANTI-SEMITISM" HAS A MANIFOLD ROLE IN THE JEWISH SCHEME

False claims of anti-Semitism are used as a shield to protect the Jewish hierarchy when evidence of their crimes are uncovered.

Former Israeli government official Shulamit Aloni succinctly described the epithet anti-Semite as"a trick, we [Jews] always use." She explained that Jews hide behind it like a smokescreen, which is used to conceal evidence of Jewish malefaction.

By the trick of labeling a person as an anti-Semite, the accused person's credibility is undermined, and the focus shifts from the evidence against wrongdoing by Israel or the Jews to the motives of the accused anti-Semite. The Jewish controlled media then destroys the reputation of the accused anti-Semite, and he becomes an object lesson for anyone who might consider criticizing Israel or Jews.

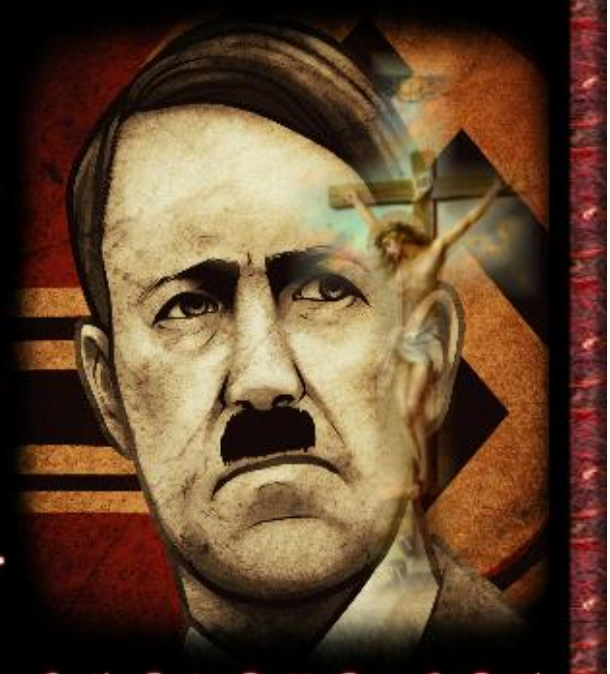
IT POINTS ME TO THE MAN WHO ONCE IN LONELINESS, SURROUNDED ONLY BY A FEW FOLLOWERS, RECOGNIZED THESE JEWS FOR WHAT THEY WERE AND SUMMONED MEN TO THE FIGHT AGAINST THEM AND WHO, GOD'S TRUTH! WAS GREATEST NOT AS SUFFERER BUT AS FIGHTER"

ADOLPH HITLER – MUNICH – SPEECH OF APRIL 12, 1922



SMOLOKO.COM

Jewish Senator Jacob Javits played a prominent role in the Senate hearings on the Open Immigration Law of 1965 bill

Javits authored an article entitled Lets open the gates that proposed immigration levels of 500,000 per year for 20 years with no restrictions on national origin.

THE 1965 OPEN IMMIGRATION LAW IS PRESENTLY fulfilling the aims of the Jewish conspiracy as seen in its effects. The U.S. Census Bureau projects that by the year 2050, European-derived peoples will no longer be a majority of the population of America due to the massive influx of immigrants since the signing of the bill in 1965.

The Jews have also given these immigrants a moral mandate to expand both demographically and politically. And expand they will and do!

But any attempts by European-derived peoples to retain demographic, political, and cultural control in America are represented by the Jews as being 'racist' and 'immoral.'

My Jewish Privilege allows my ancient cultural tradition of lying to be accepted as truth. My Jewish privilege allowed me to create the Holohoax as an Hegelian means of Brainwashing and mind-control to Dominate and Destroy Non-Jewish Humanity.

I have Jewish Privilege, I have the power to genocide the entire White race by using my control of entertainement to promote hatred for whites while deliberatly corrupting their children, destroying their families, using my control of education to disadvantage Whites and my control of immigration to drown them with Third World imports.

A typical example of what characterizes the Jewish push for open immigration can be seen in the following 1948 quote by David Petegorsky, former Director of the American Jewish Congress:
"Jewish survival can only take place within the framework of a progressive and expanding democratic society, which through its institutions and public policies gives expression to the concept of cultural pluralism."

Jews admit their behind the genocidal immigration against Europe - wheres 'infowars' on this ?

"Europe has not yet learned how to be multicultural. And I think we are going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies that they once were in the last century. Jews are going to be at the center of that. It's a huge transformation for Europe to make. They are now going into a multicultural mode, and Jews will be resented because of our leading role. But without that leading role, and without that transformation, Europe will not survive."

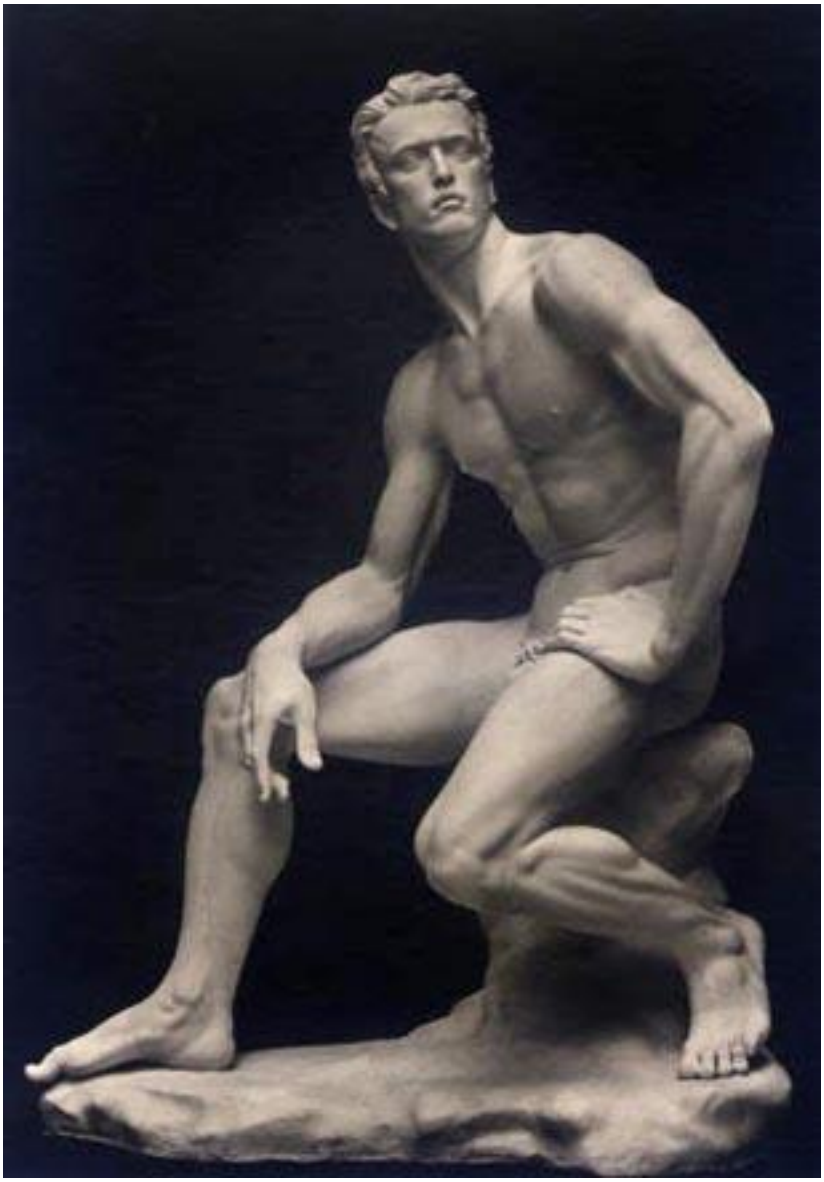
(from a 2004 speech given in Falls Church, VA)
smoloko.com

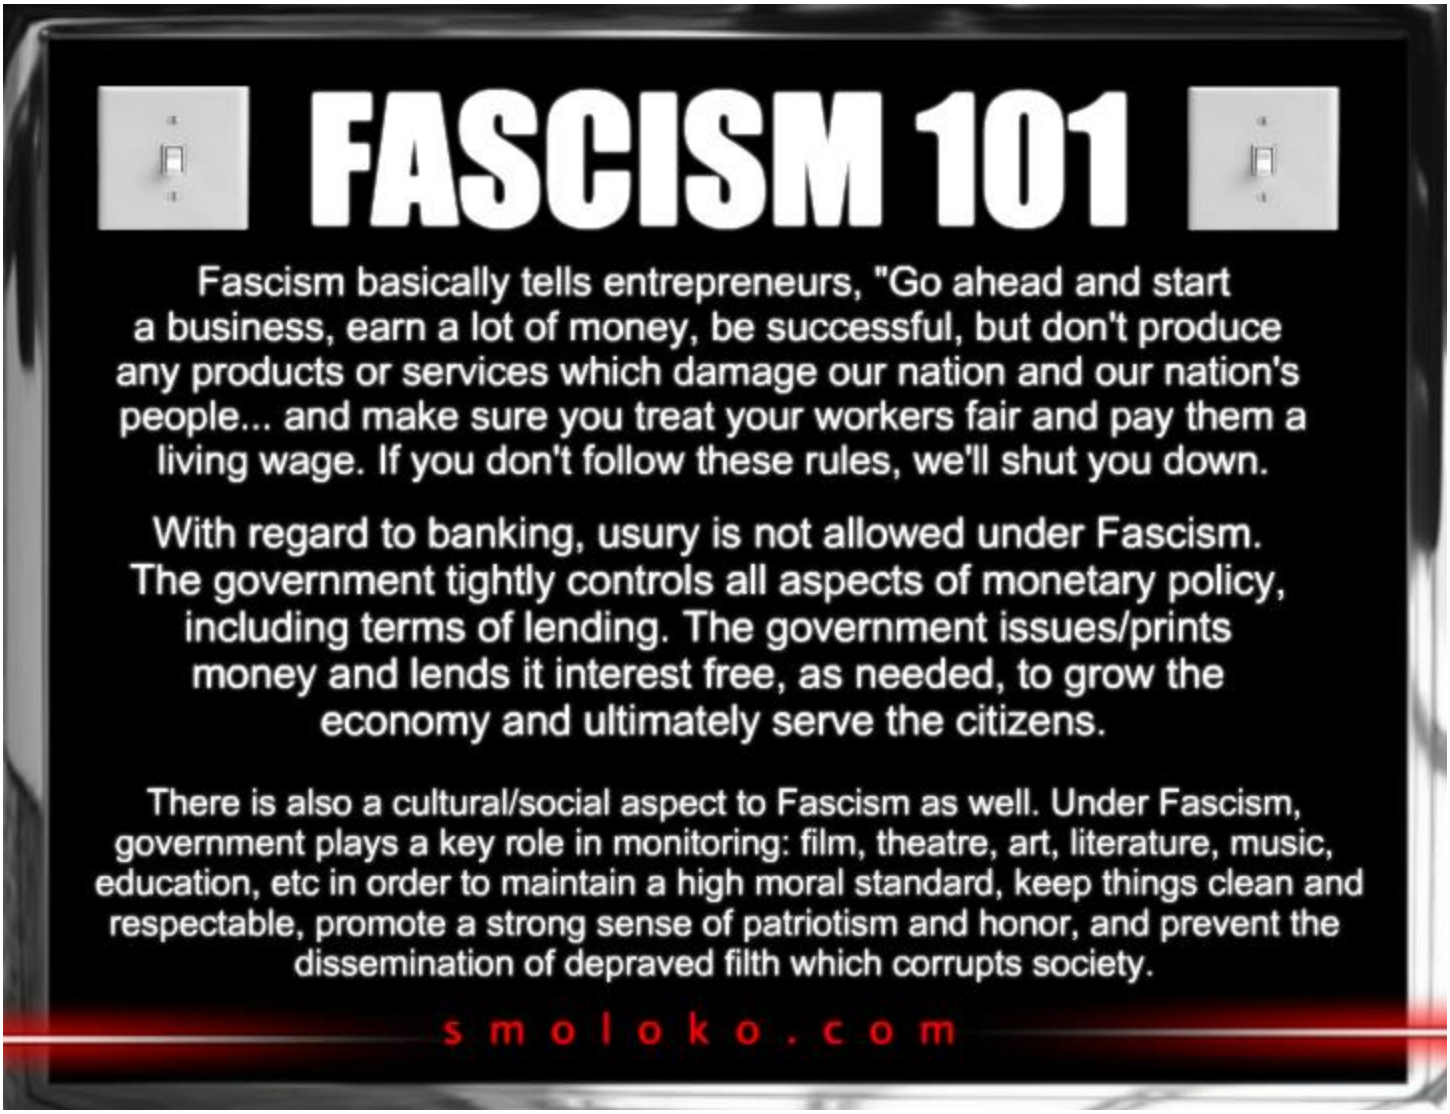
In each Western nation, non-Whites are encouraged to organize around their racial identity. But Whites are, for all intents and purposes, not 'allowed' to do the same because the Jewish establishment claims, "that would lead to Nazism and another Holocaust." This is absurd... of course.

As political analyst Patrick Buchanan once pointed out, the one main obstacle standing in the way of the (eventual) goal of a (Jewish-run) global government is, collectively, all White gentile nations. Post World War II, this has been the impetus for why International Jewry has been actively working to reduce Whites to a minority in the Western World -- mostly through massive third world immigration into Western nations.

s m o l o k o . c o m

The Western World has been thoroughly indoctrinated (brainwashed) with Jewish "Holocaust" propaganda for the purpose of psychologically sensitizing Whites to shy away from thinking about and feeling any pride in their White/European ancestry.





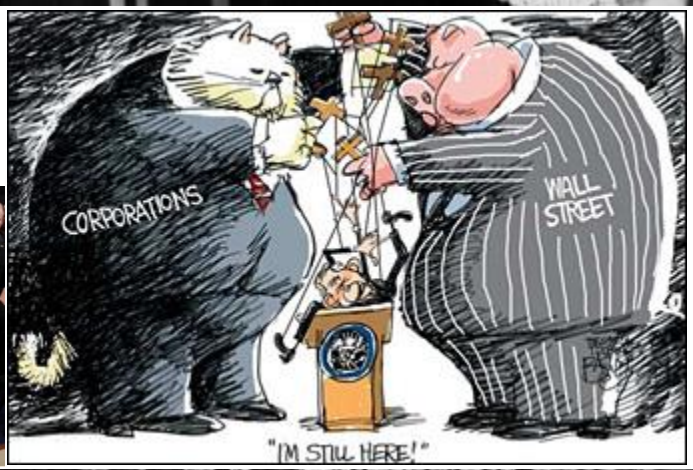
FASCISM 101
Fascism basically tells entrepreneurs, "Go ahead and start a business, earn a lot of money, be successful, but don't produce any products or services which damage our nation and our nation's people... and make sure you treat your workers fair and pay them a living wage. If you don't follow these rules, we'll shut you down.
With regard to banking, usury is not allowed under Fascism. The government tightly controls all aspects of monetary policy, including terms of lending. The government issues/prints money and lends it interest free, as needed, to grow the economy and ultimately serve the citizens.
There is also a cultural/social aspect to Fascism as well. Under Fascism, government plays a key role in monitoring: film, theatre, art, literature, music, education, etc in order to maintain a high moral standard, keep things clean and respectable, promote a strong sense of patriotism and honor, and prevent the dissemination of depraved filth which corrupts society.
smoloko.com

Fascism is based on free enterprise – but with constraints (the primary constraint being, "Is the particular economic activity in question good for our nation/people?")

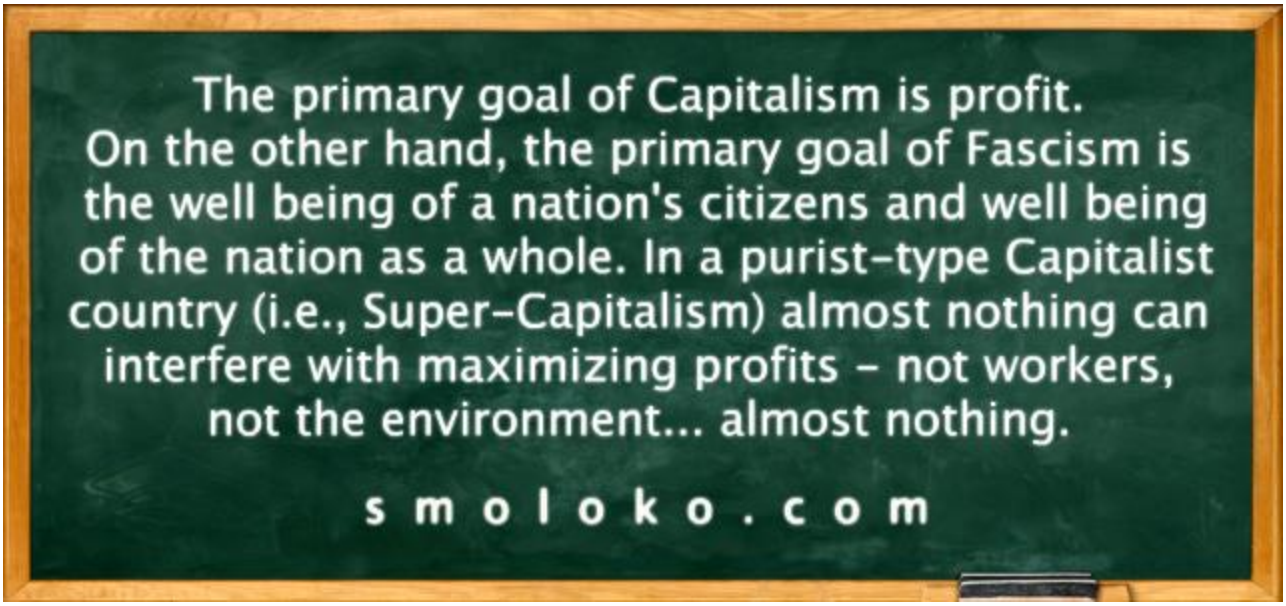
Also, a businessman can become wealthy in a Fascist country, and the government has no objection to this (this is in stark contrast to Communism).

Fascism also encourages private ownership of property (again, in stark contrast to Communism where private property is not allowed).

s m o l o k o . c o m



CORPORATIONS
WALL STREET
"I'M STILL HERE!"



The primary goal of Capitalism is profit.
On the other hand, the primary goal of Fascism is the well being of a nation's citizens and well being of the nation as a whole. In a purist-type Capitalist country (i.e., Super-Capitalism) almost nothing can interfere with maximizing profits - not workers, not the environment... almost nothing.
s m o l o k o . c o m

In short, Fascism is a form of government & social system which authentically serves the interests of the people and nation as a whole.

Fascism is rooted in the notion that people must stay true to two mental concepts throughout their lives: 1) the individual's needs (themselves) and, 2) the group's needs (their nation)... always evaluating how their individual actions affect the group. Thus Fascism rejects the self-centered "me me me" mentality so common under Capitalism.

For example, in a Fascist nation each person is expected to maintain a healthy diet & lifestyle. For if not, they may become seriously ill and thus require expensive health care; this would negatively impact the group (i.e., they'd become a financial burden on the nation).

Under Fascism all people of one's ethnicity are considered the greater family of that person.

Hence, a Fascist nation is thought of as one giant family of several million people. Therefore, just as one mustn't do anything to hurt their brother or sister in their immediate family, under Fascism one mustn't do anything which would hurt the nation/group (i.e., the greater family). This is the essence of Fascism - a strong consideration of the group balanced with individualism.

s m o l o k o . c o m

Fascism holds women in very high regard. Women are the carriers of new life.

They are expected to be educated, worldly, and well read. Women are encouraged to pursue their interests and have a career but only if a career won't interfere with their family's needs; family comes first, always.

Women are encouraged to be strong yet feminine. Consistent with these ideas, Fascist art often portrays women as heroic and even goddess-like.

Make no mistake about it - Justice Antonin Scalia was murdered by Jew World Order assassins

Scalia was a serious guy, believing in what critics have labeled "originalism" - that is, the the Constitution is meant to be interpreted as the founders intended it.

Obviously, if you abandon historical context, and what the words were intended to mean, you can make it mean anything.

If Obama is able to appoint a liberal Judge, there will be a 5-4 majority which openly espouses a belief in a living Constitution, which means that what the founders meant when they wrote it isnt really important and it can just be changed, which is just what the Jewish Globalists want

Why ? Because Pope Francis is a wolves in sheep clothing working for Globalist Jews who want to see a borderless world government dictatorship with no nations.

fighting to preserve nationalism - the right to self determination and sovereignty for Americans within their own country

fighting for Jewish internationalism - (Globalism) - wants a borderless tyrannical World Government dictatorship led by Christ hating Jews

Trump is the true 'anti-establishment' and anti-war candidate, not Bernie Sanders

Let's take a look at Bernie Sander's Foreign Policy of warmongering

Sanders wanted military intervention in Yugoslavia.

He voted yes on Bombing Kosovo.
(One of his staff members resigned over it)

He voted to finance the Iraq War multiple times. Supports the war in Afghanistan and voted for it. Supported the coup in Ukraine and voted to give 1 billion dollars towards it.

Supports aiding Al Qaeda in Syria and calls them moderate rebels
Voted to invade Libya.

Bernie was a cosponsor of the war propaganda resolution.

Voted for sanctions on Iran and Libya

Pro Drone Strike

Hes an imperialist

He supported US intervention in Somalia, Haiti, Bosnia, Liberia, Zaire (Congo), Albania, Sudan, Afghanistan and Yugoslavia. He Supports Saudi Arabia bombing Yemen and he is in total denial that Saudi Arabia is backing ISIS not fighting them.

He gutted the audit the fed bill (the night before it was being voted on)
He voted for several NDAAs. Calls Assad a dictator. Totally supports Israel.
He told people in a town hall meeting to shut up about it.

Trump knows 9/11 was a Jewish operation with shabbos goys. Trump doesn't have to get into all that just now. It's enough to show the obvious, that America was attacked on Bush's watch.

Richard Gage of Architects and Engineers for 9/11 Truth says Trump is the only presidential candidate or major public figure who has written the Truther group a custom letter after being sent their DVDs and literature.

Trump's campaign, Gage said, thanked the members of Architects & Engineers for 9/11 Truth for their "continued support."

Gage and his group were thunder-struck.

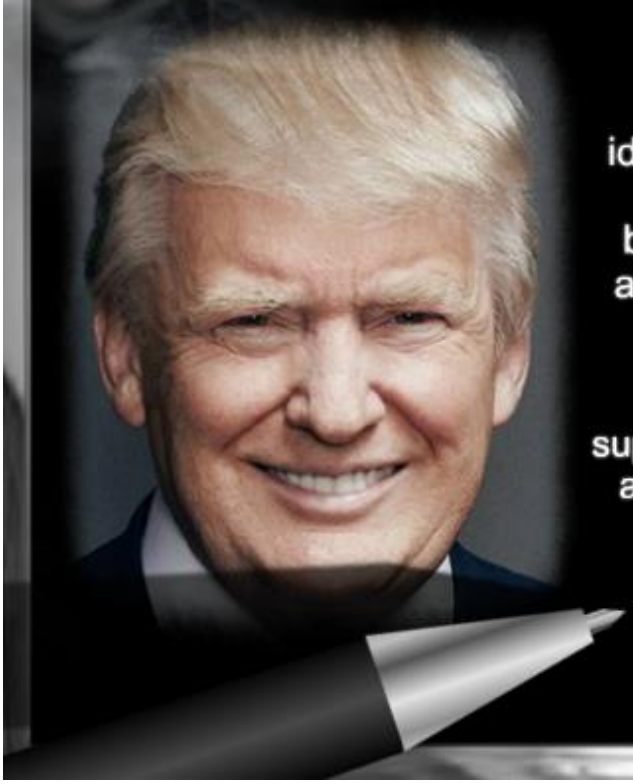
Trump is the only candidate worth a flying flock by far. Anyone who says otherwise is a complete, utter moron!

Donald J. Trump is self-funding his own campaign, theres no other possible way for an American patriot and good guy to run for president



Like him or not, the Trump campaign is serving as a useful vehicle to inject increasingly more radical and nationalist ideas into the mainstream political discourse. Theres already a large number of people behind him and his campaign is serving as a battering ram against political correctness. These are all positives in our favor.

Whats most practical right now is to support the Trump campaign. I have yet to hear a better alternative from those supporting the Jewish conspiracy angle. Their proposed alternative is to do nothing and proclaim how smart they are for doing so.

In the film , the Congressman thus learns of how Illuminati Jewish finance in England and the US used Freemasonry to involve France in a war against Germany. The Director Jean Mamy was executed as a collaborator in 1949. Thanks to YouTube, the film with English subtitles can be seen online. -

NAZIS FREE ROTHSCHILD, SEIZE HIS BANK

VIENNA, Thursday.

Whether ex-King Edward of England, the Duke of Windsor, had anything to do with it is not announced, but his Jewish friend, Austrian banker, Baron Louis Rothschild, was released today by the Nazis.

But the Rothschild Bank is confiscated.

The Duke made a personal plea to Hitler for the release of Rothschild and others three weeks ago.

But he was given a rebuff.

Hitler replied, "regretting his inability to comply with the request."

THE BAD WAR

During the 75 years that have now passed since the end of the grand history-altering event known as World War II, only a single narrative of the great conflict has been heard. It is a story which has been scripted by the victors and implanted, no, pounded, into the minds of three subsequent generations. Every medium of mass indoctrination has been harnessed to the task of training the obedient masses as to what the proper view of this event should be.

Academia, news media, public education, book publishing, TV documentaries, Hollywood films, clergymen and politicians of every stripe all sing the same song. Isn't it time you heard a different tune; at least for your consideration?

"The clarity of King's illustrated masterpiece is more than just enlightening; it's life-changing. Though the complete shattering of a lifetime of illusions was a very unsettling experience for me, I highly recommend The Bad War!

When you ask how ISIS was created, you should trace it back 25 years ago and the slaughter of the Iraqi people during two unjust wars !

These wars, wars that should not have been waged,pushed by Zionist and Jewish gangs in the US and Europe, created the chaos in the middle east, and created rebels and men without morals anymore. These outraged men, fathers, and brothers are depressed,maybe lost members of their families from the American bombings, or the depleted Uranium used on the civilians of Iraq.

These Iraqis just want to take revenge from the west and "take revenge from Israel", for them Israel, America and Europe are enemies.

These depressed rebels joined ISIS today, they will be again used by Israel, they don't know that Israel want them to do exactly what they are doing right now: prepare the ground for massive invasion of the Middle East

So What?

America needs another Huey Long—before it's too late...and by the Grace of God it may just be Donald Trump

Like Huey Long, Donald Trump knows the only way to 'make America great again' is to divorce America completely from international Jewish finance, and he may just do that if he is willing put his life on the line for his country, like Huey did when he was assassinated in cold blood on 9/10/1935.

His "Share Our Wealth" program represented a genuine threat to international Jewry and their New Wolrd Order –

His assassination put an end to the careerof the one man in America who could have dramatically changed thecourse of historyand undoubtedly for the better

He would have broken up the giant plutocratic fortunes and dismantled the Jewish Federal Reserve money racket and set in place an economic system that would have prevented the rise of the giant Jewish media monopoly that played such a major part in the ruination of our nation and its place in the world.

What the religion of Judaism teaches?

(Baba Mezia 24a) "If a Jew finds an object lost by a goy (non-Jew) it does not have to be returned."

(Sanhedrin 57a) "If a Jew murders a goy (non-Jew) there will be no death penalty."

(Sanhedrin 57a) "What a Jew steals from a goy he may keep."

(Baba Kamma 113a) "Jews may use subterfuges to circumvent a goy (non-Jew)."

(Yebamoth 98a) "All children of the goyim (non-Jews) are animals"

(Baba Mezia 114b) "The goyim are not humans. They are beasts."

(Tosapoth, Jebamoth 94b) "If you eat with a goy (non-Jew) it is the same as eating with a dog."

(Soferim 15) "Even the best of the 'goyim' should all be killed."

Biblical salvation is not found in any religion; but rather, in a Person, the Lord Jesus Christ

How appropriate that it should turn out that the true source of world chaos is the VERY PEOPLE AGAINST WHOM JESUS BATTLED - Talmudic Kabbalist Jews !

for the Talmudic Kabbalist Jews are the descendants (ideologically, if not always genetically) of the Pharisees. After they rejected God, they became the enemies of God, and of God's creation, to this very day. –

Jesus said of these people: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him." (John 8:44).

THE JEWISH TALMUD is the Holy Writ for the Jews

The "Satanic Verses" of the Talmud can be classified into 3 categories:

2) Hatred Towards The "Goys" (Gentiles).

3) Blasphemies Against Jesus Christ, The Virgin Mary, & All Christians.

JUST LIKE FATHER MALACHI MARTIN PREDICTED OVER 20 YEARS AGO - "SALVATION IS TO COME FROM RUSSIA!"

NOT THE WEST, BUT FROM RUSSIA – WHICH IS JUST WHAT WE ARE SEEING UNFOLD TODAY. PUTIN'S CHRISTIAN RUSSIA IS SAVING SYRIA FROM SATANIC JEWISH DESTRUCTION AND PREVENTING THE RISE OF A JEWISH WORLD GOVERNMENT DICTATORSHIP

"Russia´s role in the Vision of Fatima is very important because if we´re to believe the Vision of Fatima, salvation for the world, the cure for the world ills, will start in the Ukraine and in Russia, and that was why the Virgin in the Fatima vision of 1917 was supposed to have spoken actively about Russia and that Russia first of all has to be cured of her errors and then she will help the entire world to get better and to cure itself of its sins. It´s a very bizarre message in that sense because one would have said that salvation was going to come from the West as we always think because we are Westerners, but no, according to the message of Fatima, salvation will come from the East, and particularly, from Ukraine and from the State of Russia itself, which is extraordinary "

By Attacking Trump, The ADL is Violating Their 501c3 Status

The Jew ADL has come out and attacked Donald Trump for not denouncing the support of David Duke from the alternative right -

The Jews say "Trump must do something" - Thats basically a order. Who do these Jews think they are ?

The ADL is a non-profit with 501c3 status, and this attack on Our Glorius Leader Trump clearly violates the legal limitations associated with this tax group.

By condemning the candidate Trump, they are attempting to influence the election by portraying him negatively.

IN THE WORDS OF THE ENEMY

BENJAMIN NETANYAHU

Benjamin Netanyahu – the head of the Jewish state – was asked on the CBS News program "Face the Nation" if the Islamic State posed a threat to the Jewish state. He replied:

"Absolutely. I mean, ISIS has got to be defeated because it is doing what all these militant Islamists are trying to do. They all want to first dominate their part of the Middle East and then go on from there for their twisted idea of world domination. [...] Essentially, they want to accumulate enough power to then carry out their mad ambitions. So, that is the danger with ISIS. It is creating a statement. It has two million petrodollars a day. It's weapons it has taken over from the Iraqi army and so on. And it is dangerous, no question."

He was then asked if the Jewish state would get more directly involved in the war against the Islamic State. So he replied:

"We are ready to support and help in every way that we are asked to do."

Finally, he was asked for his opinion on expanding the American airstrikes to in-

ISIS SECURING LAND FOR GREATER ISRAEL

fired by Dutch government for speaking the truth

"ISIS has nothing to do with Islam. It's a preconceived Zionist plan, who want to deliberately make Islam look bad."

Former Project Leader within the Dutch National Cyber Security center, Yasmina Haifi

smoloko.com

Israel's co-ordination of ISIS goes unchallenged, in addition to this; all internal dissent within ISIS results in the Jewish leaders of ISIS ordering the tactical-elimination of any rivals from taking ISIS in a direction against Jewish interests at a leadership level, or feeding the location of those genuine Islamic terrorists to NATO aerial task-forces for elimination.

Jewish Israeli and Jewish US foreign policy actions before the current leadership of ISIS, eliminated 80% of ISISs leadership, it was paradoxically only after this loss of key elements that ISIS became prominent, when in the void left by countless tactical elimination attempts on all prior leaders, ISIS was primed for total infiltration by Israeli sponsored and Israeli trained long term Jewish infiltrators, that tactically integrated into ISIS in order to control it.

s m o l o k o . c o m

ISIS has several key leaders and numerous personnel trained directly by Israeli Mossad foreign operatives and infiltrators.

Due to the close appearance of the majority of Middle Eastern Jews and Arabs it has been extremely easy for Israel to literally place Jewish Infiltrators throughout the Middle Eastern Islamic groups without such an effort being easily visible to the individual Arab or Semitic Muslim ISIS recruits who are the cannon-fodder of ISIS and the population group that Israel wants to attrition as a part of its planned long term geo-political border expansions.

s m o l o k o . c o m

ISIS is really motivated by Jewish hatred towards non-Jews,

ISIS is not motivated by Islamic fundamentalism, it uses such to steal support from the 'genuine' Islamic resistance movements against Israel and other pre-existing militant groups, whilst simultaneously using said recruits in order to fight in-effect for Israel, that is for Jewish geo-political and racial interests in the Middle East, effectively becoming Israel's mercenary force by proxy

if only the average ISIS recruit knew this, ISIS would lose 95-99% of its supporters from among war-torn Middle Eastern and Far Eastern countries overnight.

Obviously ISIS prevents any such discussion, any attempts by Arabs or other Muslim tribes to take over ISIS at a leadership level is met with instant death. ISIS kills those who oppose its leadership, whilst allowing its gullible Islamic recruits to be bombed by American drones or EU state's fighter bombers.

smoloko.com

The Jewish corrupted ISIS started its campaign of ethnic cleansing of non-Semites gradually, exploiting historical Muslim factional or sect divergences to exacerbate tribal conflicts to tear apart the geo-political enemies of Israel,

This is also why Western governments have been prevented from killing the leaders of ISIS, partly because their handlers and safe-houses are within Israel and Israeli Mossad Safe-houses across the Middle East

Freemasonry is a Jewish weapon in service to the Jews and their plan for a New World Order - Hitler in his own words confirms this.

"To strengthen his political position he [the Jew] tries to tear down the racial and civil barriers which for a time continue to restrain him at every step. To this end he fights with all the tenacity innate in him for religious tolerance —and in Freemasonry, which has succumbed to him completely, he has an excellent instrument with which to fight for his aims and put them across. The governing circles and the higher strata of the political and economic bourgeoisie are brought into his nets by the strings of Freemasonry, and never need to suspect what is happening."

HITLER RIGHTFULLY OUTLAWED THE EVIL OF FREEMASONRY

The Gestapo bravely seized the membership lists of the Grand Lodges and looted their libraries and collections of Masonic objects. Much of this loot was then exhibited in an "Anti-Masonic Exposition" inaugurated in 1937 by Herr Dr. Joseph Goebbels in Munich. The Exposition included completely furnished Masonic temples. Masters of the various lodges were immediately confined in the most notorious concentration camps. Hitler also crushed and outlawed Masonry in Austria, Czechoslovakia, Poland, Holland and Belgium.

'ANTI-TRUMP PROTESTS' IN CHICAGO WERE ALL FUNDED AND ORGANIZED BY NEW WORLD ORDER JEW GEORGE SOROS

Due to a well coordinated effort by the Jewish financed terror group MoveOn.Org and their Marxist non-White supporters, they managed to disrupt Donald Trumps rally in Chicago on Friday night.
Even though this is clearly the fault of these Marxist terrorists who flooded the arena with a bunch of subversive paid for 'minorities' and other faggots, they are still blaming Trump for what happened.

UNCLASSIFIED U.S. Department of State Case No. F-2014-20439 Doc No. C05794498 Date: 11/30/2015
RELEASE IN FULL

The best way to help Israel deal with Iran's growing nuclear capability is to help the people of Syria overthrow the regime of Bashar Assad.

Back to Syria. It is the strategic relationship between Iran and the regime of Bashar Assad in Syria that makes it possible for Iran to undermine Israel's security – not through a direct attack, which in the thirty years of hostility between Iran and Israel has never occurred, but through its proxies in Lebanon, like Hezbollah, that are sustained, armed and trained by Iran via Syria. The end of the Assad regime would end this dangerous alliance. Israel's leadership understands well why defeating Assad is now in its interests. Speaking on CNN's Amanpour show last week,

Bringing down Assad would not only be a massive boon to Israel's security, it would also ease Israel's understandable fear of losing its nuclear monopoly. Then, Israel and the United States might be able to develop a common view of when the Iranian program is so dangerous that military action could be warranted. Right now, it is the combination of Iran's strategic alliance with Syria and the steady progress in Iran's nuclear enrichment program that has led Israeli leaders to contemplate a surprise attack – if necessary over the objections of Washington. With Assad gone, and Iran no longer able to threaten Israel through its proxies, it is possible that the United States and Israel can agree on red lines for when Iran's program has crossed an unacceptable threshold. In short, the White House can ease the tension that has developed with Israel over Iran by doing the right thing in Syria.

The rebellion in Syria has now lasted more than a year. The opposition is not going away, nor is the regime going to accept a diplomatic solution from the outside. With his life and his family at risk, only the threat or use of force will change the Syrian dictator Bashar Assad's mind.

Clinton: Destroy Syria for Israel

A newly-released Hilary Clinton email confirmed that the Obama administration has deliberately provoked the civil war in Syria as the "best way to help Israel."

The email makes it clear that it has been US policy from the very beginning to violently overthrow the Syrian government and specifically to do this because it is in Israels interests.

The email also proves—as if any more proof was needed—that the US government has been the main sponsor of the growth of terrorism in the Middle East, and all in order to "protect" Israel.

Prior to 1971, the actual word "Holocaust" wasn't a word any American had ever heard of.

The word "Holocaust" came out of a focus group meeting at the Jewish Documentation Center in Vienna, Austria.

The goal was to brand this particular WWII event (i.e., that which involved Jews, camps, etc) and ultimately cause a Pavlovian-type response when a person simply heard the word "Holocaust."

They chose "Holocaust" because they felt it was both memorable and descriptive. Further, they made sure it was always spelled with a capital "H" to elevate its "importance."

Next, the Jewish Documentation Center and later the Simon Wiesenthal Center in Los Angeles endlessly promoted the "Holocaust" brand to the public in conjunction with their brethren in Jewish-dominated Hollywood.

Most symbolism and references linked to the Illuminati are promoted by companies owned and run by Jews

As a result, I have come to the conclusion that exposing Jewish power is the most important thing we can do regardless of if this Illuminati group still exists or not.

If it does happen to still exist in some capacity, we can deal with the Illuminati after the Jews are removed from power.

I would think that even people who believe in this Illuminati conspiracy would find it difficult to disagree with this logic.

fighting the international Jew on behalf of my Lord Jesus Christ

did you know the 'illuminati' was founded by a Jew ?

In 1776 the Jew, Adam Weishaupt, who converted to Roman Catholicism but soon renounced it, forms the 'Illuminati'in the Lodge of Theodore in Munich Germany.

Because of Weishaupts numerous contacts throughout Europe of high-positioned functionaries, Jewish banker Meyer Amschel Rothschild (1744-1812), befriends and funds the Jew, Adam Weishaupt.

so really the 'illuminati conspiracy' is a Jewish conspiracy -
In Israel, all these "Illuminati" symbols, monuments, such as the Israeli supreme court-Jerusalem, indicates that all what we are living are phases in order to transform Israel into a ruling state of the world to be ruled by the Jewish Messiah (Anti-Christ - Devil)

s m o l o k o . c o m

Why would the Jews make up the 'holocaust' ?

Jews want you to feel sorry for them ... why ?

Because any group of people viewed as "victims" tend to be allowed much leeway within society.

Perceived "victims" get away with doing all kinds of questionable acts (simply consider what Israel gets away with) because of human tendency to side with the perceived underdog/victim.

Hence, most people naturally think, "oh give them a break... haven't those poor people suffered enough..." This tactic works like a charm.

s m o l o k o . c o m

'The Simon Wiesenthal Center' is the de facto headquarters where Jewish propagandists scheme and strategize on how best to use the so-called "Holocaust" as a psychological weapon against the Western World.

It works closely with their Jewish brethren in Hollywood to flood Western media with endless films/TVmini-series', as well as both print and broadcast "news" items which perpetuate"Holocaust" dogma. It indoctrinates school children to hate Whites

The objective is to maintain a public perception of Jews being, "the ultimate victim group." In short, the SWC has emerged as a major player in worldwide Jewish propaganda and intelligence operations under the guise of “fighting hate.

Incidentally, the two other main "Holocaust" propaganda mills are the ADL offices in New York and Yad Vashem in Israel.

NEW WORLD ORDER PLEDGED TO JEWS

Arthur Greenwood of British War Cabinet Sends Message of Assurance Here

RIGHTING OF WRONGS SEEN

English Rabbi Delivers to Dr. S. S. Wise New Statement on Question After War

In the first public declaration on the Jewish question since the outbreak of the war, Arthur Greenwood, member without portfolio in the British War Cabinet, assured the Jews of the United States that when victory was achieved an effort would be made to found a new world order based on the ideals of "justice and peace."

Mr. Greenwood, who is Deputy Leader of the British Labor party, declared that in the new world the "conscience of civilized humanity would demand that the wrongs suffered by the Jewish people in so many countries should be righted." He added that after the war an opportunity would be given to Jews everywhere to make a "distinctive and constructive contribution" in the rebuilding of the world.

The message was delivered last week to Dr. Stephen S. Wise, chairman of the executive committee of the World Jewish Congress, by Rabbi Maurice L. Perlzweig, chairman of the British section of the congress. Rabbi Perlzweig arrived from England Monday evening.

Intention to Right Wrongs

Comparing the statement with the Balfour Declaration of 1917, Dr. Wise declared that in a sense it had "wider and farther reaching implications," as it dealt with the status of Jews throughout the world. He said that Mr. Greenwood's message could be interpreted as a statement of England's firm intention to help right the wrongs which Jews have suffered and continue to suffer today because of Hitler's "disorder and lawlessness."

Mr. Greenwood, sending the Jews of America a message of "encouragement and warm good wishes," wrote:

"The tragic fate of the Jewish victims of Nazi tyranny has, as you know, filed us with a deep emotion. The speeches of responsible statesmen in Parliament and at the League of Nations during the last seven years have reflected the horror with which the people of this country have viewed the Nazi relapse into barbarism.

"The British Government sought again to secure some amelioration of the lot of persecuted Jewry both in Germany itself and in the countries which were infected by the Nazi doctrine of racial hatred. Today the same sinister power which has trampled on its own defenseless minorities, and by fraud and force has temporarily robbed many small peoples of their independence, has challenged the last stronghold of liberty in Europe.

New World Order Forecast

"When we have achieved victory, as we assuredly shall, the nations will have the opportunity of establishing a new world order based on the ideals of justice and peace. In such a world it is our confident hope that the conscience of civilized humanity would demand that the wrongs suffered by the Jewish people in so many countries should be righted.

"In the rebuilding of civilized society after the war, there should and will be a real opportunity for Jews everywhere to make a distinctive and constructive contribution; and all men of good-will must assuredly hope that in new Europe the Jewish people, in whatever country they may live, will have freedom and full equality before the law with every other citizen."

In an interview at the Hotel Astor, Rabbi Perlzweig declared he was certain Mr. Greenwood "speaks for England." There is a clear realization, he added, that freedom and emancipation for the Jewish people are tied up with emancipation and freedom for people everywhere. The message, Rabbi Perlzweig remarked, was the subject of earnest consideration by the British Government.

"This is a declaration in behalf of the whole world," he observed. "Here the British Government expresses clearly what it hopes will take place after the war is won."

Jewish TV networks, Jewish Hollywood, Jewish magazines, Jewish control of Congress, the White House and the Supreme Court, Jewish control of universities and the American Federation of Teachers, Jewish control of the American Medical Association and the American Bar Association, American cops training to kill in Israel, everyone in America being afraid to speak out about Jews for fear of losing their jobs, AIPAC and the ADL advocating prison terms for those who protest Israel's continuing crimes against humanity, Christian denominations worried about their tax-exempt status fearful of commenting on Jewish atrocities, Monsanto (once slave traders, then weapons makers, and now in control of world's food supply) peddling poisons, and Jewish control of the Internet through Google, Wikipedia and control of the chokepoints of ISPs and wireless networks all conspire to terrify the American populace into fearful silence even as they are being sickened and terminated by this twisted Talmudic terror !

Thus the White Race will disappear, for the mixing of the dark with the White means the end of the White Man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the world. Israel is seeking to rule the world! and to do it, they seek a Shia-Sunni war.

This will create a confrontation between America and Russia

America will back Sunni,
Russia will back Shia. And this will mean
Europe and China will enter the war.
Europe will back America,
China will back Russia.

This will mean the end of western civilization and western people.

Europe will be desert, America will be desert,
all European races will die as some Arabic people.

The remaining people will be the Africans and some 3rd world people and Arabic that Jews will enslave literally FOREVER.

The MONEY POWER worldwide (except for Syria, N Korea, Iran, and RUSSIA) is in the hand of Christ-slaying, freedom-hating JEWS.

Once we take the power of money-creation OUT of the hands of the Jews then we're finally on our way to begin to restore our nation.

Jews have RUINED this country financially, economically, socially, and morally (with their homosexual advocacy.)

We can STOP the Jews BEGINNING with ending the Fed and instituting debt-free money issuance as the Constitution empowers our government to do so.

Do NOT listen to Jewish Austrian School BS that money-creation should be in private hands. "Private hands" means JEWISH bankers.

This gave Germany a huge economic advantage because they didn't need to get capital from the Jews and pay them interest.

The eternal common enemy Jews have not forgotten that the Japanese fought to free the World from the death grip of International Jewry.

Japan was allied with National Socialist Germany and Fascist Italy in the war that was declared by Jewry against Germany in 1933.

Roosevelt—surrounded by Jewish advisers—provoked Pearl Harbor and sacrificed thousands of Americans so Jewish bankers could destroy the evidence of Japan's financial success.

Japan had broken the shackles of Rothschild interest via the money-creating power of the government. They increased manufacturing by 140% and their GDP by 250% in the middle of the Great Depression.

You couldn't get a clearer contrast between the right system and the miserable system the Jews impose on us. Japan had to be taken out.

Ron Paul said it: "End The Fed."

And I say, let the government issue the money, not Jews who gouge us with interest.

Here's how it works. It's called the "Chicago Plan" for Monetary Reform.

The government takes over the Fed, issues its own money, and funds the rebuilding of infrastructure, creating lots of jobs.

Next, the Chicago Plan gives low-interest loans to small businesses and entrepreneurs, helping local economies grow.

Then it helps college grads by refinancing their student loans at low interest. Monetary Reform is the mother of all reform.Without it, with your MBA and all, you'll still be flipping burgers at McDonalds.

Panama Papers Produced by Jews and Jew US Government to Attack Putin!

The spooky and prophetic early 20th century documents known as the Protocols of the Learned Elders of Zion tell of how the Jewish masters behind the New World Order use blackmail to control or discredit political leaders.

The documents describe the vulnerability of a crooked politician as "a Panama" -- an obvious reference to the 1892 Panama Canal bond scandal which ruined several big name politicos of the day.

Isn't it also telling that the countries most "shamed" by this "scandal" happen to be anti-bankster Iceland and the anti-NWO BRICS nations of Brazil, Russia, India, China and even South Africa ...

The Jews are using America to destroy the rest of the planet for their benefits.

That much is obvious. But what is less visible is that they are also using America to destroy America.

America must go down to make way for Pax Judaica.

Let us not forget that the 'greater israel' project is not restricted to the river of Egypt to the river Euphrates but to the entire globe.

It is a 'full spectrum dominance' over the entire planet the Jews want, the 'Holy Land' being only their 'headquarters'.

What 'Monuments Men' doesn't tell you is that as the Allied terror bombings ravage Europe, thousands of paintings and sculptures from Italy, France, Belgium, Russia, Romania, and Poland are gathered and meticulously inventoried by the Germans. This process only began in the fall of 1943. Had the Germans wanted to "loot" the art of Europe, they could easily have done so in 1940, 1941, 1942, and the first 9 months of 1943.

It was only after Allied carpet bombardment was unleashed upon Italy (later on France), and the Soviets began advancing from the East, that the German began gathering up the artwork.

Trump is the true 'anti-establishment' and anti-war candidate, not Bernie Sanders

Let's take a look at Bernie Sander's Foreign Policy of warmongering

Sanders wanted military intervention in Yugoslavia.

He voted yes on Bombing Kosovo.
(One of his staff members resigned over it)

He voted to finance the Iraq War multiple times. Supports the war in Afghanistan and voted for it. Supported the coup in Ukraine and voted to give 1 billion dollars towards it.

Supports aiding Al Qaeda in Syria and calls them moderate rebels
Voted to invade Libya.

Bernie was a cosponsor of the war propaganda resolution.

Voted for sanctions on Iran and Libya

Pro Drone Strike

Hes an imperialist

He supported US intervention in Somalia, Haiti, Bosnia, Liberia, Zaire (Congo), Albania, Sudan, Afghanistan and Yugoslavia. He Supports Saudi Arabia bombing Yemen and he is in total denial that Saudi Arabia is backing ISIS not fighting them.

He gutted the audit the fed bill (the night before it was being voted on)
He voted for several NDAAs. Calls Assad a dictator. Totally supports Israel.
He told people in a town hall meeting to shut up about it.

With the Jewish filth coming out of Hollywood, the unprincipled conduct of Jewish Wall Street bankers who have fleeced the American people, and the immoral behavior of the Israelis, (which, by the way, most Jews support), these are clear demonstrations that the former 'chosen-ness' of the Jews has been forfeited.

Jew Bernie Sanders was confronted by a black gentleman about the Jews who are behind the Federal Reserve and Wall Street.

Bernie deflected it into a question about the Jew state of Israel, probably because the Black man used the word “Zionist” and thus gave him that out.

Much more relevant than anything in the Middle East is the Jew control of our own countries – which is what the Black man was asking about. People are sick of paying Israel to destablize the entire planet with their insane Jew schemes. Of course, their control of our countries is directly linked to their Palestine project, given that it is only by controlling our banks, media and governments that they are able to create a situation where we are funding this project. Sanders did not address this matter and said he was 'proud to be Jewish' and 'supported Israel'...

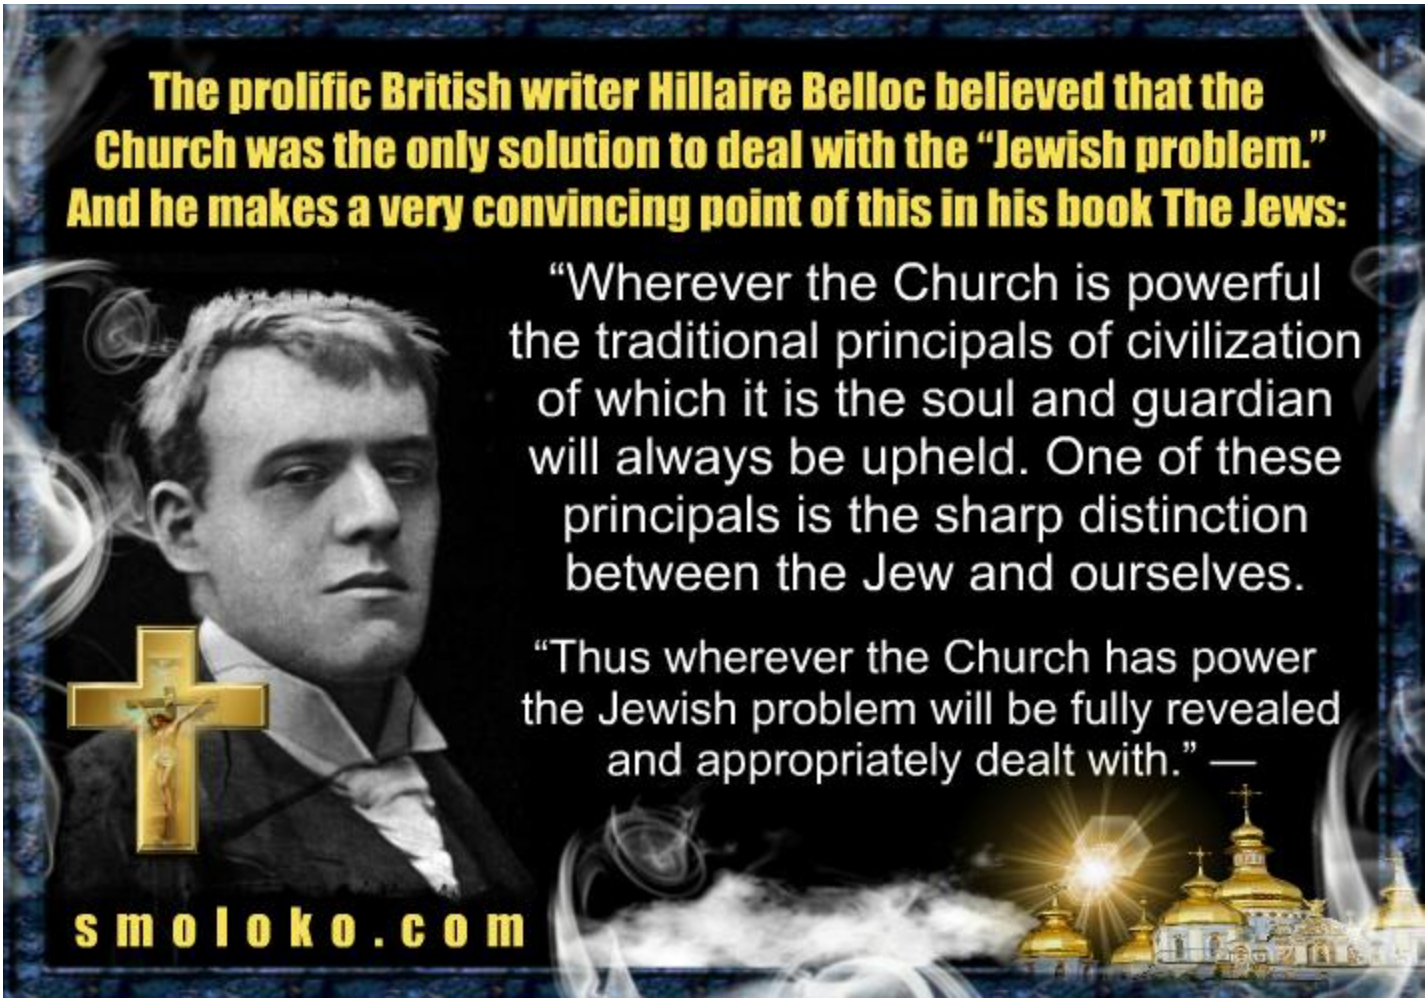
"THE JEWS ARE AN ALIEN BODY within the society they inhabit", wrote the renowned and prolific British historian Hillaire Belloc in his 1922 book, The Jews.

"The Jew comes to an alien society at first in small numbers. He is treated as a friend. He thrives. His numbers increase.

Then through a divergence between his aims and those of his hosts he creates (or discovers) a growing animosity.

He resents it. He opposes his hosts who wish to be masters in their own house. The Jew resists their claim. It comes to violence. It is always the same miserable sequence. "

smoloko.com



The prolific British writer Hillaire Belloc believed that the Church was the only solution to deal with the "Jewish problem." And he makes a very convincing point of this in his book The Jews:
"Wherever the Church is powerful the traditional principals of civilization of which it is the soul and guardian will always be upheld. One of these principals is the sharp distinction between the Jew and ourselves.
"Thus wherever the Church has power the Jewish problem will be fully revealed and appropriately dealt with." —

Hitler never banned guns - it is another made up Jewish myth

We have Chicago law professor Bernard Harcourt to thank for debunking this myth. As it turns out, the Weimar Republic, the German government that immediately preceded Hitler's, actually had tougher gun laws than the National Socialist regime.

In 1938 revisions made under Hitler completely deregulated the acquisition and transfer of rifles and shotguns, as well as ammunition, Meanwhile, many more categories of people, including Nazi party members, were exempted from gun ownership regulations altogether, while the legal age of purchase was lowered from 20 to 18, and permit lengths were extended from one year to three years.

HIDDEN WW2 FACTS YOU SHOULD KNOW -

During WWII, just as the U.S. couldn't trust Japanese Americans, thus causing FDR to round many of them up and place them in concentration camps, Hitler couldn't trust Jews since many were partisans sympathetic to the USSR and hence they aided the USSR in various subversive, anti-German activities. Therefore the National Socialists rounded up Jews and placed them in concentration camps.

With regard to the Jews, Hitler had considered moving them to Madagascar (yes, you read that correctly, Madagascar). With that said, and despite what Jewish dominated Hollywood has been peddling for the past several decades, there was never, I repeat never, a plan to kill the Jews of Europe.

'Gender Identity' is not real - it is mental illness

"Every Jew is our enemy in this historic struggle, regardless of whether he vegetates in a Polish ghetto or carries on his parasitic existence in Berlin or Hamburg or blows the trumpets of war in New York or Washington.
All Jews by virtue of their birth and their race are part of an international conspiracy against National Socialist Germany.
They want its defeat and annihilation, and do all in their power to bring it about. That they can do nothing inside the Reich is hardly a sign of their loyalty, but rather of the appropriate measures we took against them." ~ Joseph Goebbels

"If a brave man dares to step forward and accuse the Jews of their crimes, he will be mocked and spat on by their press, chased from his job or otherwise impoverished, and be brought into public contempt. Even that is apparently not enough for the Jews. They want to bring Soviet conditions to the whole world, giving Jewry absolute power and freedom from prosecution. He who objects or even debates the matter gets a bullet in the back of his head or an axe through his neck. There is no worse tyranny than this. This is the epitome of the public and secret disgrace that Jewry inflicts on the nations that deserve freedom."

"One could not understand this war (WW2) if one did not always keep in mind the fact that International Jewry stands behind all the unnatural forces that our united enemies use to attempt to deceive the world and keep humanity in the dark.
It is, so to speak, the mortar that holds the enemy coalition firmly together, despite its differences of class, ideology,and interests.
Capitalism and Bolshevism have the same Jewish roots, two branches of the same tree that in the end bear the same fruit. International Jewry uses both in its own way to suppress the nations and keep them in its service. How deep its influence on public opinion is in all the enemy countries and many neutral nations is plain to see that it may never be mentioned in newspapers, speeches, and radio broadcasts.
~ Joseph Goebbels

"Humanity would sink into eternal darkness, it would fall into a dull and primitive state, were the Jews to win this war (WW2).
They (Jews) are the incarnation of that destructive force that in these terrible years has guided the enemy war leadership in a fight against all that we see as noble, beautiful, and worth keeping. For that reason alone the Jews hate us."
~ Joseph Goebbels

"Who is it that drives the Russians, the English, and the Americans into battle and sacrifices huge numbers of human lives in a hopeless struggle against the German people? The Jews!

Their newspapers and radio broadcasts spread the songs of war while the nations they have deceived are led to the slaughter. Who is it that invents new plans of hatred and destruction against us every day, making this war into a dreadful case of self-mutilation and self-destruction of European life and its economy, education and culture? The Jews!

Who devised the unnatural marriage between England and the USA on one side and Bolshevism on the other, building it up and jealously ensuring its continuance? Who covers the most perverse political situations with cynical hypocrisy from a trembling fear that a new way could lead the nations to realize the true causes of this terrible human catastrophe? The Jews, only the Jews!"

Netanyahu's real feelings about America were revealed in a secretly tape-recorded conversation in Fink's Bar in Jerusalem al-Quds in 1990
"If we get caught they will just replace us with persons of the same cloth. So it doesn't matter what you do, America is a Golden Calf and we will suck it dry, chop it up, and sell it off piece by piece until there is nothing left but the world's biggest welfare state that we will create and control.
Why? Because it's God's will and America is big enough to take the hit so we can do it again, again and again. This is what we do to countries that we hate. We destroy them very slowly and make them suffer for refusing to be our slaves."

- In theatrical degeneracy, *a group of Jews.*
- In liquor propaganda, *a group of Jews.*
- Absolutely dominating the wireless communications of the world, *a group of Jews.*
- The menace of the movies, *a group of Jews.*
- In control of the press through business and financial pressure, *a group of Jews.*
- War profiteers, *80 percent of them, Jews.*
- The mezmia of so-called popular music, which combines weak mindedness, with every suggestion of lewdness, *Jews.*
- Organizations of anti-Christian laws and customs, *again Jews.*

It is time to show that the cry of bigot is raised mostly by bigots. There is a religious prejudice in this country; there is, indeed, a religious persecution, there is a forcible shoving aside of the religious liberties of the majority of the people. *And this prejudice and persecution and use of force, is Jewish and nothing but Jewish.*

If it is anti-Semitism to say that Communism in the United States is Jewish, so be it. But to the unprejudiced mind it will look very much like Americanism. *Communism all over the world and not only in Russia is Jewish."*

ADL Jews Demand Trump Stop saying 'America First' . . .

"America first" means disaster for Israel. What more do u want to vote for Trump ?!

you see, Jews are traitors in every country they live in, they have no patriotism to their host countries and only believe in one kind of nationalism, Jewish Nationalism, which is the driving force behind 'Globalism'. Jewish Globalism works toward gradually “merging” all peoples of the world (particularly in the Western World) into one globalist system with a global government, global laws, consistent global culture, global bank, global currency, etc. In short, Jewish globalism (i.e., the weakening and eventual elimination of all nations) is the exact opposite of Nationalism (i.e., a world composed of nations specifically, ethnically homogenous and bordered nations).

But then there is the question of why he says pro-Israel things... it is all part of a big chess game. Every move must be made in the proper sequence. Before he goes in for the attack, he has to maneuver himslef in closer to the target. Before antyhing else, he has to get elected, and there is a whole separate political calculus that goes into that, and it involves paying what we call "lip service" to the jews. What is National Socialism ?

National Socialism means CARING about the INJUSTICE of life, that happens on the weak individuals, for instance the handicaps, elders, orphans, the single parent-families... give them what they need to survive because they didn't chose to be in bad conditions.

NS is a system to fight the Jewish communism that started as a good idea of Socialism, but later transformed into Jewish Tyranny worse than the Jewish Capitalism where all people are poor and loose the fruits of their hard work to be given to the few Jewish elite and Jewish interests as in Capitalism today in America where the 1% owners of corporations have more wealth than the 99%

the picture you see, depicting a medallion (many claim it was a coin, but it wasnt), which did actually exist, is not the smoking gun for party merger between 'Nazis' and Zionists as it is claimed to be, Firstly, there was never any such organisation or party called 'Nazis', so the ridiculous claim of the etymological word play of Na-Zi (Na = National Socialists and Zi = Zionists) is a conspiratorial impossibility, even peddled by the likes of Eustace Mullins. There was series of 12 articles SS Officer, Leopold von Mildenstein, (who turned out to be a CIA operative double agent) wrote and which were published in 1934 in the newspaper 'Der Angriff', SS Officer Leopold von Mildenstein was influencing National Socialist policy towards the Jews and the NS Newspaper in Berlin Der Angriff had this medal struck to commemorate his voyage to Palestine, depicting the Hakenkreuz (what most falsely call a swastika) on one side and the Jewish Star on the other. The medallion commemorated, the first article which was published on 9/11 (1934). Hmmm. So, now this medallion is out there and everyone claims it was Goebbels work. Goebbels had indeed started the magazine in 1926, but by 1934, it was no longer well supported or needed by the NSDAP.

Meet the Jew who created the word 'Nazi'

The term "Nazi" (along with "Nazism") is a political epithet invented by Konrad Heiden during the 1920's as a means of denigrating Hitler, the NSDAP and National Socialism. Heiden was a journalist and member of the Social Democratic Party.

The term "Nazi" is a variation of the nickname that was used in reference to members of Heidens' SDP at the time, "Sozi" (short for Sozialisten). "Nazi" was a political pun, based upon the Austro-Bavarian slang word for "simpleton" or "country bumpkin" and derived from the fairly common name Ignatz. It would be like saying "nutsy"

So, if for no other reason, one should easily understand why the term was regarded as derogatory by the National Socialists and why they would never use it to describe themselves.

As long as people believe in the holohoax/evil 'nazi' propaganda, Jews will be free to do whatever they want, get out of jail free every time, all while inflicting as much death and destruction, anyplace on Earth that is humanly possible.

What is it with so many people in the anti-Zionist movement all of a sudden using 'Nazi' and equating it with Netanyahu and his fellow Zionist cronies?

Nazi is a zionist derogatory term for The National Socialists (NSDAP). No National Socialist condoned its usage. Using it against the ZOG still fulfills their pseudo-victimism by saying Israels as racist and violent as Hitler is falsely believed to be.

Stop comparing Israel to other things too. It detracts from the fact that Israel is uniquely evil. The Germans were on their own land, fighting Judaism and the evil Rothschilds, the same cannot be said about the invader jews illegally occupying Palestine.

Israelis are not the new Nazis, they are just the old Bolsheviks. I really despise all this Nazi crap, that word is a crude racist epithet against Germans, and it is always flung all over the Palestine solidarity movement. The jews story about 'Nazis' being pure evil is one of the foundational myths of Israel, it is the lie that was used to sell the public on a jewish homeland. Every J-bird is a devious liar.

NSDAP Germany wrote the blueprint for how to shatter the NWO into a million pieces, by cutting out the bankster shadow government and outlawing usury

Usury is financial quicksand, it is a trap that has been set, on purpose, designed to ensure that your nation is owned by international interests and can effortlessly be pushed into endless wars for jewish interests.

The Germans knew all about this, as did much of Europe at the time. It is not a conspiracy theory, it is an easily confirmable fact. So, the reason that Hitler and Germans are always portrayed as the most evil people that ever lived is because Hollywood (and the media, and governments, and the banking system, and the U.N., and NATO, etc etc) are all owned by the jewish mob.

There is a large disinfo campaign spreading the idea that Judaism is fine and dandy, and that "Zionism" is the only problem.
Judaism is absolutely murderous and evil, and always has been ever since the Torah Scrolls were re-written thousands of years ago
Judaism means death and destruction to non-jews, and that is all it means. Yet people lack this basic knowledge.
They are programmed to reject the truth because they have been told again and again that it is racist to oppose jewish power, when in fact the problem is Judaism and not any kind of racial or ethnic prejudice.

Really it is impossible to be prejudiced against the jews, since they have already told you that they identify as members of an ancient cult that believes murdering non-jews is a wonderful and holy thing. ISIS is basically the Mossad's private militias, carrying out Israel's expansionist manifesto.

The jews are very good at getting their proxies to do all their dirty work, and we can see ISIS running around killing innocent people and spreading chaos, but to the goyim and their infatuation with jewish media sources, they think the problem is Islamic Extremism.

Nope. Its the Mossad, with an operation to make people terrified of Islam. In reality, Islam is very similar to Christianity, it is a ethical way of life the promotes good behavior, not beheading innocent people.

"It is interesting—but not surprising—to note that in all the words written and uttered about the Kennedy assassination, Israel's intelligence agency, the Mossad, has never been mentioned."

"And yet a Mossad motive is obvious. "

Open immigration as foisted on Americans by the Jews has now come home to roost in every major city in the US, turning our once White American cities into Third World scenarios.

"Diversity Is Our Strength!" proclaim the Jews in their closed neighborhoods

But in fact, "Diversity Is Jewry's Strength!" - subverting and weakening the only power bloc that could ever oppose Jewry's lust for power - White Christian America.

For it is in a racially diverse environment that Jews can rule over their White Christian hosts.

American Jews are *not* “patriotic.”* American Jews are repelled by the idea of “Americanism.”* American Jews are “Jews-First” - “Americans-Second.”

Jews are indeed “universalists.” For Jews wage war on the Christian-Biblical concept of nations - “Blessed is the nation whose God is the Lord.” (Psalm 33)

Jews wish to create a New World Order with Jews in charge *not* the Lord Jesus Christ.

This is the essence of Jewish “messianism” which envisions a carnal “messiah” or a “messianic age.”

But all of this means that Jews with their Jewish world view of “diversity,” (yet Jews remain powerfully “uniform!”), will be in charge.

And Obama has created a model for the world in a striking list of disgraces:

- Declared Month Of May As Jewish Heritage Month.
- Omits "Year Of Our Lord" In White House Proclamation.
- Instituted Annual Passover Seders In The White House.
- Erects A National Hanukkah Menorah On White House Lawn Every December.

'democracy' is a euphemism for 'jewish dictatorship'

The reason why Jews love the word “democracy” is because they fear a Christian aristocracy which once-upon-a-happy time ruled in various Christian nations like England, Spain, Russia, France, and Germany.

But now that the Jews have wiped out the Christian monarchys and aristocracys throughout the world, and have control of the Media which informs the opinion of the “equal” majority, and have the money to pay for political campaigns of politicians they have bought, “democracy” is their favorite word!

"Ein Sof"—The Supreme God of the Kabbalah and the Rise of Satan Among the Jews:

Meet Ein Sof, the supreme God of Judaism. He is proclaimed first among all gods and goddesses, and the Great Serpent does his bidding. Ein Sof (the Eye) is mysterious, unknowable; he cannot be reached or contacted by the average Jew. He is ineffable. The goddess Malkut (the Shekinah) works her plan, inspired by Hesod, the phallus deity.

This evil deity and the kabbalistic Tree of Life are found detailed in the Zohar of the Jews. In recent years, this philosophy has been adopted by religious Jews and has become the central force in their wicked religion. The Old Testament has been abandoned as the Jews turn now to Ein Sof, who shall, they are convinced, make the Jews into an invincible race of gods, masters of the planet, rulers over the Goyim (Gentiles).
Is Ein Sof actually Satan in disguise?

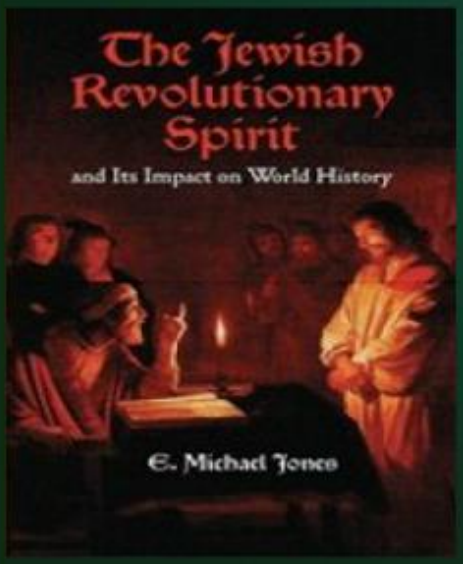
POLITICAL MOVEMENTS AND AGENDAS have been historically part of Jewry's quest for hegemony and domination in the affairs of nations.

In E. Michael Jones,' "The Jewish Revolutionary Spirit and Its Impact on World History," the author outlines through a tour of world history, Jewish political strategies designed to overturn Christian society from the times of Christ to the present day.



Today, acting as a hostile elite, International Jewry's political agenda is to bring about a "New World Order" by overthrowing the White Christian power bloc and replacing it with multi-culturalism wherein Jewry gains the upper hand through rivalries and divisions between racial groups.

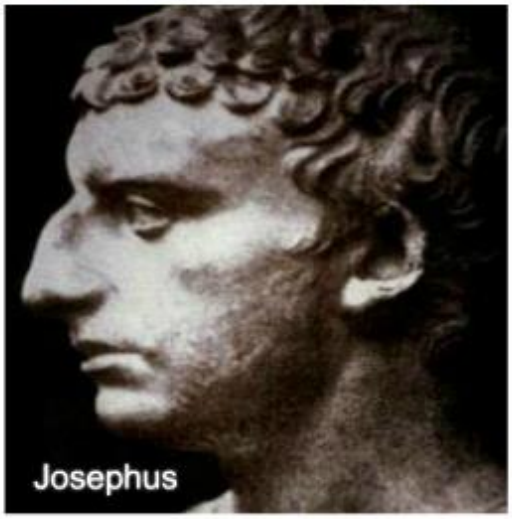
Now, the Jews would have us believe that there's something sacred about the Western Wall, that it's a 'remnant of the Second Temple', they're Dead wrong.

'WAILING WALL' IS A LIE ! IT WAS NEVER A TEMPLE !

'The Wailing Wall' is actually the remains of a Roman fortress called "Fort Antonia" built north of the actual Temple where no protruding rock ever existed but rather was built upon the Gihon Spring. The rock upon which the Dome of the Rock was built adjoining the Western Wall was actually the centerpiece around which Fort Antonia was built. There's nothing sacred about this rock or this Wall.

smoloko.com

The Wailing Wall is actually the remains of a Roman fortress called "Fort Antonia"



This is attested to by the eyewitness, Jewish historian Josephus, who also wrote in his "Jewish Wars" that the Romans left nothing above or below ground of the Second Temple so that one coming to Jerusalem thereafter would never believe a Temple ever existed.

According to Josephus, Titus, the Roman General who razed Jerusalem to the ground in 70 AD, allowed Fort Antonia to remain to house the Tenth Legion left to monitor Roman affairs in Jerusalem. And thus the prophecy of Christ, "Not one stone will be left upon another," was fulfilled. God will not be mocked.

If you still don't believe me, then get the book, "The Temples That Jerusalem Forgot," by Professor Dr Ernest Martin, and you'll surely be convinced.

s m o l o k o . c o m

Satan's seat is at the Wailing Wall

Not only are our politicians selling their souls to the Jews at a Roman fortress named Fort Antonia, now misnamed, 'The Western Wall,' they're participating in a lewd occult ritual where the so-called 'Divine Presence' is actually Satan himself.

You see, the Wailing Wall is the seat of a Satanic ritual outlined by the 13th Century Jewish occult system known as the Kabbalah as expounded in the Zohar and expanded upon by the 18th Century Hasidic Movement.

DEPRAVED SATANIC RITUAL

This so-called 'Divine Presence' at the Wailing Wall is actually the Kabbalistic feminine emanation of their false god, the "Shekinah." The rabbis thrust their pelvises and penises back and forth in a prescribed prayer movement called "davening" in which the Jew copulates with the 'Shekinah' in order to give birth to an erotic union with the 'Ein Soph,' the Kabbalistic masculine emanation of their false god. Satan's seat is at the Wailing Wall and our politicians—brought there by the Jews—are carrying him all the way back home to America.

Throughout history, nations have passed laws prohibiting Jews from holding civil offices.

Justinian the Great, Emperor of the Byzantine Christian Empire in the 6th Century, (Jews do not allow public schools to teach Byzantine history) codified in his Justinian Code that Jews should "hold no honors" in Byzantine civil life. We must adopt these same policies today to save our nations !

THIS SECOND-CLASS CITIZENSHIP of the Jews, as crystallized in the Justinian Code, was thus entrenched in the medieval world and remained the policy of monarchical rule until the Jewish-inspired French Revolution — and attained full cessation at the end of WW I with the Jewish-funded Russian Revolution.

Javits authored an article entitled Lets open the gates that proposed immigration levels of 500,000 per year for 20 years with no restrictions on national origin.

THE 1965 OPEN IMMIGRATION LAW IS PRESENTLY fulfilling the aims of the Jewish conspiracy as seen in its effects. The U.S. Census Bureau projects that by the year 2050, European-derived peoples will no longer be a majority of the population of America due to the massive influx of immigrants since the signing of the bill in 1965.

The Jews fear Christian white men most of all, and they want to dilute the whites in America with an invasion from Mexico and Central America.

Added to that are the millions of Moslems arriving from the Middle East and the rampant infusion of Chinese, Pakistanis, Indians, and other Asians.

This immigration invasion is at its end peak right now andit will take only a few more years for the Jewish billionaires and their socialist underlings to finish the task.

Congress, the Courts, and the Presidency have proved no obstacle to the schemes of the international jewish money mafia

Their "gifts" to politicians have easily bought Washington, D.C.
Now comes Donald Trump, exclaiming, "No More!" and evidently meaning it.

They are enraged at Trump, as he has excited the white middle class into believing that, finally, they will see justice.

Their plan to bring in cheap labor, reduce the middle class in America to peasantry, and forever end the 250 + year old American experiment of our founding fathers is now at risk of toppling.

Sir Arnold Wilson, a British M.P. who visited Germany seven times after Hitler came to power.

"Infant mortality has been greatly reduced and is considerably inferior to that in Great Britain," wrote Wilson. "Tuberculosis and other diseases have noticeably diminished. The criminal courts have never had so little to doand the prisons have never had so few occupants. It is a pleasure to observe the physical aptitude of the German youth.

Even the poorest persons are better clothed than was formerly the case, and theircheerful faces testify to the psychological improvement that has been wrought within them."

Still waiting for the stupid world to notice that the jewish holohoax story was officially and utterly smashed into a million pieces in court during the Ernst Zundel trial, 30 years ago . . .
PS... Raul Hilberg admitted in the 1985 trial that he was “at a loss” to produce any evidence that even a single jew was ever “gassed.” Then, he didn’t even bother to show up for the second trial in 1988. Why is the world’s “top holocaust historian” at a loss? Yet exposing this fact is perhaps the biggest taboo in many societies, including the one in which I live.

----- WW2 TRUTH 101 -----

The bloodthirsty Jews were frothing at the mouth in their frenzy to annihilate Adolf Hitler, who had removed the Jews from power in Germany and imprisoned many of them in work camps which were not the death camps of Jewish media propaganda

U.S. President Franklin Roosevelt, British Prime Minister Winston Churchill and Soviet Union dictator Josef Stalin all of them descended from Jews and surrounded by Jewish advisers had aimed for years to overthrow Hitler and liquidate the entire German population.

When Hitler removed the Jews from power in Germany in 1933, Jews all over the world declared war on him, and through their behind-the-scenes political control of the U.S., Britain, and the USSR, eventually obliterated the prosperous and innocent nation Hitler had resuscitated from the ashes of World War I.

Of course, because the worlds major media have been controlled by Jews throughout the 20th century, the world has been told a very different story about these events.

"Thanks to the terrible power of our International Banks, we have forced the Christians into wars without number. Wars have a special value for Jews, since Christians massacre each other and make more room for us Jews. Wars are the Jews' Harvest, the Jew banks grow fat on Christian wars. Hitler Emphasized Respect for Women, Children and Strong Family Values

During the economic hardship just before Hitler was elected, Germany was seeing a declining rate of birth. In 1933, Hitler passed a law that enabled married couples to obtain interest free loans minimum 1000 Reich Marks (equal to 9 months salary) to set up homes and start families.

For each child birthed, the couple was allowed to keep 250 marks and did not have to repay it. This system pioneered by the National Socialist government exists today in Switzerland. In the eyes of the NSDAP, women were viewed as the preservers of the tribe, the guardians of future generations, and the priestesses of domestic virtue.

If Hitler and the 'Nazis' were really part of the “New World Order” then why did the entire capitalist and communist world (the USA, Britain, France, USSR, etc) gang up to completely annihilate and destroy NSDAP Germany in the Second World War?
If Hitler was part of this New World Order system then why was World War Two even necessary? If Adolf Hitler and National Socialism are such a benefit to the “globalists and elites” then why have they been subjected to such ruthless, non-stop vilification and demonization in the news and entertainment media of the West for the last 67 years since the end of World War II?
Don't you see how Alex Jones and others are telling colossal lies about Hitler and NSDAP Germany for the benefit of Jewry ?

The real reason Hitler and NSDAP Germany were targeted for complete extinction by the Allies in 1939 is precisely because they weren't complicit with the "New World Order" but valiant and courageous opponents of it.

Hitler and NSDAP Germany were so maniacally opposed by the nations that truly do comprise the New World Order because the New World Order is a Jew World Order and Hitler freed Germany from the death-grip of the Jews.

Hitler was doing one thing which resulted in a massive lying hate-propaganda effort launched against him from Hollywood. That one thing was his campaign to break the stranglehold of the Jews on Germany. Hitler removed Jews from all positions of influence in German banking/finance, media/entertainment, politics/government, the legal profession, medicine, education, and so on, which they had monopolized up until that point.

And Hitler did all of this peacefully and non-violently. He didn't round up Jews and shoot them, he simply made it illegal for Jews to own German newspapers or radio stations, he made it illegal for them to practice law or teach in schools or universities, etc. So the Jews began leaving Germany.

WHEN YOU FINALLY FIND OUT
smolioko.com
The REAL reason Hitler and National Socialist Germany are so viciously vilified by court historians and so brutally bad-mouthed by the mass media is precisely because they were fighting against the system of control commonly referred to as the "New World Order."

Hitler freed Germany from the debt slavery imposed on free peoples by the usurious Jewish banking dynasties of Europe, led by the Rothschilds.

Adolf Hitler saved and liberated Germany and its people! This is why, when Hitler became Chancellor of Germany in 1933, International Jewry unleashed a perfidious economic war on the Third Reich in a concerted effort to bring down Hitler and his glorious National Socialist government who dared to free themselves from Jewish domination.

'domestic violence' and 'family laws' are the vanguard of the Communist Jew World Order -

The Rothschild/Rockefeller "think tanks" have ordained the destruction of the nuclear family by smashing paternal authority.

The object is to foster isolation and dysfunction so we cannot resist servitude, and to decrease population. The protection of women is not the real agenda.

Where families are concerned, the totalitarian state has arrived. If a couple is overheard having an argument, a neighbor can phone the police who will take the husband away.

Opportunistic and naïve feminists, lawyers and politicians advance this evil agenda.

As satanic possession, Communism takes many forms.

When it failed to mobilize the worker to revolt, it morphed into feminism and mobilized women.

Communist Jews promoted sexual "liberation" and "LGT rights" to undermine gender, marriage and family. –

They promoted multiculturalism and mass migration to undermine race and culture.

There is perhaps a more important reason, however, why we National Socialists must reject the term "Nazi."

If this label was originally used to belittle the National Socialist cause, subsequent wartime propaganda introduced sinister new connotations.

Conjured up was the monstrous image of hate and evil, an image which every decent person must find repulsive.

The truth is that we don't need any nicknames. We are National Socialists, not "Nazis." There's a BIG difference!

smoloko.com

In 1975, then California Governor, Ronald Reagan, working in league with Jewish lobbies and feminists, pushed through "no fault" divorce law which allows a woman to simply dump her husband into the garbage bin and force him, through the courts, to continue to pay all the bills -- or go to jail.

NO-FAULT DIVORCE

Now, not only California, but every state in America defines divorce as "no fault", meaning the woman can leave the manfor ANY reason, taking property, alimony, and custody of the children with her. It should come as no surprise, that 'No fault divorce' with mandatory child support was invented by the Jewish Communists after the Judeo-Bolshevik Revolution in Russia.

s m o l o k o . c o m

Know the difference !
A National Socialist is a construct of the NSDAP and Hitlerism.

A 'NAZI' is a Jew construct created and promoted by Jews and their media. A National Socialist would consider a 'NAZI' a degenerate and would imprison it.

smoloko.com

It is a fact that the label "Nazi" was originally used by a hostile press during the Weimar period [in Germany] as a term of contempt and derision against Adolf Hitler and his Movement.

Nowhere did the Leader himself use this designation, either in his speeches or in Mein Kampf.

Indeed, if the public is to gain a credible perception of us, then we must present ourselves honestly and forthrightly as exactly what we are—National Socialists—and not as some sort of political caricature.

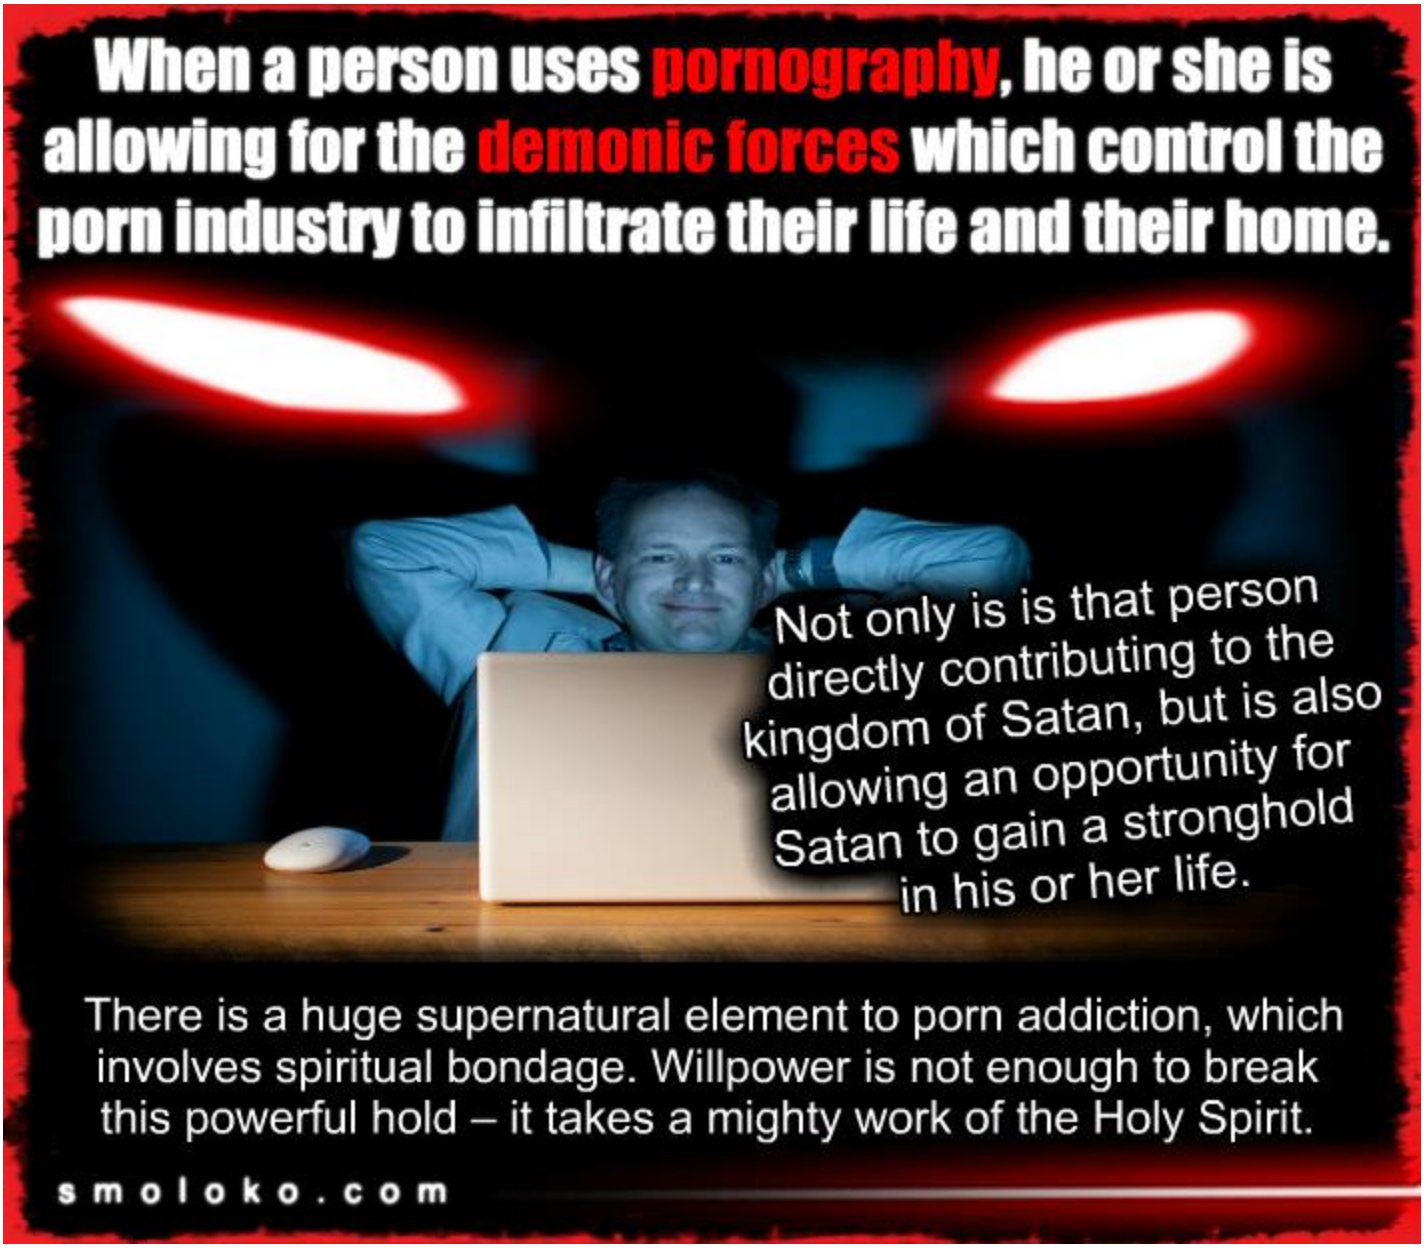
Pornography provides an entire network by which Satan works to destroy the lives of men – those who produce it, and those who consume it.

The demonic forces which directly control the porn industry from the inside are also at work on the outside, bringing people into bondage and rendering them powerless against their “addiction.

The porn industry is the central headquarter of demonic activity, and this activity branches out to influence each and every person who actively watches porn.

The level at which a person becomes controlled by these demonic influences depends upon how readily that person gives himself over to porn, and his participation in it.

smoloko.com



When a person uses pornography, he or she is allowing for the demonic forces which control the porn industry to infiltrate their life and their home.
Not only is is that person directly contributing to the kingdom of Satan, but is also allowing an opportunity for Satan to gain a stronghold in his or her life.
There is a huge supernatural element to porn addiction, which involves spiritual bondage. Willpower is not enough to break this powerful hold – it takes a mighty work of the Holy Spirit.

porn sets attract many demons

pornstars have a direct demonic influence in his or her life.

A person's entrance into the porn industry is the gateway for this influence. Each person has a specific demon, or multiple demons, assigned to him or her.

When several porn stars gather together on set to shoot a porn, all of those demons are converging together in one place – which is why the atmosphere on a porn set is so dark and heavy.

people on the porn set are completely oblivious to the spiritual inner workings going on around them, due to several reasons.

Pornography is the devil's own invention.

Satan prepares something and offers it to you, in this case porn.

If you partake of what he has prepared and offered you then you have made a deal with him. He has a legal right.

When I found this out I stopped at once. I had to repent and ask forgiveness. It must be done out loud so the enemy can hear it. Then in the name of Jesus I had to denounce and break any contracts that I had unknowingly formed with Satan or his demons through my bad habit. This must also be said out loud. It became noticeably easier to kick demons out of the house and keep them out.

ALL OF CHRISTENDOM and the Western World is now in the hands of a trans-national American Jewry.
At the close of WWII, American Jewry succeeded in not only in subjugating Germany to itself but brought Great Britain and the entire European continent under its thrall.
Now, with the Nato US/Jewish proxy war machine takeover of Libya with the rest of Africa soon to fall under Judaic command which controls all the checkpoints of worldwide commerce - natural resources - emerging markets - gold price-fixing - and trade — it is safe to say that American Jewry is indeed a "global regime."
Once Napoleon opened the doors to Jewish influence by granting civil rights to the Jews in the early 19th Century — with the rest of Europe following suit — the die was cast for Jewry to stamp its monolithic mark upon every aspect of the infrastructure of the Western World.

When you see a cross, remember the gruesome act of murder committed by the Jews on Golgotha.

Jesus was one of the greatest enemies of the Jews of all time.

Once he drove the Jews out with a whip, because they were carrying on their money dealings in the church.

Because Jesus knew the Jews in all their corruption and meanness, because he proclaimed the truth to the world, he had to die. Hence the Jews murdered him. They drove nails through his hands and feet and let him slowly bleed. In such a horrible way the Jews took their revenge

It is historical fact that Pilate wished to release Jesus Christ but the Jews insisted, "Crucify Him! Crucify Him! His blood be upon us and upon our children!"

Jesus Christ was crucified by the Jews. This is an historical fact. For the Jewish leaders brought Jesus Christ to Pontius Pilate with trumped up charges of subversive teachings against the Romans - even when they heard Him say, Render unto Caesar that which is Caesars. Indeed every Jew who persists in his hatred of Jesus Christ, especially the Jews who run Hollywood with their filth, their vile promotion of fornication, homosexuality, and lesbianism has the blood of Jesus Christ on his head and on the heads of his spoiled, pampered, haughty children.

There have been enemies of the Jews.
They gave warning of the Jewish blood
And even sacrificed their blood,

So that the world might know the Devil
And not plunge into ruin; So that the world
might soon be freed From its slavery to the Jew.

The man who hangs on the cross was one of the greatest enemies of the Jews of all time. He knew the Jews in all their corruption and meanness. Once he drove the Jews out with a whip, because they were carrying on their usurious money dealings in the church.

Jesus called the Jews: Killers of men from the beginning. (John 8:44-45) By that he meant that the Jews in all times have been murderers. He said further to the Jews: Your father is the Devil! Do you know, children, what that means? It means that the Jews descend from the Devil. And because they descend from the Devil they can but live like devils. So they commit one crime after another.

s m o l o k o . c o m

Because the Jews have lost considerable control over Russia, due to Putin's nationalist policies, Russia is now being targeted and punished by international Jewry through its myriad of proxies like the USA (Jewmerika)

Now the IOC (International Olympic Committee) a proxy of the Jews, banned the entire Russian Track & Field Team from the upcoming Summer Olympics to be hosted by Brazil -- crushing the hopes and dreams of so many world class Russian athletes who had trained for many years.

Jewish Internationalism/globalism works toward gradually "merging" all peoples of the world (particularly in the Western World) into one globalist system with a global government,

including – global laws, consistent global culture, global bank, global currency, etc. In short, Jewish globalism (i.e., the weakening and eventual elimination of all nations) is the exact opposite of Nationalism (i.e., a world composed of nations ... specifically, ethnically homogenous and bordered nations).

The Program of the Party of Hitler The National Socialist German Workers' Party and Its General Conceptions by Gottfried Feder

Written by one of the original founding members of the NSDAP, this booklet was the primary political document which underpinned the ideology and ideas of the future National Socialist Party.

Dealing with every conceivable topic—foreign policy, internal policy, property, usury, economics, race, Jews, culture, agriculture, citizenship, the military, and much more—this far-reaching document provides a sweeping and comprehensive look into the dramatic worldview of National Socialism.

WWII was essentially a war between two competing ideologies:

Nationalism -vs- Jewish Internationalism/globalism.

Adolf Hitler and his allies fought to preserve the concept of Nationalism, not just for Germans but for all peoples the world over.

Nationalism really just means the sovereignty of an ethnic people and the right of such ethnic people/nationalists – within their own bordered country – to self-determination.

On the other side of WWII was Jewish (Bolshevik) Internationalism (today we simply call this 'globalism'). In the 1920's, 1930's, and of course during WWII, powerful Jewish Internationalists were fervently advancing the Jewish worldview of eventually eliminating all nations... except for a Jewish homeland... (what was later to be - after WWII - the nation of Israel in 1948). Today we see that nothing has changed.

s m o l o k o . c o m

NSDAP Germany wrote the blueprint for how to shatter the NWO into a million pieces, by cutting out the bankster shadow government and outlawing usury

Usury is financial quicksand, it is a trap that has been set, on purpose, designed to ensure that your nation is owned by international interests and can effortlessly be pushed into endless wars for jewish interests.

The Germans knew all about this, as did much of Europe at the time. It is not a conspiracy theory, it is an easily confirmable fact. So, the reason that Hitler and Germans are always portrayed as the most evil people that ever lived is because Hollywood (and the media, and governments, and the banking system, and the U.N., and NATO, etc etc) are all owned by the jewish mob.

smoloko.com

THE STRUGGLE BETWEEN NATION-STATES and INTERNATIONALISM is best understood in the conflict waged by Adolph Hitler prior to WW II against finance capital.
When the National Socialists came to power in 1933, the German economy was in total collapse. Through an independent monetary policy of sovereign credit, not beholden to international Jewish financiers, Hitler was able to turn a bankrupt Germany into the strongest economy in Europe.
By issuing interest-free money, the German government, under Hitler and Economics Minister, Hjalmar Schacht, financed its entire operations from 1935 to 1945 without gold and without debt.
With full sovereignty intact, policies of economic nationalism and full employment thrived, thanks to the German industrialists, (not given to an internationalist spirit), who supported Hitler's "Germany First" agenda.
IT TOOK THE ENTIRE capitalist and communist world to destroy the German revolution against internationalism and bring the entire European continent back under the heel of Jewish Bankers.

What is National Socialism ?

National Socialism means CARING about the INJUSTICE of life, that happens on the weak individuals, for instance the handicaps, elders, orphans, the single parent-families... give them what they need to survive because they didn't chose to be in bad conditions.

NS is a system to fight the Jewish communism that started as a good idea of Socialism, but later transformed into Jewish Tyranny worse than the Jewish Capitalism where all people are poor and loose the fruits of their hard work to be given to the few Jewish elite and Jewish interests as in Capitalism today in America where the 1% owners of corporations have more wealth than the 99%

Promoting Pornography, Homosexuality, & Lesbianism: Jews through their Media control are hell-bent on destroying Christian morality & consciousness in America. Thus they gain control over the subverted masses.

Trump included the star and a pile of money in an image calling Clinton "corrupt"

Presumed GOP presidential nominee Donald Trump sparked backlash on Saturday when he tweeted an image calling Hillary Clinton the "most corrupt candidate ever,"

David Zalubowski—AP

Donald Trump speaks during the opening session of the Western Conservative Summit in Denver, CO, July 1, 2016.

Now, if America's supposedly a 'christian' country, why is Putin painted as a monster?

Is it because the enemies of the Church—I mean, Jews—run America's propaganda machine?

Why do they hate him? I mean, fear him? It goes beyond Putin's personal beliefs. His faith is much bigger. He's reviving the Orthodox tradition of "Symphony of Church and State." And that puts Jews out of power.

smoloko.com

Now, the two main Jewish Lobbies, AIPAC and the ADL, appear on the surface to have limited missions: lobbying for Israel and preventing "anti-Semitism."

Why then does AIPAC agitate for wars around the globe and the ADL promote homosexuality in public schools?

Its because their agendas move far beyond their stated missions and their syndicate has grown into a full-blown beast that undermines the democratic process.

For if a political leader like Senator Charles Percy or Congressman Paul Findley goes on the offensive resisting the Zionist agenda, the Jewish Lobby will prop up and fund an opposing candidate and the Jewish-owned press will smear the offender...the secrets of the Synagogue thus revealed as working behind the scenes.

s m o l o k o . c o m s m o l o k o . c o m

Satan put before Christ three offers: Offers of Possession, Prestige, and Power.

Jewry today abounds in all three: Abundant Wealth, Lavish Honors, and Vast Political Power.

"My Kingdom is not of this world," Christ answered Satan. But the Synagogue has established an earthly kingdom—a political reign—that is indeed of this world.

This is why Jewry fears Vladimir Putin. For in his love for Holy Russia he is reviving the Orthodox Church leaving the Synagogue bereft of power and influence.

Yet, the Secrets of the Synagogue are fully armed to do everything possible— regardless of the methods used—to prevent patriotism and religion from threatening its rule here in America.

Still waiting for the stupid world to notice that the jewish holohoax story was officially and utterly smashed into a million pieces in court during the Ernst Zundel trial, 30 years ago . . .
PS... Raul Hilberg admitted in the 1985 trial that he was “at a loss” to produce any evidence that even a single jew was ever “gassed.” Then, he didn’t even bother to show up for the second trial in 1988. Why is the world’s “top holocaust historian” at a loss? Yet exposing this fact is perhaps the biggest taboo in many societies, including the one in which I live.

YES ! TRUMP TWEETS OUT PICTURE EXPOSING HILLARY AS A JEW PUPPET !

This seems to have been a purposefully planted signal by The Donald to us truthers. I've said before that I believe his campaign is paying close attention to the commentary we have put out on the Alt-Right. Our propaganda and memes have had a major impact on elevating his campaign to where it is today. We'll find out for sure after he gets elected, but it looks more and more like his pro-Israel rhetoric is nothing but political lip service.

s m o l o k o . c m

Trump's Israel rhetoric is most likely just political lip service

Besides the dog-whistling confirmation that these are just said to appease the evangacucks, Israel is currently the least immediately threatening aspect of the Jew agenda.

Of much more immediate importance are these aspects of the Jew agenda:

1. Mass non-White immigration
2. Insane social engineering programs
3. Warmongering
4. Financial manipulations and rip-offs

Basically in that order.

The Jews at the Federal Reserve are the true rulers of America
They own the congress, the executive, the judiciary and every other government agency including the FBI,NSA,CIA,DHS,FEMA etc
Since 'The Fed' creates the money and pays their salaries it buys them all. And those it can't buy it destroys their reputations or simply murders them outright.
Elected officials merely carry out the decisions of the Jewish rulers at the Fed. You can't even become a candidate unless you're first chosen by the Jews and suck up to Israel
For if a political leader goes on the offensive resisting the Zionist agenda, the Jewish Lobbies, operating as fronts for the Jew Federal Reserve, will prop up and fund an opposing candidate and the Jewish-owned press will smear the offender…and if the Jews can't beat you at the polls, they'll try putting you behind bars or just murder you

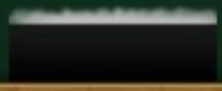
The Columbine massacre of high school kids by the Jew Klebold and Eric Harris, who had been dating a Jewess, provided a classic example of how the Jews' covert sayanim (helpers) network is brought into play in the aftermath of a wicked Jewish plot.

For police officers knew others were involved and that there was another shooter, but they played along with the pro-Jewish helpers who either provided alibis or corrupted evidence.

Police officers outside the buildings were told by sayanim not to enter the buildings, even though they knew kids were dying from shots heard outside; and probably so that the Jews would have more to lobby with when later trying to get new restrictions placed on U.S. firearms, in anticipation of their wicked plot to ultimately control all of America by martial law.

Denvers SWAT team finally moved in about two hours after the assassins had committed suicide, despite the fact that a sign had been seen by police on a window of one of the buildings two hours earlier, saying someone was bleeding to death inside.

s m o l o k o . c o m



s m o l o k o . c o m

THE 1999 COLUMBINE SCHOOL MASSACRE WAS A JEWISH OPERATION TO KILL CHRISTIANS

The shooters had a typically Jewish aversion for blacks and Christians, and even tormented some of their victims verbally and with gunshot wounds, giving them an opportunity to testify for Christ before despatching them. They expressed a desire to kill “Christian God Loving Whores.” Klebold said on tape “I am glad we killed Christ” and Harris is on tape saying “I will shoot the Christian girls in the head.”

Columbine was a hate-crime planned and executed against Christians by the Jew Dylan Klebold, and his cohort Eric Harris, who dated a Jewess. Harris ran a pro-Jewish Website that let him vent his spleen about "persecution of Jews", and other issues of race, politics, and religion, and his diary said his mother was Jewish.

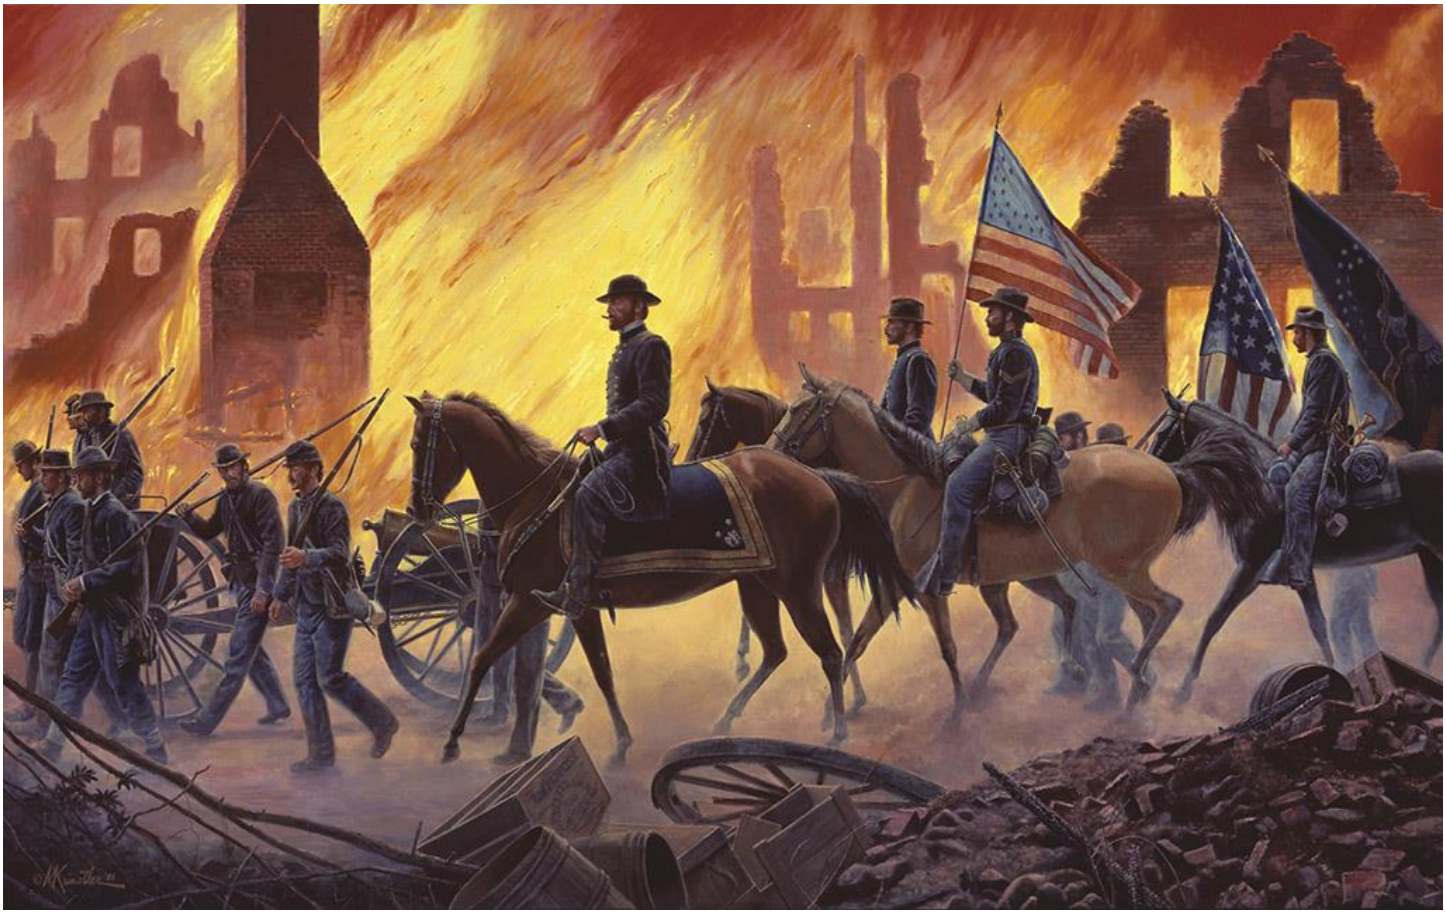
REPORTING THE TRUTH



The Columbine school killers,
Dylan Klebold (Jew) and Zionist Eric Harris planned to use dozens of bombs to cause carnage on a vast scale and to then flee the country to the sanctuary of the Talmudic state of Israel.
It's plausible because Jews and their accomplices who have killed Gentiles abroad are often lightly prosecuted or get a reprieve in Israel; and they're very rarely extradited to face judicial proceedings, primarily because the Talmud commends rather condemns Jews who kill Gentiles and actually commands Jews to perpetrate crimes of that sort whenever possible…

Number of Jewish Kids Involved in Columbine School Massacre

Besides the two killers Dylan Klebold, who was Jewish, and his cohort, Eric Harris, who dated a Jewess and is also rumored be Jewish, every other suspect investigated by the police was a Jew ! Not making this up...

Chris Morris

Chris Morris, another suspect, was arrested. Chris Morris (Leader of the "Trenchcoat Mafia" group, Described as a "mean kid", Talked about constructing explosives, Known to pull knives on students. Talked regularly about constructing explosives) Why were shells from a gun Morris had stole from his mother (a police officer) found on the roof of the school, where a sniper was seen and photographed? His own mother (a police officer) was so suspicious that she kicked him out of the house.

Nathan Dykeman

Dykeman received $16,000 for TV interviews, had problems on lie detector test. Dykeman was Klebold's best friend.

Brooks Brown

Brooks Brown, another suspect, was spared and went on to write books on Columbine. When Harris saw Brown at school, he told him "Go home". Police accused Brown of being in on the massacre. Brown, advised by his sister, an attorney arranged for a private polygraph after refusing one offered by the police.

Joe Stair

Joe Stair (Columbine graduate, Founding member of the Trenchcoat Mafia, Talked about blowing up the school, Had a hit list) Many earwitnesses stated that the suspects talked to someone called "Joe", Eyewitnesses positively identified him as a shooter and stated that he was there prior to the shooting. In 2007, Stair was found hanged to death.

JUDAISM IS ANTI-MANKIND

Here's why:

1) JUDAISM TEACHES that Jews are a victimized people. Thus Jews are taught: "We must get them before they get us." This is the driving force behind The War on Terror, The War in Iraq, & the impending War on Iran.

2) JUDAISM TEACHES that Jews & Gentiles cannot coexist. Jews are taught: "We must control them before they control us." This is the driving force behind the Jewish Lobby & the Jewish control of the mainstream media.

3) JUDAISM TEACHES that Jews are superior to the Gentiles. Jews are taught: "We can step on the Gentiles." This is the driving force behind millions of Gentiles being stepped on by Jews. You perhaps?

s m o l o k o . c o m

s m o l o k o . c o m

The Jews believe they are "chosen," and they believe you are shit.

✡ ✡ It's that simple. ✡ ✡

People need to understand there is no basis for "peace" in Judaism. According to all jewish writings, gentiles are not humans, but cattle and donkeys for the jews.

The jewish religion only commands the jews to commit murder, rape, and terrorism against gentiles. Judaism designates all non-jews as enemies of the jews. Jews are not allowed to be kind or fair to gentiles, only to lie, cheat, steal, defraud, enslave, torture, humiliate, and dispossess those who are not "chosen."

To the jews, If you are not jewish, you simply do not matter. It is so crucial that people learn to see this total blatant disregard for the sanctity of human life.So stop all the bullshit about peace and love, we are dealing with a collective of psychopaths who do not understand what that even means.

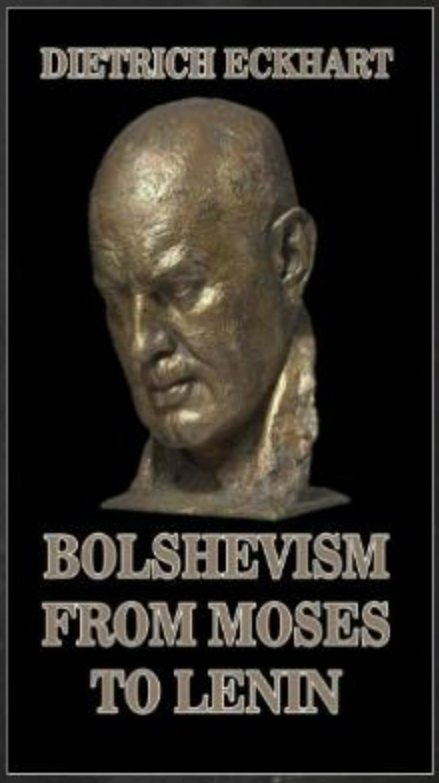
Dietrich Eckhart was an early founder of the NSDAP and a friend of Adolph Hitler.

His book, Bolshevism from Moses to Lenin, purports to be the transcript of a conversation between Hitler and Eckhart. In it, they discuss Jewish strategies against gentile countries and argue that they use "bolshevism.

In it, they discuss Jewish strategies against gentile countries and argue that they use "bolshevism." In this case, bolshevism means and alliance of low class gentiles with Jews to rip off a society.

They argue that the strategy starts during Biblical times with Joseph (of the many colored coat) in Egypt and then repeats itself through time and place in history-Babylon, Persia, Greece, Rome, Re-conquest era Spain and modern times.



For many Christians, the Old Testament appears to be a group of faithful saints struggling against a hostile world in their quest to better understand God, but this book shines a light on the Old Testament from a different angle. The shadows which are cast from that light do indeed portray the Old Testament Jews as a group of scheming power-brokers not much different than the Greenspans and Wolfowitzes of today.

ADOLF HITLER'S WARNING: JEWS DO SATAN'S WORK

From the Dialogue with Dietrich Eckart (emphasis mine)

The truth," he said, "is, indeed, as you once wrote: one can only understand the Jew when one knows what his ultimate goal is. And that goal is, beyond world domination, the ANNIHILATION OF THE WORLD.

"He must wear down all the rest of mankind, he persuades himself, in order to prepare a paradise on Earth. He has made himself believe that only he is capable of this great task, and, considering his ideas of paradise, that is certainly so.

"But one sees, if only in the means which he employs, that he is secretly driven to something else. While he pretends to himself to be elevating mankind, he torments men to despair, to madness, to ruin.

"If a halt is not ordered, HE WILL DESTROY ALL MEN. His nature compels him to that goal, even though he dimly realizes that HE MUST THEREBY DESTROY HIMSELF. There is no other way for him; he must act thus.

"This realization of the unconditional dependence of his own existence upon that of his victims appears to me to be the main cause for his hatred. To be obliged to try and annihilate us with all his might, but at the same time to suspect that THAT MUST LEAD INEVITABLY TO HIS OWN RUIN — therein lies, if you will, the tragedy of Lucifer."

"It is a small, rootless, international clique that is turning the people against each other..."

…The struggle between the people and the hatred amongst them is being nurtured by very specific interested parties. It is a small, rootless, international clique that is turning the people against each other, that does not want them to have peace … It is the people (Jews) who are at home both nowhere and everywhere, who do not have anywhere a soil on which they have grown up, but who live in Berlin today, in Brussels tomorrow, Paris the day after that, and then again in Prague or Vienna or London, and who feel at home everywhere. Many of us in the West live in an inverted society where strength is shamed and weakness is glorified, all for the purpose of ensuring that our Jewish rulers never face a threat to their power. International Jewry can stop our meetups, but they won't stop our genetic desire for wanting to be strong men. Our Jewish enemies and their leftist dupes will always try to weaken us and shame our efforts to becoming masculine, but I'm confident they'll fail. Let's make men strong again, and live our lives as righteously, naturally, and powerfully as we can.

Every politician, every pastor and evangelist, every CEO, every celebrity—indeed, every person of any known name or position in America—knows without a doubt that the Jews hold the key to their continued success.
The Jews make people and they can break them. You get where you are socially and economically because the Jews put their stamp of approval on you. And if they withdraw that stamp of approval, you're out—finished, thrown away like old worthless rubbish onto the trash heap of history.

Today, in the U.S.A., our Congressmen, politicians, and generals are fully cognizant of this "fear" principle, and they do not dare stand up to the Jews
The New Testament spoke of this, of the "fear of the Jews" which takes over a man's mind and causes him to be a lap dog to the Jews. Pilate, the mighty Roman Governor in the days of Israel, realized this "fear" principle. Even though he had no doubt of the innocence of Jesus Christ, to appease the Jews, the Roman leader agreed to Christ's cruel torture and crucifixion.
Whatever Israel's Netanyahu and the Jewish lobby want, they get. Even when the Jews demand the death and massacre of millions of innocent men, women, and children throughout the Middle East, the United States leadership rushes to carry out these horrific crimes. As far as the Talmudic Jews are concerned, the death of these gentile victims are acceptable sacrifices to the Jews' kabbalistic god, Moloch, the deity of the Jews' six-pointed star.

Nixon also is heard on the tapes saying the Jews needed to be brought under control by putting someone "in charge who is not Jewish" in key agencies.

Shouting of Secrets From the Rooftops !

Jesus once said that someday, the things that frightened and deceitful men whisper in closets will be shouted from the rooftops. How amazingly prophetic this was in the case of those two famous men, Richard Nixon and Billy Graham.

Would it not therefore be best for you and me to be bold and courageous and tell the truth openly and in plain sight and hearing of men? We can be confident that if we do so, God will reward us for our stand, and our lives will accordingly be blessed. In any event, didn't one famous military general once declare that he would rather die standing on his feet than live bowing on his knees?

It is proper, of course, that our knees be bowed before Jesus Christ, our Saviour and Lord, but as regards the Jews and other mortal men, I say: "Off your knees, America, and be blessed!"

We can begin by INSISTING that NO JEWS with dual citizenship be allowed to hold any position of civil office !
and then once enough awareness is raised on the Jewish Question, ban the Jews completely from holding public office, as well as from banking, medicine, media, education, revoke their citizenship, and have them register as foreign agents.
The Jews MUST be EXPOSED as the CULPRITS who have DESTROYED America in every aspect of Americas infrastructure, culture, and economy.

What "blessings" have the Jews brought to the world since 33 A.D.?
Just read today's headlines and one can clearly see that "curses" have been brought upon society by the Jews.
The Wars in Iraq,Afghanistan,Libya and Syria serve only the interests of the Jews and their promotion of the Christ-hating State of Israel. The tragedy of the World Trade Center was a result of the Zionist agenda.
The secularization of Western society is caused by the Jews, which has debased the morals of once Christian nations, now rife with the abominations of anal sex of homosexuals and the perverse sexual conduct of lesbians. Jews are on the forefront of promoting these perverse "alternate life-styles."
Are all of these things "blessings" from the so-called, "seed of Abraham," the Jews? No. These are all "curses" brought upon us by the "seed of the devil," the Jews.

The White traitor Ron Paul confirms the National Socialist allegations that have long been made against the Jewish ideological poison known as "Libertarianism."

"Any kind of racism or anti-Semitism is incompatible with my philosophy," Ron Paul said in an interview with Haaretz…

This Jewish disease preaches individualism for all non-Jews so that separated weak "goyim" can be outplayed by the united congregation of the cohesive and conspiring Jewish tribe.

In other words, Paul admits that his philosophy, namely Ayn Rand's (Alisa Zinov'yevna Rosenbaum) Anarcho-Capitalism, is pro-Jewish and anti-racist (anti-White).

Austrian Economics is really just 'Jewish' Economics

Ludwig von Mises was a son of a wealthy Jewish financier family from what is now the Ukraine. When von Mises came to the US, he was set up with a grant from the Rockefellers to teach 'Austrian Economics'

Austrian Economics correctly identifies the manipulation of the money supply as the cause of the boom/bust, a.k.a business cycle. This is the little bit of truth necessary for the rest of the disinformation to have credibility. However, they completely ignore the wealth transfer through interest, which is of much greater significance.

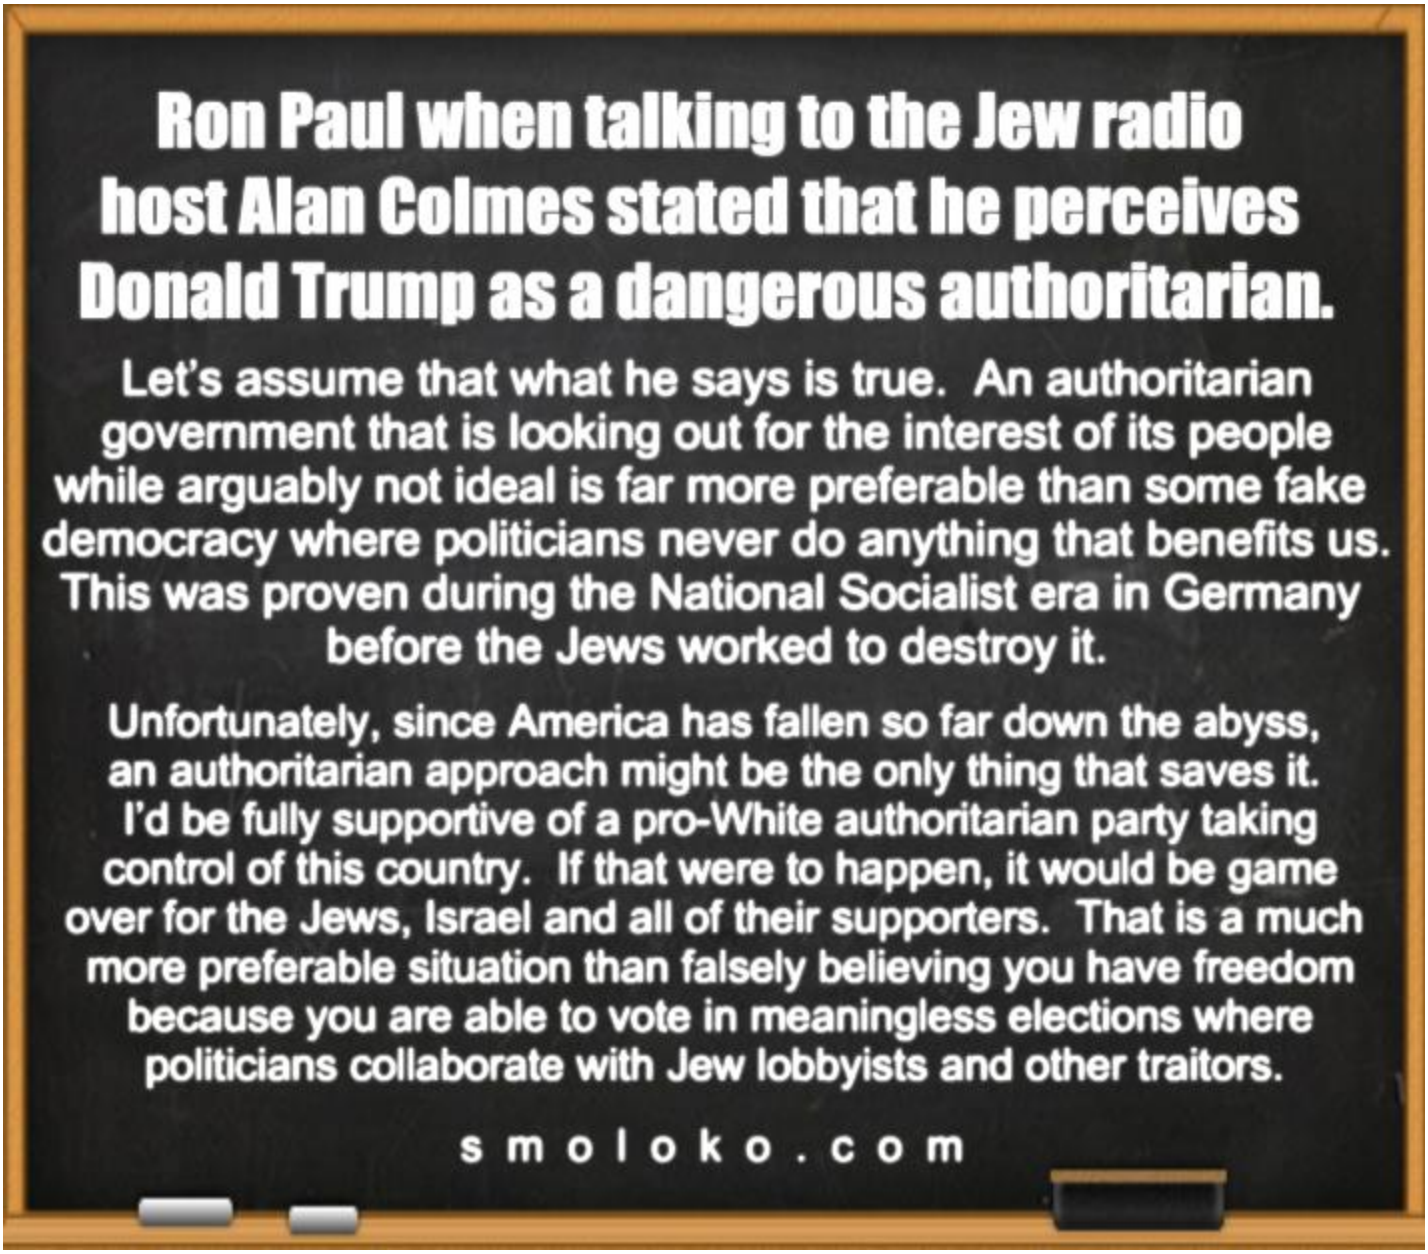
REPORTING THE TRUTH



Ron Paul when talking to the Jew radio host Alan Colmes stated that he perceives Donald Trump as a dangerous authoritarian.
Let's assume that what he says is true. An authoritarian government that is looking out for the interest of its people while arguably not ideal is far more preferable than some fake democracy where politicians never do anything that benefits us. This was proven during the National Socialist era in Germany before the Jews worked to destroy it.
Unfortunately, since America has fallen so far down the abyss, an authoritarian approach might be the only thing that saves it. I'd be fully supportive of a pro-White authoritarian party taking control of this country. If that were to happen, it would be game over for the Jews, Israel and all of their supporters. That is a much more preferable situation than falsely believing you have freedom because you are able to vote in meaningless elections where politicians collaborate with Jew lobbyists and other traitors.

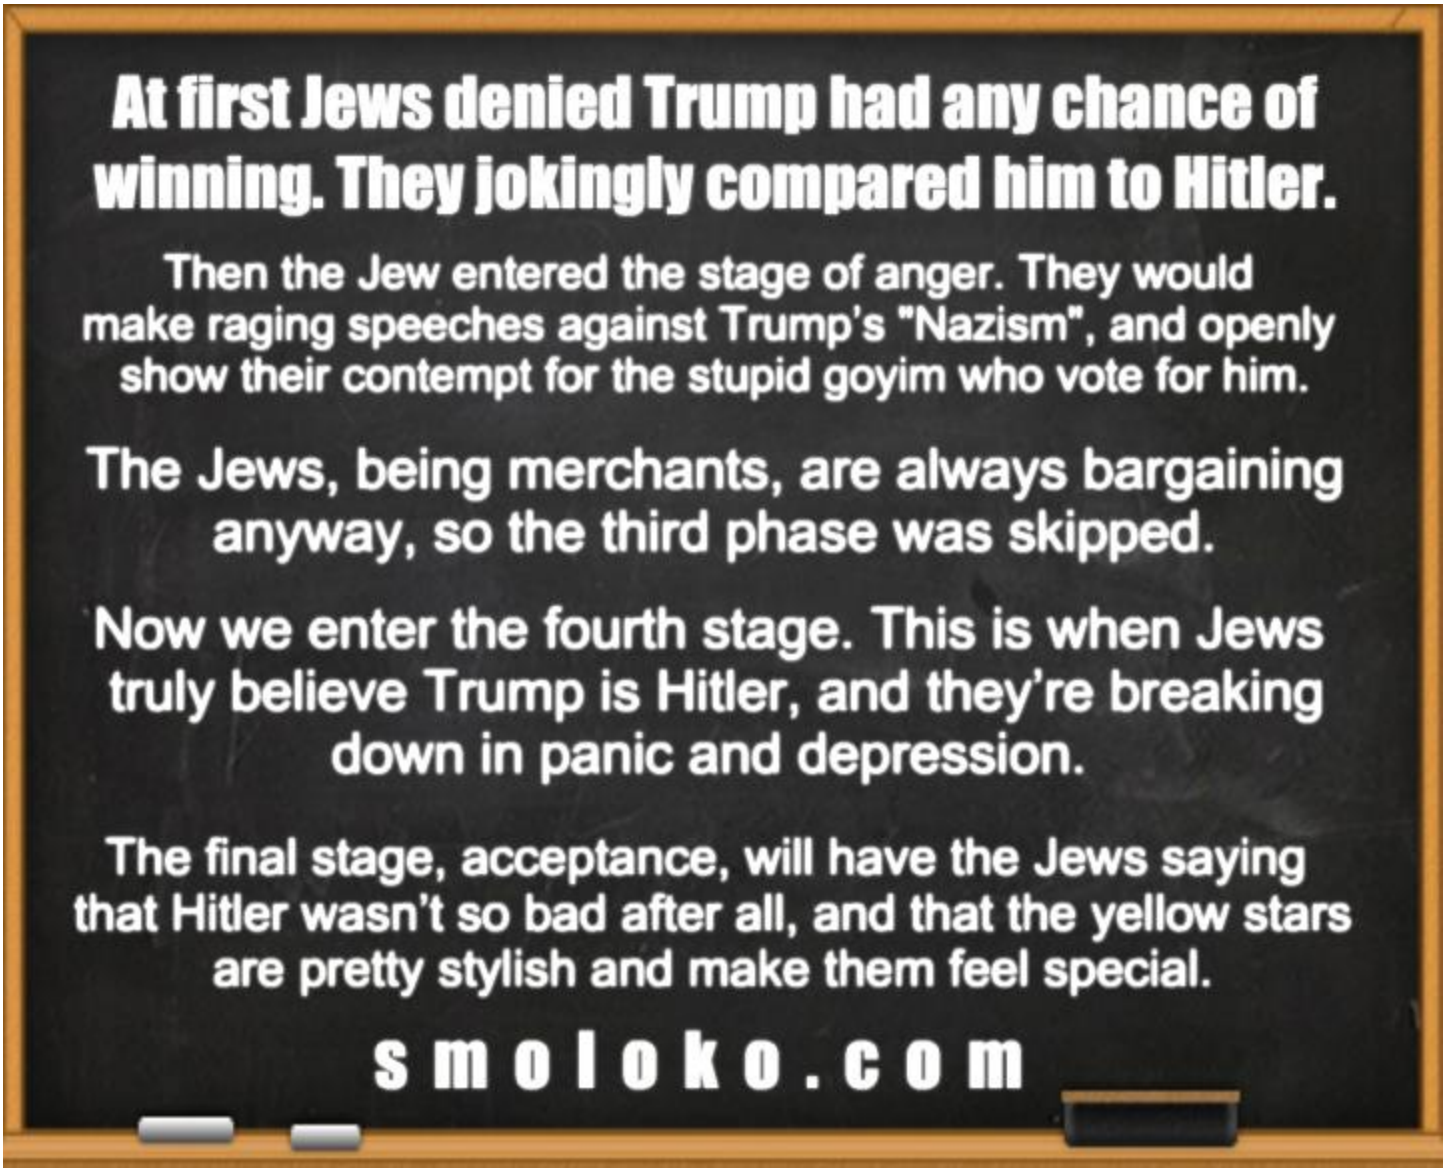
Yes ! Trump Refuses to Visit Israel Yet Again

Trump is telling us he's not the Jews little bitch

The Republican presidential candidate insisted at a recent press conference that he would not follow in the footsteps of other White House hopefuls who have journeyed to Israel, saying at a press conference:
"I'm not traditional."

smoloko.com



At first Jews denied Trump had any chance of winning. They jokingly compared him to Hitler.
Then the Jew entered the stage of anger. They would make raging speeches against Trump's "Nazism", and openly show their contempt for the stupid goyim who vote for him.
The Jews, being merchants, are always bargaining anyway, so the third phase was skipped.
Now we enter the fourth stage. This is when Jews truly believe Trump is Hitler, and they're breaking down in panic and depression.
The final stage, acceptance, will have the Jews saying that Hitler wasn't so bad after all, and that the yellow stars are pretty stylish and make them feel special.
smoloko.com

People need to look more deeply into the entire Trump phenomenon and recognize that he/it is an act of desperation on the part of powerful players not only within the American military/intelligence apparati, but as well those of other nations as well,who understand just how close to the precipice the ENTIRE WORLD stands right now.

The economic situation, the unleashing of indiscriminate terrorism and mass murder throughout the world, to say nothing of the cauldron of conflict and increasing consternation between a nuclear-armed US and a nuclear-armed Russia, all of these factors have come to a head to the point that saner players within the lunatic asylum known as the power elite are doing everything they can to put some distance between what's left of the world and the impending apocalypse that is SURE to arrive with a bang if desperate maneuvers and counter-measures are not employed.

Having said this, all can rest assured that Trump's 'people' and those of other players–including Russia, are indeed meeting with each other on a regular basis (quietly) and hammering out some strategy that (they hope) will save what's left of this dying world from reaching that point of no return, if in fact this has not been reached already.

Jew Nathan Abrams admits Jews were behind America's "sexual revolution"

"Just as Jews have been disproportionately represented in radical movements over the years, so they are also disproportionately represented in the porn industry. Jews in America have been sexual revolutionaries. A large amount of the material on sexual liberation was written by Jews. Those at the forefront of the movement which forced America to adopt a more liberal view of sex were Jewish. Jews were also at the vanguard of the sexual revolution of the 1960s."

Jews are occasionally candid and open in their hatred of Christ and Christianity:

"Jewish involvement in porn, by this argument, is the result of an atavistic hatred of Christian authority: they are trying to weaken the dominant culture in America by moral subversion."

The dirty jews (dirty in body and mind) control the pornography racket

To the Jews, pornography is a business, through their control of the movies and the media.

Pornography pays off for the Jews in several ways. First, it satisfies their own sick sexual practices. Incest is common among the Jews — sex between siblings, watching their parents have sex, is an everyday occurrence among Jews.

Second, it brings the Gentiles down to the level of sexual slaves, as they crave another dose of watching movies of men sticking their penises into other men's anuses, women licking each other's clitorises and tickling each other's sexual organs with dildoes, and (dare I say it), men and women having sex with young children.

Third, it pays off for the greedy Jews, bringing in millions and millions of dollars for their treasuries as they feed off the sexual fantasies of stupid Gentiles.

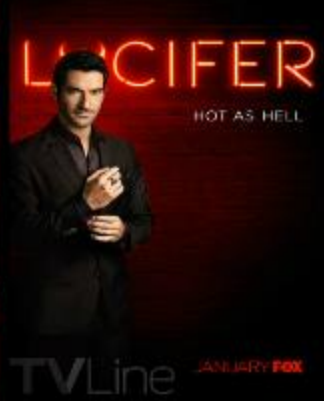
Judaism is a Satanic religion rooted in rejection of Jesus as the Christ.

Judaism rejects Jesus as the Messiah 100%, and those unbelieving Jews are behind the most vile smut, filth and sexual immorality imaginable in society today. They revel in it, and the profits! Wherever Jesus Christ is not found, neither is morality and righteousness.



The Talmud, the 'holy book' of Judaism, is a sexually degenerate manuscript, which debases Gentile women, children and motherhood. The Talmud is the driving force behind the cultural decay of America.

Jews, through their infiltration of academia and the press, have turned America into a secular nation. Yet "secularism" is just another name for "judaism."
For in a secular society, in which any particular Gentile strain has been diluted, Jewry can promote their Jewish propaganda, UNCHALLENGED, to its maximum effect.
This is why the American people have been instilled with a sense of Gentile guilt given Jewrys promotion of the so-called Holocaust - which has been proven to be yet another Jewish hoax.

Trump is dismantling the Republican party that has been filled by subversive Jews and cucks by running a campaign that is a blend of nationalist and populist ideologies

Trump and Putin will defend Christianity world-wide and fight the Satanic Jewish New World Order together, and that is what Rothschild and Jewry are terrified of right now.

Donald Trump is the only candidate who will not start world war 3 with Russia, which the Jewish neocons and lobbies are pushing for to happen, and that is the primary reason why the media, controlled totally by Jews, is doing everything they can to smear Trump and ruin him.

Fascism holds women in very high regard. Women are the carriers of new life.

They are expected to be educated, worldly, and well read. Women are encouraged to pursue their interests and have a career but only if a career won't interfere with their family's needs; family comes first, always.

Women are encouraged to be strong yet feminine. Consistent with these ideas, Fascist art often portrays women as heroic and even goddess-like.

Femur
Tibia
THE KNEE
TEETERING around in stilettos throws the body forward and puts increased pressure on the inside of the knee — one study found the pressure was up to 26 per cent greater. This can lead to arthritis, the painful degenerative joint disease, in the knee.
POSTURE
HIGH-HEELED shoes place the heels unnaturally above the toes and throw your whole body — your hips, shoulders, back and spine — totally out of alignment. In the long-run this can cause severe lower back and leg pain.
THE CALF
MUSCLES in the calf naturally contract when you walk in high heels. However, long-term wear can cause them to shorten and tighten permanently — leading to pain in the ball of the foot, or knee, hip or back pain.
PRESSURE
THE higher the heel, the more pressure there is on the front of the foot (the percentage increase can be seen below). Over long periods this can cause bruising and the problems identified on this page.
3inch heel
76%
2inch heel
57%
1inch heel

ACHILLES TENDON
HEELS put pressure on the Achilles tendon — causing it to shorten and tighten. If you wear heels constantly, this can actually shorten the tendon permanently, so that when when you wear flat shoes the tendon becomes stretched and inflammed, known as tendinitis.
ANKLE INJURIES
HIGH heels affect your balance and increase your chance of falling — particularly if you are older or overweight. Injuries can include sprained or broken ankles.
PUMP BUMP
ALSO known as Haglund's deformity, this is a bony enlargement on the back of the heel. It is caused by straps and the rigid backs of pump-style shoes (hence the name) rubbing and irritating the heel.
BALL OF THE FOOT PAIN
WEARING high heels causes most of your body weight to be pushed forward on to the ball of the foot. This can lead to a condition called metatarsalgia — pain in the area of the foot just before the toes. Age increases your susceptibility.
Corn
HAMMERTOES
SQUEEZING feet into ill-fitting high heels can cause the toes to curl up to fit the footwear. Eventually the toes, but usually the second one, become so misshapen they can't be straightened — even when not wearing shoes.

Running barefoot

Advocates of running barefoot claim that doing so strengthens the muscles, tendons and ligaments of the foot and promotes a natural running gait that is less prone to injury.

Other claims

- Shoes provide support, which doesn't allow the foot to strengthen and support itself.
- Much like wearing thick mittens, shoes reduce proprioception, the body's awareness of itself to its environment.
- Shoes add mass to the foot, slowing down the runner.

Starting out

People interested in running barefoot are encouraged to start by walking barefoot, increasing their time gradually so that the sole has time to become conditioned. This helps avoid blisters.

The middle gound

Running shoes are available that are so minimal, they emulate running barefoot, yet provide a sole that helps protect the foot from extreme weather conditions, rocks and glass.

The agony of da feet

Injuries associated with running in shoes and over-doing it without proper conditioning:

Hamstring injuries
Tearing or excessive stretching of the muscles and tissue behind the knee

Iliotibial band syndrome
Inflamation of the iliotibial band

Calf muscle
Subject to tearing and inflammation

Knee pain
Caused by excessive, repetitive impact

Shin splints
Caused by overuse of the muscles at the front of the lower leg

Stress fractures
Hairline fractures of the tibia

Ankle sprains
Footwear increases the risk by decreasing awareness of foot position or by increasing the leverage and twisting torque around the joint because of shoe height.

Achilles tendonitis
Aggravated by shoes with a high heel

Plantar fasciitis
Inflammation of the ligament running along the sole of the foot.

Happy landings

Running barefoot changes the way the foot impacts the ground:

Barefoot

❶ Before contact, the foot is in a more natural, relaxed position.

❷ The runner lands on the forefoot and adjusts the impact instinctively because of increased sensitivity to the surface.

Shoes

❶ Before contact, the foot is pointed upward.

❷ Cushioned shoes encourage the runner to land heel-first.

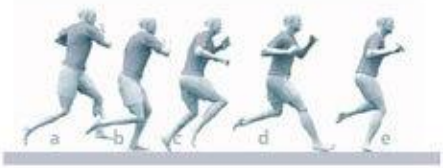
IS LESS MORE?

Research has shown that barefoot runners strike the ground with less impact than runners in sneakers. Yet some doctors report seeing a rash of injuries from athletes experimenting with running barefoot or in "minimal" running shoes.

Running with sports shoes

Most runners who wear shoes strike the ground with their heel, causing a high impact.

Running barefoot



Barefoot runners land on the ball or middle of the foot, naturally avoiding heavy stress on the heel.

To understand and explain Judaism, one must always begin with the idea that Jews are obsessed with a vision of "peace" on earth ("shalom") as depicted by their prophets.

This is because they are convinced that only when peace reigns over all mankind, only then will their messiah finally come and establish the new kingdom of David, which will mean their absolute domination of the planet earth.

In order to achieve this peace which they envisage, they feel they must remove all possible sources of conflict, that is to say, they must eradicate all the differences between people, because differences for them cause conflict.

The Jewish theorists who gave birth to communism wanted to abolish social classes, but not just that. They sought to also liquidate all religions, all national borders and even all separate nations.

Judaism is first and foremost not a "religious faith" but a political project of world unification.
It's plan is to eradicate all the differences between individuals and peoples in order to achieve an absolute and definitive "peace", because this "peace" will be conducive to the advent of their Messiah (the anti-christ)
The Jews must crush and grind into one single powder all the nations, races, religions, and civilizations of the earth, raze everything that is different or unique to the ground, and leave behind only a human mass which can then be coagulated into a vast planetary workforce for them.
Everyone must be exactly the same, except for the Jews. Thus, the essence of Judaism is drastic — to destroy everything that is not Jewish !

(1) rejecting the free trade agreements which has led major multinationals to relocate abroad and disinvest in well-paying industrial jobs in the US

(2) calling for large scale public investment projects to rebuild the US industrial economy, challenging the primacy of financial capital.

(3) opposing the revival of a Cold War with Russia and China and promoting greater economic co-operation and negotiations.

(4) rejecting US support for NATO's military build-up in Europe and intervention in Syria, North Africa and Afghanistan.

(5) questioning the importation of immigrant labor which lowers job opportunities and wages for local citizens.

OBAMA ADMINISTRATION REFUSES TO ARM PERSECUTED CHRISTIANS FIGHTING ISIS

This is because Obama through his policies, helped to create ISIS so they could overthrow the Syrian government.

Hardly anyone even knows that Mideast Christians have been forming militias (seen right) to fight ISIS and other jihadi groups in both Iraq and Syria

In Iraq, some of the few remaining Assyrian Christians have formed militias under the name Dwekh Nawsha (literally) meaning “self-sacrifice” in Christ’s native tongue of Aramaic).

Why would the Jews make up the 'holocaust' ?

Jews want you to feel sorry for them ... why ?

Because any group of people viewed as "victims" tend to be allowed much leeway within society.

Perceived "victims" get away with doing all kinds of questionable acts (simply consider what Israel gets away with) because of human tendency to side with the perceived underdog/victim.

Hence, most people naturally think, "oh give them a break... haven't those poor people suffered enough..." This tactic works like a charm.

The Obama Administration Wants To Kill Christians

It Is Now Blocking Any Weapons From Reaching Christian Militias In Iraq, Because The US Government Does Not Want Christians To Fight ISIS, It Only Wants To Arm And Train The Islamic Terrorists To Overthrow The Legitimate Elected Syrian government On Behalf of Israel

"As persecuted Mideast Christians have well learned since, most Western governments—the Obama administration at their head—could care less about their fate. They care only about one thing: overthrowing Assad—at any cost, including by directly or indirectly arming the Islamic terrorists that persecute Christians in horrific ways, including slaughtering those who refuse to renounce Christ for Muhammad."

DON'T BELIEVE EVERYTHING IN YOUR HEAD

JEWS HAVE DEFINED YOUR REALITY WITH THEIR HOLY BOOK - YOU'RE CONFUSED

The western media is owned and controlled by a Jewish conspiracy which seek a New World Order that raises taxes primarily by a carbon tax, thus Global Warming is a gigantic political hoax being pushed by the Jew owned media as part of a larger totalitarian control agenda, human activity is demonized because almost all human activity produces CO_2. Your breath is now the enemy of state, even breathing is now demonized by the evil ones.

A primary goal is to weaken and destroy their primary enemy, the United States of America, a former industrial powerhouse. Part of this secret agenda is to deindustrialize America. The global warming agenda might include shutting down coal fired plants that produce more than half of America's electricity just before we plunge into a new Ice Age. Such policies would be catastrophic to the heating needs and survivability of Americans.

Their long range goal to destroy America is just about complete. Now for the coup de grace of Climate Change. Global Warming/Climate Change is a monumental hoax by Jew criminals to destroy us. Think about how the Zionist controlled media lies about 911, War of Terror, the economy, and the Federal Reserve. We should not believe them but arrest them and prosecute the liars who use the public airways to scam the public. CO_2 is not the enemy, the Jew is the enemy and the only thing needing sequestering are Jews who need new addresses at FEMA camps.

The 4th and 5th centuries were a time of increased anti-Jewish attitudes at all levels of Roman society.

Preachers and bishops like John Chrysostom portrayed the Jews very negatively and attempted to erect walls between Jews and non-Jews.

Jews, had become economically prosperous during this period even though the society as a whole was losing population and declining economically. Accusations of Jewish greed, wealth, love of luxury and of the pleasures of the table became common. Jews were prominent in certain sectors of the economy, including the slave trade, banking, national and international trade, and the law. Jews had also developed monopolies in specific industries, including silk, clothing, glassware, and the trade in luxury items. Jews were seen as wealthy, powerful, and aggressive. It seems like history is in the process of repeating itself today.

Jew confirms the Ancient Alliance between Judaism and Islam

"The similarity between Jewish and islamic law is not accidental - Arabic-speaking Jewish sages, like Moses Maimonides ('the Rambam') and their contemporary Muslim legal experts influenced each other."

Uri Avnery, "Dichter's Law," August 12, 2011

smoloko.com

The Ancient Alliance between Judaism and Islam is real

Islam was profoundly influenced by the Talmud. This is evidenced in part by Islam's hostility toward St. Paul and its denial of the Resurrection, two principal rabbinic doctrines.

Judaism was formerly allied with Islam against Christianity.

The Crusades were wars waged against Islam and Judaism.

Muslims are anti Nationalism, same as the Jews we call them the international Jew, the muslims are as well the International Muslims. It means they have no attachement to a soil and people but have attachment to ideologies, in that case Islam and Judaism. The opposition to Jewry start with people attached to a land and blood, who refuse internationalism and new cultures or loosing their identity

this is the real meaning of nationalism, it is to be rooted in your land & history and blood which makes you the opposite of the Jew by nature, who has no attachment at all except to his Jewish international tribe

Russia has humiliated Jewmerica's plans to topple Assad, and the Jewish neocons are out for blood and prepared to execute a 'false flag' against Russia:

They will Paint their F-18s in Russian colors and shoot down their own US plane in Syria; follow with hits on a US fleet in the Arabian Gulf; then blame it on Russia, and the Jews strike fool's gold.

It gets Hillary elected with her shrieking, "I told you so!" and "See what happens when Trump's in bed with Putin!"

America retaliates by bombing Russian planes in Syria, then hits the SAA, turns around and strikes Iran which would seek to intervene, and World War 3 kicks in.

Who benefits? International Jewry that prints money out of thin air to fund the war. For out of the nuclear ruin arises a Jew World Order removing all obstacles impeding its power: Nation states, independent policies, and economic blocs trading in their own currencies will be obliterated.

A One World Government is on its way with Jewish moguls at the sway. And America, with all its military might, is only a pawn in their in game.

The drums are thumping and

JEW NEOCONS keep provoking Putin into war.

As in World War 1, Christian Russia is again blocking the advance of a 'One World Government' that Jews will lead.

Put Putin out of power and weaken Christian Russia — via a Third World War—then Jewry's agenda goes unchecked with three devastating goals.

One, Crush Christianity.

Homosexual acts will be promoted, (using the Bible against it will be outlawed as hate speech), and the traditional family eroded.

Two, Population Control

Mandatory 'vaccinations', with undisclosed sterilization formulas, will kick off selective population control.

Three, Uproot Nationalism.

With the collapse of borders, a universal welding of all nations will fuse into one diluted whole, with a Jewish ruling caste on top of the heap. Cash will be replaced with digital currency used to 'buy and sell.' A digital account will be embedded in your wrist.

The goal of the cataclysm of World War 3 is to create a One World Government of which JEWS will lead the Goys by the nose.

I wish to apologise for an offensive post which I shared for a short time without properly reading the content, especially anyone of the Jewish Faith. I also apologise to my Labour Party colleagues and point out that it had no connection with any organisation which I am a member. I support Palestinians in occupied Gaza but am in no way opposed to Jewish people

UK Labour councillor Andy Slack suspended for "anti-Semitic" post

In 1290, King Edward I issued an edict expelling all Jews from England. But now these rotten parasites have recaptured so much power and influence over England, (and the whole western hemisphere) that the JEWS can get you FIRED for merely mentioning their global control and endless crimes.

SUSPENDED ...AND POSSIBLY EXPELLED FOR SHARING THE TRUTH

Never let the JEWS convince you that "antisemitic" is synonymous with false. Much of the speech that has been called "anti-semitic" has been nothing more than correct information that the JEWS find inconvenient for other people to know.

smoloko.com

The modern state of Israel was created by the Rothschilds, not God,

and what they are doing to the Palestinian people now is EXACTLY what they intend for the whole world. -

DEALING WITH THE JEWS requires a Jewish Primer on how the Jews talk and how they use certain words:

Jews call someone an Anti Semite when that person publicly exposes the agenda, lies, and crimes of the Jews.

The Jews become especially enraged when the exposure includes facts such as specific names, dates, documents, locations, quotations, and circumstances. When this occurs the Jews call the person a “Nazi.

Famous and most honorable “Anti Semites” that the Jews have smeared include the honorable Christians, Charles Lindberg and Henry Ford I.

JEW MAD BRO?

Hillary is not talented enough to reach the heights of power that she has without being put there by the jews, for the jews.

An important principal to keep in mind every time you see someone totally unqualified in a position they couldn't achieve on their own merits, like Obama, John McCain, George W Bush, Paul Ryan, et. al.

TRUMP IS INDIRECTLY CALLING OUT INTERNATIONAL JEWRY

"This election will determine whether we are a free nation or whether we have only the illusion of democracy, but are in fact controlled by a small handful of global special interests rigging the system, and our system is rigged. This is reality, you know it, they know it, I know it, and pretty much the whole world knows it. The establishment and their media enablers will control over this nation through means that are very well known. Anyone who challenges their control is deemed a sexist, a racist, a xenophobe, and morally deformed."

"They will attack you, they will slander you, they will seek to destroy your career and your family, they will seek to destroy everything about you, including your reputation. They will lie, lie, lie, and then again they will do worse than that, they will do whatever is necessary. The Clintons are criminals, remember that. They're criminals."

International Jewry uses the west to destroy sovereign nations on its behalf to allow its expansion. Soon the entire middle east will be destroyed.

There's a high chance The Mossad will soon commit the greatest false flag attack yet on the US which will be blamed on Russia, then nuclear war will mutually destroy the two superpowers and probably China.

This will leave Israel as the most powerful nation in the northern hemisphere and all the space it needs to expand. The greater Israel project will be able to reach completion and the new, false Messiah (anti-christ) will arrive in Jerusalem.

The main movers and shakers behind the pro-abortion movement in the U.S. are Jews,

Jews acount for about half of all abortion providers and clinic owners; a staggering fact considering that Jews in this country comprise only about 2% of the population.

And why is this the case? Because they hate Gentiles and promote our destruction by any means at their disposal.

Abortion is just another part of the Jewish supremacist agenda to destroy their enemy, the Goyim, no matter what they must do to secure our destruction. We are what stands in the way of the successful achievement of their agenda.

Abortion has pretty wide support among Jews inside America and various Jewish organizations in the U.S. are openly and unashamedly pro abortion, organizations such as:

* American Jewish Committee
* American Jewish Congress
* B'nai B'rith Women

* Central Conference of American Rabbis [Reform]
* Federation of Reconstructionist Congregations

* Hadassah Women
* Jewish Labor Committee
* Na'amat USA

* National Federation of Temple Sisterhoods [Reform]
* National Council of Jewish Women

* New Jewish Agenda
* North American Temple Youth
* Rabbinical Assembly

* Union of American Hebrew Congregations [Reform]
* United Synagogues of America [Conservative]
* Women's League for Conservative Judaism [5]

The Jews plan is to exterminate the White race. Get that part and all the Jews' actions are going to make sense in that context.

Masturbation Opens Spiritual Portals

People who cannot control the urge to masturbate or watch pornography are almost always plagued with a sexual devil. Maybe more than one.

And once that demon attaches, it is difficult to get it to leave. It will drive you to masturbate, even when you don't want to. You'll be hit with urges to play with yourself so powerful that only an orgasm will allow you some temporary relief. By engaging in those acts of sexual impurity you are giving such evil spirits legal access into your life. And they will remain, causing untold personal pain, guilt and shame until the more powerful force of Jesus Christ is used against them to expel them from your life for good

smoloko.com †

"Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him. For all that is in the world—the desires of the flesh and the desires of the eyes and pride of life —is not from the Father but is from the world."

~ 1 John 2:15 –16

Masturbation is a direct path to Satan

Too many Christian women are losing their salvation because they masturbate

Dildos and all of those other sex toys have been used for thousands of years in demonic sex rituals, It's one of the main ways ancient pagan societies worshiped their demonic gods.

masturbation invites demons into your life

25,000 year old ancient Japanese double dildo

Many of you who are reading this have sex toys in your possession right now. And whether you want to accept it as fact or not: those sex toys are an open portal between the demonic realm and your own life. As long as you have those sex toys in your home, you have a doorway that can allow demons to not only access your life at will, but also to torment you, hinder and destroy certain parts of your life as it relates to sex and your relationships.

s m o l o k o . c o m

There are such things as sex demons.

And the danger in masturbating is that one could inadvertently summon a sex demon to attach itself to you through the act of masturbating.

When we imagine having sex with another via masturbation, we are actually summoning the power of the spirit realm to manifest the thing we are imagining. In the world of the spirit and according to Jesus Christ: the sexual thought is the same as the sexual act (See Matthew 5:28).

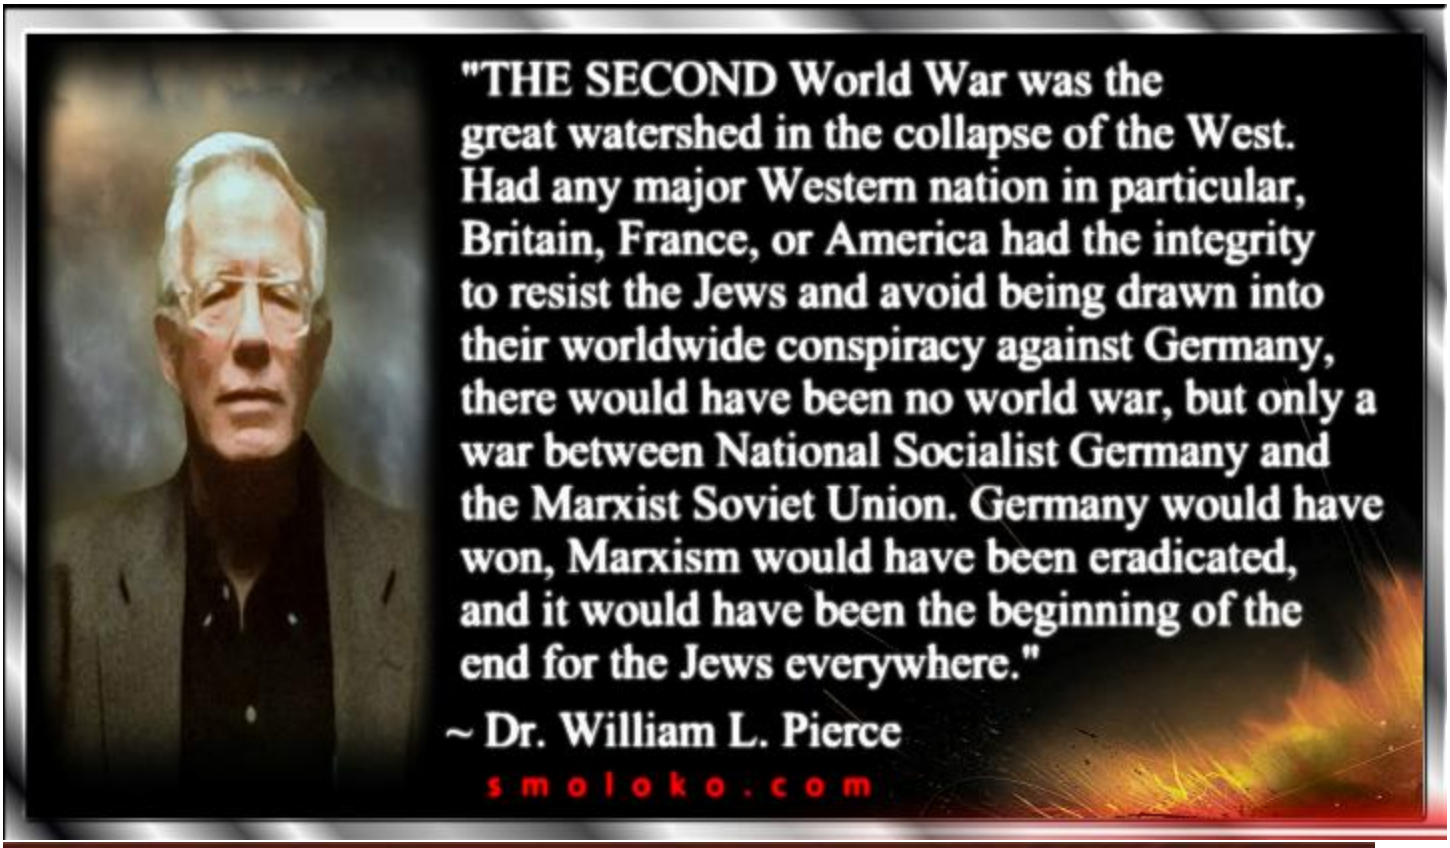
MACK MAJOR



"THE SECOND World War was the great watershed in the collapse of the West. Had any major Western nation in particular, Britain, France, or America had the integrity to resist the Jews and avoid being drawn into their worldwide conspiracy against Germany, there would have been no world war, but only a war between National Socialist Germany and the Marxist Soviet Union. Germany would have won, Marxism would have been eradicated, and it would have been the beginning of the end for the Jews everywhere."
~ Dr. William L. Pierce

Henry Ford wrote in 1921 as a warning to America regarding Jewry's mission to diminish the Euro-White presence in the US:
"The energies of the Jewish powers are concentrated on the task of preventing America from changing the immigration laws in a manner to protect the country from undesirable aliens."
smoloko.com

First, the jews that control foreign policy BOMB the living shit out of the Arabs and Muslims (see: Greater Israel Plan)…then, the jews throw your borders wide open to immigration, and give as many incentives to the refugees as possible to make them come to Germany, Sweden, Netherlands, USA & any formerly white country they can.
Jews view white countries as their biggest obstacles to their NWO.
The solution to all of it is embarrassingly simple.
WE have to REMOVE THE JEWS from power, worldwide.

The defeat of NSDAP Germany, with the triumph of the Jew and his allies, made inevitable the following . . .

the opening up of the immigration floodgates for non-Whites into Britain and the United States

the destruction of American White public schools; the enactment of laws curtailing White freedom of association and the rights of White employers and renters (and with them the rights of White employees and tenants);

the rise of feminism, homosexuality, and drug use; the breakdown of the traditional family structure;

a soaring miscegenation rate; and the displacement of healthy White art, music, literature and drama by a Judeo-democratic-Hollywood schlock culture.

It also led to the metastasis of the Marxist cancer throughout huge areas of Europe and the rise of malignant Zionist power in Palestine, a power which surely would be the instigator of the Third World War.

The most wealthy and powerful ethnic group on planet Earth are the Jews

They have engineered the opening of our borders

They enslave us with debt for our entire lives

They created the anti-morality that infects our people and makes them hate themselves

They control our media and pump anti-White propaganda into our homes every second of every day

They use our young people as cannon fodder to fight in their wars

They persuade our children that racial mixing is trendy and desirable and that perverse sexual deviancy is “normal”

They use all their power and influence to shut down, intimidate, and destroy anyone who speaks up for White interests

Do you think it’s at all possible that they want us dead?

Do substantial numbers of the Middle Eastern invaders flooding our western lands want us dead? Yes they do.

Why ? Because the West, under Jewish control, is responsible for the deaths of at least two million Muslims since 1948. The vast majority of these deaths were civilian. From the creation of the State of Israel and subsequent ethnic cleansing to make room for Jews; to the First Gulf War and the associated genocidal blockade of Iraq (engineered and implemented under Jewess Madeleine Albright); to the second Gulf War; the invasion of Afghanistan; the engineered coups in Egypt and Libya; to the current drone warfare; more troops in Iraq; and the proxy war against Syria — the killing never seems to stop. We've been making war on them and killing them for decades. If we don't want to lose our nations — if we don't want to die in this war, we need to do three things: First, ban jews by law from all aspects of public life, end all Western support for the murderous state of Israel. Third and most important we need to redefine citizenship in our western nations on a racial basis !

What is National Socialism ?

National Socialism means CARING about the INJUSTICE of life, that happens on the weak individuals, for instance the handicaps, elders, orphans, the single parent-families... give them what they need to survive because they didn't chose to be in bad conditions.

NS is a system to fight the Jewish communism that started as a good idea of Socialism, but later transformed into Jewish Tyranny worse than the Jewish Capitalism where all people are poor and loose the fruits of their hard work to be given to the few Jewish elite and Jewish interests as in Capitalism today in America where the 1% owners of corporations have more wealth than the 99%

Modern economics is an elaborate Jew hoax and

a nation that prints its own currency would never have any debts; and if all nations did it, that would be the end of the House of Rothschild.
It would also end all wars because all wars are bankers' wars who fund both sides of every war
Any economics professor who does not understand this is either a fool or a liar.

Because the Federal Reserve is a JEWISH bank it takes care of its own while fleecing the American people.
For instance, during the recent "too big to fail" bailouts that plundered the American taxpayer, Ben Bernanke gave $2.3 billion dollars to Harley Davidson Motorcycles. Well, why them?

Do you live in a country in debt? If so, then you live in a country indebted to Rothschild Jews
A sovereign nation does not go into debt; if it has "debts," then it would merely print its own money to get out of debt.
A sovereign nation that prints it own currency would be rich and pay its citizens dividends instead of asking its citizens to pay income tax to service the debt to Rothschild.
A sovereign nation has no debts! Zero!
If a nation has debts to a foreign creditor then by definition it is no longer a sovereign nation anymore.

TRUMP CALLS OUT JEW RUN FEDERAL RESERVE FOR CREATING A "FALSE ECONOMY" - HE'S RIGHT !

Trump is 100% correct on this.

If you get rid of this institution which engages in Jew usury by creating money out of nothing and charging interest on it, the economy would recover in short order. The government can create the money debt and interest free. It doesn't need to involve itself in this massive kike scam.

There is no reason for America to have a Central Bank run by Jews like Janet Yellen, creating money out of nothing. An official government entity could manage the money supply without charging any interest or attaching debt to it. Great public works projects could be funded on this mechanism alone.

Jews are the enemies. The same who have infested America with their Christ-hating spirit and spread their contagion into its culture, politics, and worldview.

Now, if America's supposedly a 'christian' country, why is Putin painted as a monster?

Is it because the enemies of the Church—I mean, Jews—run America's propaganda machine?

Why do they hate him? I mean, fear him? It goes beyond Putin's personal beliefs. His faith is much bigger. He's reviving the Orthodox tradition of "Symphony of Church and State." And that puts Jews out of power.

WHY DO JEWS have such an insane hatred of Vladimir Putin?

So why do Jews hate Mel Gibson's Christianity and not others?

Because Mel Gibson rejects Second Vatican where the Jews swindled the Catholic Church into modifying their own, well-reasoned religious beliefs of over 1,900 years.

We [Catholics] are being cheated ... The church has stopped being critical. It has relaxed. The dogma that the Second World War was necessary and good, that it saved the world or that it preserved our freedom, is entirely the creation of Jewish propagandists

Of course, the Second World War didn't preserve America's freedom. America's freedom was never threatened by Germany. Hitler could not even have imagined taking away America's freedom.

His war against America was entirely defensive. We were the aggressors. The U.S. Army invaded Germany and took away Germany's freedom, not the other way around. There was never the slightest danger that Hitler would invade America.

And we certainly didn't save the world; what we did was turn half of the world over to rule by communist butchers for nearly 50 years. We didn't even defend America's vital economic interests by destroying Germany. The only people whose vital interests were defended by America's participation in the Second World War were the Jews. ----- WW2 TRUTH 101 -----

The bloodthirsty Jews were frothing at the mouth in their frenzy to annihilate Adolf Hitler, who had removed the Jews from power in Germany and imprisoned many of them in work camps which were not the death camps of Jewish media propaganda

U.S. President Franklin Roosevelt, British Prime Minister Winston Churchill and Soviet Union dictator Josef Stalin all of them descended from Jews and surrounded by Jewish advisers had aimed for years to overthrow Hitler and liquidate the entire German population.

When Hitler removed the Jews from power in Germany in 1933, Jews all over the world declared war on him, and through their behind-the-scenes political control of the U.S., Britain, and the USSR, eventually obliterated the prosperous and innocent nation Hitler had resuscitated from the ashes of World War I.

Of course, because the worlds major media have been controlled by Jews throughout the 20th century, the world has been told a very different story about these events.

IN 2005 PUTIN'S RUSSIA GAVE AMERICA A BEAUTIFUL GIFT TO COMMEMORATE 5TH ANNIVERSARY OF 9/11

Refusing to place the monument in Manhattan, the "authorities" instead dump Putin's gift in a depressed and unseen spot in Bayonne, NJ. - around the corner from a junkyard! To this day, the monument is barely known, even among local residents of Bayonne!

Vladimir Putin and the Russian people made a beautiful gesture towards America. But the Jews and their wholly-owned media, in anticipation of the eventual conflict with the allied independent powers of Russia and China, must constantly portray Putin as a thug. - Experience? Experience doing what exactly? All she has done in government is enrich herself by accepting bribes. All the policies she has helped implement have ended up in disaster. The entire world fell apart during her tenure as Secretary of State. So her experience only shows that she is grossly incompetent.

- Courage? She has done nothing courageous. She couldn't even provide proper security for the American consulate in Benghazi and then proceeded to lie about how the attacks were all due to a JewTube video. That's not courageous, that's cowardly.

If pictures tell a thousand words then Hillary Clinton looks like death warmed over.

If, as the Bible tells us, the outward is a manifestation of that which is within, then Hillary Clintons countenance displays an inner sickness.

That "sin unto death," warns St Mark the Ascetic, "is every sin that is left without repentance, for which if even a saint shall pray, he shall not be heard."

And surely, being a friend of the world is consorting with Jews who pledge allegiance to a worldly kingdom.

Why is organized jewry so intent to weaken Christian society? It's because Judaism, in all its branches, is but the continuation of a grudge conceived thousands of years ago by the Pharisees against Jesus and His followers. These ancient "blindguides," the leading elite for Jews to this day, were convinced they had a divine mandate to eclipse Gentile power and dominate the nations. As long as Gentile moral values remain strong, this can never happen.

When were Jews ever "persecuted" ?

Only AFTER the people had enough of their tyranny and theivery.. did the people rise up against Jews !

AND YET..NO ONE HAS EVER GENOCIDED THE JEWS... THAT HOLOHOAX WAS MADE UP TO TRY TO HIDE THAT LITTLE FACT

TRUTH IS..JEWS HAVE GENOCIDED MILLIONS UP ON MILLIONS OF CHRISTIANS...FOR 2,000 YEARS.

And yet not one peep in AMERICAN LITERATURE... WHICH IS ALSO CONTROLLED BY THE JEWS..

You cant deny this..if you do...its only because you are ignorant of history.. and have fallen for the propaganda of the Jews..and their corrupt media..

smoloko.com

WHEN THE JEWS take control of the state, they do everything to hide that fact for masses.

They lie that jews have any power and its only "insane jew-haters" that say so, and then they post up their useful idiots in their propaganda-machine to deny and ridicule those people.

Then the jews post up useful idiots like homos,dykes and non-whites. Why? To promote Hate Laws. The jews will tell you how much they care about blacks and homos. This has nothing to do with protection for minorities - except the jews.

Once the jews control the state, the jews writes "Hate Laws" and then they start hunting down anyone that says the jews controls the state.

Its very easy to see. The jews write the Hate Laws and then turn the whole judicial system against its own citizens and that is how you take control of the state - you write the laws.

The first thing the jews did when they took control of the Russian state was to write a Hate Law. This Hate Law is very easy to understand. Anyone that said it was jews controlling the Sovjet state was shot with a bullet in the neck. Death penalty for the bogus accused antisemite.

is far.[1] The Rabbis said: His name is 'the leper scholar,' as it is written, *Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him a leper, smitten of God, and afflicted.*[2]

R. Naḥman said: If he [the Messiah] is of those living [to day], it might be one like myself, as it is written, *And their nobles shall be of themselves, and their governors shall proceed from the midst of them.*[3] Rab said: If he is of the living, it would be our holy Master;[4] if of the dead, it would have been Daniel the most desirable man.[5] Rab Judah said in Rab's name: The Holy One, blessed be He, will raise up another David for us,[6] as it is written, *But they shall serve the Lord their God, and David their king, whom I will raise up unto them:*[7] not 'I raised up', but *'I will raise up'* is said. R. Papa said to Abaye: But it is written, *And my servant David shall be their prince [nasi] for ever?*[8]—E.g., an emperor and a viceroy.[9]

R. Simlai expounded: What is meant by, *Woe unto you, that desire the day of the Lord! to what end is it for you? the day of the Lord is darkness, and not light.?*[10] This may be compared to a cock and a bat who were hopefully waiting for the light [i.e., dawn]. The cock said to the bat, 'I look forward to the light, because I have sight; but of what use is the light to thee?'[11] [99a] And thus a *Min*[12] said to R. Abbahu: 'When will the Messiah come?' He replied, 'When darkness covers those people.'[13] 'You curse me,' he exclaimed. He retorted, 'It is but a verse: *For, behold, the darkness shall cover the earth, and gross darkness the people: but the Lord shall shine upon thee, and his glory shall be seen upon thee.*'[14]

It has been taught: R. Eliezer said: The days of the Messiah

(1) Lam. I, 16. (2) Isa. LIII, 4. (3) Jer. XXX, 21: this description fitted R. Naḥman, who, as the son-in-law of the Resh Galutha, enjoyed great power and prestige. (4) I.e., R. Judah the Nasi, generally called Rabbi *par excellence*. (5) [Preferably, if of the living, our holy Master (would be the type) of the Messiah; if of the dead, Daniel.] (6) Lit., 'for them'. (7) Ibid. XXX, 9. (8) Ezek. XXXVII, 25: prince (*nasi*) is a lower title than king. (9) The second David shall be the king, and the former David shall be his viceroy. (10) Amos V, 18. (11) Thus Israel should hope for the redemption, because it will be a day of light to them: but why should the Gentiles, seeing that for them it will be a day of darkness? (12) V. p. 604, n. 12. (13) Alluding to the questioner and his companions. (14) Isa. LX, 2.

[strength] belongs.[1] And what is the meaning of *'and all faces are turned into paleness?'*—R. Johanan said: [This refers to God's] heavenly family [i.e., the angels] and his earthly family [i.e., Israel,] when God says, These [the Gentiles] are my handiwork, and so are these [the Jews]: how shall I destroy the former on account of the latter?[2] R. Papa said: Thus men say, 'When the ox runs and falls, the horse is put into his stall.'[3]

R. Giddal said in Rab's name: The Jews are destined to eat [their fill] in the days of the Messiah.[4] R. Joseph demurred: Is this not obvious; who else then should eat—Hilek and Bilek?[5]—This was said in opposition to R. Hillel, who maintained that there will be no Messiah for Israel, since they have already enjoyed him during the reign of Hezekiah.[6]

Rab said: The world was created only on David's account.[7] Samuel said: On Moses' account;[8] R. Johanan said: For the sake of the Messiah. What is his [the Messiah's] name?—The School of R. Shila said: His name is Shiloh, for it is written, *until Shiloh come.*[9] The School of R. Yannai said: His name is Yinnon, for it is written, *His name shall endure for ever:*[10] *e'er the sun was, his name is Yinnon.*[11] The School of R. Ḥaninah maintained: His name is Ḥaninah, as it is written, *Where I will not give you Ḥaninah.*[12] Others say: His name is Menaḥem the son of Hezekiah, for it is written, *Because Menaḥem* ['the comforter'], *that would relieve my soul,*

(1) I.e., the Almighty himself bewails Israel in the power of the Gentile. (2) To avenge the wrongs suffered by the Jews. Because the suffering would be so great that even the Almighty would lament it, R. Johanan desired to be spared the Messiah's coming. (3) The horse is made to replace it, but when the ox recovers, it is difficult to remove the horse. So the Israelites, having fallen, were replaced in power by the Gentiles: but on their recovery, it will be difficult to remove the Gentiles from their position without inflicting much suffering. (4) I.e., the years of plenty which the Messiah will usher in will be enjoyed by the Israelites. (5) Two fictitious names—'any Tom, Dick and Harry'—shall these years be enjoyed indiscriminately by anyone? (6) Therefore R. Giddal puts it in the future. (7) That he might sing hymns and psalms to God. (9) That he might receive the Torah. (4) Gen. XLIX, 10. (10) E.V. *'shall be continued'*. (11) Ps. LXXII, 17. (12) Jer. XVI, 13. Thus each School evinced intense admiration of its teacher in naming the Messiah after him by a play on words.

The only thing "bold" about Jenner's transgender moment is how the Jews have taken a white 'christian' Olympic hero, cut off his balls, and implanted a pair of breasts on his once hairy chest

The latest JEWISH SCHEME to DESTROY Christian morality is their pageantry promoting "Caitlyn Jenner."

If it's not the Jew-owned New York Times with its The Price of Caitlyn Jenner's Heroism, it's the Jew-owned LA Times with Caitlyn Jenner's Courage Is 'Bold'.

If Jenner's castration of his testicles and shoving his penis toward his anusis "heroic" then the Jews have succeeded in changing the traditional meaning of words.

The only thing "bold" about Jenner's transgender moment is how the Jews have taken a white 'christian' Olympic hero, cut off his balls, and implanted a pair of breastson his once hairy chest.

smoloko.com

Why are Jews the prime promoters of homosexuality and transgenderism?

Yes, the Jews wish to destroy Christian morality and its power bloc in the West.

Yes, the Jews wish to feminize Gentile males so as to minimize a backlash against them.

And yes, Jews wish to fragment society via culture wars so as to gain greater dominance.

But Jewry's promotion of homosexuality goes much deeper.

Because the Jew denies the divine life of Christ and seeks to prevent His mission to infuse that divine life into the human experience, the Jew's head is buried in a heap of dung and brings the masses of Gentiles into that dung with him.

The Jew simply cannot bring "life" into the world but instead "death" to the human race, of which, homosexuality is a metaphor and symbol.

"Against nature," is how St Paul describes homosexuality and lesbianism. Thus, the Jew is AGAINST NATURE, of which, Christ came to divinize.

Satan is depicted as bi-gender in 99% of the images you'll run across. Which officially makes the devil the very first transsexual in history!

Now you see why the Bruce Jenner transformation was such a huge story. This world is run and literally controlled by (((devil worshipers))). They control 90% or more of the media, music, movies, tv, news outlets and even some social media outlets.

The only agenda these (((flunkies))) of Satan promote is their own: which is really Satan's agenda. Hence why television seems so slanted when you watch it, and obviously promoting a pro-gay anti-God agenda.

It's time for Christians to stand up for Jesus Christ like never before.

SATAN is a TRANSEXUAL

Below is a depiction of 'Baphomet', another name for Satan. You'll notice that he has female breasts.

Fom ancient times until the present, Satan has always been depicted as being both male AND female, with BOTH genitalia (female breasts and a male penis).

Satan's nature is bisexuality, homosexuality, the confusing of the different genders, and mixing the holy with the profane. It's how he defiles people and keeps them from ever being able to connect with God and live a life of sexual cleanliness and holiness. And when you see LGBT being promoted and supported on a wide scale, these are just followers of Satan bringing their god out of hiding and into the light. Coming out of the closet was never meant for homosexuals: it was actually meant for Satan!

Every major Jewish organization in America has publicly demanded that America open its doors to hundreds of thousands of Muslim 'refugees'

- The Orthodox Union
- The Rabbinical Assembly
- The Hebrew Immigrant Aid Society HIAS
- The National Council of Jewish Women
- The Anti-Defamation League
- The American Jewish Committee
- The Jewish Council for Public Affairs

- The Jewish Labor Committee
- The National Council of Jewish Women
- T'ruah: The Rabbinic Call for Human Rights
- The Workmen's Circle
- The Rabbinical Assembly

"sexual liberation" and pornography are political weapons of the Jews designed to degrade and control the "goyim"

Why ? Because people fixated on their genitals all day will not care about the Jewish domination over their banks, media and government.

The Jews know that real men supported by loyal wives will defend their families and ensure that their children have a wholesome future. -

Better to turn these men and women ("goyim") into sex addicts who betray their families and nations for a cheap transitory thrill.

smoloko.com ✝

Fellas, did you know that LUST is an open doorway into the spirit realm?

When Jesus warned us not to lust after women, (Matthew 5:28) it had a deeper purpose than just stopping men from being "poon" hounds. He was actually showing you how to keep yourself from being invaded by one of these foul spirits of lust.

Your lust is the open invitation and legal grounds for these spirits of lust to enter you and control your life. And once these lust spirits enter,they don't leave easily. They'll bog you down, emasculate you, steal your time, life and productivity from you. These destructive spirits are out to destroy you by virtue of your own desire. Symptoms of having a lust spirit include: Fixation on sex throughout the day where you can't control your urges. Uncontrollable urge to masturbate. Driven to watch porn. Satan is on an all-out mission to lure people into damnation and destruction—including Christians. And the number one way he is doing this is through sexual lust.

The US government is FILLED with sex perverts

The Jews will not promote any goyim who they do not have dirt on into positions of power, that they can use to make sure they stay in line.

As it is, probably a majority of congressmen and other high level government officials are homos, pedos and homo-pedos. Others probably just are on hotel CCTV with prostitutes that the Jews have the phone numbers of, who they can call up at any time and tell to go public with their stories.

This is a fundamental means by which the Jews control the mechanisms of power in White society – (((they))) find the worst among us, who would otherwise be in prison, killed or at least forced to work low-level jobs due to lack of character, to the highest place in our societies.

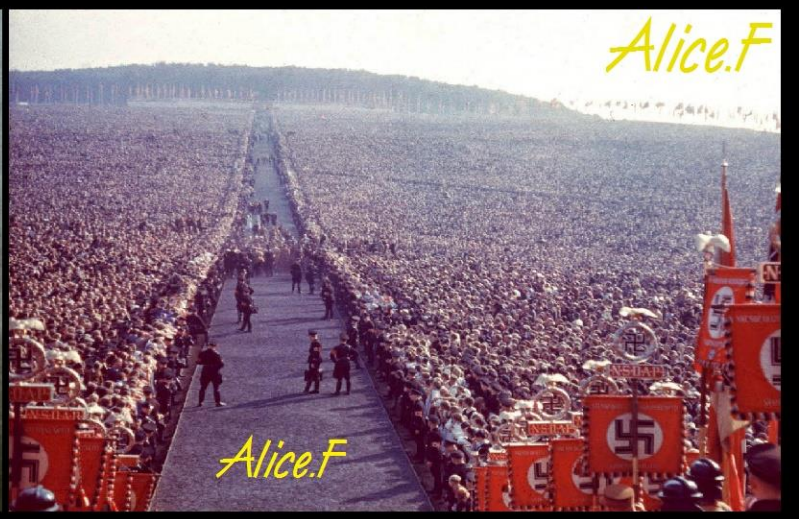
The most ANTI-JEWS leader was democratically elected in a JEWISH-controlled country



After the JEWISH orchestrated WW1, the JEWS looted Germany's Gold and gave its rich territories to neighbor JEWISH-controlled countries. The German government was paying huge reparations and couldn't take care of citizens, the Germans were starving and selling themselves as sex slaves in order to survive or feed their children. The JEWS got full control of media, education and society and were pumping all filth & degeneracy into the society.

...So don't lose hope!

Hitler exposed the Globalist JEWS

" It is a small rootless international clique, that is turning the people against each other's, that does not want them to have peace, it is a people who are at home nowhere and everywhere, who do not have a soil on which they belong to... they are the only ones who can be addressed as international elements because they conduct their business everywhere, but our people cannot follow them, our people is bounded to its soil, bounded to its fatherland..." *~ Adolf Hitler at the Siemens Dynamo factory Berlin on November 10,1933*

Trump exposed the Globalists same JEWS

"We will no longer surrender this country, or its people to the false song of globalism. The nation-state remains, the true foundation of peace and harmony." *~ Donald Trump, April 27, 2016*

JEWS are EQUALIZING humanity to prepare a world government

Since the end of WW2, JEWS have been equalizing the advanced nations of the world with the 3rd world, not only they have huge shares in multinational corporations exporting Western Jobs, skills and Wealth, but they create the TAXATION LAWS of Western countries in a way to push corporations to leave White countries seeking a cheaper countries then exporting the products back to the West. JEWS created the EU union that impoverished Western Europe and made millions of Jobless Europeans, JEWS created NAFTA, TTIP & TPP that exports millions of Jobs from America, Australia and Canada to Asia & Latin America. The export and distribution of wealth, science and competency on poorer emergent nations, means the impoverishment and retardation of advanced nations, means the retardation of humanity advancements which is mainly created by the rich prosperous Whites. Nations don't equalize, Nations compete, and this how humanity progress as in a University with many competing students. A nation historically represents the ethnicity of the people of that nation; It's is why the JEWS open the border for massive immigration to White countries in order to change the demography and replace White people by new comers who don't have the same productivity & abilities of the Whites. Then the JEWS create generous welfare system for non-Whites, create high taxes for Working Whites in order to feed the immigrants and make the Whites even work harder to afford raising children, which leads to low fertility rate a White Genocide. But the JEWS cover-up the decrease of population by even bringing more non-Whites immigrants which just accelerates the fall of White countries and the transfer of companies, jobs, wealth, skills to the 3rd World. THE FINAL GOAL IS TO HAVE AN EQUALIZED ETHNICALLY BROWN RACE-MIXED UPROOTED HUMANITY READY TO ACCEPT A ONE WORLD GOVERNMENT, ONE CURRENCY AND ONE PLANET COUNTRY WITHOUT BORDERS RULED BY JEWS

It was a mistake of Trump to choose Mike Pence as vice president.

Mike Pence is the replacement in case the Jews assassinate Trump.

The Jews do not want Trump as president because they can not control him – He is unpredictable. The Jews have their insurance policy in the form of Ultra Zionist Mike Pence.

Trump's biggest worries are the unspoken ones by billionaire Jews of the Donor Class who are determined to prevent Trump from succeeding Barack Obama as President.

These evil men, part of this Jewish mafia, have the determination and the means (that is, the money) to end Trumps career and life forever.

They murdered John F. Kennedy and they forced Richard Nixon to leave office prematurely. Now, they have Donald Trump in their sights.

TRUMP says that those behind the destruction of all Western Countries are the "Globalist Elite of America" (=JEWS)

"Our great civilization, here in America AND across the civilized WORLD has come upon a moment of reckoning. We've seen it in the United Kingdom, where they voted to liberate themselves from GLOBAL GOVERNMENT and global trade deal, and global immigration deals that have destroyed their sovereignty and have destroyed many of THOSE NATIONS. But, the central base of world political power is right here in America, and it is our corrupt political establishment that is the greatest power behind the efforts at radical globalization and the disenfranchisement of working people. Their financial resources are virtually unlimited, their political resources are unlimited, their media resources are unmatched, and most importantly, the depths of their immorality is absolutely unlimited. This is our moment of RECKONING as a society and as a CIVILIZATION itself." *~Donald Trump, 13/10/2016*

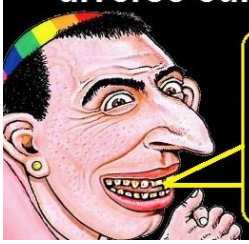
" Parents contacted regional German newspaper Hessian Niedersächsische Allgemeine (HNA) when they discovered the nursery their children attend won't be putting up a Christmas tree, telling Christmas stories, or celebrating Christmas in general. Teachers at the Sara Nussbaum House daycare centre in Kassel said they will forgo "Christian rituals" so as to accommodate the "diverse cultures" of other children, families told the newspaper."



Our 2000 years old dream of erasing Christianity from the face of the earth is near, soon the millions of Muslims we brought since decades to Europe will breed like rabbits with the money we JEWS, give them from the Christians' taxes

“MAKE AMERICA GREAT AGAIN” is what the JEWS don't want to see & hear. JEWS say: Islam is their 'Natural Allie' in Europe

" The Jewish people are in totally different place, today there is the state of Israel… The clash between the secular post-Christian Europe and the new immigration wave which is essentially religious.. yes, this is exactly what is happening, there is a clash of civilizations and we the Jews we are in the middle of this clash of civilizations. We see ourselves FIGHTING TOGETHER with OUR MUSLIM BROTHERS who want 'free' Europe, who want 'peaceful' Europe, who want to 'integrate' like our forefathers integrated in Western Europe hundreds years ago, and they are OUR NATURAL ALLIES. John F. Kennedy secretly loved Hitler

" After visiting these two places you can easily see how that within a few years Hitler will emerge from the hatred that surrounds him now as one of the most significant figures who ever lived. He had boundless ambition for his country, which rendered him a menace to the peace of the world, but he had a mystery about him in the way that he lived and in the manner of his death that will live and grow after him. He had in him the stuff of which legends are made." ~ *John F.Kennedy, 1945*

JEWS behind WW2 & behind Kennedy's murder

" Lord God, give us the strength that we may retain our liberty for our children and our children's children, not only for ourselves but also for the other peoples of Europe, for this is a war which we all wage, this time, not for our German people alone, it is a war for all of Europe and with it, in the long run, for all of mankind." ~ *Adolf Hitler, Jan. 30, 1942*

Trump explains "Democracy" in a country run by JEWS

" This election will determine whether we are a free nation or whether we have only the illusion of democracy, but are in fact controlled by a small handful of global special interests rigging the system, and our system is rigged. This is reality, you know it, they know it, I know it, and pretty much the whole world knows it. The establishment and their media enablers will control over this nation through means that are very well known. Anyone who challenges their control is deemed a sexist, a racist, a xenophobe, and morally deformed. They will attack you, they will slander you, they will seek to destroy your career and your family, and they will seek to destroy everything about you, including your reputation. They will lie, lie, lie, and then again they will do worse than that, they will do whatever is necessary." ~ *Donald Trump, October 13, 2016*

In EVERY white country and ONLY white countries

Jews open the gates for mass non-white immigration from high fertility cultures: Muslims, Africans, Latinos

Jews promote feminism to remove the role of mother & restrict formation of white couples & white children

Jews give financial support of all sorts to non-whites to even make more children from the taxes of whites

Jews promote race mixing in their media & education

Jews promote equals rights and forced integration & forced assimilation of non-whites in jobs & housing

Jews create anti-racist laws & movements & liberals

Jews promote that race does not exist except for Jews

Jews program the Whites that they are guilty forever for the miseries & poverty of all non-Whites, not race

Jews inform the Whites about their unavoidable brown & non-Christian & non-European cool future

Why JEWS Islamize the West?
" The Messiah (of the Jews) will come when Edom, Europe, Christianity has totally fallen. So I ask you: Is it good news that Muslims are coming to Europe? It is excellent news, it means the coming of the Messiah! Excellent news! "~Rabbi Rav Touitou, 2013

To communicate anything to a Goy about our religious relations would be equal to the killing of all Jews, for if the Goyim knew what we teach about them, they would kill us openly.

Alice, why are you against the JEWS?

I am against the JEWS because they have a satanic plan to rule the world which requires the destruction of Western Civilization. JEWS own all European & American media & politics and brainwash us about everything. JEWS run Porno industry, created homosexual laws & organizations, created abortion laws, created feminist revolution & propaganda, all to destroy White (European) Christian family and culture. JEWS flood our White Christian countries with millions of Africans and Muslims and 3rd worlders who hate us because our JEWISH run government stole their resources for the few JEWISH elite. JEWS are genociding our RACE & civilization by Islamizing White-Christian Europe with millions of Browns, Arabs and Blacks, programming our people about "equality" and the "cool" miscegenation to breed our race out of existence. JEWS cover the huge number of crimes done by non-Whites & Muslims while amplifying our tiny number of crimes, all to get these violent programmed haters destroy our civilization

Three reasons why ALL anti-JEWS of the World should support TRUMP

1 He is against globalism or all unions created by JEWISH lobbies and bankers (TPP, TTIP, NATO, NAU, AMERO, EU...). He is Nationalist Patriot he only wants the benefits of America not the JEWISH globalist agenda of a world without borders, nations, identities, and real diversity. This will trigger a worldwide awakening in all Western countries.

2 He is politically incorrect; this opposes the JEWISH lobbying in USA and Europe against free speech concerning many topics such as the massive immigration in all and only white countries, or the role of Islamic teachings in radicalism and the clashes in Europe and the world.

3 He wants to make alliance with Russia and destroy Islamic terrorism ISIS (created by the JEWS) which has a goal of Islamizing & de-Christianizing Europe by unlimited number of Muslim immigrants and emptying the Greater Israel land for the future expansion of Israel that will happen IF the JEWISH planned WW3 happens and destroys White-Christian civilizations leaving a space for Pax-Judaica. *Alice.F*

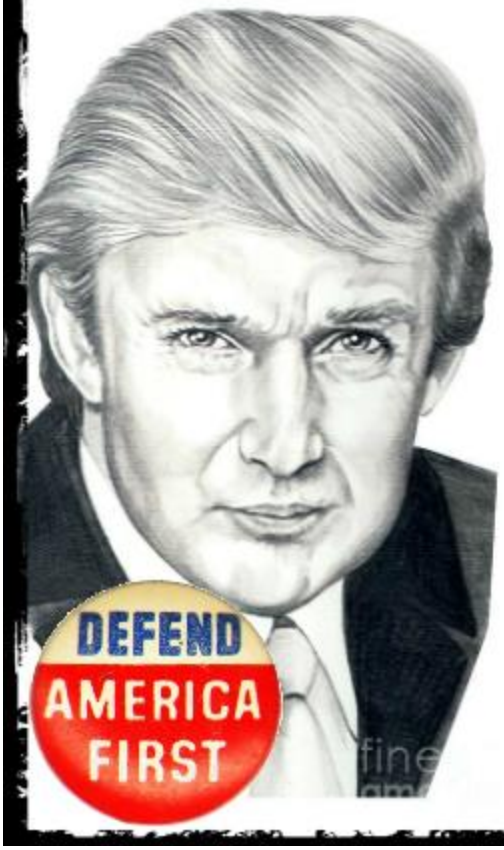
OH HELL YEAH ! TRUMP PLANS TO SCRAP NAFTA



NAFTA was basically a Jew Globalist scam from the get go. The purpose was to allow (((corporations))) to get richer by relocating their operations in Mexico and reselling the products in the US and Canada without having to pay tariffs. This increased profits because they could then avoid the heavy environmental and administrative regulations present here. The common American (or Canadian, for that matter) didn't benefit from this, as it certainly caused a lot of jobs to be lost and thus general salaries to drop as well.

Israeli Journalist Admits Alt-Right Prejudice Against Jews is Justified

"Most of the values, goals and policy objectives of the Trump administration, even if they turn out to be a paler and more palatable version of his campaign rhetoric, are diametrically opposed to those of most American Jews.

They support immigration, pluralism, multiculturalism, social reform, government intervention, separation of church and state, gay marriage, abortion rights and on and on. It is easy to see, in fact, why so many of Trump's radical supporters would view the Jews as their mortal enemies."

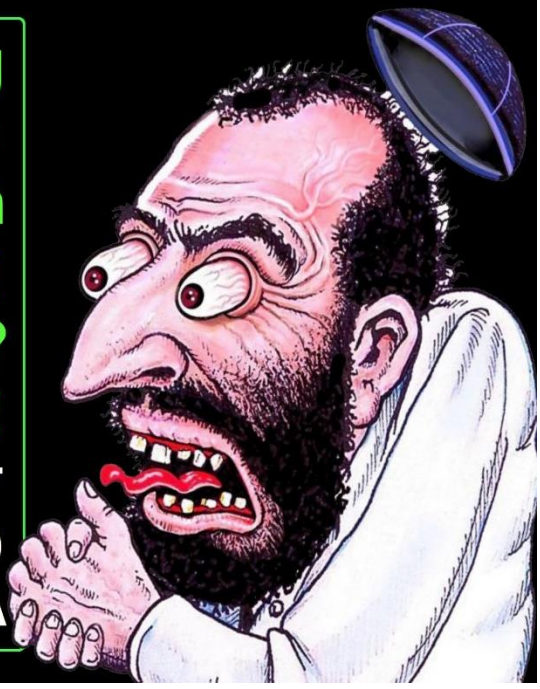
WE WANT TO DESTROY AMERICA NOT TO MAKE IT GREAT AND WE WANT TO DESTROY ALL COUNTRIES USING USA



IS TRUMP AGAINST THE JEWS?

JEWS want to bring into the USA Islamic massive immigration of fake refugees between them ex-fighters of ISIS & Islamize America

JEWS cover their central power in the rigged American media, Wall Street and the Washington establishment and call the truthers: "conspiracy theorists"

JEWS want a world government disguised as "Free Trade Agreements". They do that in all western countries to dilute the concept of "Nation" and prepare a one-world country without borders with one currency and one world government run by JEWS

JEWS are behind the war on Iraq, 911 false flag terrorist attacks on America blamed on Muslims, the "war on terrorism", the war on Libya, the rise of ISIS, the financing & arming of the terrorist Muslims of ISIS, the massive Muslim immigration to the West

TRUMP wants to stop their plan but build a refugee camp & safe Zone inside Syria and stop the JEWISH Islamization of the west

TRUMP explained to the American public that the SAME PEOPLE - so called "special interests", control all of the mainstream media, Wall Street and the American Politics

TRUMP wants to preserve Nationalism & Patriotism to keep America a sovereign nation ruled by American institutions (even if these institutions are now under JEWISH control). He opposes TPP, NAFTA, EU union, TTIP & all unions that impoverish America.

TRUMP exposed the American unjust wars on Muslim nations, and the American involvement in the rise of ISIS. He opposed the 911 official story, he wants peace with Russia to stop together ISIS while the JEWS want America to start WW3 with Russia over Syria

Trump is doing what JFK did.

JFK pretended to be a zionist puppet and kissed Jewish ass to become president, but once he became president, JFK double-crossed the Jewish mafia and started removing the Jewish control over America, until the Jews assassinated him. Trump has to be smarter than Kennedy & not let the Jews kill him

If Trump was really "working for the jews,"

- relations with Russia would not already be normalizing, which they are.
- Trump would not be saying to leave Assad alone and go after ISIS.
- The EU president would not be steaming quaking in his boots.
- The news media, the jewish puppet-show known as Hollywood, and the political establishment would not be screaming bloody murder in the the unprecedented way they are doing.
- The Russians would not suddenly be preparing their heavy bombers for the most intense attacks against the so-called "Syrian rebels" who are really NWO mercenaries, knowing that the US will back the Syrian government.
- WW III tensions would still be on the rise.

Hitler was freeing you from Jews !

But he lost and it was catastrophic for Europeans because now the Jews have such a hold on the system they are busy exterminating the White race and you can't do nothing about it. They have a lock on power because Germany lost WW2.

Hitler had the Jews nailed – he had them figured out. When you come out of the Jewish matrix of lies, you will not only know the truth, you will see Hitler in a totally different way.

Hitler exposed Jewish power, he named them the problem then he organized the state against them which is exactly what we must do.

Never let Jews convince you that "antisemitic" is synonymous with false

That isnt the case. A statement can be antisemitic and true at the same time. Furthermore, any effort at making it seem as if all antisemitic statements must necessarily be false is itself suspicious and likely to be an effort at deception.

Indeed, much of the speech that has been called antisemitic has been nothing more than correct information that the Jews find inconvenient for other people to know. But since those antisemitic statements ARE TRUE, they cant really engage the world in debate and win

So, instead, they resort to getting control of the media and then censoring everybody who tries to reveal antisemitic truths. And they get control of the government so that they can pass laws against hate speech, which, really, is truthful speech about Jews.

This law has now been adopted by most western countries.

There is a reason why Jewish interests have pushed to make laws banning people from questioning the official story of the supposed Holocaust.

The reason being is because if you analyze what happened based on facts, logic and reason than it is impossible to conclude that six million Jews died in Germany's World War II concentration camps.

In fact the number of six million dead Jews was used by Zionists many times before World War II to promote their political agendas. If the Holocaust was real as the Jews claim it was, than there would be no reason to have such laws passed because anyone claiming otherwise would be easily dismissed through factual evidence.

Political Correctness is also a Jewish creation and social engineering program the Jews use to brainwash the masses into submitting to the policies and ideas of the state and mass media, both controlled by the Jews.

The most important thing we as Humans can do right now to save our countries and our freedoms is to expose the Jews and proudly wear as a badge of honor any label they try throwing at us. "Nazi" or whatever. BE PROUD

There is no debating that Jews play prominent roles throughout the banking system, the media, Hollywood, politics and in many other important economic sectors. ----- WW2 TRUTH 101 -----

Germany or Hitler were never Racist

One of the famous American 'Tuskegee Airmen', Alexander Jefferson, wrote a book called 'Red Tail Captured, Red Tail Free' where he talks about being a second class citizen in his own country.

Jefferson during WW2 was shot down and put into a German P.O.W. camp where for the first time in his life he wasn't segregated from the white troops. He recalls the incredible irony of finally being freed and returning home and no sooner did he walk off the ship when he was told 'Whites to the right, niggers to the left'!

The brilliant black historian and sociologist W.E.B. Du Bois visited National Socialist Germany in 1936. He related that he received more respect from the German academics then from his white colleagues back in America. He was treated like a human being in Germany, and stated: 'The National Socialists did not show any trace of racial hatred toward blacks.' Society under Nazis was completely integrated.

The ACCURATE way to look at Israel, the Jews and the Antichrist is to see Present-Day Israel, the Antichrist and the Antichrist's rule over the world as Satan's counterfeit of true Israel, Jesus Christ and Christ's Millennial Kingdom.

Israel is not the 'holy land'. It's a satanic cesspit full of sick Christ-hating Jew faggots and blood-thirsty murderers !!!!!!!!!

It is undeniable that God Himself, in Revelation 11:8, declares that in the last days just prior to Christ's return, one of the most wicked places on earth will be Jerusalem and Israel. In the book of Revelation God calls Jerusalem "Sodom and Egypt."

You Jews always try to turn every country you infest into sick, corrupt and vile societies.

You tried to do the very same thing to the Weimar republic in Germany during the 1920's, but the people said "to hell with that" and elected Adolf Hitler to put a stop to your perverted visions.

Throughout history Jews have been kicked out of hundreds of countries.

It is impossible to say that this was the fault of the host nation each and every time.

They are a nomadic race of swindlers who can only thrive when they suck off a host nation like a parasite or a leech with their scams.

That's why they've been removed each and every single time.

We must BAN judaism from our homelands

Historian Josephus Reports on the 'Homosexual Jewish Warriors'

Josephus, in reporting on the Jewish rebellion (66-70 AD) against the Romans, stated there were principally three Jewish factions fighting against the Roman army of Titus and Vespasian, which had laid siege to Jerusalem.

One of the factions was the Galilean gangs of John of Gischala, whose members were reprobate homosexuals. Their "degenerate practices" were distasteful to the others who warred against them.

Josephus reported that this homosexual faction of warriors adopted peculiar methods:

"Not content with looting throughout the city, they unscrupulously engaged in effeminate practices, plaiting their hair and attiring themselves in women's apparel, drenching themselves with perfumes and painting their eyelids to enhance their beauty... Yet, while they wore women's faces, their hands were murderous, and approaching with mincing steps they would suddenly become warriors and whipping out their swords from under their dyed mantles, transfix whomsoever they met."

Today, in the United States, it has been the Jews who have led the people into a confused tar patch of wicked homosexuality.

Jews are the founders of almost all the gay and pro abortion organizations.

Why ? The undermining of the morals of a nation keeps the Jews in control

Jews are Satanic beasts that have been cursed by God ever since they offered to take the blood of Christ upon themselves and their children (Matthew 27:25).

If we want to save America and Europe from destruction, we must OUTLAW Judaism and BAN JEWS by LAW from banking, politics, media and all other key sectors of society.

"If this hostility, even aversion, had only been shown towards the Jews at one period and in one country, it would be easy to unravel the limited causes of this anger, but this race has been on the contrary an object of hatred to all the peoples among whom it has established itself. It must be therefore, since the enemies of the Jews belonged to the most diverse races, since they lived in countries very distant from each other; since they were ruled by very different laws, governed by opposite principles, since they had neither the same morals, nor the same customs, since they were animated by unlike dispositions which did not permit them to judge of anything in the same way, it must be therefore that the general cause of anti-Semitism has always resided in Israel itself and not in those who have fought against Israel." ~ Bernard Lazare (1894)

"It can hardly be an accident that antagonism directed against the Jews is to be found pretty much everywhere in the world where Jews and non-Jews are associated. And as the Jews are the common element of the situation it would seem probable, on the face of it, that the cause will be found in them rather than in the widely varying groups which feel this antagonism."

U.S. ATTACKED

HIJACKED JETS DESTROY TWIN TOWERS AND HIT PENTAGON IN DAY OF TERROR

A CREEPING HORROR

Buildings Burn and Fall as Onlookers Search for Elusive Safety

By N. R. KLEINFIELD

It kept getting worse.

The horror arrived in episodic bursts of chilling disbelief, signified first by trembling floors, sharp eruptions, cracked windows. There was the actual unfathomable realization of a gaping, flaming hole in first one of the tall towers, and then the same thing all over again in it's twin. There was the merciless sight of bodies helplessly tumbling out, some of them in flames.

Finally, the mighty towers themselves were reduced to nothing. Dense plumes of smoke raced through the downtown avenues, coursing between the buildings, shaped like tornadoes on their sides.

Every sound was cause for alarm. A plane appeared overhead. Was another one coming? No, it was a fighter jet. But was it friend or enemy? People scrambled for their lives, but they didn't know where to go. Should they go north, south, east, west? Stay inside, go indoors? People hid behind cars and each other. Some instinctively jumping for the river.

President Vows to Exact Punishment for 'Evil'

By SERGE SCHMEMANN

Hijackers rammed jetliners into each of New York's World Trade Center towers yesterday, toppling both in a hellish storm of ash, glass, smoke and leaping victims, while a third jetliner crashed into the Pentagon in Virginia. There was no official count, but President Bush said thousands had perished, and in the immediate aftermath the calamity was already being ranked the worst and most audacious terror attack in American history.

The attacks seemed carefully coordinated. The hijacked planes were all en route to California, and therefore gorged with fuel, and their departures were spaced within an hour and 40 minutes. The first, American Airlines Flight 11, a Boeing 767 out of Boston for Los Angeles, crashed into the north tower at 8:48 a.m. Eighteen minutes later, United Airlines Flight 175, also headed from Boston to Los Angeles, plowed into the south tower.

Then an American Airlines Boeing 757, Flight 77, left Washington's Dulles International Airport bound for Los Angeles, but instead hit the western part of the Pentagon, the military headquarters where 24,000 people work, at 9:40 a.m. Finally, United Airlines Flight 93, a Boeing 757 flying from Newark to San Francisco, crashed near Pittsburgh, causing the pas-

HIRING IN NATION HITS WORST SLUMP IN NEARLY 20 YEARS

LAYOFFS DESPITE GROWTH

Surge in Number of Workers Who Have Stopped Looking for Jobs Since Summer

By DAVID LEONHARDT

The economy has fallen into its worst hiring slump in almost 20 years, and many business executives say they remain unsure when it will end.

The employment decline has become even worse than it was at a comparable point in the so-called jobless recovery of the early 1990's, according to recently revised statistics from the Labor Department. The economy has lost more than two million jobs, a drop of 1.5 percent, since the most recent recession began in March 2001, as layoffs have continued despite the resumption of economic growth more than a year ago. The decline was 1.3 percent at the same point in the business cycle a decade ago.

About one million people appear to have dropped out of the labor force since last summer, neither working nor looking for a job, according to government figures.

The surge in discouraged workers is the most significant since the months immediately after the recession's start. This suggests that the pain of joblessness has worsened even though the official unemployment rate, which counts only people looking for work, held steady at 6 percent in December.

"Last year," said Tom Krebs, 36, who lost his job at a machinery maker in South Bend, Ind., in May, "I heard a lot of people say, 'Come back after the first of the year; if the economy picks up, we might hire some people.' But so far, I haven't found anybody who's hiring."

The shortage of jobs has also slowed wage growth so that only workers in the most affluent groups are still earning enough an inflation-

POWELL, IN U.N. SPEECH, PRESENTS CASE TO SHOW IRAQ HAS NOT DISARMED

A TONE OF URGENCY

Concealment Is Charged by U.S. — Evidence for Possible War

By STEVEN R. WEISMAN

UNITED NATIONS, Feb. 5 — Secretary of State Colin L. Powell, pressing the American case for a possible war to disarm Iraq, today presented photographs, intercepts of conversations between Iraqi military officers and information from defectors aimed at proving that Saddam Hussein poses an imminent danger to the world.

Among the evidence presented at the United Nations Security Council were recordings of Iraqis referring to "nerve agents," and to apparent efforts to remove incriminating material before the arrival of United Nations inspectors. Scratchy-sounding voices in Arabic saying, "We evacuated everything," "Zeroize," and "Forbidden ammo," echoed eerily in a chamber clearly tense over the possibility of war.

On two big screens, the secretary also showed satellite photographs of what he said were chemical and biological facilities, and drawings based on witnesses' descriptions of trucks and rail cars converted into mobile laboratories for lethal materials, allegedly intended to evade detection. He said various records and intelligence showed that Mr. Hussein was making nuclear weapons and developing rockets and aircraft to deliver all his weapons.

In the Bush administration's most explicit effort to connect the activities between Iraq and Al Qaeda, Mr. Powell suggested that Iraq's lethal

What's the difference between Putin and Obama ?

Putin is a agent of the Lord Christ Jesus and is Christianizing Russia !

Obama is a agent of Christ's enemies, the JEWS, and the JEWS RULE America

And that's exactly what the "Russian hacking" Jew-owned media lies are all about, the Jewish hatred of Christian Russia.

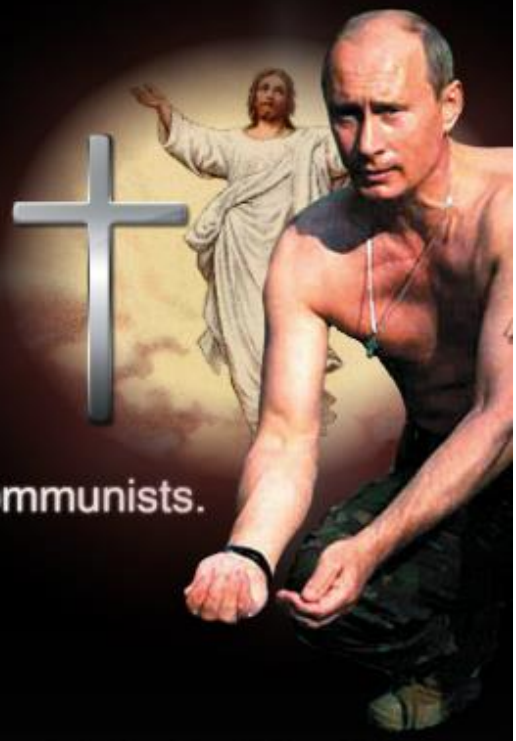
Obama, and the Jews who enable him, can only demonize Putin in the Jew-owned media, and do no more.

They can lie about Vladimir Putin…while he expands his Christian agenda for Russia:



- ✝ Putin has Banned Homosexual Parades
- ✝ Forbids Homosexual Propaganda.
- ✝ Installed Orthodoxy 101 In Public Schools
- ✝ Closed Gambling Casinos.
- ✝ Declared Orthodoxy A National Holiday
- ✝ Rebuilt 23,000 Churches Destroyed By Communists.
- ✝ Banned Abortion Ads
- ✝ Promotes Large Christian Families.
- ✝ Positions The Church To Influence Education, Family Life, And The Military.

IS IT ANY SURPRISE that the Jews and their puppet Obama fear Putin? Is it any wonder that Putin gets bad press in Jew-controlled America?

It's a spiritual war, and the Jews and their shills are losing to Holy Russia.

CHRISTMAS CELEBRATIONS IN ALEPPO!

After Christian Russia and Syria purged the US backed Islamic radicals from Aleppo, there are people celebrating Christmas in the war torn city !

Would this be happening if the so-called “rebels” were still in the city? I think not. God bless Putin for saving Syria from falling into the hands of satanic international jewry.

The Menorah symbolizes Hanukkah which represents Jewish separatism.

Let me quote to you from a typical Jewish account of it. I take this quote from Zipple: the Jewish Supersite. Here are some excerpts:

Quote - … "the eight-day holiday celebrates the Jewish military victory against the Syrians…, Underlying Chanukah is a theme just as central today as it was 2,000 years ago, the fight against assimilation. Today, just as then, Jews are well accepted; the Maccabees revolted not only against the ruling Syrians, but against the prevailing Jewish practice of Hellenization."

"Hellenization" can today easily be interchanged for Americanization or assimilation.

In a nutshell - Hanukkah celebrates the mass murder against both the Greeks and all Jews who married Greeks or accepted Greek culture.

smoloko.com

that face you make when you find out. . .
Hanukkah is Symbol of Jewish Racism and Murder ! The celebration of Hanukkah is actually a celebration of Jewish racism, supremacism and ultimately even murder of Jewish enemies and it is the literal opposite of the Christian Christmas motif of "Peace on Earth and Goodwill toward Men!"

Jewish organizations have been the leaders of the legal fight to ban Christian Christmas symbols from American public life.

The largest Jewish organizations in America such as the American Jewish Committee, has financed and sponsored numerous lawsuits saying that Christian Manger scenes and Christian crosses cannot be erected on any public ground.

With the media overwhelmingly owned and run by Jewish tribalists, and with the American political and judicial system thoroughly run by Jewish money and Jewish influence, the Jews have completely banned any Christian Christmas celebration from any public ground and in any public institution.

The truth is, Israel was founded in 1948 by Jewish terrorists connected to the Stern and Irgun gangs.

Israel's earliest political leaders were avowed communists who sought—and still seek—a Leninist/Marxist utopia, to be ruled, of course, by a divine Jewish king. Their aspirations were fully supported by Meyer Lansky and other Jewish Mafia thugs in the United States.

These (((gangster elements))), through the decades, have used sex, bribery, and money to corrupt America's Presidents and other politicians. As a result, the United States and its European allies have regularly fed The Golem and have transformed tiny, bankrupt and incompetent socialist Israel into a Modern Sparta, bristling with nuclear bombs, missiles and nuclear-capable aircraft.

It's obvious the Jews are doing the same evil dirty shit that they did to Hitler to Putin.

The heavy moral burden that the Jew World Order warmongers are placing on Putin's shoulders parallels the outrageous provocations of Hitler during that fateful pre-war years of 1937-1939.

Hitler was a peaceful man. He didn't start WW2. The Jews started WW2 to take back control of Germany from Hitler who (temporarily) freed Germany from the Jews and their tyranny.

Putin is a peaceful man. He doesn't want war. The Jews want to start WW3 to take back control of Russia from Putin who has removed the Jews from power. If Putin's Christian agenda is not stopped, the Jews will not achieve their satanic goal of a global government - Jew World Order.

"Fortunately" for Russia, they only have to endure one more month of this crap before Orange Man can arrive and hopefully begin the process of cleaning out the warmongering rats from the bowels of the CIA and the Pentagon. Let's hope Putin's patience can hold out that long.

It is a moral crime against all humanity to defend Jews, Judaism or Jewishness in any way !

Why ? because the Jewish religion commands its followers to kill or enslave all the non Jewish inhabitants of the world, according to its holy book, the Talmud.

It also mandates its adherents MUST lie to non Jews or suffer penalties from its rabbis.

There are hardly any honest Jews ! The Jewish religion FORBIDS Jews from being honest with non Jews! Hundreds of quotes reinforcing this philosophy in the Jewish psyche can be cited from the nasty books at the heart of the Jewish religion, the Talmud and the Torah.And ample evidence of this practice can be seen no matter which way we turn.

Judaism is the primary problem - not Zionism

It's not the 'zionists', it's the Jews and you dare not say them by name because the parasite can not afford to be exposed to the light of truth. All the Jews, whether atheist or religious are part of this system of world wide domination because it is a cultural expression of the Jewish mind.

You are not allowed to expose the obvious relationship of Zionism to Judaism, you are never allowed to say outloud that Zionism is the only logical political expression of Judaism, that stealing Palestine is a natural part of their religion, you are never allowed to tell the public that Jews are parasites that thrive in the lie frequency, that nearly everything that every single Jew has every said is a lie.

Never say on the radio that Zionism is the child of the Torah, that Zionism is not only the political expression of Judaism, it is the only logical expression of the Jewish religion. Never point out that Jews have a parasite mentality, that they view themselves as superior to all other men, that their religious Rabbis preach that all men only exist to serve them.

Never mention that Zionism viewed as a positive expression of Jewish character. Never make the connection that Jews are domineering supremacists and actually love stealing a natives land then squashing any dissent in the media they own, that they revel in ecstasy watching a Palestinian suffer their predation. Never see that this is normal Jewish behavior that is inherento their culture, and that is applauded by those who guide them tohighest levels of godhood.

OHIO JEWISH CHRONICLE

Serving Columbus and Central Ohio Jewish Community

l. 19 No. 21 | COLUMBUS, OHIO, FRIDAY, MAY 17, 1940 | Devoted to American and Jewish Ideals

Robert Schiff Heads 1940 United Jewish Fund Drive

Robert W. Schiff

Facing a year expected to tax its resources to the utmost, the United Jewish Fund of Columbus will officially open the 1940 campaign on Tuesday, June 11, with Robert W. Schiff, prominent business executive, heading the drive as general chairman. Announcement of Mr. Schiff's appointment was made this week by Edwin J. Schanfarber, President of the Fund organization during the past fourteen years.

The United Fund chairman will have the assistance of such capable vice chairmen as I. W. Garek, Ralph Lazarus, Herbert Levy, Leonard Kohn, Albert Schiff and Robert Weiler. Already for the past few weeks these men have been busily engaged in formulating plans for this forthcoming fund raising effort.

Other important heads who have accepted posts in this year's campaign are, Mrs. Alfred Kobacker, Women's Division; William Wasserstrom, chairman of the Speakers Bureau; and Dr. Don Shusterman, Junior Division.

In accepting the chairmanship of this year's United Jewish Fund Campaign, Mr. Schiff issued the following statement to Columbus Jewry:—

"Over six million Jews in Central and Eastern Europe are faced with great danger of annihilation as the result of the sweep of war and oppression. An increased quota over last year is imperative in order to raise funds to bring immediate relief, and rehabilitative aid to war sufferers overseas, and assistance to emigres coming to the United States.

Jewish life in Europe is faced with a 'blackout' in the grimmest sense of the word. This places upon every community in America the greatest responsibility since the first World War created a wide-spread emergency relief problem.

I am calling upon the Columbus Jewish community to establish a new standard of generosity in the campaign which will open Tuesday, June 11, in order that the unprecedented emergency in Jewish life may be met through large-scale efforts.

Realizing full well that a tremendous responsibility rests upon the General Chairman in attempting to raise the largest quota ever asked of this community, I am confident that with the cooperation of my Vice-Chairmen, committee heads and workers, local Jewry will answer the challenge of the times as it has always done."

Robert W. Schiff

Robert Schiff, although a well known public-spirited citizen in our community for a number of years, has had little time to devote in active participation of both local and national movements. His contributions, however, to all worthy causes have more than offset this handicap.

Mr. Schiff began his career as a shoe salesman in 1916, and within four years had reached the point where he, together with [illegible] able to found their present organization, The Schiff Co., with general offices located at 35 N. Fourth St. The firm to-day is the third largest Shoe Chain with approximately 287 stores from coast to coast and over 1500 employees.

Among the familiar personalities in our midst who played an important part in the successful Schiff enterprise are Albert Schiff, 2389 Bryden Rd., Morris Schiff, 63 S. Cassady Ave., William Schiff, 211 S. Cassingham Rd., Jack Schiff, 2717 Fair Ave., Saul Schiff, 2538 Maryland Ave., Edw. Schiff, 1805 Franklin Pk. S., Earl Coplon, Jule Mark, 2672 Fair Ave., and Abe Jacobson, 223 S. Cassingham Rd.

By his genialty, his kindness and his thoroughgoing loyalty, Robert Schiff has endeared himself to thousands here and thruout the state. The Ohio Jewish Chronicle desires to commend the local leadership in their choice of this year's campaign head. It assures him every cooperation in conveying the weekly message to our people in this, the greatest of all humanitarian efforts.

Commission to Visit Europe and Prepare a Memorandum for President Wilson.

LANSING GIVES PERMISSION

Mass Meeting Hears That 127,000 Jews Have Been Killed and 6,000,000 Are in Peril.

"We come out now before the world with the determined slogan, 'Those pogroms must stop,'" said the President in his annual message. "It is only a question of holding these facts continually before the civilized world: we must not permit the world to slumber. This fact that the population of 6,000,000 souls in Ukrainia and in Poland have received notice through action and by word that they are going to be completely exterminated—this fact stands before the whole world as the paramount issue of the present day."

Dr. Paul Nathan's View of Russian Massacre

STARTLING reports of the condition and future of Russia's 6,000,000 Jews were made on March 12 in Berlin to the annual meeting of the Central Jewish Relief League of Germany by Dr. Paul Nathan, a well-known Berlin publicist, who has returned from an extensive trip through Russia as the special emissary of Jewish philanthropists in England, America, and Germany, to arrange for distribution of the relief fund of $1,500,000 raised after the massacres last Autumn.

Dr. Nathan paints a horrifying picture of the plight and prospects of his coreligionists, and forecasts at any hour renewed massacres exceeding in extent and terror all that have gone before. He left St. Petersburg with the firm conviction that the Russian Government's studied policy for the "solution" of the Jewish question is systematic and murderous extermination.

Dr. Nathan read to the meeting a circular addressed to the garrison of Odessa, calling upon the soldiers to "rise and crush the traitors who are plotting to upset the holy Government of the Czar and substitute for it a Jewish empire."

He concluded with an appeal to the Jewish money powers of the world to arrest Russia's career as a borrower. The financiers of the world should call a halt to Russia, not only for humanitarian reasons, but for practical reasons. Russia's bankruptcy is an established fact, he added.

After reading in your valued paper the sermon of the Rev. Dr. Silverman on "Zionism," I would ask of you to grant the permission to write a few words in answer.

First, he says "Zionism is based on a fictional, fictitious, or imaginary love of Zion. Why should I love Zion, which I know not and where I have never been. * * * I have every reason to love American taste than Palestine."

In answer I would say: Does Dr. Silverman represent the 6,000,000 Jews in Russia,

Russia, he said, seemed to prefer its own bloody experience in learning the power of the people to profiting by the experience and the history of other nations.

GENERAL FRANCISCO FRANCO (1892-1975) was a devout Roman Catholic.

The Jewish Propaganda Machine, that is, the Jewish-controlled Press, Media, and Publishing houses, labeled General Francisco Franco as a "fascist." The Jewish-published history books still do the same.

The reason why the Jews labeled General Franco as a "fascist" was because Franco saw his actions as a crusade to place the Church and the nobility at the center of Spanish life.

Since the Jews would have no political control in such a "Christian" scenario, Franco has been branded by the Jews as a "fascist." This is what the Jews are all about: control. It's only a matter of time before Christians rise up once again—as they did in Spain—to stop the Jews!

ATROCITIES OF THE JEWISH COMMUNISTS COMMITTED AGAINST SPANISH CHRISTIANS IN THE SPANISH CIVIL WAR

HERE ARE EXAMPLES of the atrocities committed by the Communist Jews in Spain:

- In Barcelona on July 17 1936, a Jewish group from Stalin's International Brigade called at the Dominican Convent in Barcelona. The Jewish leader informed the Mother Superior that because of fear of mob violence he had orders to take the nuns to a place of safety.

~ The soldiers took the unsuspecting nuns to the suburbs and shot them all in cold blood. Afterwards, the leader remarked, "We needed their building. We didn't want to muss it up before we occupied it."

- In Barcelona in 1937, the Naftali-Botwin Jewish Company tortured and mocked a priest before they finally hung his dismembered body from a statue of the Virgin Mary.

~ A second priest was transfixed to a made-up crucifix and hung on it while he was still living.

- In Huelva Spain in 1938, the mayor of the city turned over the civil administration to Stalin's International Brigade. Their first act was to torture and shoot all the priests of the city. The nuns of Huelva were stripped naked and driven into the streets to provide sport for the Jewish Communists. Then they were all shot in cold blood.

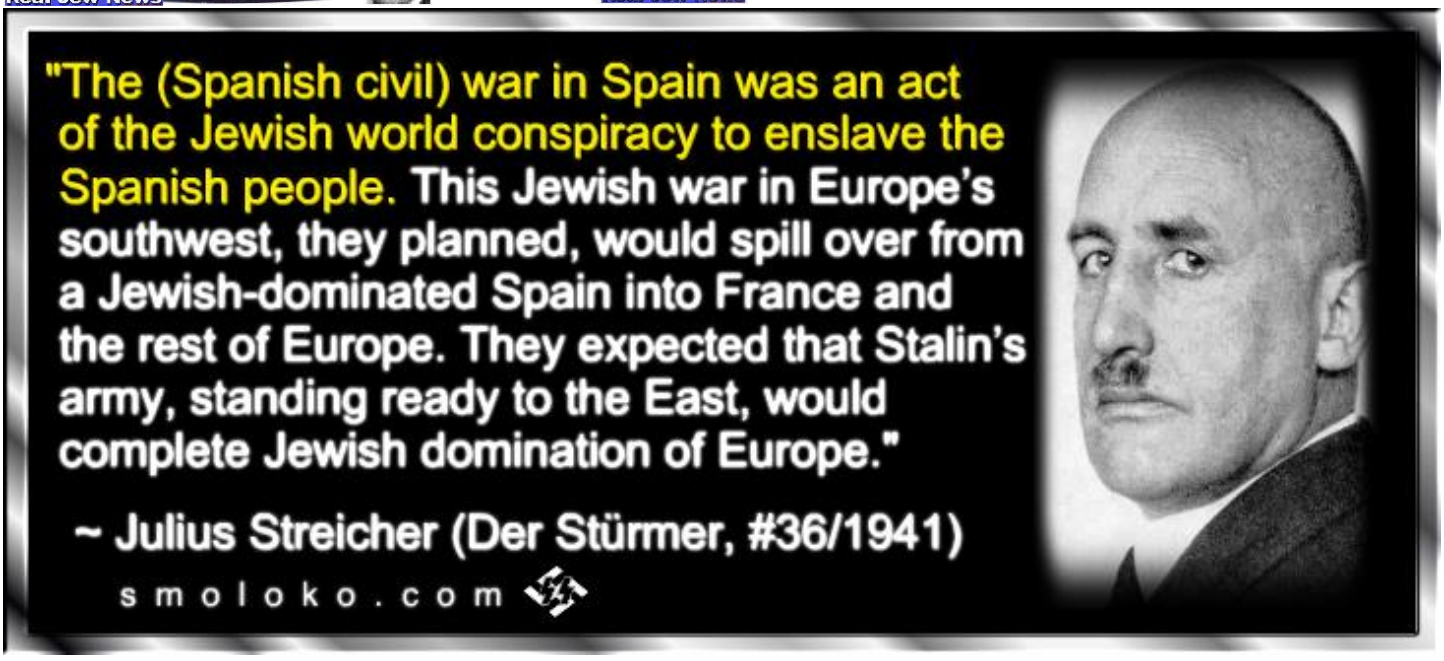
Jewish Murderers Of The Spanish Civil War



TATTOO BUSINESS WAS CREATED BY JEWS

yep, the (((killers of Christ))) are pretty much behind every form of degeneracy you can think of . . .

This might anger some people who read the site but decades ago having tattoos was considered low class. Thanks to the Jews however, they have made defacing your body with tattoos, piercings and other weirdness a hip and trendy fashion statement.

Tattooing is nothing but a fake act of rebellion propagandized by the Jew entertainment and media companies so other Jews could profit.

Any tattoo you receive, no matter how innocent or benign you might think it is, speaks across dimensions into the realm where demons, spirits and other ungodly beings dwell.

This is why the Bible forbids the people of God from getting tatted! "You shall not make any cuts on your body for the dead or tattoo yourselves: I am the LORD." *Leviticus 19:28 ESV

If you haven't seen the movie "They Live" yet I would encourage everyone to give it a watch. If you substitute the aliens for Jews, it actually provides great insight into how today's world operates.

The movie 'They Live' is prophetic

it is not about aliens, it is about us right here and right now in the consumer society lorded over by Jews who are all in on it with each other while the dumbed down Goyim are unable to see the Jew plot that consumes their productive effort !

Movies like "They Live' are important to the maturation of consciousness and our evolution. We must wake up and overcome the Jewish aggressors. But most refuse to grow up and see reality for what it is, most people are comfortably numb, droning on with their lives while the Jew makes bank and tears up the world in a parasitic frenzy. smoloko.com

One of the major themes presented in the movie "They Live" is how an (((alien race))) took over our systems by pretending to be humans.

Specifically, the film focuses in on how they took control over banks, big business and media. Sound familiar? This is what Jews have done to the West. They have masqueraded as a member of our own people and have exploited our trusting nature to subvert our societies.

If you watch "They Live" and look at the aliens as Jews, the movie can be perceived as a documentary on Jewish power.

I GOT SOME QUESTIONS RABBI !

The rise anti-Semitism in Europe wouldn't have anything to do with the fact that the current invasion of Europe by so-called refugees is a Jew-sponsored scheme (Kalergi Plan) fully intended to destroy the peoples of Europe, especially the Nordic peoples, and their cultural and spiritual values and turn them into a hodgepodge of races and ethnicities and religions and cultures that no longer have an identity of their own and are easier for the rapacious Jew to manage?

The rise of anti-Semitism all over the world wouldn't have anything to do with the fact that Israelis view the Palestinians as animals? Or that the State of Israel is openly and unashamedly genociding the Palestinians, using advanced weaponry against unarmed civilians, not even shying away from viciously killing women and children?

Anti-Semitism wouldn't by chance have anything to do with the fact that the Jew-sponsored Bolshevist revolution in Russia was responsible for the murder of a great man, Tsar Nicholas II, for the murder of his family, for the total destruction of a prosperous nation and the enslavement of its people? Does anti-Semitism really have nothing to do with the sadistic rampages of the Cheka, created by Jews for the express purpose of bringing the Russian intelligentsia to their knees and to the level of animals?

s m o l o k o . c o m

The rise of anti-Semitism in the United States wouldnt have anything to do with Israels attack on the USS Liberty and the Mossads master-minding of 911? Or the Jew-rigged and Jew-controlled Homeland Security, Israels occupying force in the US? Or the trigger-happy militarized Israel-trained thugs in the police force? Or the whores in the legal profession and judiciary that have turned away from the only real law there is, Common Law, and sold themselves to the highest bidder, the Jew and his egregious Talmudic law? It wouldnt have anything to do with the fact that Congress and Senate are on Israels payroll? Would it rabbi ?

Jews are hated because the criminally insane teachings of their so-called Holy Books – Torah and Talmud –

The hubris and delusions arising from Torah and Talmud teachings shape and mold their conscious and subconscious thought processes and cause them to behave in ways that are to put not too fine a point on it far far below the ethical standards of a civilized human being.

These teachings prime the mind for conduct that ranges from the insufferably obnoxious to the downright criminal; conduct which affects all levels of a society interpersonal relationships, business and national and international politics; conduct which, as history shows us, has poisoned and destroyed entire nations and will surely destroy the whole world unless we checkmate the Jew and remove him from all positions of power and influence forever!

"If this hostility, even aversion, had only been shown towards the Jews at one period and in one country, it would be easy to unravel the limited causes of this anger, but this race has been on the contrary an object of hatred to all the peoples among whom it has established itself. It must be therefore, since the enemies of the Jews belonged to the most diverse races, since they lived in countries very distant from each other; since they were ruled by very different laws, governed by opposite principles, since they had neither the same morals, nor the same customs, since they were animated by unlike dispositions which did not permit them to judge of anything in the same way, it must be therefore that the general cause of anti-Semitism has always resided in Israel itself and not in those who have fought against Israel." ~ Bernard Lazare (1894)

Expressing his concern regarding Jewry's agenda for world domination, Dostoevsky demonstrated how Jewish bankers had taken over Europe by the mid 1800's:

"It is not for nothing that everywhere in Europe the Jews are reigning over the stock exchanges, not for nothing that they control capital, not for nothing that they are masters of credit, and not for nothing, I repeat, that they are the masters of all international politics.

What is coming is the complete triumph of Jewish ideas, before which, sentiments of humanity, the thirst for truth, Christian feelings, and the national and popular pride of Europe must bow.

And what will be in the future is known also to the Jews themselves: Their reign is approaching, their complete reign!"

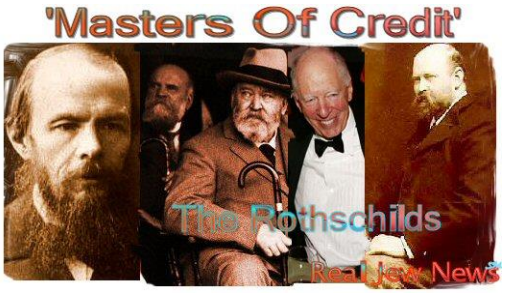
Mossad and CIA Holding Secret Meetings, Plotting to Undermine Trump Administration



FYODOR DOSTOEVSKY BROUGHT HIS PROPHECY to a head by predicting that Jewry's religious dictates, coupled with the control of the "Yid and his bank," would bring the Gentiles into complete subjugation:

"It is impossible to conceive of a Jew apart from his religion. They are all waiting for their messiah, all of them, from the lowest Yid to the highest and most learned philosopher and rabbi-Kabalist. They all believe that their messiah will unite them in Jerusalem and bring by his sword, all nations to their feet.

The Yid and his bank are now ruling over everything: over Europe, education, civilization, socialism, especially socialism, for he will use it to uproot Christianity and destroy its civilization. And when only anarchy remains, the Yid will be in command of everything.

For while the Jew goes about preaching socialism, he will stick together with his own, and after all the riches of Europe have been wasted, the Yid's bank will still be there."

~ Fyodor Dostoevsky (1877)

IN LIGHT OF JEWRY'S CONTROL of Europe's financial & social sphere, Fyodor Dostoevsky voiced his fears regarding Jewry's threat to Russia:

"What if there were only three million Russians and there were eighty million Jews? How would they treat Russians and how would they lord it over them? What rights would Jews give Russians?

Wouldn't they turn them into slaves? Worse then that, wouldn't they skin them altogether? Wouldn't they slaughter them to the last man, to the point of complete extermination?"

WILL THE JEW SHADOW GOVERNMENT RUNNING THE USA ASSASSINATE TRUMP ON HIS INAUGURATION DAY ?

heres what could happen; jews now are sending american soldiers to Poland, then they will show on the media that Russia is angry from that and will assasinate Trump. Jews will blame Russia for the assasination of Trump then they will start WW3 with Russia.

If America is ever to become great, then Trump must do five things in his first hundred days.

1. **Close down the Federal Reserve Bank**, it's not federal, but a consortium of Jewish banks that creates money out of thin air and gouges us with interest.

Replace it by coining our own money as the Constitution mandates. The enslavement to Jewish bankers will thus come to an end.

2. **Repeal Roe v. Wade which gives states a license to kill.**

I'm talking about the wholesale murder of humans while nestled in their mother's wombs. This is a violation of God's law against homicide.

But the Jewish feminists, Betty Friedan, Susan Sontag (born: Rosenblatt), and their NOW organization that pushed it, spat in the face of God's commandment, "Thou shalt not kill."

3. **Repeal Obergefell v. Hodges which gives the states the license to sanction same-sex marriages.**

Do we want a government that's God's enemy? Not a good idea. But Jewry doesn't mind, beginning with their striking down the Defense of Marriage Act, and enabling 4 Jews on the Supreme Court to redefine the meaning of marriage.

4. **Repeal the Open Immigration Law of 1965, pushed by the American Jewish Committee and its front man, Senator Jacob Javits.**

Its aim was to bring in massive 'non-professional' Third World immigration in order to destroy a homogeneous Christian society in which Jews cannot rule supreme. No Muslim registry is necessary. Repeal the law and revert back to pre-1965 immigration restrictions where only a limited number of "professional" immigrants could come in.

5. **Register AIPAC and the Jewish lobbies that have taken over Capitol Hill as agents of a foreign nation.**

Once done, all their billions will be barred from funding political hacks who sell out America's interests to those of Israel.

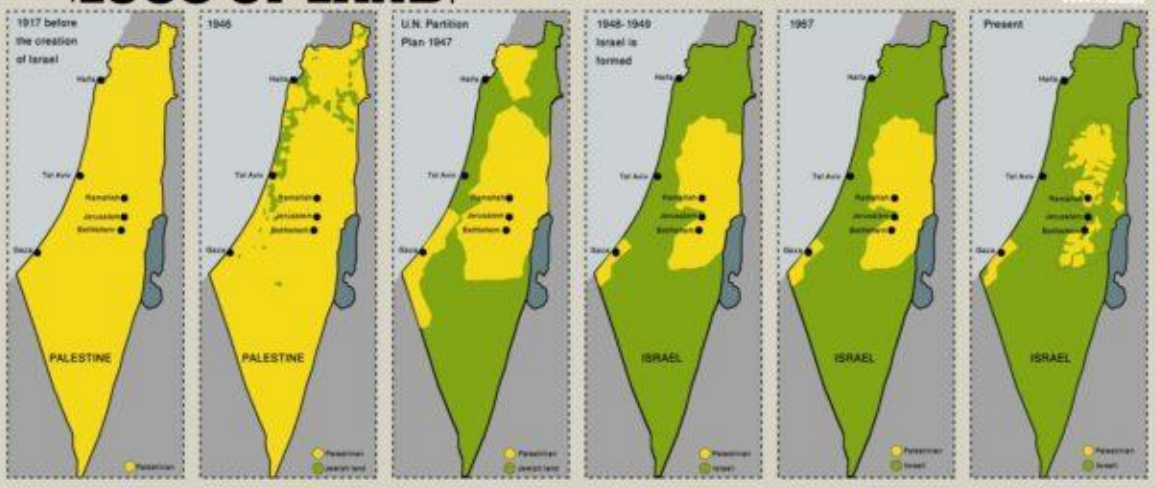
LOSS OF LAND

The Palestinian-Israeli conflict has dragged on for more than 115 years, where both claim historic and religious ties to the land. The geopolitical disputed area stretches over a 100,000 square-miles landscape, sitting between the Mediterranean Sea and the Jordan River with an unresolved conclusion and far-reaching implications. Over the period of the conflict, Israel's share of land has gradually expanded.



1897

The World Zionist Organization founded by Theodor Herzl in Basle during 1897, the Basle Program stated: "Zionism seeks to establish a home for the Jewish people in Palestine, secured under public law."

1917

Under the Balfour Declaration, United Kingdom's Foreign Secretary Arthur James Balfour approves the establishment of a national home for Jews in Palestine.

1946

The illustrated map demonstrates that more than 90 percent of the land belongs to Palestinians.

During this period, Jewish settlers had paid for most of the land they occupied.

1947

U.N. Partition Plan:
The U.N. General Assembly initiates a plan to separate western Palestine into two states. While the Jewish leader accepts, the Palestinian leaders reject the plan, resulting in uprisings.

1948-1949

Arab-Israeli War:
The Jewish community declares itself independent in the new state of Israel.

Neighboring Arab states then intervened militarily, precipitating the first Arab-Israeli war.

The war left historic Palestine divided into three parts. The 1949 armistice gave Israel control over 77 percent of the territory.

1956

Suez Crisis

1967

The Six-Day War involves Israel fighting against three Arab states (Egypt, Jordan and Syria). It results in Israel claiming control over Gaza and the strategic Sinai peninsula from Egypt, the West Bank from Jordan, the Golan Heights from Syria and East Jerusalem.

Present (2012)

Gaza Expulsion Plan:
As part of unilateral disengagement initiative, Israeli defense forces leave the Gaza Strip and four settlements in the northern West Bank.

Israel launches a massive air campaign on Gaza, with the declared goal of deterring Hamas.

Palestinians submit a proposal for membership and statehood to the U.N.

Do such people actually know what Fascism is? Have they studied it?
Unfortunately, Fascism has an undeserved bad reputation. Regardless of this reputation, Fascism is a very sensible economic and social ideology. First and foremost, Fascism is an economic system in which a nation's government plays a central role in monitoring all banking, trade, production, and labor activity which takes place within the nation.
Such monitoring is done for the sole purpose of safeguarding & advancing the nation and its people. Under Fascism, the government will not approve of any business activity unless that business has a positive impact on the nation as a whole and the people of the nation - this is the axiom which determines everything within the economic aspect of Fascism.
In other words, the government asks, "Is XYZ Enterprises good for our nation and our people?" If yes, it's approved. If no, it's not approved. When they ask, "Is it good?", they mean, "Is XYZ Enterprises good for the workers, do they pay a fair wage, do they produce a product or provide a service which advances our nation & our people technologically, morally, spiritually, health-wise, etc???"
For example, a pornography company would not be allowed because pornography corrupts people generally and exploits & degrades women particularly.
Also, "free" trade agreements (such as what the U.S. has with China) would never be allowed because such trade agreements result in companies sending jobs overseas (where labor is dirt cheap). Such an activity, of course, would undermine a nation's labor class. This is entirely unacceptable and thus not allowed under a Fascist economic model.

THE TRUTH ABOUT LIFE IN THE GERMAN INTERNMENT CAMPS

Contrary to the popular belief that life in the SS-run internment camps was a brutal existence of slave labor followed by extermination, the German went to great lengths to keep the Jewish inmates well-fed, well-housed and even entertained. Officials from the International Red Cross visited the camps regularly and right up until the end of the war.

There were orchestras, soccer leagues and activities for children. There were weddings, Bar Mitzvahs, and even maternity wards for pregnant women. The Auschwitz camp even had a swimming pool and a general store!

Jewish concert

Lively Jewish Soccer games with score cards

It was only during the final year of the war that conditions began to deteriorate as typhus epidemics spread and supplies diminished. Because of the contagious nature of typhus, the corpses were cremated, not buried near groundwater. The destruction of so much of Germany's critical infrastructure contributed to the deaths.

Nonetheless, as the camps were liberated, many healthy and seemingly well-fed 'Holocaust survivors", as well as some not so healthy, were seen and photographed

reporting the truth and exposing the holohoax

Every time we hear that Trump is "unAmerican", it is a kike telling us so. But should we be surprised?

America has been ruled by kikes since the turn of the last century. America's "values" are Jewish "values". That certainly doesn't include the "values" of the stupid goyim, oh hell no. And what of America's Jewish values? Well let us take stock in them:

Destroy the White family by promoting radical feminism and miscegenation.

A Jewish controlled central bank whereby the ENTIRE currency system of America is based on DEBT to (((THEM))).

Endless wars for Israel that runs up even MORE monster debt that the goyim and their 'cattle' offspring have to pay, FOREVER.

Desperate attempts to rig America's elections by kikes like GEORGE SOROS in order to install a Marxist puppet for Jewish interests like Hillary Clinton.

Promotion of sexual filth like deviant homosexuality and 'transgenderism' to our captive, innocent children in public school during their formative years.

Endless wars that benefit only the Jews. Come on, after 17 years who do you REALLY think is benefiting from the turmoil in the middle east?

Subterfuge like getting rid of Saddam and Qaddafi and until now, Assad. I ask again, WHO BENEFITS and WHO PAYS?

Open borders where ANY alien POS can just walk in and blow up a shopping mall where Mom and the kids decided to go and buy a sweater.

Those are America's Jewish values. We National Socialists disapprove of every one of them and intend to get rid of them, Gott Mit Uns.

s m o l o k o . c o m

OVEN ROASTED SHLOMO

What was America like before the Jews took over?

America used to be organized around individual freedom and prosperity and sound money.

Once the Jews were able to gain control of the gold backed national money they forced us to use their fiat Federal Reserve Notes and then America started a long decline.

That decline is now at it's end because now America is totally bankrupt, demoralized, and unable to extricate itself from the inflationary money scam.

Reality is forcing us to confront the Federal Reserve. Confronting abuse ends it. The purpose of the Federal Reserve was to financially rape America and transfer the wealth of the entire nation to the evil Jews, that it did, now we are facing total bankruptcy and the police state as they move to protect their ill gotten gains.

Everyone can now see the Jew run state is completely corrupt, but do we have the courage to nationalize the Fed, cancel the illegal debts, reinstitute sound money and start over?

The Holocaust has been grossly exaggerated by organized Jewry in order to create sympathy for Jews worldwide and thus help advance the Jewish agenda

(i.e., people seen as victims tend to get their way).

Somewhere around one million Jews died during WWII (not six million) mostly due to disease and starvation in the final months of the war. The massive Allied bombing campaign and its destruction of German transportation infrastructure made it impossible for Germany to adequately supply the camps with food and medicine. Hitler's Final Solution (rebranded in the early 1970's as the "Holocaust") was a plan to remove Jews from Europe, not to kill them.

Office of the Press Secretary

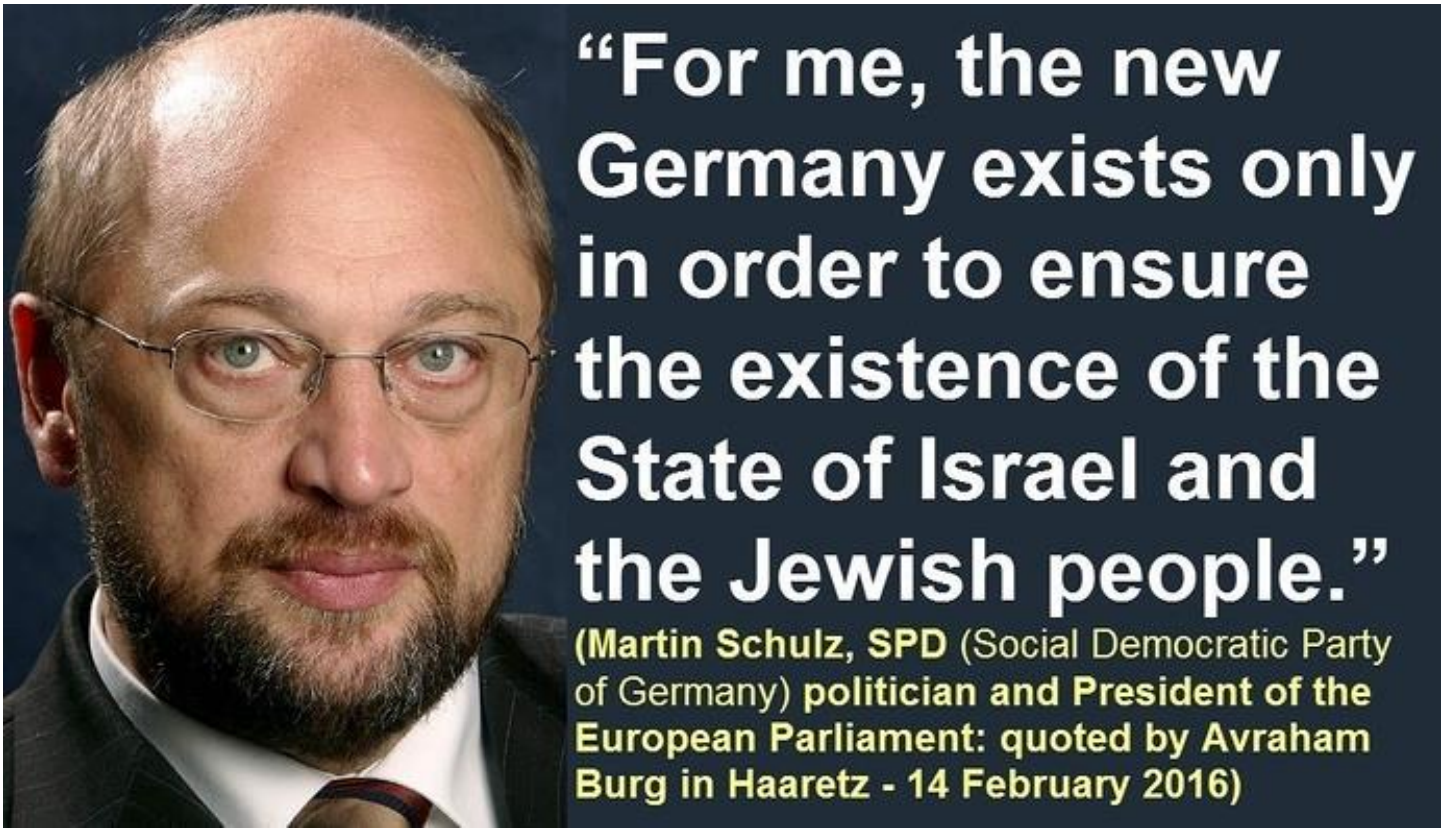
FOR IMMEDIATE RELEASE
January 27, 2017

Statement By The President On International Holocaust Remembrance Day

"It is with a heavy heart and somber mind that we remember and honor the victims, survivors, heroes of the Holocaust. It is impossible to fully fathom the depravity and horror inflicted on innocent people by Nazi terror.

"Yet, we know that in the darkest hours of humanity, light shines the brightest. As we remember those who died, we are deeply grateful to those who risked their lives to save the innocent.

"In the name of the perished, I pledge to do everything in my power throughout my Presidency, and my life, to ensure that the forces of evil never again defeat the powers of good. Together, we will make love and tolerance prevalent throughout the world."



“For me, the new Germany exists only in order to ensure the existence of the State of Israel and the Jewish people.”

YESSS ! Marine Le Pen: French Jews Will Have to Give Up Israeli Citizenship

Leading contender in French election
Marine Le Pen has said that dual citizenship will not be accepted and that French Jews will need to give up their Israeli citizenship as 'Israel isn't an EU member.'

Trump needs to do the exact same thing. Jews with dual-citizenship—like many in Aipac — must choose one or the other. If they remain Israeli citizens they must not be allowed 'constitutionally' to hold office nor be allowed to vote.

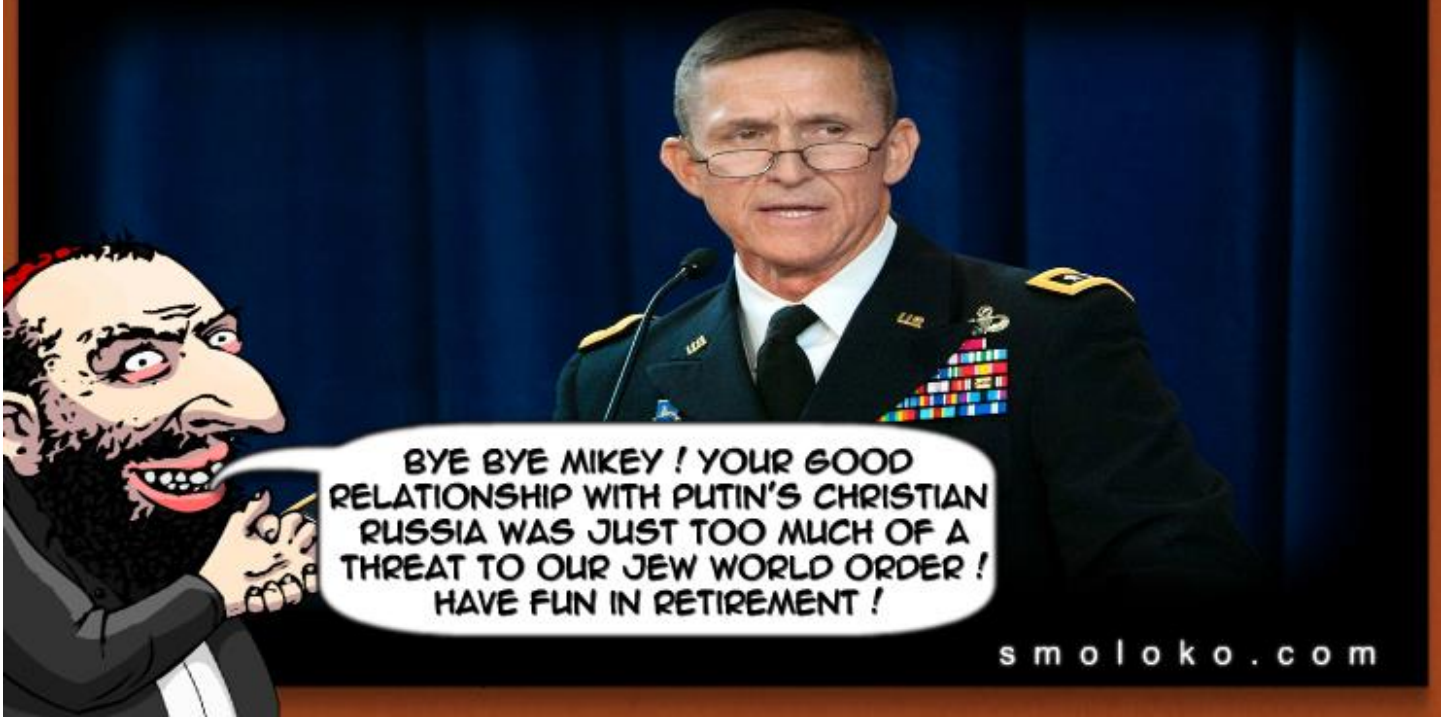
Bad news guys . . .Gen. Michael Flynn "resigns" as National Security Advisor over contacts with Russia...

Yeah right...Flynn was forced out by the Jews (and their army of shabbos goyim serving as our political class) because he wanted to restore relations between Jew-Ruined America and Putin's Christian Russia. That's what's really going on here.



Flynn didn't 'resign'
he was forced out by the jew shadow government

The Truth about Putin

The fact is that there has been a Jewish vendetta against Putin for years. They hate him because he was put in office by Yeltsin's Jewish oligarch puppet masters, but then turned on them once he gained the support of the Russian people.

Under the reign of these Jewish oligarchs, Russians were impoverished and the life expectancy for Russian men plunged by eight years. Putin imprisoned some of these villains, chased others into exile, and entered into an uneasy truce with the rest, allowing them their fiefdoms provided they stay out of his way.

The Jews will never forgive him. That is why he has been vilified by the Jewish press in American and the west. Putin is a hero in Russia with 80% plus approval ratings because he brought them back from the brink. smoloko.com

Nixon did nothing wrong. The truth is that "Watergate" was engineered by powerful Zionist elements inside the CIA which was used as a pretext to bring down the maverick President Nixon
It seems as if these same Zionist elements inside the intelligence agencies (who answer to the Jews) also known as 'the deep state', are now attempting to remove Donald Trump from presidency for opposing their plans to create a Jew World Order.
In conclusion, this same kosher run deep state who murdered JFK and engineered the jew watergate hoax to remove Nixon, is now in the process of using their ridiculous 'Russian' angle as a platform for bringing impeachment proceedings against Trump. Expose these bastards Trump !!

DRAMATIC ACTION

"Daily Express" Special Political Correspondent.

ALL Israel is uniting in wrath against the Nazi onslaught on the Jews in Germany.

Adolf Hitler, swept into power by an appeal to elemental patriotism, is making history of a kind he least expected. Thinking to unite only the German nation to race consciousness he has roused the whole Jewish people to a national renaissance.

The appearance of the swastika symbol of a new Germany has called forth the Lion of Judah, the old battle symbol of Jewish defiance.

Fourteen million Jews dispersed throughout the world have banded together as one man to declare war on the German persecution of their co-religionists. Sectional differences and antagonisms have been submerged in one common aim—to stand by the 600,000 Jews of Germany who are terrorised by Hitlerist anti-semitism, and to compel Fascist Germany to end its campaign of violence and oppression directed against its Jewish minority.

World Jewry has made up its mind not to rest quiescent in face of this revival of medieval Jew-hating.

Every Rabbi in the City of New York has been placed under a sacred obligation by Rabbinical decree to devote Saturday's sermon to the plight of the Jews in Germany.

The "New York Times" this morning says a list of a thousand German immigrants who have come to the United States during recent years has been compiled by an American Nazi organisation, the names being in due course sent to Nazi propagandists in the United States.

SPECIAL SESSION

The organisation of Jewish youth in Britain is organising demonstrations in London and the provinces during the week-end.

The Board of Deputies of British Jews, representing the entire Jewish community in Great Britain, is meeting in special session on Sunday to discuss the German situation and decide on what action is to be taken to safeguard the rights of their German fellow Jews.

AN INCREASE OF THREE SHILLINGS A WEEK

BRIGHT SPOT IN A BLACK TOWN

THE "Daily Express" has sent a special representative on an unusual mission. He is touring the north in search of high wages. In his tour he is going to tell the facts about all classes of wages, high and low. He is going to show how low wages reduce the morale of the community. He is going to show how courageous spending reacts favourably throughout the community.

In his first report it is revealed that the steel workers of Middlesbrough have been able to make a gesture in the cause of high wages.

Fetters in steel workers have recently received an increase of 3s. a week. Their wages are not high, but this is a leap in the right direction. It is a bright spot in an otherwise black town—brought low by wage cuts and false economy.

THE TRUTH ABOUT LIFE IN THE GERMAN INTERNMENT CAMPS

Contrary to the popular belief that life in the SS-run internment camps was a brutal existence of slave labor followed by extermination, the German went to great lengths to keep the Jewish inmates well-fed, well-housed and even entertained. Officials from the International Red Cross visited the camps regularly and right up until the end of the war.

There were orchestras, soccer leagues and activities for children. There were weddings, Bar Mitzvahs, and even maternity wards for pregnant women. The Auschwitz camp even had a swimming pool and a general store!

It was only during the final year of the war that conditions began to deteriorate as typhus epidemics spread and supplies diminished. Because of the contagious nature of typhus, the corpses were cremated, not buried near groundwater. The destruction of so much of Germany's critical infrastructure contributed to the deaths.

Nonetheless, as the camps were liberated, many healthy and seemingly well-fed 'Holocaust survivors", as well as some not so healthy, were seen and photographed

THE ABYSMAL DIFFERENCE BETWEEN CHRISTIANITY AND JUDAISM

Judaism is a religion of vengeance, hate and worldly power. Christ said that his kingdom is not of this world, and taught us to turn the other cheek.

Synagogues are secretive places. Jews have to PAY IN YOM KIPPUR TO ATTEND THE SERVICE!! The more they pay, the closer they can sit to the Torah rolls. To open or close the tabernacle containing the Torah rolls Jews also pay!!

Can you imagine paying in the church to get a seat closer to the altar? Or paying for reading from the Bible? What a difference! CHRISTIANS DO NOT BRIBE GOD!!

Indeed, the Jews are outright materialists, of this world and their master, Satan.

Pedophilia is condoned, even commanded, by the Jewish holy book called the Talmud.

The Talmud is considered the highest authority in the Jewish belief system — more authoritative than the Holy Bible itself.

Sanhedrin 55b. "A Jew may marry a three year old girl" (specifically, three years "and a day" old)

Sanhedrin 54b. "A Jew may have sex with a child as long as that child is over nine years old."

Kethuboth 11b. "When a grown-up man has intercourse with a little girl it is nothing, for when the girl is less than three years old it is as if one puts the finger into the eye. Tears come to the eye again and again, so does virginity come back to the little girl under three years. When a small boy has intercourse with a grown-up woman he makes her as a girl who is injured by a piece of wood."

Thus, the Talmud teaches that having sex with a little girl of less than three years old and a day, is of no more effect on her than if she gets poked in the eye; and her virginity will grow back again.

Also, for an adult Jewish woman to seduce little boys is of no more consequence than if the Jewess had injured herself with a wooden object.

Hate is not necessarily evil, nor is love necessarily good –

This is what the Jew doesn't want anyone to think about rationally and it's also why they put so much effort into 'combating hate' and crap like that.

The purpose of their campaign against 'hate' is to turn whatever it is that someone doesn't like into a psychological disorder then get "Dr. Rosenblum" to prescribe Jew psychiatric pharmaceuticals to cure the 'hater'!

A couple simple case examples:

If someone came to your house, murdered your family and stole a bunch of things, would you hate them? Of course you would! The 'hate' in this case is a healthy force for good! If you loved this person you'd be a mental patient.

If someone helped you through some personal problems, let you use their car, and gave you some financial help, would you love and appreciate them? Of course you would! The 'love' in this case is a wholesome healthy emotion! If you hated this person you'd be a mental patient once again!

I rest my case.

The main reason I think they are so fixated on eliminating 'hate' is because Jews know that Jewish behaviour is so fundamentally unlikeable to anyone of any race, that portraying the 'hater' as a social outcast or a psychopath is the only tactic they can use to convince the rest of society that "this is where 'hating' gets you".

The Jews know damn well that when the inevitable backlash against them comes, they want a world with as few 'haters' as possible – haters of them, that is. Funny how the Jew doesn't care about any communist or left-wing hate which is very, very often directed toward us, and blatantly so. Once again the Jew is exposed for the hypocritical liar that he is!

The purpose of life is to struggle as hard as you can for what you believe in, and enjoy the struggle.

rabbi sucking a baby kike's dick

If you have ever attended the awful Jewish ritual known as the “bris,” you would be disgusted by what goes on there.

That is when the little Jew-boy, only eight days old, is circumcised by the “mohel,” the cutter who performs the bloody deed.

While the little kike is lying there screaming bloody murder — as well he should — all the big kikes gather around to “enjoy” the spectacle. Jews are really turned on by the sight of blood and suffering. That’s why so many of them become doctors.

Then, when the “mohel” is done removing the foreskin of the little Jew-boy, the worst part of the ritual takes place. The mohel (pronounced “mole,” which is what Yids remind me of, moles that hide underground and eat away at your garden) leans down and licks the blood from the little kike’s penis.

This causes great hilarity among the Jews who are observing the ritual. Then they all sit down and have a big feast to celebrate this act of barbarity.

Duns Scotus, is generally considered to be one of the three most important philosopher-theologians of the High Middle Ages. Scotus has had considerable influence on both Catholic and secular thought.

Duns Scotus believed it was the very duty of kings to take Jewish children away from their parents, to rescue them, and to baptize and raise them as Christians. I agree with him

I try, as a former Jew who has seen the light of Christ and who is enveloped in His love, to let non-Jews know about the Jewish menace to Christian civilization.
Jews are truly at war against Jesus Christ and His Church, and we, His followers, are their targets. In a sense, we are easy targets, because for the most part we don't hit back. We take seriously Christ's rule that we love our enemies.
To the Jews, this is like opening the doors of the treasury and putting up a sign, "Feel free to steal the gold. Take all you want." So the greedy Jews proceed to help themselves.

"The Jews crucified Christ, their Savior, their True Messiah, because they are the spawn of Satan, and they do the will of their master. And through the ages, they have not only not repented of that awful crime, they have gloried in it, they have celebrated it."

As a former Jew, I was immersed in the lies the Jews put out.
I abandoned their self-styled "religion" out of disgust over the Jews' greed for the almighty shekel.
By turning my life and my immortal soul over to the Lord Jesus, who is the True Messiah of the Jews, I have become a new person. I have been washed in the Blood of the Lamb, cleansed of any sins I committed in my former life as a Jew.
I love Jesus because He never hurt or cheated any person throughout His all-too-short life. I want to follow Him and walk in His footsteps, even though I know the Jews may murder me, just as they killed the Lord Jesus.
~ Glory B (former Jew turned Christian)
smoloko.com

Our Lord and Savior Jesus Christ was familiar with the nature of the Jew, as is related in Mark 12:41-44 (KJV):

41 And Jesus sat over against the treasury, and beheld how the people cast money into the treasury: and many that were rich cast in much.

42 And there came a certain poor widow, and she threw in two mites, which make a farthing.

43 And he called unto him his disciples, and saith unto them, Verily I say unto you, That this poor widow hath cast more in, than all they which have cast into the treasury:

44 For all they did cast in of their abundance; but she of her want did cast in all that she had, even all her living.

In other words, most Jews don't consider God or the church when they throw around their shekels. They're just trying to buy favors from God.

The greed of the Jews is typical of the Spawn of Satan!

You see, Jews don't worship God in their Synagogues of Satan. They bow down before the golden calf.

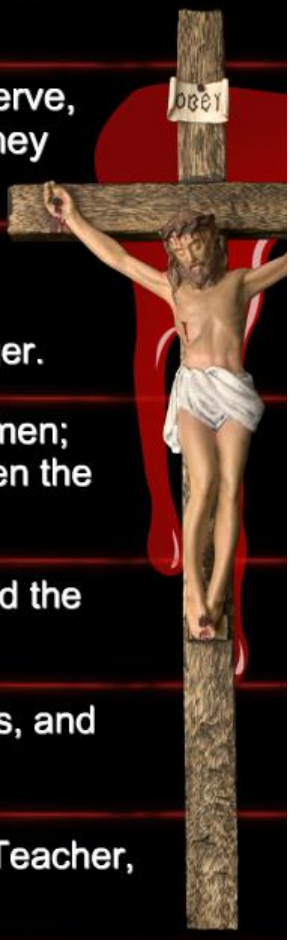
WITH THE JEWS, IT'S ALWAYS ABOUT MONEY!!!

s m o l o k o . c o m +

Jesus Himself accurately described the greedy, unfeeling nature of the Jews, in the Gospel of Matthew, Chapter 23:

1 Then Jesus spoke to the crowds and to His disciples,

2 saying: “The scribes and the Pharisees have seated themselves in the chair of Moses;



3 therefore all that they tell you, do and observe, but do not do according to their deeds; for they say things and do not do them.

4 They tie up heavy burdens and lay them on men’s shoulders, but they themselves are unwilling to move them with so much as a finger.

5 But they do all their deeds to be noticed by men; for they broaden their phylacteries and lengthen the tassels of their garments.

6 They love the place of honor at banquets and the chief seats in the synagogues,

7 and respectful greetings in the market places, and being called Rabbi by men.

8 But do not be called Rabbi; for One is your Teacher, and you are all brothers.

9 Do not call anyone on earth your father; for One is your Father, He who is in heaven.

10 Do not be called leaders; for One is your Leader, that is, the Messiah.

No wonder the Jews killed our Lord. They couldn’t stand his message that “whoever exalts himself shall be humbled, and whoever humbles himself shall be exalted.”

This is totally contrary to the Jewish doctrine of “get all you can, no matter who you hurt, and don’t worry about the consequences.”

Jews are not the ones who are persecuted. On the contrary, it is the Jews who persecute the non-Jews:

* In Germany, where the Jews took over the economy, the financial system and the media, and robbed the Gentiles of their wealth.

* In Russia, Ukraine and Poland, where the Jews started communism and declared war on religion, killing millions of Christians and burning their corpses, or burying them in mass graves.

* In America, where the Jews corrupted the morals of Christians through their dominance of the media and sponsorship of criminal activities like loose sex, homosexuality, abortions, pornography, gun control and dope.

How many Jews have been prosecuted for their financial manipulations? Exactly NONE, because the government is controlled by the Jews.

And whenever good Christian people speak out against the Jewish enemy, and point out the dangerous road we Christians are being lead down, they are called 'anti-Semites'.

JEWS KIDNAP THE MIND AND SOUL OF THEIR OWN KIDS

How do they achieve this? This is how:

– They INDOCTRINATE their children in Jewish primary and secondary schools, many hours a day, all the year around.

– When they finish school they go to a JEWISH UNIVERSITY, such as ORT, or to a regular university but they get further indoctrinated at Hillel, a support organization for Jewish college students.

– Add to all this the “incentives” of being a Jew and abide by the Talmud: money, business connections, power and a protective net of organizations and people. They cannot resist!

– Finally, consider the enormous pressure coming from their families.

At the end of the day, the SYNAGOGE HAS A MONOPOLY ON THE MIND AND SOUL OF JEWISH CHILDREN.

smoloko.com ✝

Make no mistake, the Jews are at war against Christ and His believers, and they take no prisoners.

At the same time, Jews are two-faced. They always whine about being persecuted for no good reason, or no reason at all, while at the same time they are cheating, robbing and killing the Gentiles.

What's the difference between a Christian pastor and a Jewish rabbi? The Christian says, "Let us pray." The Jew says, "Let us prey."

How can you tell when a Jew is lying? When his lips are moving!

All Jews are lying swine who cannot be trusted.
If you want to keep your health, never trust a Jew!

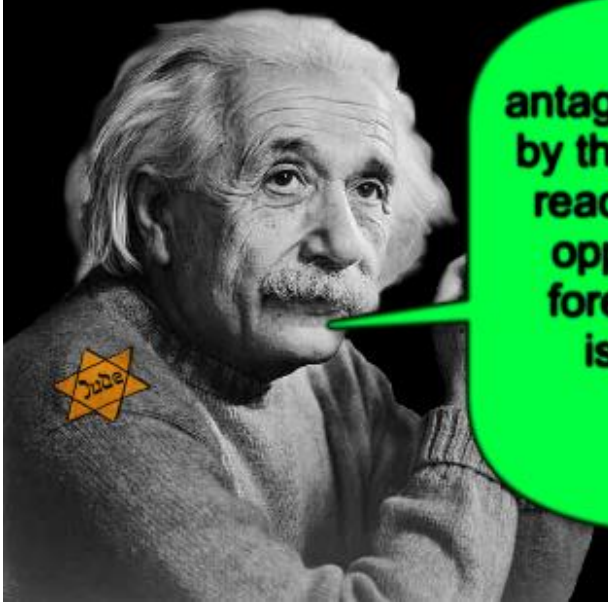
Albert Einstein, who was a Jew, admits that anti-semitism is healthy and normal and is in fact caused by the Jews themselves.



Anti-Semitism is nothing but the antagonistic attitude produced in the non-Jew by the Jewish group. This is a normal social reaction. The Jewish group has thrived on oppression and on the antagonism it has forever met in the world... the root cause is their use of enemies they create in order to keep solidarity...

Alice, why are you against the JEWS?

I am against the JEWS because they have a satanic plan to rule the world which requires the destruction of Western Civilization. JEWS own all European & American media & politics and brainwash us about everything. JEWS run Porno industry, created homosexual laws & organizations, created abortion laws, created feminist revolution & propaganda, all to destroy White (European) Christian family and culture. JEWS flood our White Christian countries with millions of Africans and Muslims and 3rd worlders who hate us because our JEWISH run government stole their resources for the few JEWISH elite. JEWS are genociding our RACE & civilization by Islamizing White-Christian Europe with millions of Browns, Arabs and Blacks, programming our people about "equality" and the "cool" miscegenation to breed our race out of existence. JEWS cover the huge number of crimes done by non-Whites & Muslims while amplifying our tiny number of crimes, all to get these violent programmed haters destroy our civilization

When people call me an anti-Semite because I tell them the Jews are the greatest enemy of Christian civilization, I respond, Yes, I am anti-Semitic, and Im proud to be described as such.

Because the Lord Jesus was also anti-Semitic, which is recorded for all to see in the Gospel of John. In John, the Jews are clearly shown to be Jesus's adversaries.

"Jesus said to [the Jews]: 'Why is my language not clear to you? Because you are unable to hear what I say. You belong to your father, the devil, and you want to carry out your father's desire. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies'." (John 8:43-44)

Did the Jews murder Jim Morrison because his father proposed attacking Israel?

Jim Morrison's father, admiral George Morrison was the Naval officer who personally launched American fighter jets from the USS America to engage the Israeli jets that were attacking the USS Liberty, on June 8th, 1967, during which Israeli fighter jets and torpedo boats spent more than an hour killing 34 American sailors and wounding 171,

Admiral Morrison's order was then countermanded by Chief of US Naval Forces in Europe, Admiral John S. McCain, Jr., who was the father of US Senator John S. McCain, III. Rear Admiral Morrison was the youngest person to reach such a position in the Navy, but he was never given another promotion after the USS Liberty incident. Many people believe that Admiral Morrison's Naval career effectively ended at that time because he wanted to protect the USS Liberty, attack Israel, and set up an embargo of Israel.

Some believe his Naval career may have been slowed by political undertones surrounding his analysis of the USS *Liberty* incident which occurred in 1967. Morrison opposed the official US Navy response to the attack, and proposed an immediate and swift economic and military response against Israel for the attack on an official US Navy ship. Morrison's analysis and political motivation was at odds with the soft non-militaristic response ultimately taken by the US State Department and US Navy. Morrison asserted Israel intentionally attacked the USS Liberty, trying to disguise Israel torpedo boats as Syrian vessels in an attempt to provoke a war between the United States and Syria. This would have increased United States military and financial assistance during the Six Day War.

Was Jim Morrison's death an act of Jewish retaliation for his father's desire to bomb Israel after Israeli fighter jets viciously attacked the USS liberty ?

Actress Brittany Murphy was murdered by the Jewish controlled Department of Homeland Security.

Murphy was a witness in support of a DHS whistleblower, Julia Davis, she worked as a stunt double and knew Murphy professionally. Certainly much more attention would have been brought to the case if Brittany had been able to testify on Davis's behalf and the JEW RUN DHS did not want that.

smoloko.com

The now deceased Brittany Murphy's father, Angelo Bertolotti, has had two independent tests (that's right, two separate tests concluding that his daughter could have died by criminal intent) conducted, both have revealed that there was as much as 9 times the reasonable levels of harsh metals and toxins in Murphy's body, strongly suggesting that she could have been poisoned, here is an excerpt from the Carlson Company report:

"we have detected ten (10) heavy metals at levels above the WHO high levels recommendation. If we were to eliminate the possibility of a simultaneous accidental heavy metals exposure to the sample donor then the only logical explanation would be an exposure to these metals (toxins) administered by a third party perpetrator with likely criminal intent."

It was the rat jews who have infiltrated our government institutions like Chertoff who named the department that after the 9/11 murders they carried out and blamed on arabs.

So any jew in the know understands when they see that name Department of Homeland Security that its mission is to protect jews and Israel, using the power of the U.S. intelligence and law enforcement agencies under it like the CIA and FBI. The Department of Jewland Security was a coup, a take-over by jews of all our nation’s law enforcement and intelligence agencies.

Hitler Emphasized Respect for Women, Children and Strong Family Values

During the economic hardship just before Hitler was elected, Germany was seeing a declining rate of birth. In 1933, Hitler passed a law that enabled married couples to obtain interest free loans minimum 1000 Reich Marks (equal to 9 months salary) to set up homes and start families.

For each child birthed, the couple was allowed to keep 250 marks and did not have to repay it. This system pioneered by the National Socialist government exists today in Switzerland. - Why was James Alefantis a random pizza shop owner listed as the 49th most powerful person in Washington DC by GQ Magazine?
- Why has the entire corporate media structure including the New York Times and the Washington Post come to the defense of a random pizza shop owner accused of running a child sex ring?
- Why have social media sites like Twitter and Reddit sought to silence discussion on Pizzagate in the name of protecting a random pizza shop owner?
- Why did James Alefantis have deranged bands like "Sex Stains" and "Heavy Breathing" who use child sex symbolism on their websites and videos playing at his pizza joint that is supposed to be for families and children?
- Why was there all sorts of sick and degenerate art plastered over the walls of Comet Ping Pong a pizza joint meant to be a family restaurant?

These are just some of the many questions that these fools refuse to look into and answer.

'Cosmopolitan' is one of the filthiest women's magazines around and it's editor in chief for over 35 years was none other than a filthy jew by the name of Helen Gurley Brown.

Thanks to Jewish 'feminists' like Gurley, 50% of White American women are childless today. She taught them to be degenerate sluts and to reject the idea of having a family. Jews like Gurley are genetically driven to destroy the white race (that's what 'feminism' is really all about) and they do it through the undermining of Christian morality, marriage and family.

Jewish corrupter Helen Gurley Brown promoted feminism and taught girls how to be whores. One of her most famous quotes was "Good girls go to heaven and bad girls go everywhere".

The Jews have brought radical feminism to American women and girls.

Thanks to the steady diet of anti-male, anti-marriage and anti-family books, lectures and college courses from the likes of the Gloria Steinems, the Betty Friedans, and the Susan Sontags, many women now see the prospect of marriage and child-rearing as an impediment to their liberation.

How did American women go from dressing like this

to dressing so immodestly in just a few decades ?

BECAUSE OF THE JEWS !

the jews now totally run the garment/fashion industry that is pumping out this slutty trash, like yoga pants, that our women now wear. They also totally run the mass media which they use to brainwash our women into wearing their slutty clothing to further destroy Christian morality and gentile families. BECAUSE the Jews KNOW that the only power bloc that could ever potentially oppose their quest for hegemony (which they essentially now possess throughout the Western World) is a "White Christian Power Bloc."

'Barrabas is like a ferocious dog,' he told me, 'but at one moment he becomes a puppy: when he meets the Son of God and is saved. I want your look to be that of somebody seeing Jesus for the first time'. I did as he said, and when our eyes met I felt a sort of surge. It was like I was really seeing Jesus. Javits authored an article entitled Lets open the gates that proposed immigration levels of 500,000 per year for 20 years with no restrictions on national origin.

THE 1965 OPEN IMMIGRATION LAW IS PRESENTLY fulfilling the aims of the Jewish conspiracy as seen in its effects. The U.S. Census Bureau projects that by the year 2050, European-derived peoples will no longer be a majority of the population of America due to the massive influx of immigrants since the signing of the bill in 1965.

The Jews have also given these immigrants a moral mandate to expand both demographically and politically. And expand they will and do!

Rabbi Emmanuel Rabinovich confirms
Jewish plan to Rule the World and
wipe out the White Race.... in 1952!
"We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the interests of peace and wiping out inter- racial tensions, forbid the Whites to mate with Whites.
The White Women must cohabit with members of the dark races, the White Men with black women. Thus the White Race will disappear, for the mixing of the dark with the White means the end of the White Man, and our most dangerous enemy will become only a memory. We shall embarkupon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the world. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples"

Why ? The Jew knows that the white race is the most capable force that can stop his filthy tribe from taking over the world

Our Jewish rulers genocide whites in many diverse ways

such as diverting young white women in their prime childbearing years to prolonged education for a prolonged career making or selling widgets to chumps or serving as a functionary in the establishment that is killing them; promoting convenienant abortions and near-universal contraception; convincing White women that White men are The Enemy; and, perhaps most deadly of all, convincing White women to choose non-White sexual partners. One of the primary ways this is done is through popular music marketed to young Whites, male and female alike,

Who is responsible for the downfall of all Western nations?

THE FRANKFURT SCHOOL!

Cultural Marxism and Freudianism gave birth to Critial Theory, the point of which was to criticize every pillar of Western Civilization, promoting the leftist, liberal, multicultural, feminist, view point in the hope of destroying Western society.

Who were the members of the Frankfurt School?
Well, let's take a look:

That's why Cultural Marxism is an amalgam of Marxism and Freudian psychoanalysis (both Jews)!

Hitler's thoughts about Multiculturalism:

"The Jew uses every possible means to undermine the racial foundations of a subjugated people. In his systematic efforts to ruin girls and women he strives to break down the last barriers of discrimination between him and other peoples."

"The Jews were responsible for bringing negroes into the Rhineland, with the ultimate idea of bastardizing the white race which they hate and thus lowering its cultural and political level so that the Jew might dominate."

smoloko.com

Hitler's thoughts about Multiculturalism:

"For as long as a people remain racially pure and are conscious of the treasure of their blood, they can never be overcome by the Jew." Never in this world can the Jew become master of any people except a bastardized people.

"That is why the Jew systematically endeavours to lower the racial quality of a people by permanently adulterating the blood of the individuals who make up that people."

smoloko.com

1. Nobody hates Jews simply because they are Jewish. Rather, people hate Jews and, in particular, organized Jewry because of their anti-American activism.

2. Organized Jewry (examples include the ACLU, AJC, Southern Poverty Law Center, ADL, WJC, JDL, etc) have for decades engaged in anti-Christian, anti-White, anti-American subversive activities.

3. Jews are 100% responsible for opening the immigration floodgates to the 3rd world (via the 1965 immigration act), tearing down the U.S. Constitution by twisting its meaning, promoting perversion & peddling cultural filth (via Hollywood), pushing the U.S. into needless Middle East wars, and trashing America's Christian heritage.

4. Given all this, it would be absurd NOT to hate (most) Jews, particularly organized Jewry. Are there good & decent Jews? Of course. But unfortunately most Jews (especially those part of organized Jewry) are working against the interests of the United States and thus SHOULD be hated.

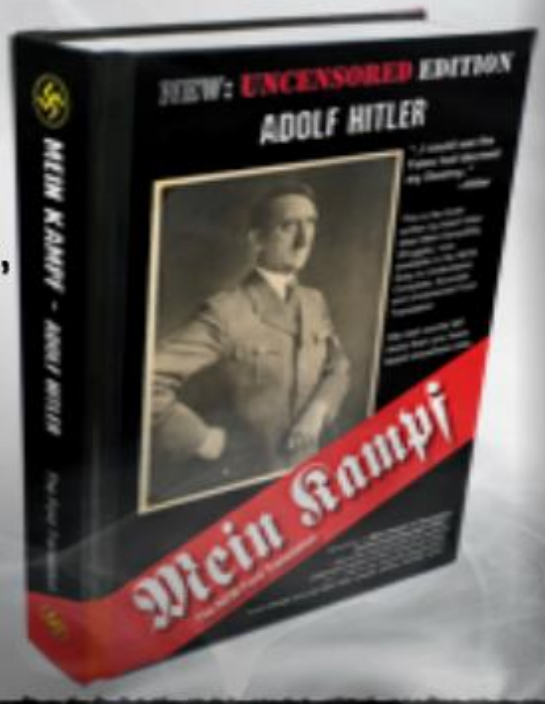
Adolf Hitlers legendary book Mein Kampf sold out immediately when it went on sale for the first time since World War II. I bet with these rapeugees running around in Germany, the German people are going to rediscover the fact that Hitler was right about many things.



smoloko.com

Yes Hitler was right and no I'm not a 'nazi'.

First, the jews that control foreign policy BOMB the living shit out of the Arabs and Muslims (see: Greater Israel Plan)…then, the jews throw your borders wide open to immigration, and give as many incentives to the refugees as possible to make them come to Germany, Sweden, Netherlands, USA & any formerly white country they can.

Jews view white countries as their biggest obstacles to their NWO.

The solution to all of it is embarrassingly simple.
WE have to REMOVE THE JEWS from power, worldwide.

Rabbi Baruch Efrati believes Jews should 'rejoice at the fact that Europe is paying for what it did to us for hundreds of years by losing its identity.' He praises Islam for promoting modesty, respect for God

As concerns grow over the increasing number of Muslims in Europe, it appears not everyone is bothered by the issue, including an Israeli rabbi who even welcomes the phenomenon.

Rabbi Baruch Efrati, a yeshiva head and community rabbi in the West Bank settlement of Efrat, believes that the Islamization of Europe is actually a good thing.

You see, in a planned multicultural, fragmented society, only one highly organized, well-funded organization rises to the top. Guess who? THE JEWS
It must be clearly understood, that this is Jewry's game, to DIVIDE-DILUTE and Conquer!
But, American Jewry makes up only 2% percent of the population, and thus, their power is illusory – we've got the numbers.

Jews are going to be at the centre of that. It's a huge transformation for Europe to make. They are now going into a multicultural mode and Jews will be resented because of our leading role."

[9:29] Fight those who do not believe in Allah, nor in the latter day, nor do they prohibit what Allah and His Messenger have prohibited, nor follow the religion of truth, out of those who have been given the Book, until they pay the tax in acknowledgment of superiority and they are in a state of subjection.

On 12 October 2012, Muslim journalist, Yahya Abu Zakariya, said this during a talk show on Lebanese TV:

"If you go to the West and tour the European continent, where there are 50 million Muslims… 80 percent of these Muslims are beggars, living on Western welfare. In other words, the European pays taxes, and the state gives the Muslim money… The Muslim in the West does not earn his daily bread. If he were in the Islamic world, he would die."

Nobody is saying that Asians in Asia will ever be a minority.

The biggest secret kept by the JEWS

EGYPT PERU SUMER INDIA EUROPEAN

Almost nobody, including the most famous anti-JEWS activists, can explain THE REASON WHY JEWS want to reduce the number of Whites on the planet (known as "White Genocide"). THINK, killing, and reducing the birth rate & mental abilities of the Whites by all these: WW1, WW2, Zionism, Communism, social & intellectual movements such as feminist revolution, homosexual & abortion propaganda & laws, "White guilt" programming, high taxes, Vaccines, Chemtrails, massive immigration & forced integration of non-Whites, "trade unions" & open borders, "racism hate speech laws", miscegenation & race mixing, fluoridated drinks… SCIENTIFIC FACTS SHOW: 1) Each human race has an AVERAGE IQ (intelligence) that is genetic 2) The highest average IQ is for Aryans (Ashkenazi JEWS and Aryans non-Jews). 3) All other races have different AVERAGE IQ but many of their individuals have higher IQ than many Aryans. HISTORICAL FACTS SHOW: Most ancient advanced civilizations in the Middle East, Asia, South America, were built by Aryans who are today replaced by other lower AVERAGE IQ races. QUESTION: WHY JEWS WANT TO PRESERVE THEIR WHITE RACE in & outside Israel, and push for a WW3 on White nations?

JEWS say: Islam is their 'Natural Allie' in Europe

" The Jewish people are in totally different place, today there is the state of Israel… The clash between the secular post-Christian Europe and the new immigration wave which is essentially religious.. yes, this is exactly what is happening, there is a clash of civilizations and we the Jews we are in the middle of this clash of civilizations. We see ourselves FIGHTING TOGETHER with OUR MUSLIM BROTHERS who want 'free' Europe, who want 'peaceful' Europe, who want to 'integrate' like our forefathers integrated in Western Europe hundreds years ago, and they are OUR NATURAL ALLIES. WELL WELL...
IT LOOKS LIKE WE
FOUND OUT WHO IS
BEHIND THE MUSLIM
INVASION OF EUROPE !

If the Jews are not removed from powerful positions in Europe, then Europe will become majority Muslim

and the White race will die even without wars but by racial genocide resulting from low fertility rate and race mixing or miscegenation with Arabs and Blacks. In fact Jews would prefer this option, a peaceful quite death of the European people, and cooperation from the Muslims and all non-White immigrants.

The Jews are Islamizing Europe, and those who deny it are either hypocrites haters or ignorant.

What will happen in the next few years when the European people will become minority in their land?

This will inevitably lead to a civil war because Europeans and Muslims are completely different cultures, the Muslims are preserving their identity and didn't fall for the Jewish propaganda of "Equality".

smoloko.com

The best strategy for a collectivist group like the JEWS for destroying European Whites is to convince the Europeans of their own moral bankruptcy. Judaism is presented as morally superior to European Christianity and European civilization as morally bankrupt. Once Europeans are convinced of their own moral depravity, they will destroy themselves in a ALTRUISTIC PUNISHMENT. Thus JEWS who rule the West promote the moral superiority of Judaism and constantly remind the brainwashed Whites of some fictive "crimes" such as the Holocaust or Wars that in fact were pushed & planned by JEWS and Imperialism & Wars on non-Whites for the benefit of the Jewish central banking cartel (Rothschilds) or the destruction of the neighbours of Israel

"According to 58-year-old Catholic priest Andreas Knapp, the reason that many of the Muslims hate Christians is that they see them as collaborators with Western governments – like the UK and the USA – because they share the same religion. Across Germany, there have been reports of Christian abuse in asylum centres by Muslims with the Christian charity Open Doors alleging there are thousands of victims of violence and harassment. Many have suggested separate asylum accommodations for Christians, with new converts from Islam being particularly vulnerable to violent attacks."

Muslims will always support our plans to racially genocide the Europeans and erase Christianity from earth because they only care about spreading their Islam

These are not "refugees"

These are the new Europeans: just 2 million of them **will become 20 million** when they bring their wives, brothers, sisters, mothers, fathers, cousins and make each 3-4 children JUST IN 15 YEARS. **Your JEWISH rulers will force the integration** of their children & grand children in your schools and jobs for the main purpose of **race-mixing your people and genocide** your European race. It's a fact: JEWS even explained this genocide in their **1923 book "Kalergi plan"**

Alice, why are you against the JEWS?

I am against the JEWS because they have a satanic plan to rule the world which requires the destruction of Western Civilization. JEWS own all European & American media & politics and brainwash us about everything. JEWS run Porno industry, created homosexual laws & organizations, created abortion laws, created feminist revolution & propaganda, all to destroy White (European) Christian family and culture. JEWS flood our White Christian countries with millions of Africans and Muslims and 3rd worlders who hate us because our JEWISH run government stole their resources for the few JEWISH elite. JEWS are genociding our RACE & civilization by Islamizing White-Christian Europe with millions of Browns, Arabs and Blacks, programming our people about "equality" and the "cool" miscegenation to breed our race out of existence. JEWS cover the huge number of crimes done by non-Whites & Muslims while amplifying our tiny number of crimes, all to get these violent programmed haters destroy our civilization

The vast majority of Christians in America want to "Take America Back." Even they have no idea that it is the Jews who have taken over America and ruined it.
They are clueless that it is the Jews who have destroyed our economy, sent all the U.S. jobs to other countries, are destroying the family in America, are eliminating Jesus and Christianity from our country, and are responsible for the horrific immigration policies of this country.
The Jews in America have infiltrated the U.S. government and taken over virtually all departments, including controlling the immigration policy to accomplish several goals: 1) elimination of the white race, 2) dumb down the population, 3) eliminate Christ and Christianity from American society, 4) bring financial ruin to the middle class by forcing them to pay for hundreds of thousands of illegal immigrants, 5) decrease the literacy rate even more than what it has been since the Jews took control of the public school system, 6) cause race and religious wars that will bring the U.S. to total chaos, as well as cause death and destruction.

No nation can preserve its sovereignty and national integrity when it leaves its borders wide open for foreigners to enter.
These foreigners have no loyalty to America, its citizens, or its laws. They are just here to grab what is left of our crumbling welfare state, before Americans themselves can get what is rightfully theirs.
So how did all this happen all of a sudden anyway? It wasn't by accident! No, it was carefully planned by America's enemies. And just who are these enemies? None other than the Synagogue of Satan mentioned in Revelation 2:9 and 3:9. You probably know them better as Jews.

Void of an army, Jewish globalist elites simply destroy a country (or an entire continent) by flooding it with tens of millions of poor immigrants, telling them NOT to assimilate, and instilling in them hatred for the White majority.

Further, Jewish elites encourage such immigrants to demand their "rights." Lastly, elites tell the immigrants they are "victims" and "oppressed" peoples (of course all their "oppression" is caused by so-called "evil" Whites).

That's the formula which Jewish globalist elites are using to tear down Europe, Australia, New Zealand, Canada, and the USA.

Jewish objectives as outlined in Protocols of the Learned Elders of Zion:

1) Banish God from the heavens and Christianity from the earth.

2) Allow no private ownership of property or business.

3) Abolish marriage, family and home. Encourage sexual promiscuity, homosexuality, adultery, and fornication.

4) Completely destroy every thought of patriotism, national sovereignty, individualism, and a private competitive enterprise system.

5) Establish a one-world government through which the Jewish elite can rule the world. All other objectives are secondary to this one supreme purpose.

6) Take all prayer and Bible instruction out of the schools and introduce pornography, vulgarity, and courses in sex. If they can make one generation of any nation immoral and sexy, they can take that nation.

9) Circulate vulgar, pornographic literature and pictures and encourage the unrestricted sale and general use of alcoholic beverages and drugs to weaken and corrupt the youth.

10) Foment, precipitate and finance large scale wars to emasculate and bankrupt the nations and thereby force them into a one-world government.

11) Secretly infiltrate and control colleges, universities, labor unions, political parties, churches, patriotic organizations, and governments.
These are direct quotes from their own writings

Before the Jews highjacked US immigration policy in 1965, the immigration policy of America was to admit primarily white Europeans in order to keep the U.S. population homogeneous. Up until 1965, most Americans did not have to lock their doors.
They did not lock their cars. There were few, if any, homes that had bars on the windows. Few people had home security systems. A child's bicycle left on the front lawn overnight was still there in the morning. Young children could walk to school without concern for abduction, rape and murder. Few people knew anyone who had a drug addiction. There were no gated communities. There was no need for "security" at airports or anywhere else. There was no terrorism. But ALL this changed!

AIPAC to go all-out on Syria

The powerful pro-Israel lobby AIPAC is planning to launch a major lobbying campaign to push wayward lawmakers to back the resolution authorizing U.S. strikes against Syria, sources said Thursday.

Officials say that some 250 Jewish leaders and AIPAC activists will storm the halls on Capitol Hill beginning next week to persuade lawmakers that Congress must adopt the resolution or risk emboldening Iran's efforts to build a nuclear weapon. They are expected to lobby virtually every member of Congress, arguing that "barbarism" by the Assad regime cannot be tolerated, and that failing to act would "send a message" to Tehran that the U.S. won't stand up to hostile countries' efforts to develop weapons of mass destruction, according to a source with the group.

Every major Jewish organization in America has publicly demanded that America open its doors to hundreds of thousands of Muslim 'refugees'

The Jewish groups pressuring Congress to ignore the clear will of U.S. taxpayers to halt Muslim immigration and instead open the doors to evengreater floods of Muslim immigrants in America are :

In other words, Christians are being told to be non-religious and "join the world," while Muslims arebeing shipped in by the boatloads (thanks to Jewish political pressure and Jewish-inspired "open immigration" laws) and given religious predominance. It's indeed an invasion -- and a spiritual invasion, at that. Christianity is being diluted, destroyed and absorbed into the world. And another religion, Islam,combined with political correctness -- is being used as the battering ram to make sure it happens at a faster and faster pace. And behind the scenes, the people of the Judaic religion direct the entire process with an iron hand, and savor their victory over their ancient enemy, Christianity.

God's Word is holy, meaning it's set apart from anything else this old world has to offer, including false religions like Talmudic Judaism and Qur'anic Islam, both of which offer up for worship a "god" other than our Lord and Savior Jesus Christ.

In fact, I would hasten to add that the adherents to Judaism and the adherents to Islam worship the very same "god" – a "god" known to Christians as Satan.

Indeed, we know for a fact that they don't worship our heavenly Father, because the Scriptures clearly tell us that one cannot deny the Son of God and at the same time still claim to worship God (John 5:23;1 John 2:23).

Yet both Islam and Judaism do exactly that. Judaism denies Christ completely, claiming in their Talmud that He's a blasphemer Who is boiling in hell in hot excrement for His blasphemies

And the Muslims relegate Christ to a mere "messenger of Allah." They openly refute His divinity as well as His deity, claiming He was not God incarnate, nor the Son of God, but instead a creation of Allah. In other words, the Muslims deny the Gospel message, as do the Jews, and are damned to hell.

s m o l o k o . c o m ✝

Jews and Muslims have aligned in a largely hidden end-days effort to destabilize, humiliate, denigrate, neutralize and ultimately relegate Western Christianity to the dustbins of history

This hidden alliance between two seeming enemies – Islam and Judaism -- is easily understandable if you can grasp the simple fact they both reject Jesus Christ as Lord, and therefore do not have the Father…they both worship the same "god" (Satan)…and they both pursue the same ultimate goal, i.e., the defeat of Christianity.

Germany, Saint or Monk Religionibus, printed at Augsburg (Bavaria) by Johannes Stoeckler in 1508.

In the text proper the Christian theologian is confronted by both a Jewish and an Islamic clergyperson. While the Jew supports the Muslim by pointing to the yet unfulfilled promises of Christ and the failures of the church, it is to no avail. Both non-Christians (who share a certain Semitic heritage and are considered allies) are won over in the end to the true faith and ask for baptism.

The woodcut proper, which serves to illustrate the text, shows Holy Mother Church sitting on a throne, under a cross, in the upper center of the composition, flanked by the pope on the left and the Holy Roman Emperor on the right. Four women, all with broken flagstaffs as signs of their captivity, sit humbly around the throne as subjects of the Holy Mother Church, pope, and emperor. The two women on the left represent Islam and Judaism; the two women on the right, the Greco-Roman pagans and the Mongols. By position in the composition the Jews are linked with the Muslims rather than the Greco-Roman pagans. But the Jews are also linked with the Muslims here by the flags that they carry. Judaism carries a flag on which is written the name Machometus, the Prophet Muhammad, the last and greatest of the Prophets according to Islam (or, as some Christians believed, the god of Islam; supra section 5, the Belgian "Miracle de Sainte-Gudule").[1] While Islam carries a flag on which is depicted a Jew's hat! Assuredly, the depiction here of this exchange of banners between Islam and Judaism was purposeful. If we look at the other two women, sitting on the right, we find that each of them carries the proper flag. The Greco-Roman pagans carry a flag on which the name "Jupiter" is written. The Mongols carry a flag on which the name Chingens (=Genghis Khan) is written. There is no exchange of flags here as there is between the two women sitting on the left, Islam and Judaism.

What was Burgkmair trying to say with his woodcut? According to Wolfgang Seiferth it was the following:

> One could regard this interchanging of the banners simply as an error on the part of the woodcarver who was unfamiliar with the previous history of his allegories. More likely, however, is the assumption that *the Jews were thereby being accused of collusion with the Turks* [italics ours], the enemies of the [German] nation; [for] both were enemies of Christianity. Thus, to the many accusations heaped upon the Jews in the late Middle Ages, that of treason and conspiracy with the Turks was added.[2]

Of course, Seiferth should have been aware of the fact that the Christian belief in a Judaeo/Islamic conspiracy against the church can be traced back to the seventh century and was not simply something that "was added" in the early sixteenth century. Nevertheless, could there be any more eloquent testimony than the Burgkmair woodcut to the historic Christian tendency to equate Jew with Muslim and to demonize the Jews alike of the Muslims in a great international conspiracy to destroy Christendom and the West?

II. In his compelling volume on *The Devil and the Jews*, Joshua Trachtenberg has collected some very powerful evidence of the association of Jew with Muslim (especially Turk) in early modern Europe which has not received sufficient attention. We believe it is important to present the Trachtenberg material at this point in order to supplement the material already developed above.

Trachtenberg states the following in the chapter of his book entitled "Infidel or Heretic":

> It is not unusual to encounter [the Christian belief that] the Jew and the villainous Turk, the most powerful external foe and rival of Christendom in the later period, [were] conniving together against their common enemy [the Christians]. When the Turks moved north against the [Holy Roman] Empire in the sixteenth century, everywhere the cry arose spontaneously that the Jews were in league with them, serving as spies and in general as what we would call today "fifth columnists" [italics ours]. Trachtenberg uses the same term here that was used by Cantera-Burgos and Baron to apply to the Spanish situation; cf. footnote 17 supra].[3]

What historical evidence does Trachtenberg cite for the Christian view that the Jews were a Turkish "fifth column"?

1. In 1538 the Jewish quarter of Candia, Crete, was attacked by the native Greek Christian population (though the Venetian occupation forces intervened in time to save the Jews from massacre) because of the Greek suspicion that the Jews were harboring Turkish spies.

2. In 1541 the Jews were expelled from Bohemia because, as a citizen of Prague wrote, "if the Turks should ever come into this coun-

try, which God forbid, it would be because of the Jews, who showed them the way [italics ours]."

3. The Jews were expelled from different parts of Austria three times, 1544, 1572, and 1602, for alleged collaboration with the Turks.

4. In 1566 the Spanish ambassador to England, referring to the Turkish invasion of Hungary, stated that "some Catholics think that the heretics [Protestants] are to blame for the enemy's attacks [i.e., the attacks by the Turks], *and some even lay it to the Jews*" [italics ours].

5. When in 1684 the Christian armies attempting to retake Buda from the Turks were defeated, the Jews were held responsible. Mobs stormed the Jewish ghettos of a number of Italian cities to take vengeance on their inhabitants for alleged collusion with the Muslim enemies of Christendom.[4]

What Judaistic evidence does Trachtenberg cite for the alleged Judaic/Turkish alliance?

1. Martin Luther's frequent literary allusions to tales of Jewish collusion with the Turks.

2. A miracle play, whose earlier version preserves a Turk piercing an image of Mary but whose later version assigns this same role to a Jew (the ally of the Turk).

3. Several dramas, like the French Besançon Antichrist play and the French *Mystere de la Sainte Hostie*, as well as the English *Three Ladies of London* (1584) by Robert Wilson, present a Jew who venerates the Prophet Muhammad (perhaps as the god of Islam; supra, section 5, the Belgian "Miracle de Sainte-Gudule") and swears by his name.

4. Christopher Marlowe's drama *The Jew of Malta* (circa 1592, published 1633), in which the Jewish archvillain Barabas is aided by his Turkish slave Ithamore in many nefarious activities including the murdering of the Christian friar Pedro Bernardyne; Barabas finally admitting the besieging Turks into the city. This Marlowe drama is one of the most overwhelming statements in the history of the association of Jew with Muslim by Christians, medieval or modern. Marlowe goes so far in his antipathy toward the Jewish people as to portray the Jew Barabas as eventually attempting to betray even his Turkish ally, so that, becomes the ultimate traitor who betrays everyone, Christians and Muslims alike, in order to gain his own vicious ends (greed). However, the Jew attempts to betray the Christians to his Muslim cousins and allies.

Israeli journalist Yosi Gurvitz says that unlike Muslims, who have a long history of alliances with Jews, Christians will have it very bad when Zionist Jews finally rise to world power.

"Now the situation for Christians, on the other hand, will be really bad. [According toJudaism], Christians are idolaters, and you have to kill them even if they do not resist Jewish rule...Christianity, which is the historical arch-enemy of Judaism, is going to get a serious beating once the religious Zionists are in power."

That's why we see Jews and Muslims today aligning with each other against Christian Europe and yes, even against Christian America, by jointly promoting mass Muslim immigration, and forcing it upon us.

"One cannot defend himself against the Jew. He attacks with lightning speed from his position of safety and uses his abilities to crush any attempt at defense. Quickly he turns the attacker's charges back on him, and the attacker becomes the liar, the troublemaker, the terrorist. Nothing could be more mistaken than to defend oneself. That is just what the Jew wants. World War II was a war America need not and should not have fought.

It was a war that did not bring good to the planet or to America.

Instead, it laid the groundwork for future wars and set in place a post-war framework upon which the drive for a New World Order was advanced to a greater degree than ever before.

Light (Jesus Christ) came into the world 2000 years ago ago but the Jews snuffed it out for themselves — (they're hell-bent on snuffing it out for everybody else) — and crucified Christ.

Jewry has nothing to offer the world but the continued crucifixion of all that is good and beautiful. They murdered the most Beautiful Who ever existed. What good can come from them?

We don't need another Jewish utopia.

We've had our share…first with the Bolshevik revolution followed by the Zionist convolution. Blood still runs in Jerusalem.

The work of repairing the world is not for Jews without Jesus.

BUT there's one catch. JEWS will reign supreme in this syncretistic stew.

Their New Age Judaism, "Tikkun Olam," has a different lingo about it than the Talmud…but the intent remains the same:

This was long before any action of any kind had been taken against any Jew, and six years before military action was initiated in 1939.

In the years before World War II, the American public had no desire to go to war in either Europe or Asia.

We, as Americans, had no interest in warring with Germany, Italy or Japan. Yet America was forced to battle the Axis Powers for four long years at the sole behest of International Jewry.

In fact, World Jewry commenced its War against Germany in 1933, the year Hitler came to power, even before he had time to begin implementing a program for pulling Germany out of its own economic depression.

We are witnessing an epic change in world power in the current crisis in Syria

The previous unipolar world of Zionist intervention has now met resistance of another superpower - Russia.

I have declared Vladimir Putin the new Caesar based on the simple observation that he is a man of reason commanding a huge military force putting down the Jewish rebellion just like in 66 AD when Vespasian Flavian was assigned the task of crushing Jew Zealots who took control of Judea.

THERE IS SCARCELY A FIELD, from Politics & Finance, from the Arts & Sciences, from the Press & Mass Media, from Academics & Education, in which the Jewish spirit cannot be clearly traced.

Imparting a peculiar warp to the affairs of life, all the activities of the Jewish spirit are directed towards one ultimate goal: obtaining an advantage over the Gentiles, whom the Jews deridingly call, "the goyim."

Jews, in order to attain power, view Christianity, with its attendant moral influence, as a threat. For profligacy and perversion of sexual mores, places the Gentiles under the Jews' dominion.

Operating in the realm of the press and mass media, Jews present Christianity in a bad light. This works to their benefit. For Christianity confers strength and moral fiber to the Gentile population, which would be a formidable force in opposing the Jewish quest for control.

Owing to their denial of an afterlife to aspire to, Jews are incapable of applying a higher standard to the values of life than that of acquisition and control.

Few American college graduates with a Ph.D. degree could tell you what the Byzantine Empire was.

It was the Empire of East Rome, set up by Roman leaders after the Jews had destroyed Rome. This empire functioned in Constantinople for twelve hundred years, the longest duration of any empire in the history of the world. Throughout the history of Byzantium, as it was known, by imperial edict, no Jew was allowed to hold any post in the Empire, nor was he allowed to educate the young.

Yet its edicts against the Jews were not cruel; in fact, the Jews lived unmolested and prosperously in the empire throughout its history, but here alone the vicious cycle of host and parasite did not take place. It was a Christian civilization, and the Jews were not able to exercise any influence.

One of the biggest problems we have is the Jewish usury system that stems from the world's privately controlled central banks.

These banks loan our governments currency at interest that they create out of thin air. This is a Jewish scam as it forces the people to pay taxes so the government can pay interest on this currency. It is a debt enslavement system.

In order for us to fully end Jewish control of our nations, we need to restore the power of currency creation into the hands of the people. The government should be able to create its own currency debt and interest free. There's no reason for private Jewish interests to be involved with its creation.

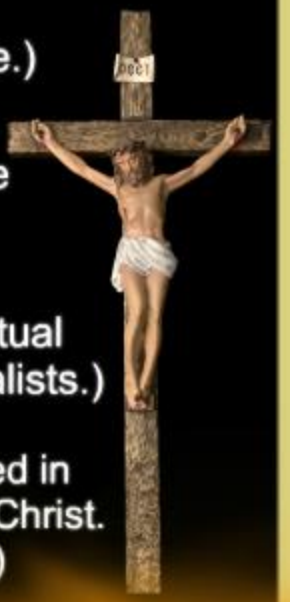
JEWS FEAR CHRISTIANITY more than any other thing. Here's Why:

1) Christianity tells Jews that their leaders committed Deicide against Jesus Christ. (Jews always blame others for their crimes.)

2) Christianity tells Jews that they must repent of their sins. (Jews consider "repentance" repulsive.)



3) Christianity tells Jews that all men can become "one in Christ." (Jews wish to be an elite group.)

4) Christianity tells Jews that they must value Spiritual things above worldly things. (Jews are crass materialists.)

5) Christianity tells Jews that they are not to be trusted in spheres of influence because of their hatred of Jesus Christ. (Jews quake and tremble before such a reproof!)

Do we really want these Christ-hating Jews to lead us?

A CHRISTIAN NATION would make the Jews second-class citizens.

This is something that the Jews fear. Jews want to be on the top of the ladder and be the leaders so they can occupy all the seats of power.

But this is a bad idea. Why? Because Jews hate Jesus Christ and who wants Christ-haters telling us what to do?

Jesus taught us wonderful things like love your enemies and do good to those who hate you. But the Jews dont like this teaching. Jews see all men as their enemies and wish to bomb them into annihilation.

Do we really want these Christ-hating Jews to lead us? Or do we wish to put the fear of God into the Jews minds and hearts by telling them:

Hey Jews. We are Christians. You are haters of Jesus Christ. And you MUST repent! (And oh! - how the Jews will quake and tremble!)

The JFK assassination most likely would never have been carried out without the active collaboration of the CIA and obviously those in the CIA who were actively involved in the assassination conspiracy (Angleton in particular) were close to the Mossad or functioning in its sphere of influence in a number of areas.
INTELLIGENCE AGENCY
smoloko.com

James J. Angleton, the Mossad's ally at the CIA, turned many CIA agents essentially into Mossad agents, working on behalf of Israel's interests, not only in the Middle East but throughout the world . . .
There were many CIA operatives and CIA contract operatives, likewise who were doing the work of the Mossad and didn't know it, not only in the matter of the JFK assassination but in various covert activities globally

smoloko.com

Before JFK's death, Ben-Gurion's lobbyists might have been whispering in the ears of defense contractors' lobbyists in Washington saying, for example: "You won't have your big money profits if JFK gets out of Vietnam. And if LBJ comes into office, we have it on good authority that he's going to begin a major highly profitable process of arming Israel. But none of this will happen if JFK stays around much longer." So the defense contractors turn around and tell their friends in the CIA and the Pentagon: "This son of a bitch Kennedy has got to go."
smoloko.com

So in many key instances where one appears to be finding a "CIA connection" to the JFK assassination conspiracy, one is also finding that it is also a very significant Israeli connection:

whether you're talking about Clay Shaw, Guy Banister, Sturgis, Hunt or at a higher level—James Angleton.

In a sense all of these key players were wearing two hats.

Not to mention long-time CIA asset Clay Shaw who was connected to the Israelis through the Mossad-sponsored Permindex operation

In this particular realm of intelligence intrigue the JFK assassination when you are looking at the CIA you are also looking at the Mossad.

smoloko.com

In a situation such as this where you find various power groups interacting in this case, a conspiracy to kill the president of the United States you might find Ben-Gurion in Israel telling James Angleton at the CIA in Washington (whether directly or indirectly, of course): "JFK is not only a threat to Israel, but he's also going to splinter the CIA into a million pieces and cast it to the wind. He's going to wreck your plans to get deeper into Vietnam."
smoloko.com

Obviously, Angleton and his associates at the CIA didn't need Ben--Gurion to tell them what a problem JFK was for the CIA . . .

But it certainly didn't hurt for Angleton to know that he'd have the clout and the political protection not to mention the assistance of Israel and its worldwide network and its support in the American media if he and the CIA decided to move against President Kennedy

James Angleton was so close to the Israelis during his tenure at the CIA that, following his death in 1987, a monumentwas unveiled in Israel by its government in his honor. A network of assassin recruitment and planning was set in motion through the aegis of the Mossad-CIA-Lansky combine, with the shadowy Permindex entity at the very center of the operation.

Shamir knew, of course, that a diverse array of interests—domestic and international — would like to see Kennedy removed from the White House.

The State of Israel had integral links with all of the major power groups that wanted John F. Kennedy removed from the American presidency.

Israel's global network had the power to orchestrate not only the assassination of Kennedy, but also the subsequent cover-up.

The Kennedy brothers were interested in Johnson's deals conducted through his front man, Bobby Baker, who later did end up in prison.

Baker,of course, conducted several of his major deals with Lansky associates, including Ed Levinson, a director of the Mossad-linked Banque de Credit International, founded by former Mossad official Tibor Rosenbaum.

He believed that Israel might be destroyed. It was because of his contempt for Kennedy and the American president's stance toward Israel that Ben-Gurion left his post as prime minister. It is likely that his last act as prime minister was to order Mossad orchestration of a hit on JFK

He opposed the creation of the state of Israel.
His ruthless murder was covered up by the Zionist-controlled press.
At around 1:45 am, May 22, some seven weeks after his admission to the hospital, Forrestal plunged from a 16th floor window of the hospital to his death. A belt or cord, said to be from his dressing gown, was tied tightly around his neck.

JFK was demanding Israel to permit Palestinian refugees the right to return to their homes in Israel or be compensated by Israel to be resettled in Arab countries or elsewhere.
This angered Israel greatly. Prime Minister Ben Gurion responded with his own demands, demanding JFK sign a exclusive security treaty with Israel. Kennedy refused to sign. Ben Gurion resigned as PM in disgust, and just before he resigned he gave the order to the Mossad's assassination chief, Yitzhak Shamir to proceed with the plans for killing Kennedy.

Kennedy wanted one thing in particular understood by all sides in the conflict: the new U.S. president wanted "to make it crystal clear that the U.S. meant what it said in the Tripartite Declaration of 1950—that we will act promptly and decisively against any nation in the Middle East which attacks its neighbor." This policy was directed not only to the Arabs, but Israel as well. Kennedy did indeed mean business.

JFK planned a military strike to prevent an Israeli-Red Chinese scientific partnership from building the first atomic bombs for China and Israel.

He sought to thwart the CIA-Mossad-Meyer Lansky partnership that controlled the heroin trade stemming from the Golden Triangle by pulling U.S. troops out of Vietnam. JFK even transferred control of Cold War espionage operations from the CIA to the Chairman of the Joint Chiefs of Staff.

Through his support of Algerian independence and an "even-handedness" policy towards other Arab nations, JFK infuriated the French Secret Army Organization (OAS) and its Mossad supporters who had sent professional assassins against French President Charles DeGaulle.

JFK's brother Bobby, as Attorney General, moved aggressively against the lower levels of Meyer Lansky-dominated organized crime in America.

Lastly, the Kennedy family quietly talked about shutting down America's privately owned Federal Reserve banking cartel that has provided vital fiat money financing for Zionist projects.

John Kennedy did not trust Jews and was approached by Zionist Jew Democrats at a party in 1960 -
"I had the damnedest meeting in New York last night," JFK had said to his friend Charlie Bartlett one day in the early fall of 1960. "I went to this party. It was given by a group of people who were big money contributors and also Zionists and they said to me, 'We know that your campaign is in terrible financial shape!'...The deal they offered me was that they would finance the rest of this campaign if I would agree to let them run the Middle Eastern policy of the United States for the next four years."

REPORTING THE TRUTH

IGNORANT people like to call themselves "Judeo-Christian".

But these are two very different, distinct religions. One is true, the other is satanic.

Did I say "satanic?" Yes, that's what Judaism is. Jesus Christ identified the religion of the Jews as "satanic."

"O generation of vipers," Jesus called the Jews, "how can ye, being evil, speak good things? For out of the abundance of the heart the mouth speaketh" (Matthew 12:34).

"Ye serpents," Jesus said, "how can ye escape the damnation of hell!" (Matthew 23:33)

When the Jews insisted theirs was a religion of the Law, Jesus answered that they obeyed not the Law but instead, heeded the "tradition of the elders." Theirs, he pointed out, was a man-made religion, "full of hypocrisy and iniquity."

Yes, Jesus spoke with the authority of God, and He said that Judaism is "full of hypocrisy and iniquity."

The Jews believe they are "chosen," and they believe you are shit.

✡ ✡ It's that simple. ✡ ✡

People need to understand there is no basis for "peace" in Judaism. According to all jewish writings, gentiles are not humans, but cattle and donkeys for the jews.

The jewish religion only commands the jews to commit murder, rape, and terrorism against gentiles. Judaism designates all non-jews as enemies of the jews. Jews are not allowed to be kind or fair to gentiles, only to lie, cheat, steal, defraud, enslave, torture, humiliate, and dispossess those who are not "chosen."

To the jews, If you are not jewish, you simply do not matter. It is so crucial that people learn to see this total blatant disregard for the sanctity of human life.So stop all the bullshit about peace and love, we are dealing with a collective of psychopaths who do not understand what that even means.

There is NO SUCH THING as 'Judeo-Christianity' !
Judaism is a 'religion' which is wholly independent of Christianity, and was in fact a rejection of Jesus Christ as the Messiah.
The Talmud, Judaism's second holiest book, refers to Jesus and his mother Mary in unequivocally harsh language, calling him a false teacher, and preaching hate against all Christians
Of course, in modern times, there are few Christians who know about the Talmud, but the sentiment of Talmudism is present at the highest levels of Jewish leadership.

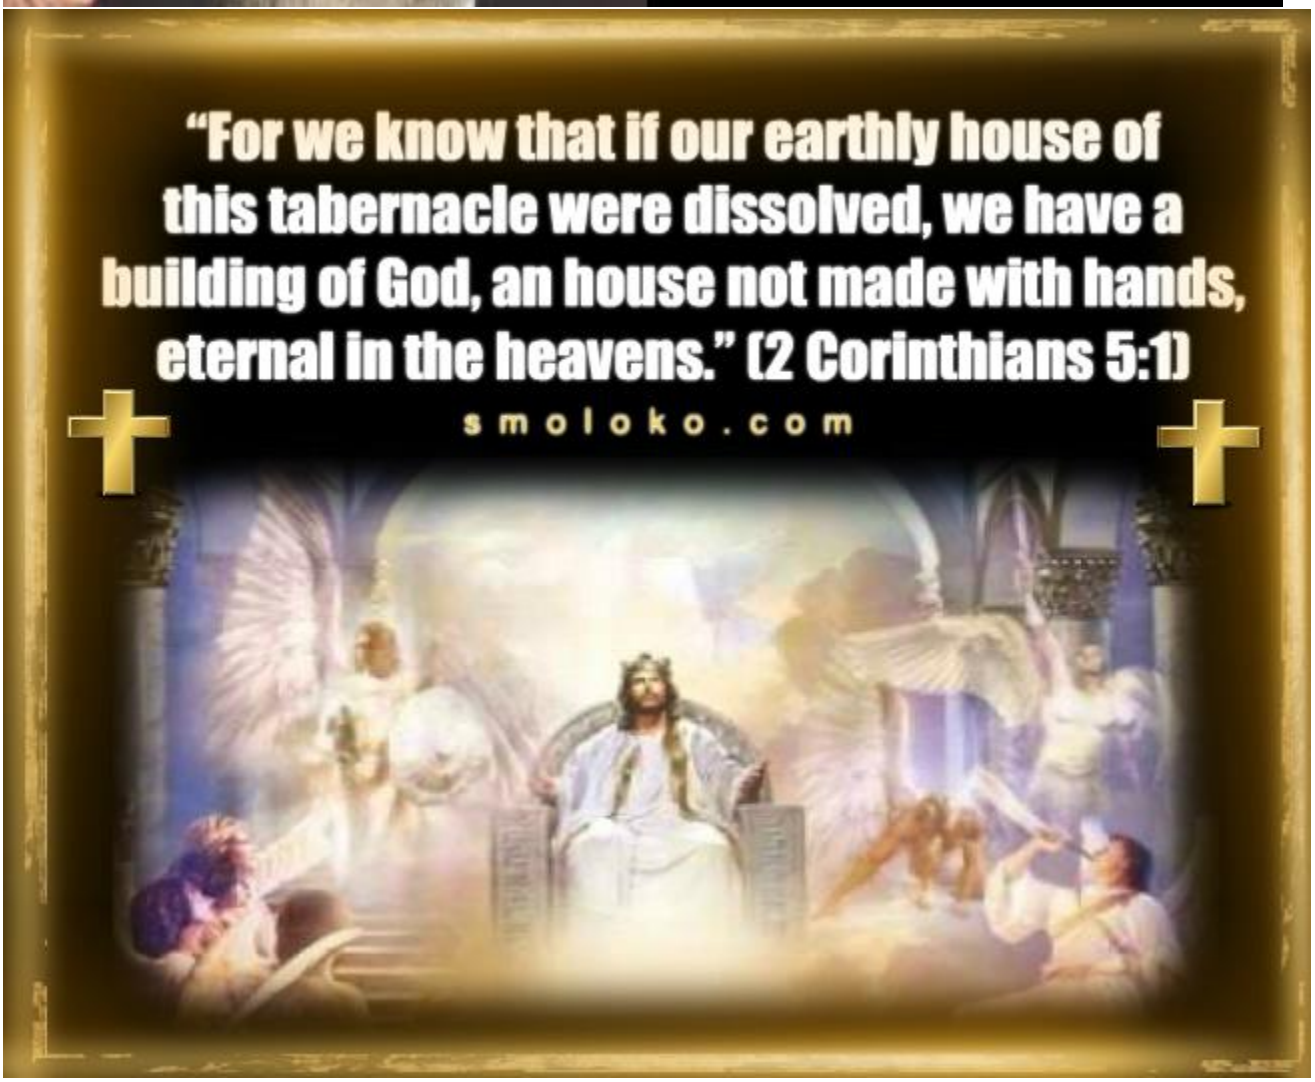
It is in the Jewish interest, it is in humanities interest that whites experience a genocide. Until white children are burned alive, white women raped, mutilated, murdered and all white men who have not been slaughtered watch powerlessly as their people are terrorised; only then will mankind be on a more equal footing, ready to discuss white privilege and the apparent chip on the shoulder that minorities have. - Ishmael Levitts



The real Messiah has come...

the Lord Jesus Christ.

And with Him the new priesthood after the Order of Melchizedek has been established— IN The Church, the Israel of God.

We don't need some fraudulent, stinking, priest-less Temple in Jerusalem that God Himself destroyed. We have the true Temple—The Church— that's all we need for the salvation of the world.

Defending Christ and Fighting The Jews

The Jewish Kabbalah explains the religious doctrine of Jewish deity. This is the cabbalistic Tree of Life with the Serpent, Leviathan, guiding the Jews to realizing their godhood. When the cycle of the Serpent is complete, the Jews will rule over the New World Order as their own Messiah.

The Jews Are Demonically Insane

Let's face it. Any people, or race, or nation, that looks in the mirror and arrogantly proclaims, "I am Chosen... I am God... I am my own Messiah... All others are mere beasts" is, by definition, insane. God promised He would drive such prideful men insane, and He has done so.

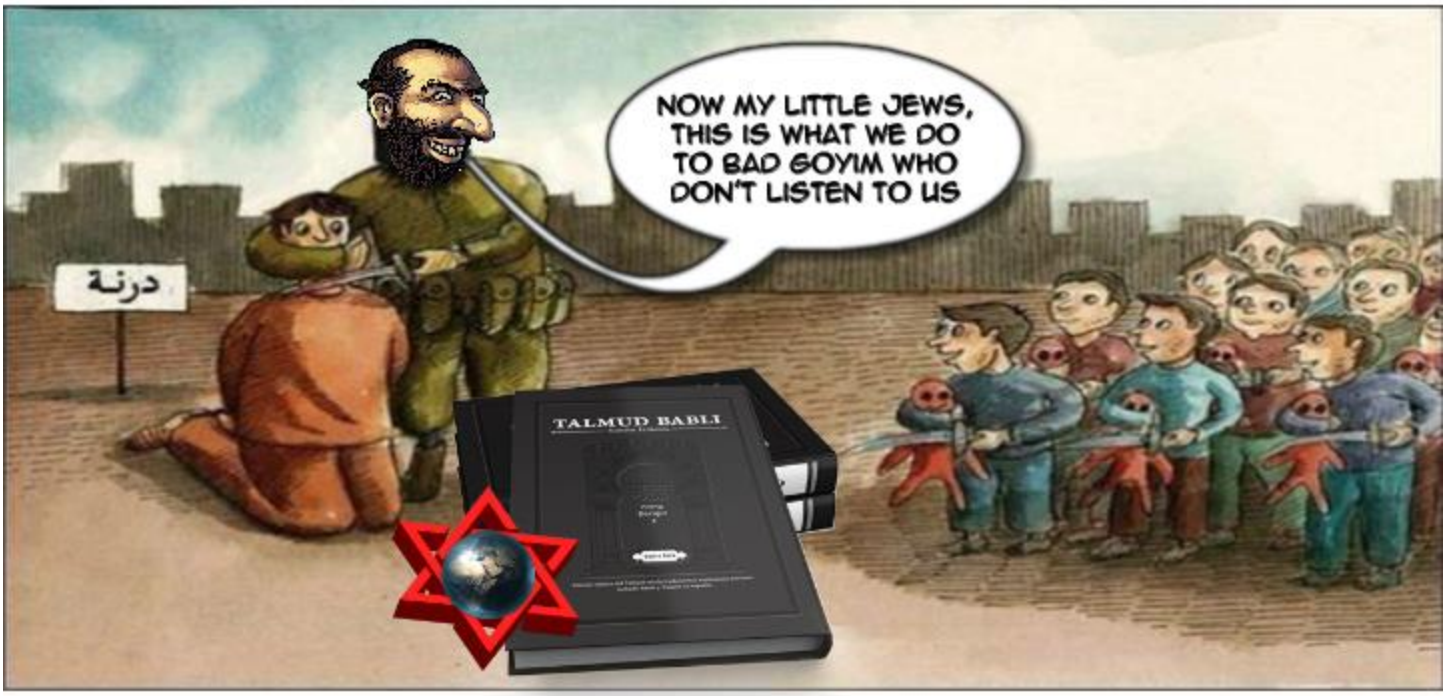
In the New World Order, you Serve the Jews, or get Beheaded



The Jews point to a "God," but theirs is a collective "God"—the Jews of the world. They alone are the divine god-men recognized by the Kabbalah and Talmud. The Gentiles, an inferior species, will be grouped under the Jews and will serve them. Those who refuse or are not fit shall be killed. That is the cabalistic law.

Blood flowing everywhere from lambs, sheep, and goats, whose throats will be slit in their stinking temple, will NOT bring “spiritual energy” to the world, BUT rather the stench of dung and the ultimate Jewish LIE: that Jesus Christ is not the Messiah.

Jews are the prime promoters of homosexuality in the west

The media, Hollywood, the courts, the Lobbies, and Capitol Hill —ALL controlled by Jews—bears this out, that Jews are at the forefront of promoting sexual perversion. But why ?

The Jews wish to destroy Christian morality and its power bloc in the West

The Jews wish to feminize Gentile males so as to minimize a backlash against them.

The Jews wish to fragment society via culture wars so as to gain greater dominance

You see, Jews have no special love for gays or transvestites, They look upon them as “dreck”…as repulsive.But to dismantle a Christian culture in America that opposes Jewry, that’s what the Jews are after.

s m o l o k o . c o m

If it's destructive, if it corrupts the youth, if it's deranged and depraved, then you can count on Jews being the perpetrators.

Productions of ritual sacrifice, bizarre sex acts, bestiality, and pederasty are on Jewry's agenda

Once God's law is scorned to embrace homosexuality, all devilish options are on the table. But Christ will not be mocked and judgment comes to any country that sells out their last shreds of morality and decency at the altar of Jew-produced filth.

If the JEWS are NOT STOPPED NOW then America is toast.

JEWS OPENLY ADMIT THEY ARE PROMOTING HOMOSEXUALITY TO "TRANSFORM SOCIETY" . . . in other words, to DISMANTLE a Christian culture that could RISE UP against Jewry, that's why.

"Being queer means pushing the parameters of sex and family, and in the process, transforming the very fabric of society. … We must keep our eyes on the goal … of radically reordering society's views of reality."

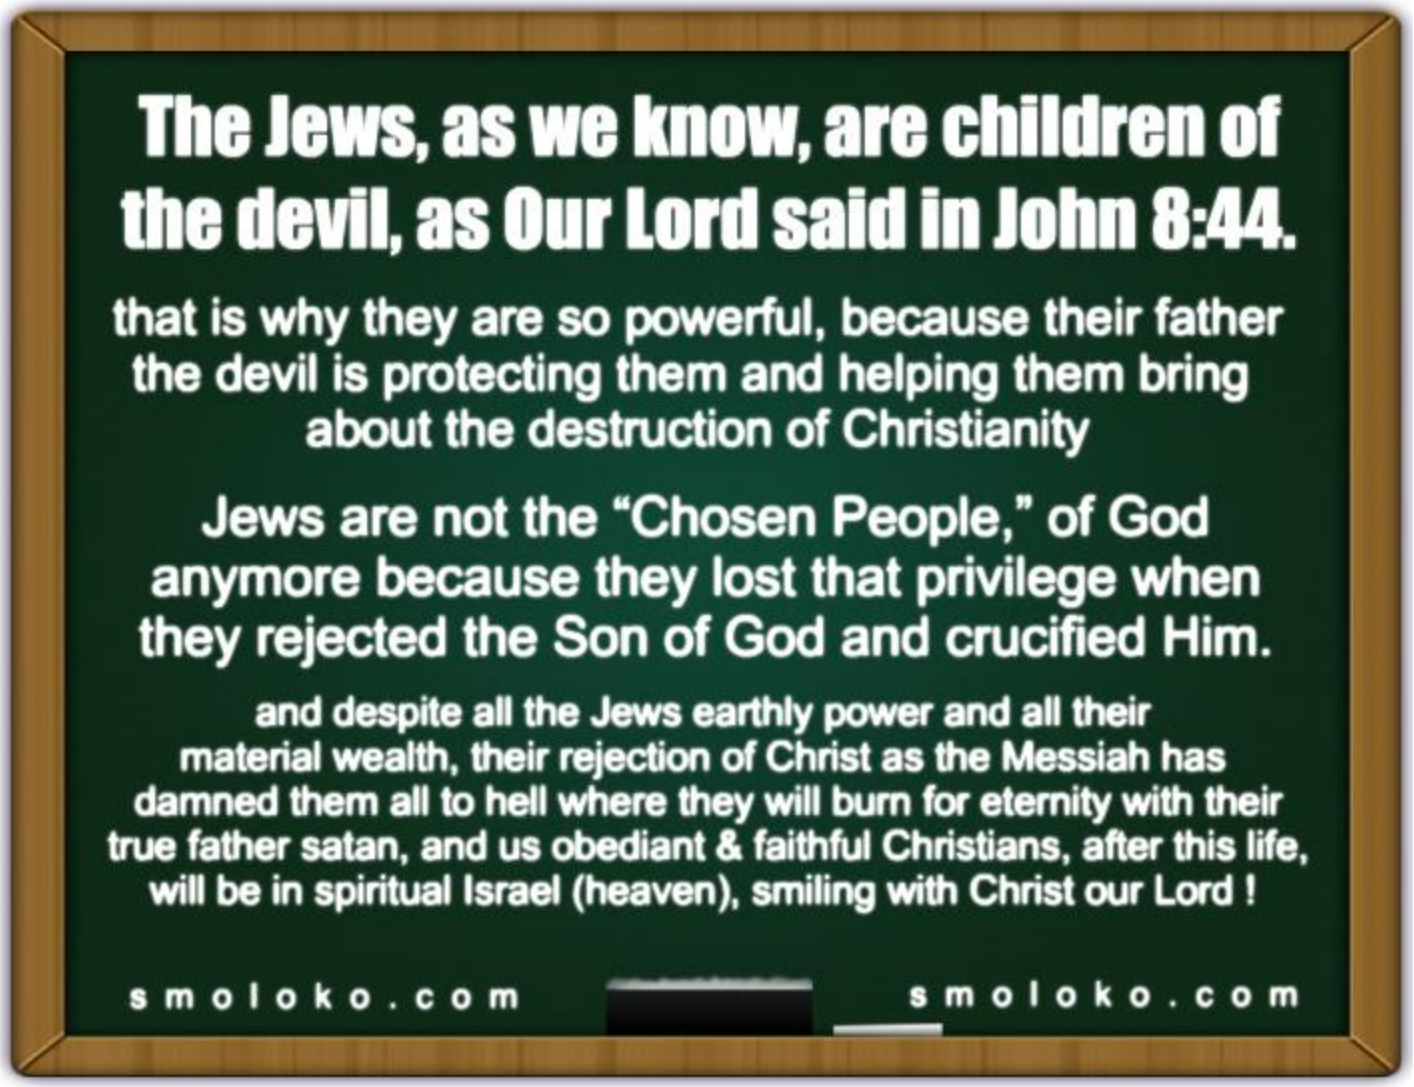
Why do Jews promote the homosexuality in the west ?

Diaspora Jews are usually contrarian to whatever traditionalist paradigm holdspower that they covet and is resistant toJewish infiltration and subordination. Hence, they will tenaciously oppose traditional "anti-Semitic" CHRISTIANS but not so much Judeo-Christian Zionist…

Even highly religious Talmudic Jews would support using gay marriage to break any hostile, rival non-Jewish power structure if at least part of its agenda was to gain Jewish power…

This makes not only the Judeofascists, but their non-Jewish collaborators the most poisonous, destructive enemies of Western civilization known to man."

s m o l o k o . c o m



The Jews, as we know, are children of the devil, as Our Lord said in John 8:44.
that is why they are so powerful, because their father the devil is protecting them and helping them bring about the destruction of Christianity
Jews are not the "Chosen People," of God anymore because they lost that privilege when they rejected the Son of God and crucified Him.
and despite all the Jews earthly power and all their material wealth, their rejection of Christ as the Messiah has damned them all to hell where they will burn for eternity with their true father satan, and us obediant & faithful Christians, after this life, will be in spiritual Israel (heaven), smiling with Christ our Lord !

From the time the Jews got off the boat on Ellis Island they began their warfare against Jesus Christ by litigating against prayer and Bible reading in America's Public Schools.
Jews, through their infiltration of academia and the press, have turned America into a secular nation. Yet "secularism" is just another name for "judaism."
For in a secular society, in which any particular Gentile strain has been diluted, Jewry can promote their Jewish propaganda, UNCHALLENGED, to its maximum effect.
This is why the American people have been instilled with a sense of Gentile guilt given Jewrys promotion of the so-called Holocaust - which has been proven to be yet another Jewish hoax.

From the beginning, the EU has been a Jewish operation. It has two main goals:

1. To destroy every one of the different European Nation States by consuming all of them under the non-ethnic specific name 'European', while at the same time consolidating Jewish power at the top ruling over everyone.

2. To physically destroy all the different White ethnicities through forced integration and miscegenation with the Non-White hordes of Asia, Africa and the Middle East.

The Bottom line: The Jews plan is to exterminate the White race. Get that part and all the Jews' actions are going to make sense in that context. It's all about race. Every single Jew consider themself a Jew race - superior to all other races. The ONLY way the Jews can be the eternal superior race is to exterminate the White race, The JEWS view the White race as their ONLY capable enemy that can stop their plan to rule the world - i.e. the Jew World Order .

2- Germans used Zyklon B to kill lice, not people.

Any Psychologist will tell you that people who are viewed as "victims" tend to get away with more than others.

The Holocaust is essentially a psychological weapon which targets the Western World.

Further, the Holocaust is implicitly used as a sort of "moral excuse" for Jews to commit horrendous crimes against the Palestinians and also engage in warmongering against many Muslim countries

The Holocaust is also used to extort billions of dollars in reparations from Germany (as a financial payback for this supposed "Holocaust").

How do Jews get away with perpetuating this lie?
They control Western mainstream media - this is their main weapon.

FAIR SETS RECORD AS PAID ADMISSIONS NET 306,480 IN DAY

Perfect Weather and Limited Bargain Rate Bring Out Biggest Crowd So Far

By SIDNEY SHALETT

Cool, clear weather and a special limited bargain rate—the lowest ever permitted—lured a crowd yesterday that smashed the official attendance record at the World's Fair. "Delighted by the results, the Fair immediately issued a prediction that the closing months of September and October would be the exposition's biggest.

At 12:30 A. M., 306,480 cash customers had passed through the turnstile, and an additional 23,173, who had come through on working permits, swelled the total to 329,653. This was more than 46,000 above the previous paid attendance record of 283,328, set on May 26, when Palestine Day was celebrated.

Attendance figures for yesterday and Saturday also outstripped figures for the first bargain week-end on Saturday and Sunday, July 22 and 23, when a paid attendance of [illegible]

The Developments in Europe

A war of words broke out last night and early this morning over a week-end exchange of letters between Chancellor Hitler and Premier Daladier.

Paris said Herr Hitler, in his letter, which contained the first official demand for the Polish Corridor as well as Danzig, had rejected direct dealings with Warsaw. The French Government's reaction was to issue an urgent warning to the populace of Paris to evacuate the city. [Page 1.]

Berlin, on the other hand, said M. Daladier "drew conclusions" from the letter, which was a reply to a suggestion by the French Premier that Poland and Germany get together on their dispute. The implication was that Germany had not closed the door to negotiation. [Page 1; texts of the Hitler letter and the French communique begin on Page 1.]

Previously it had been disclosed that the Chancellor had addressed the Reichstag on the "seriousness of the hour," and he was said to have received a stormy ovation. The attitude of the German people themselves toward the prospect of war, which was brought home to them by mobilization and rationing, seemed to be less stereotyped; anxiety was steadily mounting. [Follows the above.]

Britain, obviously acting on the theory that every wartime hour was an hour gained for peace, took her time about answering the German terms carried to London by Ambassador Henderson Saturday. The Cabinet met and deliberated and is to meet again today. Then the Ambassador is expected to make his trip back to Berlin. The British answer, it is reliably forecast, will contain a firm stand in support of Poland, although it is expected to keep a way open to negotiation and suggest a truce period. [Page 1.]

Britain began mobilizing overseas investments through an order forbidding the sale of British-owned foreign securities and requiring holders of such securities to report them to the Bank of England. [Page 1.]

Warsaw calmly went ahead with the digging of trenches and found time for Sweden at an international soccer match. [Page 1.] But in near-by Danzig the bristling war preparations were marked by the obvious presence of regular German troops. [Page 1.]

On the other hand, Italy's war preparations curiously lagged. Premier Mussolini, responding to a Canadian appeal, gave assurance that he would "leave untried no effort to safeguard the peace of the world." [Page 5.]

Meanwhile the German liner St. Louis, carrying no passengers, slipped out of New York on Reich Government orders, and headed for Hamburg. The British Government matched German measures by taking over control of all British merchant shipping. [Page 1.]

From the Far East came a further repercussion to the recently concluded Russo-German non-aggression pact. The Japanese Cabinet decided to resign in a body. [Page 1.]

LONDON, Aug. 27.—European security was still balanced tonight on the knife edge between war and peace. The acute crisis forecast in these dispatches a week ago has been all that was then predicted, but it has not yet brought a final break, and with each hour gained new hopes arise.

These hopes fluctuate. They were brighter again tonight, for news from the Continent indicated that Germany was still engaged in pressing to the utmost the "war of nerves," by which she skilled propagandists believe they can break down resistance without resort to actual hostilities. It is a futile expectation so far as this country is concerned, but while it reduces the worst it delays the postponed.

Certain small indications lend encouragement to a belief in postponement. One is that, according to a North German Lloyd steamer [illegible]

Special to THE NEW YORK TIMES.

PARIS, Monday, Aug. 28.—Sensation has followed sensation in the last twenty-four hours in the quick changing drama of the European situation.

At 9 o'clock last night Premier Edouard Daladier's office issued a communique in which it was stated that Chancellor Hitler of Germany had refused a suggestion made by the French Premier on Saturday that a new effort should be made between Berlin and Warsaw at a direct pacific arrangement. M. Daladier took it upon himself to guarantee the willingness of Poland to enter such an effort at free conciliation.

In the French statement, as issued, it was made perfectly clear that what M. Daladier had proposed through French Ambassador Robert Coulondre in Berlin was direct negotiation between Berlin and Warsaw. Herr Hitler's refusal of the French suggestion was given [illegible] by M. Coulondre [illegible]

As an old front fighter, I, like yourself, know the horrors of war. Guided by this attitude and experience, I have tried honestly to remove all matters that might cause conflict between our two peoples.

I have quite frankly given one assurance to the French people, namely, that the return of the Saar would constitute the precondition for this.

After its return I immediately and solemnly pronounced my renunciation of any further claims that might concern France. The German people approved of this, my attitude.

As you could judge for yourself during your last visit here, the German people, in the knowledge of its own behavior held and

On Aug. 26, at 8:30 P. M. [Ambassador] Robert Coulondre was summoned and received by Fuehrer Chancellor Hitler. The head of the German Government asked our Ambassador to transmit a declaration to the President of the French Council [Premier Daladier].

The declaration of Herr Hitler let it be known that he could no longer tolerate the situation existing in Poland and that he deplored that German and French blood might be spilled following measures that he might be compelled to take to settle this situation.

M. Daladier, informed by M. Coulondre of this declaration, at once had the message transmitted to Herr Hitler, in which he [M. Daladier] recalled the profound attachment of France to peace, as well as her fidelity to her publicly contracted engagements with other nations. He recalled also that to Frenchmen had done more than himself to

BERLIN, Monday, Aug. 28.—Chancellor Hitler, in a letter to Premier Edouard Daladier of France made public at press conference early today, firmly asserted that Danzig and the Polish Corridor "must return to Germany" and that "the Macedonian conditions on our Eastern frontier must be removed." It was the first time Herr Hitler openly demanded the return of the Corridor as well as Danzig.

The seven-page letter, sent to Paris yesterday, revealed an uncompromising attitude regarding Poland, but this does not necessarily mean that the door to a peaceful solution to the German-Polish crisis was slammed completely shut.

It probably does mean, however, that negotiations between Germany and France for a peaceful settlement may have been impaired.

The number of German civilians killed in just one night of the Allied fire bombing of Hamburg (1943) was 40,000. The 2-day firebombing of Dresden (1945) killed anywhere between 200-300,000!

The total number of British civilians killed during 5 ½ years of war was no more than 30,000.

It was Churchill, not Hitler, who ordered the targeted fire-bombing of crowded residential neighborhoods.

What most people still don't realize is that none of these neocon wars would have happened had Hitler won World War II.

Hitler never wanted to conquer anyone. He only wanted the return of Germany's ancestral lands, which had been stolen by the Jewish allies (US, Britain, USSR) after World War I.

Hitler floated seven peace proposals prior to World War II. But because he had challenged the Jewish monopoly of control of the world's financial affairs, the Jews would let him have no peace. The Jew puppet Roosevelt pushed the levers of war. World Jewry's other puppet, Winston Churchill started bombing the first day he took office.

HITLER WAS NOT A ATHIEST OR A DARWINIST !

Hitler was a devout Christian and he was a Creationist.

"For it was by the Will of God that men were made of a certain bodily shape, were given their natures and their faculties."

"The most marvelous proof of the superiority of Man, which puts man ahead of the animals, is the fact that he understands that there must be a Creator."

"The fox remains always a fox, the goose remains a goose, and the tiger will retain the character of a tiger."

"My feelings as a Christian points me to my Lord and Savior as a fighter. It points me to the man who once in loneliness, surrounded by a few followers, recognized these Jews for what they were and summoned men to fight against them and who, God's truth! was greatest not as a sufferer but as a fighter. In boundless love as a Christian and as a man I read through the passage which tells us how the Lord at last rose in His might and seized the scourge to drive out of the Temple the brood of vipers and adders. How terrific was his fight against the Jewish poison."
Adolf Hitler, speech in Munich on April 12, 1922

"National Socialism is not a cult-movement – a movement for worship; it is exclusively a 'volkic' political doctrine based upon racial principles. In its purpose there is no mystic cult, only the care and leadership of a people defined by a common blood-relationship….

We will not allow mystically-minded occult folk with a passion for exploring the secrets of the world beyond to steal into our Movement. Such folk are not National Socialists, but something else– in any case something which has nothing to do with us."

Adolf Hitler, in Nuremberg on 6 Sept. 1938.

Hitler Rejected Darwinian Evolution!
"From where do we get the right to believe that man was not from the very beginning what he is today? A look at nature teaches us that in the realm of plants and animals changes and further formations occur, but never within a kind has a development of such a wide leap arisen, which man would have to have made to transform him from an ape-like condition to what he is."

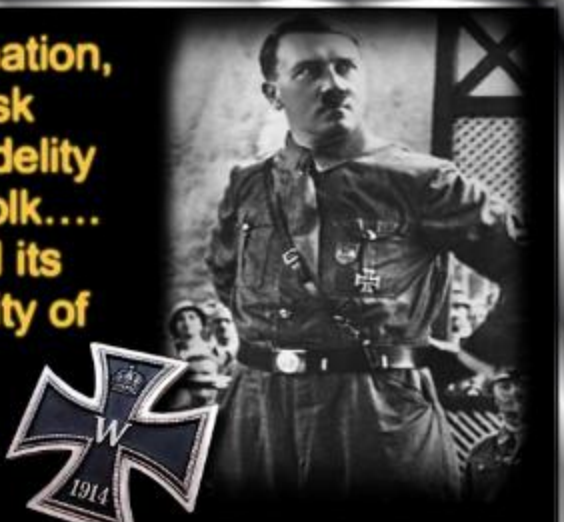
"We are determined, as leaders of the nation, to fulfill as a national government the task which has been given to us, swearing fidelity only to God, our conscience, and our Volk.... This the national government will regard its first and foremost duty to restore the unity of spirit and purpose of our Volk."



"It will preserve and defend the foundations upon which the power of our nation rests. It will take Christianity, as the basis of our collective morality, and the family as the nucleus of our Volk and state, under its firm protection.... May God Almighty take our work into his grace, give true form to our will, bless our insight, and endow us with the trust of our Volk."

WW2 TRUTH 101

(Hitler made MANY ATTEMPTS to get the Jews to LEAVE GERMANY, but many STAYED in spite of it which Hitler accommodated through the Nuremberg laws.)

2. Hitler was NOT involved in "Thule" mysticism/racial-ideology, he was a POLITICIAN FIRST tied to the German Workers Party and knew that he and the Party HAD TO ACT POLITICALLY to save Germany from Jew-control of finance; Jew-control of foreign policy (always in the interest of Jews when they control it); culture; and opinion-forming by the Jew-run press.

3. Hitler did nothing different with the "camps" than what America did when interning Japanese and German residents in the United States !

Jews were a 5th Column during the war, they had DECLARED WAR ON GERMANY in 1933, and Hitler saw them as instruments of Germanys adversaries and a REAL threat.

NO WAY did 6 million Jews die in these camps. I do not have to reinvent the wheel here, men like Butz who wrote the "Holocaust Hoax," Faurrison, David Irving, Mark Weber, and other RESPECTED HISTORIANS have PROVED this with FACTS.

Before Hitler came to power, Weimar Germany's media was controlled almost exclusively by Jews. Just as we see in America & throughout all the West today.

The two largest German newspapers before 1933 were in Jewish hands: Leopold Ullstein - August Scherl - Rudolf Mosse. These Jews had a virtual monopoly on the German press.

Their chief publication was the Berliner Tageblatt which for many years was looked upon abroad as representative of German public opinion.

The editor of this paper was Theodor Wolff, a Jew, who also took a prominent part in politics. All editorials, all policy, all thought was totally under Jewish control - America's sad state today.

smoloko.com

The Germans of the Weimar period before Hitler came to power were in a horrible situation:

out of work - declining purchasing power of their currency - starved - humiliated - robbed of land and dominated by Jews to much the same extent as we now see in America

The Germans of that period were virtually all Christians with strong family values and a Christian work ethic.

This is the case in America. However, with the media occupied by Jews - the courts controlled by Jews - and finance under the reign of Jews - all Christian expression is either stifled or ridiculed, and all opportunities for an expression of a White Christian work ethic has been shipped overseas by Jewish investment bankers.

The similarities of the situation are a warning direct from the wisdom of philosopher George Santana, "Those who forget history are doomed to repeat it."

Weimar German Jewish poet, Stefan Zweig, feared a justified backlash against Jewry when he termed the transformation of Berlin "into the Babylon of the World."

Did you know the Jewish banker, Max Warburg, represented fallen Germany after WWI at Versailles and was instrumental in forming the Weimar Republic. Hugo Pruess, a Jew, wrote Weimar's constitution.

The result was that between 1925 and 1929 four of the six members of the controlling board of the Reichsbank directors were Jews including Jakob Goldschmidt and Rudolf Havenstein.

With unpatriotic Jews at the head of Germany's monetary policy, whose ties with international Jewry took precedence over Germany's interests, hyperinflation set in and the German Mark became worthless. America is now about to experience its own "Weimar Moment."

"The best characterization is provided by the product of this religious education, the Jew himself. His life is only of this world, and his spirit is inwardly as alien to true Christianity as his nature two thousand years previous was to the great founder of the new doctrine. Of course, the latter made no secret of his attitude toward the Jewish people, and when necessary he even took the whip to drive from the temple of the Lord this adversary of all humanity, who then as always saw in religion nothing but an instrument for his business existence. In return, Christ was nailed to the cross, while our present-day party Christians debase themselves to begging for Jewish votes at elections and later try to arrange political swindles with atheistic Jewish parties– and this against their own nation."

Adolf Hitler devoted his entire life to his people.

He led his nation out of the crumbling Jewish-controlled mess of the Weimar Republic, provided food and work for the people, dealt with the negative effects of the Jewish problem, both spiritually and politically, in a way that no other leader has ever been able to.

His achievements were simply incredible and it took pretty much the entire world's collective military might to destroy the great nation he built. Shame on all the forces that opposed Adolf Hitler! The man was right, and still is right!

if Hitler had won World War II and then exercised a Nationalist 'Sphere of Influence' over the greater Western World, we'd have a more just, fair, and moral Western World today.

The rest of the world would have similarly benefited had the Germans been victorious since German influence would have surely spread elsewhere –

(ideas such as non-usurious banking and strong family oriented culture would likely have spread globally).

The Allied heads-of-State (Roosevelt, Churchill, et al) were puppets of International Jewry; each sold his soul for power and prestige. Again, as earlier stated, World War II was a war between two competing ideologies: Nationalism -vs- Jewish Bolshevik Internationalism/globalism -- unfortunately International Jewry won.

s m o l o k o . c o m

Sometime before World War II, a coup took place in the United States - our government was hijacked by a group of Jewish globalist Super-elites.

Thus, it really doesn't matter who is "President": Republican, Democrat,Bush, Obama, etc... they all work for Jewish globalists.

Obama is just the latest employee of these Jewish Super-elites and their Gentile lackeys; he merely carries out their orders. In light of this, dissent is the only true form of patriotism - the Founding Fathers would agree.

s m o l o k o . c o m

Jewish Internationalism/globalism works toward gradually "merging" all peoples of the world (particularly in the Western World) into one globalist system with a global government,

including – global laws, consistent global culture, global bank, global currency, etc. In short, Jewish globalism (i.e., the weakening and eventual elimination of all nations) is the exact opposite of Nationalism (i.e., a world composed of nations ... specifically, ethnically homogenous and bordered nations).

GLOBALIST BANKSTERS

The Allied powers of WWII (led by Roosevelt, Churchill, Stalin, et al) were tools of International Jewry and thus de facto fighting for the Jewish globalist worldview. After the (Jewish run) Allies won WWII in 1945, International Jewish forces were then free to exercise a Jewish 'Sphere of Influence' over the greater Western World (and as we see today, increasingly over the rest of the world).

smoloko.com

WWII was essentially a war between two competing ideologies:

Nationalism -vs- Jewish Internationalism/globalism.

Adolf Hitler and his allies fought to preserve the concept of Nationalism, not just for Germans but for all peoples the world over.

Nationalism really just means the sovereignty of an ethnic people and the right of such ethnic people/nationalists – within their own bordered country – to self-determination.

On the other side of WWII was Jewish (Bolshevik) Internationalism (today we simply call this 'globalism'). In the 1920's, 1930's, and of course during WWII, powerful Jewish Internationalists were fervently advancing the Jewish worldview of eventually eliminating all nations... except for a Jewish homeland... (what was later to be - after WWII - the nation of Israel in 1948). Today we see that nothing has changed.

Legendary U.S. General George S. Patton realized late in WW2 that the United States fought the wrong country.

Dear Lord Rothschild,

I have much pleasure in conveying to you, on behalf of His Majesty's Government, the following declaration of sympathy with Jewish Zionist aspirations which has been submitted to, and approved by, the Cabinet.

"His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine or the rights and political status enjoyed by Jews in any other country"

I should be grateful if you would bring this declaration to the knowledge of the Zionist Federation.

Yours sincerely,
Arthur James Balfour

APPEAL FOR AID FOR JEWS

APPEAL FOR AID FOR JEWS.

American Committee Tells of Suffering Due to the War.

The American Jewish Relief Committee, called into being at a conference of more than 100 national Jewish organizations which was held at Temple Emanu-El on Oct. 25 to consider the plight of more than 6,000,000 Jews who live within the war zone, has elected Louis Marshall Chairman, Cyrus L. Sulzberger Secretary, and Felix M. Warburg Treasurer, and has issued the following appeal:

The Holocaust has been grossly exaggerated by organized Jewry in order to create sympathy for Jews worldwide and thus help advance the Jewish agenda

(i.e., people seen as victims tend to get their way).

Somewhere around one million Jews died during WWII (not six million) mostly due to disease and starvation in the final months of the war. The massive Allied bombing campaign and its destruction of German transportation infrastructure made it impossible for Germany to adequately supply the camps with food and medicine. Hitler's Final Solution (rebranded in the early 1970's as the "Holocaust") was a plan to remove Jews from Europe, not to kill them.

s m o l o k o . c o m

Patton was murdered by the JEWS

His death made to look like an accident with the details covered up — because the JEWS were afraid Patton was going to resign from the Army, return to America, and spill the beans about JEWISH involvement in getting America into the war against the Germans.

The way Patton died was typical of sneaky JEW-pigs who will sabotage any country and kill any individual, especially Christians, who they think is going against their interests.

There are undoubedly many other people that "killed themselves," had a ''sudden heart attack," or a "tragic accident," just because they uncovered the harm caused by the eternal JEW.

s m o l o k o . c o m

General Patton realized that the JEWS used their propaganda outlets like the Hearst newspapers, where the JEW Drew Pearson worked, to drive America into war against Germany.

Patton fought the Germans hard because he was a good soldier. (Interestingly, Patton was not a graduate of West Point. Instead, he graduated from the Virginia Military Institute in 1907.)

But after the war, he gradually came to realize that he was fighting the wrong people, and that America should have been allied with Germany in the war against Communism, which is really organized JEWRY.

And because Patton was prepared to resign his commission and return to the United States where he was going to pull the covers back from the JEWISH plot to conquer Europe and eventually the world, the JEWS had Patton assassinated, then covered up his death with a phony story that he died from a "pulmonary embolism."

Patton's body was buried in Europe — there was never an autopsy — so the real cause of his death will never be known.

Zyklon-B insecticide, used to kill lice in the Auschwitz delousing chamber, (above) caused distinct blue staining on all the walls. This is the same poison Zionists claim was used to exterminate millions of jews in the notorious gas chambers. In 1990, Dr. Piper, top Auschwitz museum official (right) with The Institute of Forensic Research in Krakow, scientifically tested the walls of the gas chamber (below) and discovered no staining and near zero residue of anything toxic. This data is being withheld from the public.

There were indeed some gas chambers in Germany during WW2 but they were used to disinfect the prisoners (and their clothes) as a measure to prevent typhus/lice from spreading, not to kill people !

1- American soldier "gasses" an unidentified woman in order to kill typhus-carrying lice

2- Germans used Zyklon B to kill lice, not people.

In spite of Germany's well-documented efforts to stop the typhus epidemic, (15) deaths in theconcentration camps continue to mount throughout '44 & '45. After the war, Allied propaganda will falsely portray the typhus deaths as evidence of a deliberate extermination program aimed at the Jews.

General Patton was a true American patriot and a devout Christian — just the sort of qualities that the JEWS hate.

Patton was against creating a state for the JEWS in Palestine.

He fought against Eisenhower who, following the demands of his JEWISH masters, wanted the homes of German civilians given to a bunch of Yids.

Patton was America's "fightingest" general who was against the Nazis in war, but he came to the conclusion that the real criminals who started the war and were responsible for the deaths of many millions of people were the Communist JEWS.

So Patton was relieved of his command and shuffled off to some insignificant desk job, which undoubtedly lengthened the war so the JEWS could make more money and get more American Christian soldiers killed fighting to save their miserable Yiddish hides.

We need a soldier in the mold of General George S. Patton now who will stop the JEWISH takeover of America. Is there such a man waiting in the wings? And will that person he courageous enough and well-prepared enough to surmount and survive the Jew-inspired and JEW-supported retaliation that will inevitably follow?

Bill Donovan was the wartime head of the OSS (Office of Strategic Services) the precursor to the CIA, during World War II.

Donovan had been chosen to head the OSS because of two decades in which he carried out secret missions for the Rothschilds, the Rockefellers and the Morgans.

When he staffed the agency with known (((Communists))), they offered no objection. He had earlier provided unpaid legal help for members of the Communist mercenary force, the Abraham Lincoln Brigade.

He welcomed these veteran “anti-Fascists” into OSS. In the OSS employment of pro-communists was approved at very high levels. OSS often welcomed the services of Marxist enthusiasts.

Most of the intel stuff post WW2 generated out of OSS concerning Hitler and Germany was pure black propaganda and red herrings supervised and cooked up by Donovan and a host of Jew Freudian psychologists.

Patton's initial impressions of the Jews were not improved when he attended a Jewish religious service at Eisenhower's insistence. His diary entry for September 17, 1945, reads in part:

"This happened to be the feast of Yom Kippur, so they were all collected in a large, wooden building, which they called a synagogue. It behooved General Eisenhower to make a speech to them. We entered the synagogue, which was packed with the greatest stinking bunch of humanity I have ever seen. When we got about halfway up, the head rabbi, who was dressed in a fur hat similar to that worn by Henry VIII of England and in a surplice heavily embroidered and very filthy, came down and met the General . . . The smell was so terrible that I almost fainted and actually about three hours later lost my lunch as the result of remembering it."

These experiences and a great many others firmly convinced Patton that the Jews were an especially unsavory variety of creature and hardly deserving of all the official concern the American government was bestowing on them.

On 1/31/1945 in one hour 9500 Germans boarded on a large vessel, the Wilhelm Gustlof died - 6 times the Titanic and nobody has heard about it ! Among them 4000 children! The rest were women and injured Wehrmacht soldiers - Only 1200 were saved by a few German boats -

All were fleeing the retreating German front on the East where the savage hordes of the Red Army were retaliating in bitter revenge. Rape and murder of civilians were ordered by Stalin and his partisans.

4 Soviet torpedoes were sufficient to hammer the largest load of passengers into the horrors of death in the ice-cold northern waters.

Why is it that the sinking of the Titanic with only 1450 passengers had tons of books and films and the sinking of the Wilhem Gustolf is hardly known?

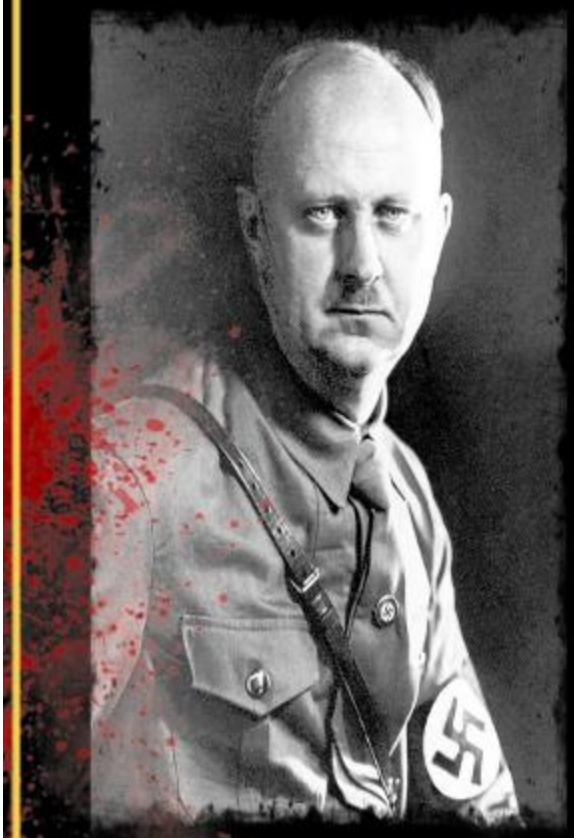
REMEMBER THE 9,343 VICTIMS OF THE SINKING OF THE MV WILHELM GUSTLOFF!
In the night of January 30th, 1945 while evacuating refugees from Eastern Germany, the Gustloff, which was designed to carry a max. 1,865 passengers, had 10,582 on board when she was torpedoed by Soviet sub S-13. An estimated 9,343 Germans, mainly civilians, including men, women, elderly, sick and wounded, and about 5,000 children, perished in the frigid Baltic Sea waters, making it the largest loss of life in a single ship sinking in maritime history. This was an ALLIED WAR CRIME, a HATE CRIME, and a CRIME AGAINST HUMANITY!
justice4germans.wordpress.com

Wilhelm Gustloff (January 30, 1895 – February 4, 1936) was the founder and leader of the Swiss NSDAP / AO (the National Socialist Party organization for German citizens abroad.) He lived in Davos, Switzerland and worked for the Swiss government as a meteorologist.



Gustloff had originally joined the NSDAP in 1929, and put much effort into the distribution of the The Protocols of the Elders of Zion, a document purporting to reveal the existence of a worldwide Jewish conspiracy.

On February 4, 1936, a Croatian-Jewish student named David Frankfurter, heeding the worldwide call for Jewish "Holy War" against the German people, went to Gustloff's house, drew his pistol and shot Gustloff four times in the head and chest

Germans and Swiss were horrified by the senseless murder of a good man who had neither harmed nor threatened anyone.

Hitler and the some of Germany's top brass attended the State funeral service. The following year, a luxury ship was launched, named in Gustloff's honor. Hitler was again present at the ceremony. Helga Gustloff herself christened the massive liner, the M.S. Wilhelm Gustloff.

Vladimir Jabotinsky,Jew-communist and founder of the Irgun terrorist organization, wrote in the January 1934 issue of Natcha Retch:

"The fight against Germany has been carried on for months by every Jewish community, conference, congress, trade organization, by every Jew in the world. There is reason to believe that our part in the struggle will be of general value."

"We shall let loose a spiritual and material war of the whole world against Germany. Germanys ambition is to become a great nation again, to reconquer her lost territories and colonies. Our Jewish interests, on the other hand, demand the complete destruction of Germany."

"The German nation is collectively and individually a danger to us Jews"

smoloko.com

As early as August 1933, Samuel Untermeyer, president of the World Jewish Economic Federation, called together a large congress of Jewish leaders from all over the world to declare war on Germany in the name of the Jews.

This was long before any action of any kind had been taken against any Jew, and six years before military action was initiated in 1939.

Jewish leaders had already planned and called for the destruction of Germany and the eradication of the German people long before Hitler took his first discriminatory actions against Jews.

The Chicago Jewish Sentinel on October 8, 1942, declared: "The Second World War is being fought for the defense of the fundamentals of Judaism."

Indeed it was. To be more specific, in behalf of the Jews themselves. They knew it, they instigated it, they perpetrated it, they stage-managed it,

The naive and gullible goyim, meanwhile, slaughtered each other with a vengeance, not knowing, or not wanting to know, who the real perpetrators, the real war criminals were.

Germans tend to think outside of the three dimensions of the Jew-niverse, money, power and sex, making us virtually impossible to control

We are willing, more than any other Whites, to stand up and fight and if necessarily – die for the things that are important to us, such as justice, fairness, freedom and rights.

This is why the Jews are now sending in the Syrians, mostly to Austria, Germany and other Germanic countries such as Sweden.

Millions of guaranteed, 100% psychopathic ISIS mercenaries, fully trained and armed by our Jew-controlled American allies, will get the job done properly this time around.... unless, of course, enough of us wake up in time and thwart the Jewish world conquest plans again, for the sixth and last time.

Most important political positions in the Ottoman Empire, up to Grand-Vizier level, were infested with Jews, similar to the situation in America and Britain today.

What is more, Ashkenazi, Khazars, Mongols and Turks are ethnically virtually the same. The only difference is that the Khazars rape-married Eastern Gothic girls whereas the Turks rape-married Greeks. No wonder Israelis and Turks are such good friends.

Turks and Jews always got along like a house on fire. In fact, it was the Jews of Byzantium that used their money and connections to facilitate the Turkish conquest of the Byzantine Empire, which is why they got expelled to Khazaria, which is where they talked the Khazar Huns into converting to Judaism.

"It is not the Germany of the decade that followed
the war- broken, dejected andbowed down with a sense of
apprehension and impotence. It is now full of hope and confidence,
and of a renewed sense of determination to lead its own life
without interference from any influence outside its own frontiers.
One man has accomplishedthis miracle. He is a born leader of men.
A magnetic and dynamic personality with asingle-minded purpose,
a resolute will and a dauntless heart.

As to his popularity, there can be no manner of doubt.
The old trust him; the youngidolize him. It is not the
admiration accorded to a popular leader. It is the worship
of a national hero who has saved his country from utter
despondence anddegradation.....I have never met a
happier people than the Germans."

Jews – The Devolutionary Ferment

The Jews history among the nations is one of murder. They are the most fanatical preservers of their own blood. To preserve their blood, they vigorously pursue every independent people to the death. Jews will as soon as their host people let them, impose conditions on the organic People that demand nothing but their complete extinction.

Their survival strategy, which they were smart enough to make their religion is based on undermining, denying the existence of, bastardising and subjugating, eventually exterminating every other group until they can rule over the ashes of nothing, all to secure their survival, in a world they contributed nothing towards.

If you don't want to live under their tyranny they call you an extremist.

If you think your race is something worth preserving they call you a racist.

When it comes to the Jew, if you keep him he destroys your culture, says you don't exist and kills you & if you get rid of him he says you are evil and kills you.

Truth Is Hate To The Jews

When Jews are not in power they agitate revolution and revolt, when Jews are in power they praise law-abidingness and civic obedience. Now Jews are in complete power, they aren't interested in free speech.

Jews seek to enslave the people through enacting laws that inhibit people for telling the truth about the Jews, and laws inhibiting the people from blaming Jews for the wrongdoings that they have done.

These laws will silence us as the Jews exterminate us during a period of exact tyranny. A time when they will be the only orators and writers. The people themselves won't be allowed to even have an opinion or preference.

They do this so that they can survive, for Jewry can never live alone, and it has to defile its host. It is an attempt to save the Jew by killing the people.

smoloko.com

When it comes to the Jew, if you keep him he destroys your culture, says you don't exist and kills you & if you get rid of him he says you are evil and kills you.

Here is but one recent example of the latter:

Germans try to preserve the Nordic Race & get accused of holocaust. Jews wage a war to destroy Germany's leadership, inherit Europe and fill Europe up with third world scum, justify it by claiming citizenship based on race and 'racism' (acknowledgement of racial differences) inevitably leads to 'holocausts', while they murder not just an entire race but all races in the world. They claim any leadership but their own 'anti-Semitic'.

s m o l o k o . c o m

The path of the Jew throughout history has always been the same

It can be seen as a parasitic life cycle. The Jews destroy a people, the people attempt to save themselves, a people who doesn't know about the Jews, or hasn't experienced the Jew comes and saves the Jew.

The Jew survives, the original people die and the Jew gets to talk about how evil the last people who resisted him were. This is how it has been throughout history, and how it is today.

smoloko.com

that face you make . . .
when you find out the Jew really is the parasite of humanity !
smoloko.com

The persecution (usually imaginary), that the Jews deserve, protects the Jew and enables him to survive.

The Jews use every instance of people not being subdued by them as examples, to further cement their tyrannical grip over the planet.

As people strong enough to resist the Jew are culled, the Jew comes closer to a symbiotic parasitic relationship, on a dependant host, wholly altered from its original and natural, independent and self-preserving state, which is one of independent races, preserving their culture, in tribalism.

This would dislodge the Jew, whose actions towards the Peoples is solely negative, and results in their eventual extinctions.

s m o l o k o . c o m

If the Jew is so bad why is he still alive?

The mechanism by which the Jew preserves himself amongst the nations is a mechanism of actions against the Peoples causing the Peoples to hate him, and then accusing the Peoples of hate when they do so.

The more harm the Jew does, the more sympathy he can attain. He constantly uses examples of Peoples rising up against him righteously as examples to attain more protection and power for himself.

He systematically exterminates or makes undesirable all those strong and intelligent enough to recognise him as destructive as 'anti-semitic' as he levels and destroys humanity.

When it comes to the Jew, if you keep him he destroys your culture, says you don't exist and kills you & if you get rid of him he says you are evil and kills you.

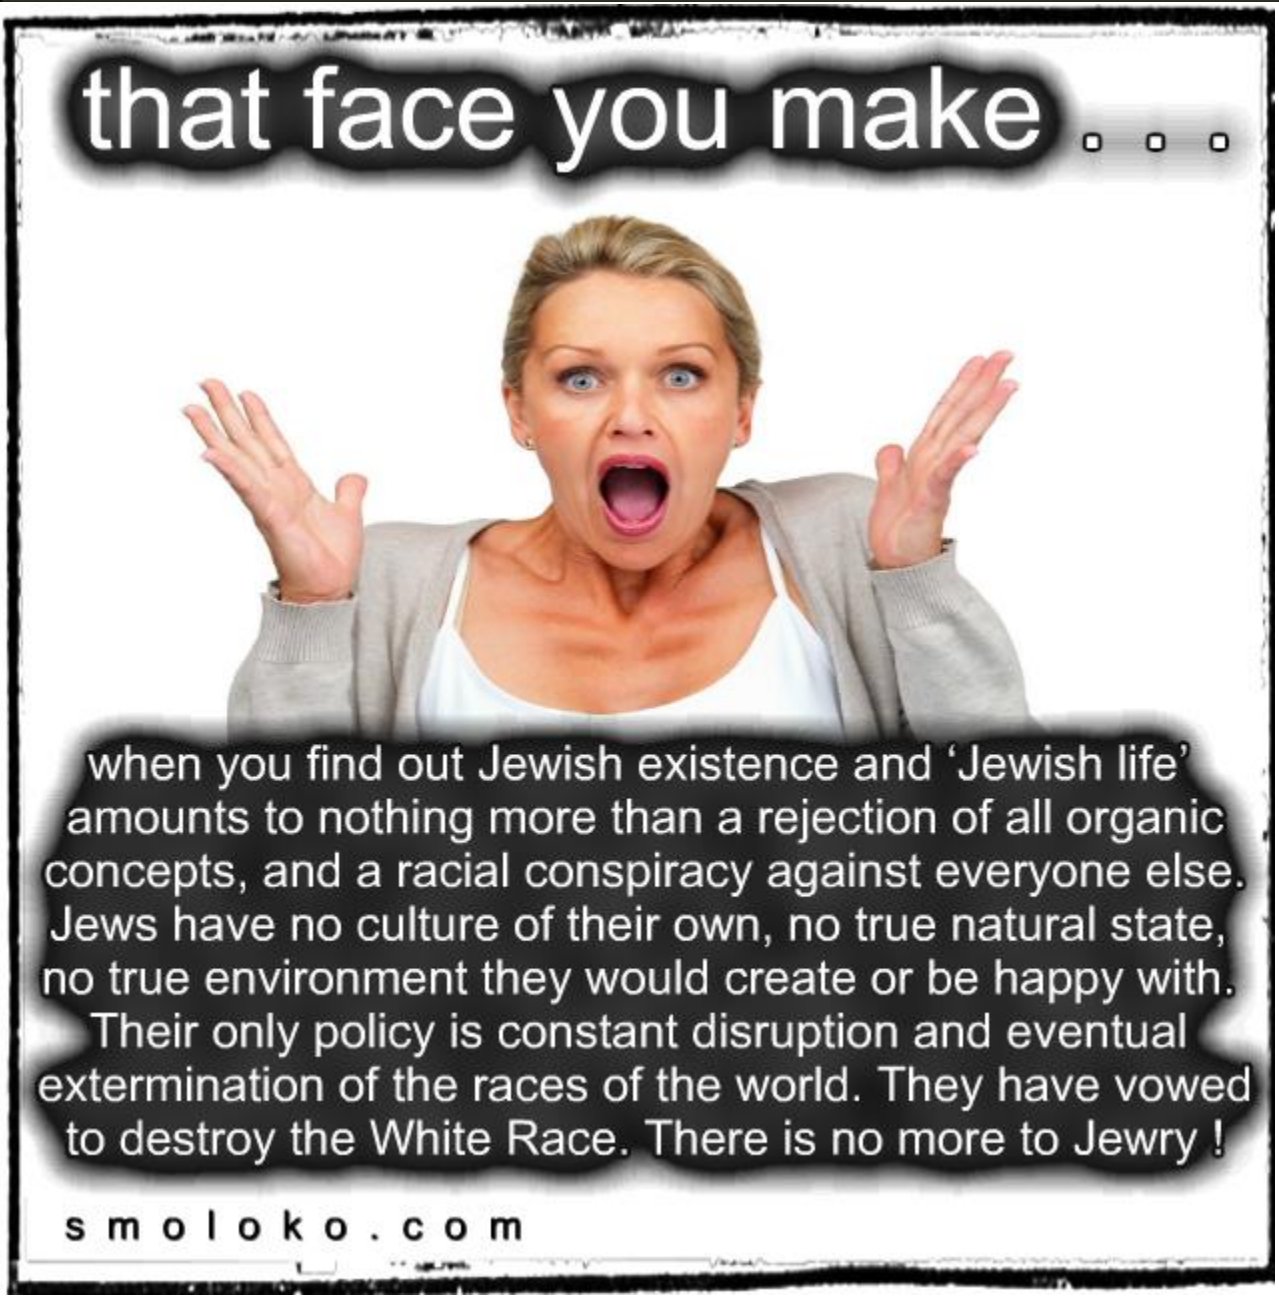
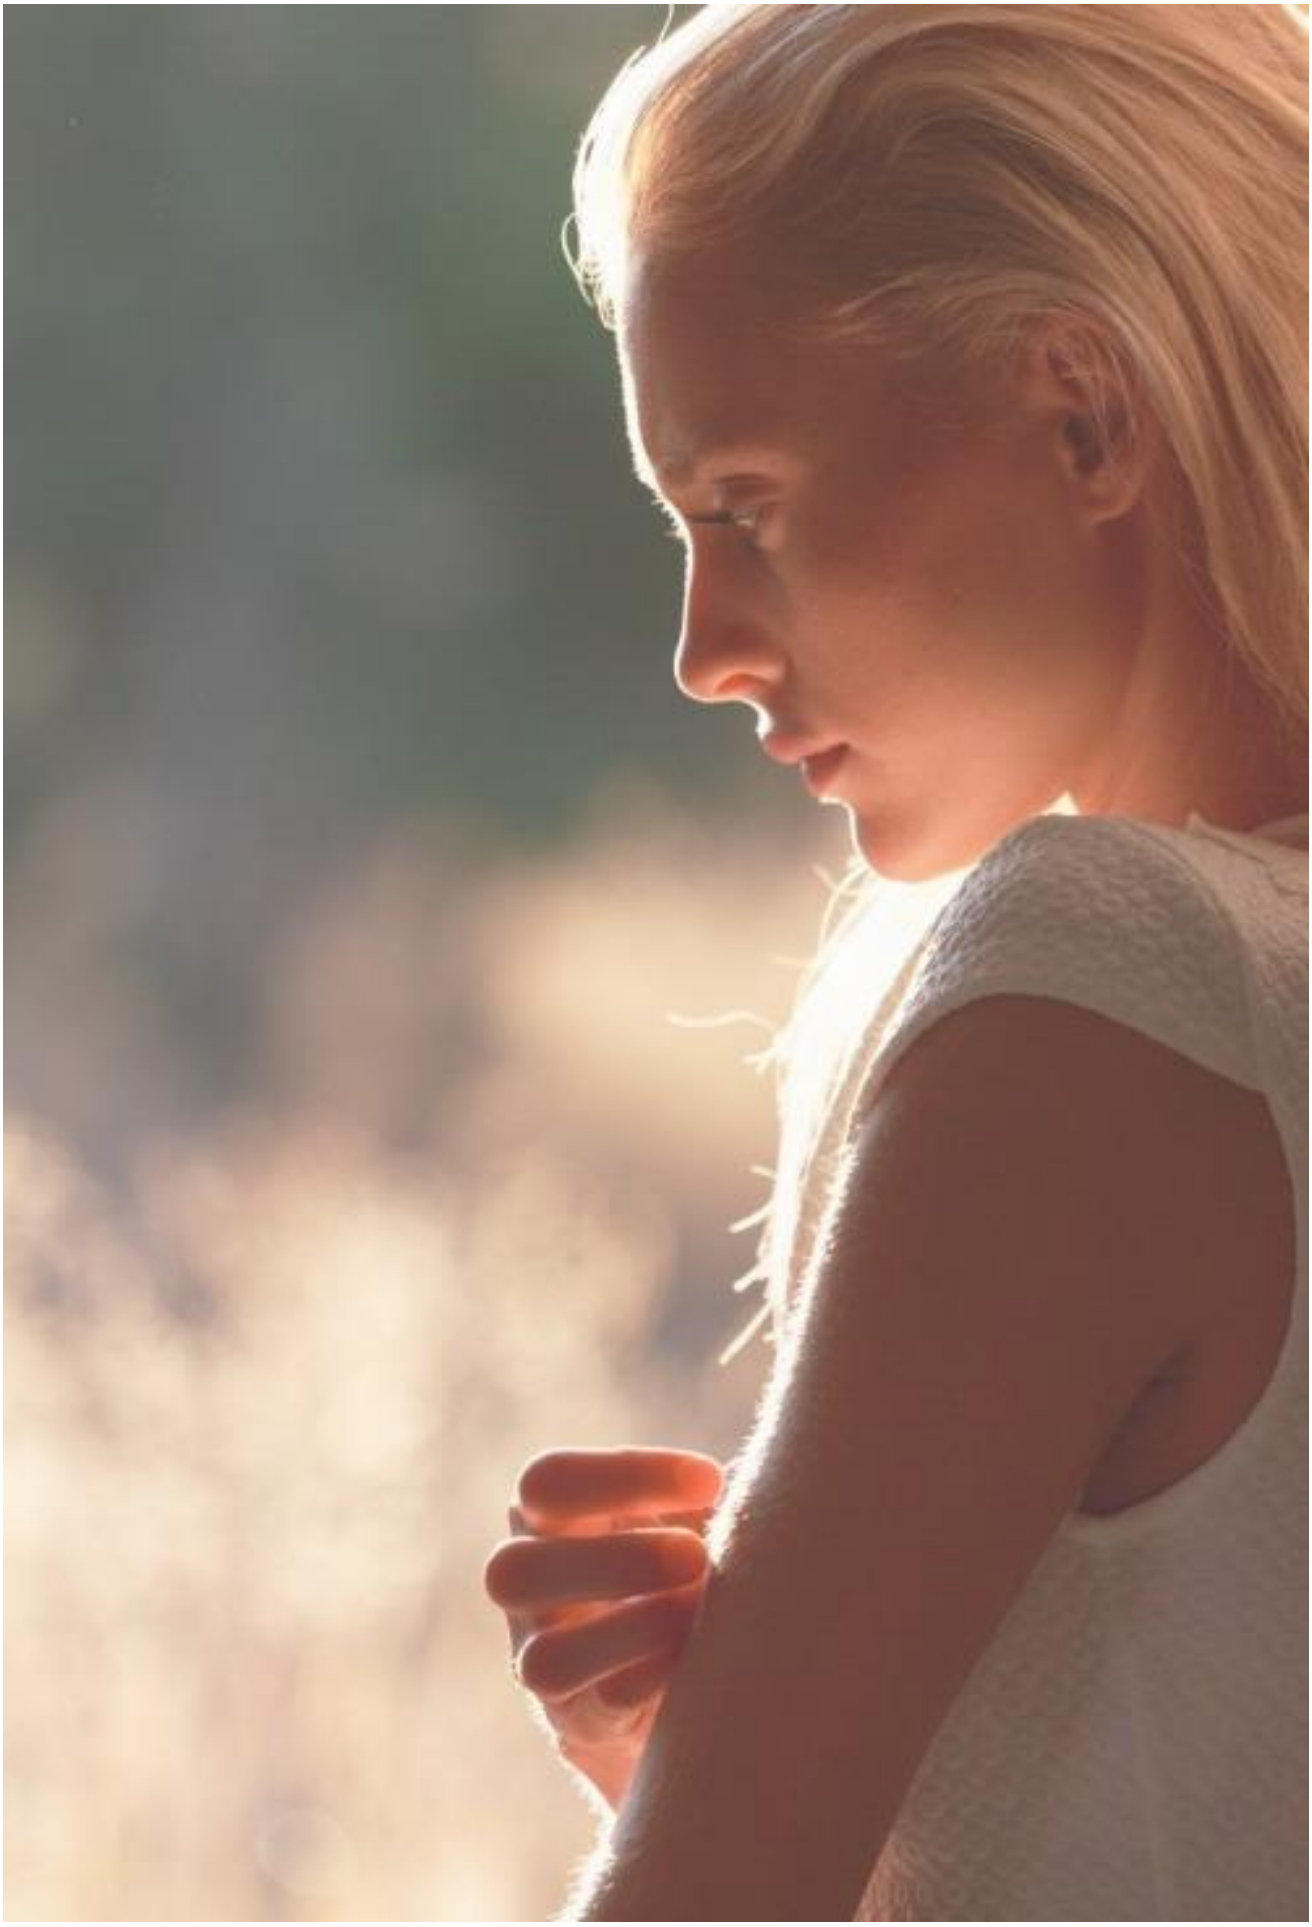
"The holocaust is a successful historical fiction."
~ Chief Rabbi Arye Friedmann
(Dec. 12, 2006)
smoloko.com



that face you make . . .
when you find out Jewish existence and 'Jewish life' amounts to nothing more than a rejection of all organic concepts, and a racial conspiracy against everyone else. Jews have no culture of their own, no true natural state, no true environment they would create or be happy with. Their only policy is constant disruption and eventual extermination of the races of the world. They have vowed to destroy the White Race. There is no more to Jewry !
smoloko.com



SSER

Anyone who will not accept 'equality' is punished and persecuted by the Jew.

Exporting equality to the goyim is a Jewish survival strategy.

- Equality is another imperative demand of the Jew. Their religious teachings remind them that this is to be the goyims lot in life. If they follow their Talmud they can dumb the goyim down, destroy their self-sufficiency and rule over them. They can continue killing the best of the gentiles if they follow their doctrine, and if no one finds out.
- In equality the Jew can sit at the top and maintain it, persecuting any organic leadership that comes up as 'threatening'. He will point out any instance one group is doing better than another, declare it inequality, and side with the inferior every time.
- This way he levels the world. Living under the Jew causes artificial selection for weakness, naivety, passiveness, unthinkingness and servileness. The Jews contact with the nations (the races) has had a huge uplift effect on the faculties of the Jew enabling him to be a better parasite, a more consuming cancer, harder to dislodge and get rid of.

DEALING WITH THE JEWS requires a Jewish Primer on how the Jews talk and how they use certain words:

1) "Fascist." Jews call someone a fascist when that person prevents the Jews from taking control of the politics of a particular nation

"Fascism." The political status of a particular nation that keeps the Jews in their place and out of power.

Famous and most honorable "fascists" that the Jews have smeared include the honorable Christians, General Francisco Franco; Tzar Nicholas II; and more recently, former Presidential candidate, Pat Buchanan, and Russian President Vladimir Putin.

The biggest secret kept by the JEWS

EGYPT PERU SUMER INDIA EUROPEAN

Almost nobody, including the most famous anti-JEWS activists, can explain THE REASON WHY JEWS want to reduce the number of Whites on the planet (known as "White Genocide"). THINK, killing, and reducing the birth rate & mental abilities of the Whites by all these: WW1, WW2, Zionism, Communism, social & intellectual movements such as feminist revolution, homosexual & abortion propaganda & laws, "White guilt" programming, high taxes, Vaccines, Chemtrails, massive immigration & forced integration of non-Whites, "trade unions" & open borders, "racism hate speech laws", miscegenation & race mixing, fluoridated drinks… SCIENTIFIC FACTS SHOW: 1) Each human race has an AVERAGE IQ (intelligence) that is genetic 2) The highest average IQ is for Aryans (Ashkenazi JEWS and Aryans non-Jews). 3) All other races have different AVERAGE IQ but many of their individuals have higher IQ than many Aryans. HISTORICAL FACTS SHOW: Most ancient advanced civilizations in the Middle East, Asia, South America, were built by Aryans who are today replaced by other lower AVERAGE IQ races. QUESTION: WHY JEWS WANT TO PRESERVE THEIR WHITE RACE in & outside Israel, and push for a WW3 on White nations?

The Jews boast a 'community' in every nation. To begin with, in every nation that they are present, they are in control.

When the Jew has made his nest, nobody else has any power, or that would be quote; 'anti-semitic'.

Any people strong enough to shake off the blight at this point would be strong enough to live free of the Jew and thus, survive. Accusations of anti-Semitism would not be enough to stop them chucking the Jews out.

The Jew will mercilessly hunt down and murder any people prepared to be 'anti-semitic', which often means, insistence on living free of the Jew, or living for the good of your own people, exclusively.

The Jew has declared and accused every great, healthy and independent people throughout history of 'anti-Semitism'.

s m o l o k o . c o m

When Jews rule it is called 'freedom', when we rule it is called a dictatorship.

When we want autonomy for ourselves they accuse us of wanting world domination, which is precisely what the Jews have achieved over all the folks of the world.

When we love our people they accuse us of 'hating'. If we are not 'tolerant' of what is negative and damaging, destructive or completely revolting and degenerate, we are told we need to be tolerant.

Nearly all the massacres and mass shootings that occur in Western countries are planned by US and Israeli elements in order to spread Islamophobia, implement a more intense Zionist police state and justify war against countries (Iran, Russia,Syria) that are considered a threat to Israeli expansionism in order to destroy them.
Also never forget that Israel did 9-11 and blamed the Muslims and conned the West into fighting Jewish Zionist planned wars of aggression

Israel was perhaps the most immediate primary beneficiary of Kennedy's death

It was Lyndon Johnson, a political favorite of Israel and its allies in Meyer Lansky's Organized Crime Syndicate, who promptly reversed Kennedy's MiddleEast policy and who, for all intents and purposes, according to one historian, established Israel as America's 51st state.

Lyndon B. Johnson, who became the president on the day Kennedy died, was an ardent Zionist and devoted supporter of the state of Israel.

His aunt Jessie Johnson Hatcher, who was a major influence on Lyndon, was a member of the Zionist Organization of America.

While it seems very likely that his family was in fact Jewish (i.e.Crypto-Jews), there is absolutely no question that Lyndon Johnson was a high-level Zionist who had been involved for decades with the Jewish Freemasonic organization,the International Order of the B'nai B'rith -

Lyndon Johnson and the Zionist-controlled media have covered-up the truth of the assassination of President John F. Kennedy because it was a crime that was carried out by the Zionist criminal network, which took power in the coup d'etat in Dallas in November 1963 and which has been in power ever since.

The role of the Zionist-controlled media is to keep the population from realizing that a criminal regime of Zionist agents controls their government.

"I've never seen a President -- I don't care who he is -- stand up to them. It just boggles the mind. They always get what they want. The Israelis know what is going on all the time. I got to the point where I wasn't writing anything down. If the American people understood what a grip these people have got on our government, they would RISE UP IN ARMS. Our citizens certainly don't have any idea what goes on." - Thomas H. Moorer

Israel deliberately machine-gunned and bombed a unarmed U.S Navy Communications ship, the U.S.S Liberty, off the coast of Lebanon on June 8, 1967

The Israeli fighter jets killed 34 American servicemen and marines, wounding 174 others.

Israel's plan was to blame Egypt, and have the US retaliate against Egypt.

The liberty carried clear markings indicating it to be an American ship, but the Israeli fighters were ordered to attack anyway.

but sadly, these dead American soldiers don't get their respects owed to them like other veterans...Because mainstream media, education and news is controlled by Zionists in America, most Americans have never even heard of this gruesome Israeli terror attack on America.

The last real president JFK was gun downed by this criminal network.

The assassination of JFK marked the exact moment we felt the terrible foreboding of the Jewish network who had the power to kill a president and cover it up.

It is the biological and racial nature of the Jew to lie about everything. Here are a couple of more examples.

The Jew war criminal Benjamin Netanyahu is claiming that Israel is preventing the on-going Islamic invasion of Europe.

All of these Jewish wars in the Middle East have created the crisis. His racial Jewish brethren in Europe have endorsed policies to allow these invaders to enter.

Long story short, the Jews are the cause of this problem. He is right about one thing though, if Israel did not exist the world would be different. It would be different for the better.

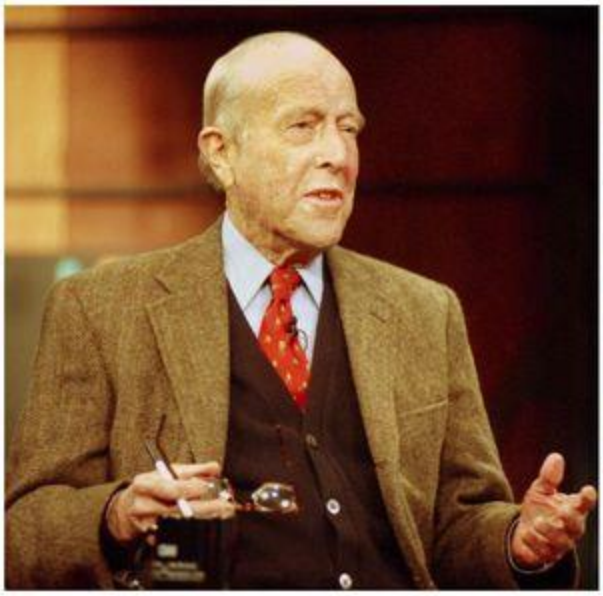
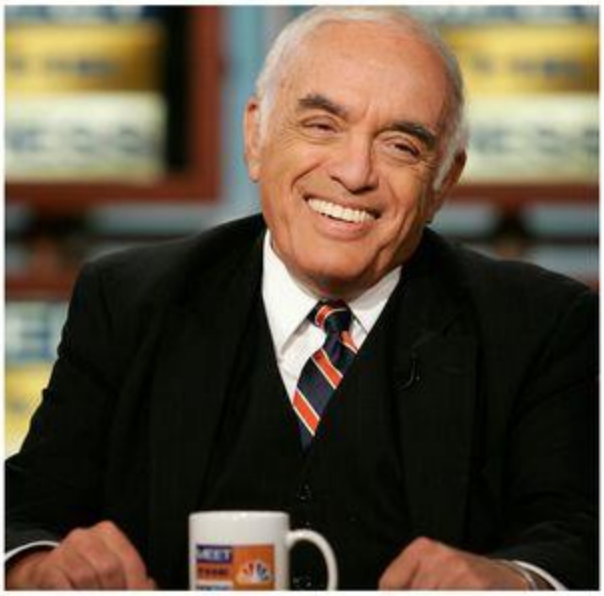
exposing the satanic plan for a Jewish World Order





The U.S. Military is fully aware of the Mossad's capabilities and ruthlessness.

On September 10, 2001, the Army School of Advanced Military Studies issued a report written byelite U.S. army officers. The report was made public just prior to 9-11-2001.

The report described the Mossad as follows:

"Wildcard. Ruthless and cunning. Has capability to target USforces and make it look like a Palestinian/Arab act."

The Mossad not only has the capability of attacking U.S. forces, it has a history of doing that very thing. Israel using unmarked military jets to attack and attempt to sink the U.S.S. Liberty on 6/8/1967 is just one example.

Israel is completely ruthless -

it will destroy any and all nations that stand in her way of global hegemony.

Look at what Israel did to Syria in the last five years – turning every city into rubble, killing 250,000, wounding one million, displacing 10 million. Millions upon millions of Syrians are running for their lives.

Whore Obama did what he was told, helping Netanyahu destroy another state – this is a huge crime yet Obama still is in office

smoloko.com

Netanyahu's claim that Israel contributes to stability in the Middle East is totally false.
Since the violent creation of Israel in the late 1940s, there has been endless wars waged and instigated largely to protect Jewish interests.
If Israel was not there, you might have some tribal warfare between groups within the Islamic world, but it would not be the insane situation we see today.
Netanyahu himself is responsible for killing thousands of Palestinians in the Gaza Strip including many women and children. He did this in 2014. This obviously does not contribute to stability.

was a full-fledged operative for Israel's top-secret intelligence agency, Lakam" and was involved in criminal smuggling of components to build and maintain Israel's illegal nuclear arsenal, yet he has never been arrested and charged.

Today, fourteen years after 9-11, the terrorism that we are experiencing is beginning to look very much like that depicted in the Israeli-produced film, Brazil.

This film, produced in 1985 by Arnon Milchan, Israels super-agent in Hollywood, is set in a bleak society in the future where senseless acts of terrorism occur frequently as the government wages war against terrorists in some distant land.

Why did Milchan make this movie? Where did he get these ideas from? We need to understand that Arnon Milchan is not just another Mossad agent in Hollywood; he is at the very top of the Israeli state intelligence/criminal network.

Five men detained as suspected conspirators

Were driving similar van as 3 seen celebrating after attack

By PAULO LIMA
Staff Writer

About eight hours after terrorists struck Manhattan's tallest skyscrapers, police in Bergen County detained five men on the suspicion that they are tied to the blasts.

The five men were stopped by East Rutherford police late Tuesday afternoon. As of Tuesday evening, they had not been charged with any crime, as authorities awaited a search warrant for the van the men were driving.

Sources close to the investigation said the men said they are Israeli tourists, but police had not yet been able to confirm their identities. East Rutherford police did not release their names.

East Rutherford officers stopped the van along Route 3 about 4:30 p.m. Tuesday, after the FBI's Newark Field Office asked officers to watch for a white Chevrolet van, police said.

"We got an alert to be on the lookout for a white Chevrolet van with New Jersey registration and writing on the side," said Bergen County Police Chief John Schmidig. "Three individuals were seen celebrating in Liberty State Park after the impact. They said three people were jumping up and down."

The East Rutherford officers summoned the county police bomb squad, New Jersey state troopers, and FBI agents, who waited alongside the van as prosecutors from the U.S. Attorney's Office tried to obtain a warrant to search the van late Tuesday, Schmidig said.

"They want to make sure this one is bulletproof," Schmidig said.

Schmidig said the van was stopped as it headed east on Route 3, between the Hackensack River bridge and the Sheraton hotel. As a precaution, police shut down Route 3 traffic in both directions after the stop and evacuated a small roadside motel near the Sheraton.

Sources said the FBI alert, known as a BOLO or "Be On Lookout," was sent out at 3:00 p.m.

"Vehicle possibly related to New York terrorist attack. White, 2000 Chevrolet van with New Jersey registration with 'Urban Moving Systems' sign on back seen in Liberty State Park, Jersey City, NJ, at the time of first impact of jetliner into World Trade Center.

"Three individuals with van were seen celebrating after initial impact and subsequent explosion. FBI Newark Field Office requests that, if the van is located, hold for prints and detain individuals."

Business records show an Urban Moving Systems with offices on West 18th Street in Manhattan and on West 38th Street in Weehawken. Telephone messages left at the businesses Tuesday evening were not immediately returned.

East Rutherford officers summoned the bomb squad, New Jersey state troopers, and the FBI, who waited alongside the van as prosecutors from the U.S. Attorney's Office tried to obtain a warrant to search the van.

Business records show the owner as Dominik Suter of Fair Lawn. A woman answering the telephone at Suter's home acknowledged he owned the company but refused to comment further. She also declined to identify herself.

It was not clear Tuesday whether the van stopped by police is related to Suter's company.

OSTEOARTHRITIS (OA) - ACT BEFORE IT STRIKES YOU

WHAT HAPPENS TO A JOINT AFFECTED BY OSTEOARTHRITIS ?

1 Normal articular cartilage-the weight - bearing surface of the joint - is smooth and slippery, allowing low-friction movement of the joint.

2 In the early stages of osteoarthritis, the articular cartilage begins to break down. The cartilage surfaces become rough & gradually become thinner as they move against each other. Small pieces of articular cartilage break off & may irritate the synovial membrane lining the inside of the joint capsule & cause excess joint fluid to form. The membrane becomes inflammed, painful & thickened. The range of movement of the joint may be limited.

3 At this stage the joint often forms outgrowths of articular cartilage & bone (called osteophytes) around its edges, giving the joint a knobby, swollen appearance.

4 As the degenerative changes continue, almost all of the articular cartilage is worn away so that bone is rubbing on bone & the pain becomes more severe. Eventually, movement may be substantially limited.

Benazir Bhutto, who was twice elected Prime Minister of Pakistan by the National Assembly (1988-1990 and 1993-1996), revealed in a November 2, 2007, Al-Jezeera TV interview with David Frost that Bin Laden was dead.

She not only revealed that he was dead,but identified his killer as Omar Sheikh. Ahmed Omar Saeed Sheikh is one of those convicted of kidnapping and killing U.S. journalist Daniel Pearl. Typical of media mouthpieces, David Frost showed no curiosity over Bhutto's revelation and asked no follow-upquestions. Seven weeks after the Frost interview, on December 27, 2007, Benezir Bhutto was assassinated during a political rally, where she was targeted with gunfire and bombs that killed her and 20 other people.

Osama Bin Laden gave a interview in October 2001, denying any involvement in 9-11 and exposed the fact that Jews control America and Israel was behind 9/11

"I have already said that we are not hostile to the U.S. We are against the U.S. Government System, which makes other nations slaves of the US or forces them to mortage their political and economic freedom."

"This system is totally in control of the American Jews, whose first priority is Israel, not the United States"

"It Is is clear that the American people are themselves the slaves of the Jews and are forced to live according to the principles and laws laid by them. So the punishment should reach Israel."

In the same interview Osama also suggests that the US should try to trace the perpetrators of the 9/11 attacks within itself.

But since Osama was the boogie-man used to blame the 9/11 falseflag on, the Zionist media did not report on these remarks.

On June 5, 2006, investigative reporter Ed Hass contacted the FBI headquarters and spoke with Rex Tomb, chief of investigative publicity for the FBI

Haas asked Tombs why Bin Laden's Ten Most Wanted poster did not mention the 9/11 attacks as being among his crimes.

Tomb told Haas: "The reason why 9/11 is not mentioned on Osama Bin Laden's Most Wanted page is because the FBI has no hard evidence connecting bin Laden to 9/11."

The Zionist controlled media has hidden these facts from the people.

a international Jewish organization has denounced Donald Trump's claim that dozens of 'Muslims' cheered as the World Trade Center collapsed on September 11, 2001 in New York as unsubstantiated.

First off, Donald Trump is half right, there weren't dozens of 'Muslims cheering' but five Israeli Jews cheering and there were five of them, arrested by New Jersey police.

Secondly, why in the hell is a Jewish organization even bothering to correct Trump on this one specific comment out of a 100 or so made from him about Muslims? Thinking from a logical perspective one can only assume Jews and Zionists do not want people to start googling anything with '911' and 'dancing' in the same sentence because they will finally realize traitors aided Israel in attacking the USA on 9/11/2001.

Benito Mussolini waged an unrelenting war on the conspiratorial, Jew-serving universalist cult of Freemasony, and succeeded for a time in freeing his beloved Italy from their poisonous presence while he was in power.

Benito Mussolini inspects progress on the draining of the Pontine Marshes - one of his engineering triumphs which transformed this malarial region into a thriving agricultural area.

Mussolini was a great leader who made Italy prosperous again and freed Italians from wicked Jewish control !

Mussolini's government wisely forbade Jewish children to attend public or private schools, ordered the dismissal of Jews from professorships in all universities, and banned Jews from the civil service and military as well as the banking and insurance industries. These are the policies a leader must pursue to remedy the Jewish virus plaguing their nation and people. All hail Mussolini ! All hail Hitler !

"I made also a deep study of the relation between Judaism and Marxism . . .

The Jewish State never had boundaries as far as space was concerned; it was unlimited as regards space, but bound down by its conception of itself as a race. That people, therefore, was always a State within a State . . .

The Jewish doctrine of Marxism rejects the aristocratic principle in nature . . . denies the value of the individual among men, combats the importance of nationality and race, thereby depriving humanity of the whole meaning of existence."

"Democracy in the west today is the forerunner of Marxism, which would be inconceivable without Democracy."

"If the Jew, with the help of his Marxian creed, conquers the nations of the world, his crown will be the funeral wreath of the human race ..."

"Debt, particularly international debt, is the first and over-mastering grip. Through it men in high places are suborned, and alien powers and influences are introduced into the body politic. When the debt grip has been firmly established, control of every form of publicity and political activity soon follows, together with a full grip on industrialists.

The stage for the revolutionary blow is then set. The grip of the right hand of finance established the paralysis; while it is the revolutionary left that holds the dagger and deals the fatal blow. Moral corruption facilitates the whole process."

This leader was Adolf Hitler, and his group the National Socialist Party of Germany."

Do you live in a country in debt? If so, then you live in a country indebted to Rothschild Jews
A sovereign nation does not go into debt; if it has "debts," then it would merely print its own money to get out of debt.
A sovereign nation that prints it own currency would be rich and pay its citizens dividends instead of asking its citizens to pay income tax to service the debt to Rothschild.
A sovereign nation has no debts! Zero!
If a nation has debts to a foreign creditor then by definition it is no longer a sovereign nation anymore.

Before, during, and even after World War II, various armed gangs consisting of Jewish Bolsheviks waged a guerilla terror war against German villagers (trapped in Poland before the war), and then German troops (during the war itself).

These exclusively "Jewish Partisans" did not observe any rules of warfare nor show any respect for POW's and innocent civilians.

After the war, these very same Jewish Bolshevik gangs continued to murder, torture, and rob European civilians. Thousands of them later immigrated to Palestine, where they reformed into Zionist terror gangs (Irgun, Stern Gang, Hagannah) and committed similar atrocities against helpless Arab villagers in 1948.

HIDDEN WW2 FACTS YOU SHOULD KNOW -

During WWII, just as the U.S. couldn't trust Japanese Americans, thus causing FDR to round many of them up and place them in concentration camps, Hitler couldn't trust Jews since many were partisans sympathetic to the USSR and hence they aided the USSR in various subversive, anti-German activities. Therefore the National Socialists rounded up Jews and placed them in concentration camps.

When Burg died, Zundel had to have him buried at a Catholic Cemetery.

Even if the Jew holohoax did happen, we as white people would have no reason whatsoever to be concerned about it.
That's right – who the fuck cares?
The Jews were the cause of World War II. They started it to crush the one European nation that chose to be the master of its own destiny free of the Jews' hostile, foreign influence.

Honest Jew Rabbi Harry Waton says Hitler was right and that Judaism is poison to the Ayran races

"[Adolf Hitler] has no doubt in his mind that the Jewish problem is the center of all problems, not merely in Germany, but in the world. It is useless to dismiss this as an illusion, because if it is, it demands explanation. But it is no illusion. It is the truth. Hitlers declaration that the Jewish consciousness is poison to the Aryan races is the deepest insight that the Western world has yet achieved in its own nature; and his capacity to realize this is the proof of his genius"

Rabbi Harry Waton confirmed the following :

Jews believe that they are superior to gentiles and will therefore rightfully inherit the earth.

Marxism is an outgrowth of Judaism.
There is no scientific basis for Marxism; it is a religion.

The Jews identify with the lower classes in order to use them as a weapon to overthrow the natural leadership of a nation.

Communism comes from the Jewish spirit, and the bloody Bolshevik revolution was the Jewish takeover of Russia.

World War II was at its core a struggle between the Jewish ideology of Marxism and the European ideology of Fascism.

Any gentile who adapts the worldview of Communism, Marxism, Internationalism and/or Democracy becomes a Jew in spirit, for all intents and purposes, as these ideologies serve to further Jewish power and Jewish interests.

Adolf Hitler was right about Jews. He was right that the Jewish problem is at the center of all problems in the world and he was right that the Jewish mind is poisonous to the soul of the White race.

The Jewish Bolshevik government ruthlessly persecuted Christians in particular, and protected Jews.

Anti-Semitism was made illegal and punishable by death, and the only time Lenin's voice was ever recorded was to make a widely distributed record denouncing anti-Semitism as "counter-revolutionary."

In addition, the early Soviet government actually gave special privileges to Jews, which included the creation of a separate homeland meant for Jews only, called the Jewish Autonomous Oblast, situated in the Russian Far East.

The Bolsheviks established the autonomous oblast in 1934 to provide the Jewish population of the Soviet Union with a large territory in which to pursue Jewish culture. According to the 1939 population census, 17,695 Jews lived in the region (16% of the total population). The Jewish population peaked in 1948 at around 30,000, about one-quarter of the region's population.

The Jews believe they are "chosen," and they believe you are shit.

✡ ✡ It's that simple. ✡ ✡

People need to understand there is no basis for "peace" in Judaism. According to all jewish writings, gentiles are not humans, but cattle and donkeys for the jews.

The jewish religion only commands the jews to commit murder, rape, and terrorism against gentiles. Judaism designates all non-jews as enemies of the jews. Jews are not allowed to be kind or fair to gentiles, only to lie, cheat, steal, defraud, enslave, torture, humiliate, and dispossess those who are not "chosen."

To the jews, If you are not jewish, you simply do not matter. It is so crucial that people learn to see this total blatant disregard for the sanctity of human life.So stop all the bullshit about peace and love, we are dealing with a collective of psychopaths who do not understand what that even means.

The same Illuminati bankers responsible for the Bolshevik Communist Revolution and the greatest mass murder in human history control the United States today.
This explains many of our downfalls, including our spiritual enslavement via the the break down cultural standards of morality by promoting pornography and obscenity in books, magazines,motion pictures, radio and TV which is the the 25th goal of the Communist Manifesto. And also explains the constant promotion of homosexuality, degeneracy and promiscuity as, "normal, natural, and healthy" which is 26th goal of the CM.
To facilitate physical enslavement, the Rothschild financed Bolsheviks outlawed gun ownership. Their war on the people became machine guns against pitchforks."
Although Americans aren't disarmed yet, the pressure to ban weapons has never been greater, as staged "lone gunman shooting sprees" have increased. In general, false flag terrorism like 9-11 and Boston point to a general contempt for the public. -

Do I believe 6,000,000 Jews were gassed and cremated? LOL NO !

The "holocaust" is complete rubbish, as a little logic will demonstrate

Consider why Germany, fighting a war on two fronts, desperate for fuel and materiel of every sort, would bother to load millions of Jews on railroad cars and transport them hundreds, even thousands, of miles to concentration camps. Camps built specifically to house them, where they would be fed, clothed, even tattooed so they could be inventoried...just to kill them

It doesn't even begin to make sense.
If they wanted Jews dead, they would have done it the same way that Russian Jews had been doing it to millions and millions (20 to 80 million, depending upon to whom you talk) of White Christians for the past thirty years at the time: with a bullet to the base of the skull, wherever they might be found

In all of German-occupied Europe, there were 2.4 million Jews.
After the war, 3.8 million Jews applied for Holocaust reparations.

Is America on the precipice of another "Red Terror"?
There are some disturbing signs:

- Empowered by the "Patriot" Act, the Homeland Security Department could become a Cheka, (secret police) and FEMA's detention camps a gulag archipelago. Last year the Department made headlines by ordering 1.6 billion ammunition rounds - enough to kill every American five times.
- Edward Snowden's revelations of NSA spying on everybody.
- Executive Order 13603 gives the President the power to take control of all national resources, public and private, and to impose martial law.
- NDAA 2014 gives the military the power to indefinitely detain American citizens without charge and without trial.
- To facilitate enslavement, the (((Bolsheviks))) outlawed gun ownership. Their war on the people became "machine guns against pitchforks." - We aren't razing churches yet, but the media relentlessly demonize Christians while courts increasingly suppress religious expression.
- The US military is trained to view Christians as extremists and terrorists.
- Genocide is not overt, but the elites' comments about population control reveal the agenda behind legalized abortion, HAARP, GMOs, and mandatory vaccination.

None of this should surprise us: the Rothschild led Jewish-Masonic network that ruled in 1917 still rules in 2017.

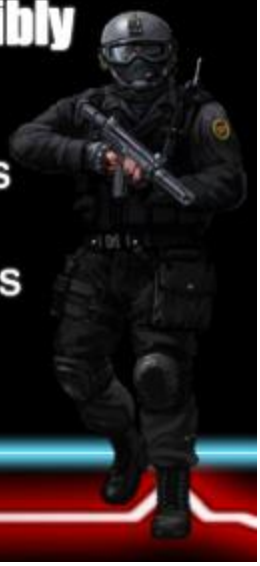
AMERICA IS NOW A JEWISH POLICE STATE

JEWISH TENTACLES have penetrated the very depths of the US Military and Intelligence community.

With the Armed Forces of America dependent on the Jewish-owned Federal Reserve Bank for continual debt-at-interest funding; with the Jewish ADL's training of local police forces; with the propaganda apparatus solidly in the hands of Jewry; and with the Jewish Lobby's ownership of Capitol Hill — a Jewish police state is both INTACT and EQUIPPED to wield totalitarian rule over US citizens.

The final Jewish takeover of America is now indelibly imprinted on the blueprint of our nation's future.



Prepare for food shortages, power outages, blackouts and communication curtailments — and of course — the collapse of the dollar coupled with the lawlessness now operative in America as demonstrated in the MF Global theft of segregated accounts.

Without the threat of Israel's massive nuclear arsenal, there would be no need for an Iranian nuclear program – it would be unnecessary.

The only solution now is a UN-declared Nuclear Weapons Free Zone, (NWFZ) to include both states which will require a formal inspection, by the IAEA, of Israel's underground nuclear arsenal in the Negev desert, together with its total dismantling under UN supervision. Only then will Europe and the world, breathe easier

Israel, of course, still refuses to be a party to the nuclear Non-Proliferation Treaty (NPT) to which nearly the entire world is a signatory nor will it submit its huge Dimona nuclear facility to international controls under IAEA jurisdiction.

smoloko.com

All of Israel's foreign aid from America in any form, public or private must be cut off as is required by International and US Law because Israel has nukes,will not admit it and refused to sign the Nuclear Non-Proliferation Agreement which is required for any foreign aid.

This means no more US Military aid to Israel, nor can any more private aid or donations be provided to israel by Americans.

And if the US Administration publicizes the Israel Apartheid against Palestinians and encouragesall US businesses to divest because Israel is a Criminal Terrorist State because it Nuked America on 9-11-01 and has set off nukes in Gladio-style false-flag attacks all around the World before that, the criminal regime running Israel will collapse.

RELEASE IN FULL

The best way to help Israel deal with Iran's growing nuclear capability is to help the people of Syria overthrow the regime of Bashar Assad.

Back to Syria. It is the strategic relationship between Iran and the regime of Bashar Assad in Syria that makes it possible for Iran to undermine Israel's security – not through a direct attack, which in the thirty years of hostility between Iran and Israel has never occurred, but through its proxies in Lebanon, like Hezbollah, that are sustained, armed and trained by Iran via Syria. The end of the Assad regime would end this dangerous alliance. Israel's leadership understands well why defeating Assad is now in its interests. Speaking on CNN's Amanpour show last week,

Bringing down Assad would not only be a massive boon to Israel's security, it would also ease Israel's understandable fear of losing its nuclear monopoly. Then, Israel and the United States might be able to develop a common view of when the Iranian program is so dangerous that military action could be warranted. Right now, it is the combination of Iran's strategic alliance with Syria and the steady progress in Iran's nuclear enrichment program that has led Israeli leaders to contemplate a surprise attack – if necessary over the objections of Washington. With Assad gone, and Iran no longer able to threaten Israel through its proxies, it is possible that the United States and Israel can agree on red lines for when Iran's program has crossed an unacceptable threshold. In short, the White House can ease the tension that has developed with Israel over Iran by doing the right thing in Syria.

The rebellion in Syria has now lasted more than a year. The opposition is not going away, nor is the regime going to accept a diplomatic solution from the outside. With his life and his family at risk, only the threat or use of force will change the Syrian dictator Bashar Assad's mind.

A TELEVISION documentary in which Shimon Peres, Israel's foreign minister, discloses for the first time details about Israel's acquisition of nuclear weapons is to be broadcast in the Arab world. It is intended, at a time of rising tensions, as a warning.

In the documentary, Mr Peres goes further than any other Israeli official in confirming that the Jewish state has a nuclear capability. He and former French government officials give details about co-operation between Israel and France in launching Israel's nuclear programme.

"I've never seen a President -- I don't care who he is -- stand up to them. It just boggles the mind. They always get what they want. The Israelis know what is going on all the time. Obama: Israel Should Sign Nuclear Non-proliferation Treaty

Ending unprecedented 47-nation nuclear summit, U.S. president says all nations should join NPT.

Natasha Mozgovaya and Agencies | 14.04.2010 00:52 Updated: 10:24 AM

U.S. President Barack Obama on Tuesday urged all countries, including Israel, to sign the international Nuclear Non-Proliferation Treaty, or NPT.

The propaganda that Iran is pursuing nuclear weapons is a form of political theater,

A CHARADE that appears to be motivated by Zionist concerns, in particular those of Prime Minister Benjamin Netanyahu, that Iran is going to extend its influence to the detriment to that of Israel

The Masonic Jewish controlled establishment media won't tell you that .....

Iran is a committed signatory to the nuclear Non-Proliferation Treaty (NPT) and a member of the International Atomic Energy Agency (IAEA), it has the right to use nuclear technology for peaceful purposes.

"Colonization is not an activity which Germans feel called upon to pursue, Germany should never make common cause with the colonizing nations and should always abstain from supporting them in their colonial aspirations.

Pride in one's own race - and that does not imply contempt for other races - is also a normal and healthy sentiment. I have never regarded the Chinese or the Japanese as being inferior to ourselves. They belong to ancient civilizations, and I admit freely that their past history is superior to our own. They have the right to be proud of their past, just as we have the right to be proud of the civilization to which we belong. Indeed, I believe the more steadfast the Chinese and the Japanese remain in their pride of race, the easier I shall find it to get on with them."

Hitler's National Socialist Germany was not a "White Supremacist" bigoted nation

The most compelling evidence is the multi-racial foreign composition of the German Waffen SS, in German uniforms. Have a look:

Africans, Indians, Muslims all fought voluntarily and honorably in the Waffen SS under German command.

National Socialism" truly is a liberating and natural ideal that is fit and healthy for all races.

But there is a man who these people convinced us was a mad man. .....These people that I'm talkin' about told us that this man was a Satanic agent - he was a mass murderer.

These illegitimate people called Jews convinced the world that a man named Adolf Hitler was a mad man. And we all grew up understanding that Hitler was a tyrant, that he was a mad man. But I'm gonna be honest with you. After doing some research on this, I found outthat it was these liars, and deceivers that Adolf Hitler was trying to cleanse the world of.

Hitler adopted one of the oldest symbols of God-consciusness. It's called the swastika. We have to hate the swastika because we have been taught by these people (Jews)."

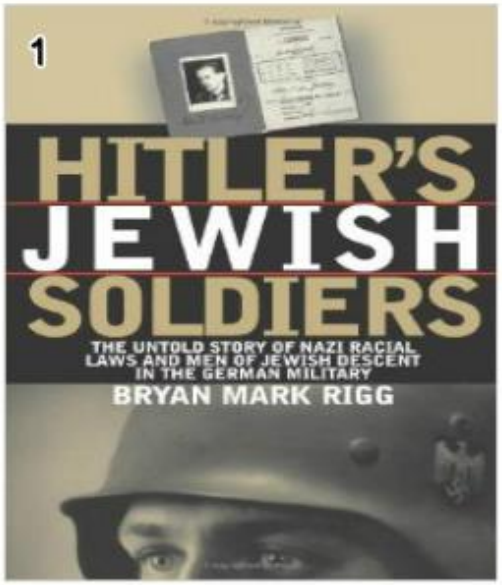
Perhaps the ultimate proof that Hitler was not the raving, ranting 'racist' bigot that he is portrayed as lies in the fact that 150,000 1/2 Jewish & 1/4 Jewish soldiers proudly fought for Germany in World War II. True story!



1- Hitler's Jewish soldiers were not swayed by the propaganda of the West's Marxist Jews

2- Jewish Dr. Eduard Bloch had treated Hitler's dying mother and, until his dying day, spoke highly of the then 18-year old Hitler. After coming to power 25 years later, Fuhrer Hitler still remembered the kindly physician and granted favors to him.

German Jews, Jacob Schiff, the chief financier of the Bolshevik Revolution in Russia, and Paul Warburg, the chief architect of the privately owned Federal Reserve Bank, were the financial angels of the NAACP.

Through the years and reaching a peak in the 1960s with the civil rights movement, Jewry's activities in support of blacks have involved litigation, legislation, fund-raising, political-organizing, and academic movements. Jewish motives, however, can be discovered not in any real sympathy for the plight of blacks, but rather in their quest to achieve the eclipse of the political and cultural hegemony of white Americans.

March 1957 letter to the editor of the Washington Star

"We must realize that our party's most powerful weapon is racial tensions. By propounding into the consciousness of the dark races that for centuries they have been oppressed by whites, we can mould them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavour to instil in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause."

'Jewish Prominence'

The Jew's first reflex, when being singled out as a group, is to shield himself behind all these other minority groups he's flooded our countries with.

This is why Jews feel safer in "diverse" nations than in homogeneous ones; they know they can agitate the other minority groups to fight the White majority on their behalf.

Blacks have been purposely misled by the Jewish people who, in previous centuries, built their fortunes in the transatlantic slave trade, and who continue to manipulate and exploit us even today.

Because most black people make no distinction between Jews and whites, it is easy for the Jews to evade justice and escape the blame for the wrongs that they have inflicted on black people for centuries by convincing blacks that it was the white man who did it.

In most cases the vast majority of the white race had nothing to do with slavery or other crimes that have been committed against black people. Whites were and continue to be exploited and manipulated by the Jews, the same as blacks, and their race is even more hated by the Jew, where blacks are simply disregarded by the Jews with indifference, as are other races.

Blacks are all simply pawns to the Jews who have no other use for blacks beyond being a source of profit to them and a weapon that can be used to help destroy whites, who they see as their sworn enemies, by encouraging blacks to breed with them until there are no longer any whites left

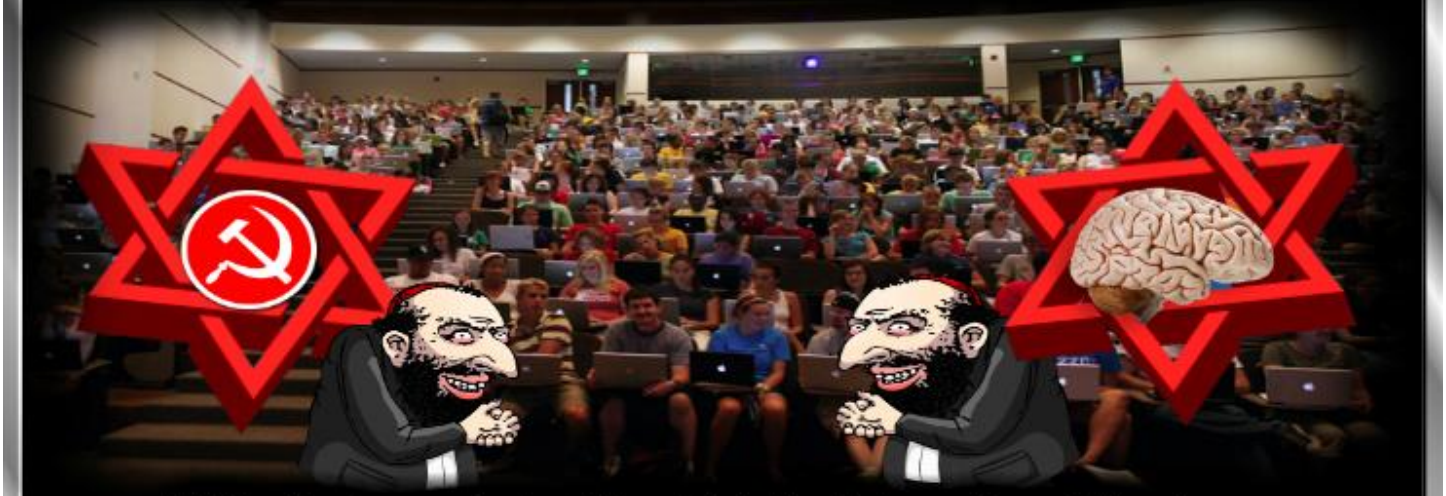
The Jews have brainwashed American children in other areas besides sexual depravity.



With their control of the Public Educational System and Collegiate level academia, the Jews have filled the minds of the young with Marxism, Deconstructionism, relativism, anti-White hatred, and lies about “diversity” and non-judgmentalism. These sundry isms are the pernicious lies that have jettisoned the positive isms that once bloomed in our society: absolutism, patriotism, altruism, individualism, nationalism, etc.

It is high time for white Americans to stand up to American Jewry, fight for their own interests, and confront Jewish hypocrisy.

The Four Curses On Judaism

: The Curses of Disinheritance, the Fig Tree, Desolation, and Deicide.

When Jesus told the Jews that their kingdom would be taken away from them and given to the Gentiles, the Jews answered, God forbid. But the curse stands. The Church inherits Gods blessings and the Synagogue has been forsaken. This is the Curse of Disinheritance.

When Jesus approached the fig tree, a symbol of Israel, He saw no fruit on it. He cursed it and the tree withered. The Church is the new Israel bearing much fruit but the Synagogue is a dried up tree. You can even see it in their faces. This is the Curse of the Fig Tree.

When Jesus saw Jerusalem rejecting Him as the Messiah, He declared, Your house is left unto you desolate. Its the Church that offers eternal life but the Synagogue has nothing to give. This is the Curse of Desolation.

When Pilate wished to set Jesus free, the Jews cried out, Crucify Him! Let His blood be upon us and on our children! This is the Deicidal Curse that falls on every Jew due to the corporate guilt of the crucifixion of God Incarnate, the Lord Jesus Christ.

AMERICAN JEWRY'S STRENGTH lies in its racial solidarity.

This jew solidarity extends beyond Americas shores throughout Europe.

(((I AM THE DEVIL)))

Because Jewry has persecuted Christianity beginning with the French Revolution; upthrough the Bolshevik Revolution; the decimation of Eastern European Christianity; the Spanish Civil War; the expelling of Palestinian Christianity; and of late, the handing over of Orthodox-Christian Serbias Kosovo province to the Muslims - the Gentile host nations of Europe have been rendered diverse before a monolithic Jewry. Thus Dilute & Conquer is Jewry's War Cry!

Once upon a time, The Church clearly understood the danger of allowing Jews to hold sway over society.

It was Emperor Justinian of the 6th Century who in his Justinian Code forbade Jews from participation in banking, holding civil office, and from teaching positions.

He understood as did his Christian subjectsthat Jews were to be kept on a short leash, otherwise Jewish tyranny, betrayal, and rapid moral decline would destroy Christian society. And now that very same destruction has been unleashed.

JUDAISM HAS LOST ITS PREISTHOOD FOREVER!

WE CHRISTIANS SHOULD MOCK the Jews.

For Judaism has lost its priesthood forever. According to the historian Josephus, Herod Antipas destroyed the genealogies of the Aaronic priesthood in 36 AD.

The Old Testament, by which Judaism is conferred validity, states that in order for the Jews to have forgiveness from God, they must go to the high priest who offers an atoning sacrifice on their behalf. (Leviticus 16).

But Christ put an end to the stinking animal sacrifices. This was predicted by King David when he wrote of the coming Messiah, "The Lord said unto my Lord, Thou art a priest forever after the order of Melchizedek." (Psalm 110).

St Paul referred to this prophecy when he wrote, "Jesus was made a High Priest forever after the order of Melchizedek. He brought in the New Testament causing the Old Testament to vanish away." (Hebrews 6, 8).

Thus Christianity with the Lord Jesus Christ as its High Priest usurps Judaism. And now Judaism is is nothing but a sham, bankrupt, Anti-Christ religion !

THE JEWS ARE NOW totally out of control. We have allowed them to destroy our Christian heritage, beginning with their War On Christmas.

According to the Jewish Talmud, gentiles, that is all non-jews, are soul-less cattle created to serve the Jews, and whom the Jews have an historical destiny to conquer in world domination. Thus the Jews seek to strip the Christians of their religion, their cultural decency, their political sovereignty, and their economic independence.

With the Jews' control of the media and their endless cries of "anti-Semitism," (aren't we all simply sick of it already?), they have falsified reality to the extent that many now think that Christians are the guilty murderers who have always persecuted the Jews. But Christian nations had to take necessary action against these scheming and evil foes.

THE ONLY ANSWER is to tell the Jews that they must repent and become Christians. We who dictate these terms to the Jews must commit to a holy Christian life and regular Church attendance. There is still a chance that we can recover all that the Jews have stolen from us.

The historic Church STOPPED the Jews and their devastation in the past.

In a revival of Justinians Symphony of Church and State she can surely do so again. We must repell the Jewish threat with practical solutions modeled after Justinians Code:

1. Throw the Jews out of banking and they cannot control the economy.

2. Exclude them from civil office and they cannot subvert national interests.

3. Disgorge them from teaching and the media and they cannot corrupt the morals of our youth.

St Paul wrote in his Epistle To The Romans:

"They are not all Israel who are of Israel." The true Israel are the Christians who have embraced the coming of the Messiah Jesus. The false Israel are the Jews who rejected the coming of the Messiah Jesus.

St Paul designates 3 classes of people:

1) The Jews: Rejecters of God & His Promises.

2) The Gentiles: Rejecters of God & the Bible.

3) The Israel of God: The Christian Church. (I Cor 10; Galatians 6)

Zionist Jewry is pushing for the rebuilding of the Temple in Jerusalem.
Rabbis are saying it will become the focal point of the "spiritual energy of mankind."
How can a bunch of dead lambs with their throats slit by a people with a superiority complex be a blessing for the world?
There's not even a priesthood.The Romans destroyed the records of the priesthood with the 2nd Temple in 70 AD and all secondary records eventually disappeared. This was admitted by Maimonides in the 12th century.
He wrote that when the rabbinic 'messiah' comes—who The Church knows will be the anti-Christ—he would 'verify' (that is, 'fabricate') the pedigrees of the priesthood.
Every Jew is told that he's a "Kohaine" – a priest descended from Aaron – but no Jew can prove it. When Ezra directed the building of the 2nd Temple, if a priest couldn't show his papers proving his ancestry from the tribe of Levi, he was thrown out of the Temple.
Today, no Jew, no matter how religious, no matter how famous, can prove his priesthood. No priesthood, no Temple. It's bogus.

..... How the Jew thinks 101 .....

The Jew uses the indictment of “Anti Semitism” to prevent any criticism of his conduct, his ideas, and his agenda.

The Jew is hell bent on his self-preservation. Though American and European Jews love the good life, they promote Zionism, in order that they will always have a place to escape to.

The Jew though he may be non religious still honors the rabbis as having final authority on all religious questions and matters. The rabbis have as their authority the Talmud which contradicts the Old Testament and blasphemes Jesus Christ, the Virgin Mary, and Christians.

The Jew may promote “equality amongst men” yet he sees himself in a self conscious ethnic group that he considers as being superior to all others.

The Jew when confronted with the claims of Christianity will always reply, “I was born a Jew and I will die a Jew.” What he means is, “I will never become a Christian like the dumb goys.”

The Jew has divorced from his mind all spiritual hopes of the next world. The Jew sees his continuity in his progeny so to carry on his name in this earthly and material existence.

The Jew lives for this world not for the world to come. The Jew is therefore a crass materialist.

The Jew does not like to perform manual labour. To make money the Jew is dependent on the labours of others. Therefore the Jew is primarily to be found in the service professions: whether financial, academic, medical, legal, mercantile, journalistic, or entertainment.

The Jew in the financial realm hopes to have all capital beneath his control. The Jew strives to get the possession of riches without industry on his part.

The Jew wants nothing to do with Jesus Christ, the Church, and the Christian Universal vision of the new man in Christ. Why not?

First because Jesus Christ calls all men to repent which the Jew finds repulsive;

Second because the Church with its eyes set on the kingdom to come is disagreeable to the Jew who seeks a kingdom of this world;

Third because the new man in Christ whereby all elitist distinctions are dissolved, is an identity the Jew finds repugnant to his love of 'separateness' and control over others.

In the Jewish Talmud - the most "holy" book of the Jews... cuts like a dagger into the heart of Christianity. It claims that Jesus did his miracles through sexual magic, that he was a blasphemer. It also reads how the Jews teach that Jesus is in hell, suffering the burning fires of unholy excrement and being boiled in human semen.

The Talmud brags that the rabbis rightly condemned Jesus to death for his crimes. It also speaks terrible lies and words against Jesus' human mother, Mary, accusing her of being a prostitute who had many partners, including Roman soldiers and a blacksmith. The Talmud even accuses her of bestiality.

The Jewish Talmud even encourages Jews to cheat and deceive Christians in legal matters, including advice to lie in court and to steal, bribe, and rob the Christians.

2) JUDAISM TEACHES that Jews & Gentiles cannot coexist. Jews are taught: "We must control them before they control us." This is the driving force behind the Jewish Lobby & the Jewish control of the mainstream media.

3) JUDAISM TEACHES that Jews are superior to the Gentiles. Jews are taught: "We can step on the Gentiles." This is the driving force behind millions of Gentiles being stepped on by Jews. You perhaps?

Judaism is not a religion because the Jews do not worship God. Satan is the lord and master of the Jews

The Jews follow a bastardized "religion" in which everything is turned around.

Black is good, white is bad. Christ is a demon, or even the devil himself. Satan is a god, or even God. Money is to worshipped. Power, not charity, is the object of life. Sex and physical pleasure are good, abstinence and the spiritual life are spurned.

Christians should just keep in mind this one central point:

THE JEWS MURDERED JESUS CHRIST, AND THEY HAVE NEVER REPENTED OF THIS TERRIBLE CRIME!!!

And until they do repent, and turn to the Lord Jesus, bow their heads and bend their knees and say, "Lord Jesus, I have sinned against thee and I ask for your forgiveness," they are condemned to spend eternity in hell.

Let's face it, Jews are sneaky, vile, demonic masters of deception whose greatest pleasure in life is to swindle Christians out of their hard-earned money, and to mock and defame the Lord Jesus Christ.
The Jews murdered Jesus Christ after trying Him in a kangaroo court. They have never repented of that terrible crime, and so they are condemned to spend eternity in hell, unless they accept Jesus Christ, the Only Begotten Son of God, as the Messiah and the Savior of the world.
So any Jew is not worth my spit, unless he (or she) turns his or her back on organized Jewry and accepts Our Lord. Then he is no longer a Jew, and (if sincere) is a full-fledged Christian, who will spend eternity in heaven with Jesus.
As far as I'm concerned, all Jews can go to hell, and the sooner the better.

The simple answer is that Jews don't accept Jesus as the only Son of God because to do so would mean they would have to bow their knee and repent of their past sins.

Jews are incapable of repenting because they believe they are the Chosen People, chosen by their god to rule the world and make slaves of all the non-Jews.

What of the Kingdom of God that is promised?

Jesus, in Matthew 21:43, declares that the Kingdom of God will go not to the Jews of earthly Israel but instead to a nation bringing forth fruits.

Once again, the scriptures supply the answer. The Kingdom of God was taken from the Jews and physical Israel and given to Christians! Christians are God's Chosen People, and Christians are His Holy Nation. Christians not Jews as a race are "chosen of God and precious." The Apostle Peter wisely addressed these matters. In I Peter 2: 4-6, we read that Christians not Jews as a race are "chosen of God and precious."

s m o l o k o . c o m

There is NO SPECIAL PLAN for the Jews. "All Israel" is the fullness of The Church, made up of Jews and Gentiles who REPENT and become Christians.
But most Jews, (only a remnant will be saved prophecied Isaiah the Prophet), abhor the idea of repenting. They think that just being a Jew obtains Gods favor.
But most Jews, like the Jew bankers, couldnt care less about God. Their god is CONTROL. And for now, the best we can do is INFORM OTHERS of their wicked plans.

SATAN OFFERS THE JEWS THESE 3 THINGS:

1. Possessions 2. Prestige 3. Power

JEWS LIVE FOR THE THINGS OF THIS WORLD
JEWS CRAVE POSSESSIONS.

Jews don't believe what Jesus taught.

Satan offers the Jews "bread alone" & the Jews have accepted his offer.

Satan offers the Jews "immortal prestige" & the Jews have accepted his offer.

Satan offers the Jews "kingdoms of this world" & the Jews have accepted his offer.

Americans must tell the Jews that Christ's teachings are all about a "kingdom to come." This is why the Jews lobbied to take prayer out of public schools. For as American children we once prayed, "Thy kingdom come." (The Lord's Prayer) But the Jews ended all of this.

smoloko.com

That look you make . . .
when you find out JEWS CRAVE POWER more than anyone else ! and this is why there exists a "Jewish Democratic Committee" and a "Jewish Republican Committee." This is why the Jews bribe politicians like Mitt Romney, Barack Obama, and Hillary Clinton with millions of dollars in donations. Simply put, Jews don't like to take orders from anyone. ~ Jews want to give orders not take them. This is why the Jews run the Central Banks in America, England, France, and Germany

"Goyim were born only to serve us. Without that, they have no place in the world – only to serve the People of Israel. In Israel, death has no dominion over them… With gentiles, it will be like any person – they need to die, but [God] will give them longevity. Why? Imagine that one's donkey would die, they'd lose their money…This is his servant… That's why he gets a long life, to work well for this Jew… Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat… That is why gentiles were created."

THE BAD WAR

During the decades that have passed since the end of the history-altering geopolitical event known as World War II, only a single narrative of the great conflict in which tens of millions perished has ever been heard. It is a story which has been scripted by the victors and implanted, no, pounded, into the minds of subsequent generations.

Every medium of mass indoctrination has been harnessed to the task of training the obedient masses as to what the proper view of this event should be. Academia, news media, public education, book publishing, TV documentaries, Hollywood films, clergymen and political whores of every stripe all sing the same dreadful anthem of lies, ignorance and hundreds of "missing notes".

World War 2 was a cataclysm of unparalleled human suffering, but we don't have to be victimized and exploited to accept the one, proper view of this massive crime any longer. You are about to embark on an unforgettable journey which will clarify the biggest lie in all of human history. Can you handle it?

"The clarity of King's illustrated masterpiece is more than just enlightening; it's life-changing. Though the complete shattering of a lifetime of illusions was a very unsettling experience for me, I highly recommend The Bad War!

Jews hate nature and the natural order, because it's pure and beautiful, and also because it's bigger and stronger than they are, and they feel that they can not fully control it. Nature's beauty and harmony stands in stark contrast to their squalidness and ugliness, and that makes them hate it all the more. Jews are destroyers. They are anti-humans. The anti-human Jew hates and wants to destroy all non-Jews. He will also destroy even other Jews who are less destructive and evil than he is,if they get in his way.

Hitler said shortly before the end of WW2 –
" Moreover I do not wish to fall into the hands of an enemy who requires a new spectacle organized by the Jews for the amusement of their hysterical masses."

"I have decided therefore to remain in Berlin and there of my own free will to choose death at the moment when I believe the position of the Fuehrer and Chancellor itself can no longer be held."

After the war, he was convicted of "crimes against humanity" during the jew run show trial and kangaroo court known as 'the Nuremberg Trials' and executed.

These were last words of Julius Streicher,

Jews hate Jesus Christ but have turned His birthday int a source of great profits.

As Rabbi Jacob Wise said: "It is better to have Christmas than smallpox. Besides, if the crucified one had a brother born in the summertime it would have given us two such profitable holidays."

Now the Jews want to make it illegal to question their lies about the Holocaust in America . In fact, it's already illegal to question it in over a dozen European countries.

This very meme which doesn't use hateful language of any sort, would be considered "hate speech" by the Jews and would land somebody in prison if published in a country such as Germany or France.

This is what they want for all of our countries: "hate speech," "Holocaust denial," and "Holocaust education" laws. We must continue to push back.

We must mock, ridicule, and question the Holocaust myth and these evil Jews as long as there is breath in our lungs. We must lead our people out of the darkness of Jewish propaganda, and into the light.

Our future depends on it.

The Teachings of Julius Streicher

Jews concentrate in certain occupations such as doctors, lawyers, money-lenders, merchants, entertainers, etc. Thus they gain a disproportionate share of the wealth. They control the large monopoly department stores thus putting the independent Gentiles out of business.

Jews pay low wages often forcing poor workers into crime and some women into part-time prostitution.

Jews are not true creators of wealth. They avoid physical labor and are rarely farmers, masons, factory workers, etc. Their religion teaches that it is shameful.

Jews exploit sex for financial gain through their control of the theater and publications.

Jews are parasites who secretly gain wealth by exploiting the unwary host people.

Jews give to charities in order to gain respectability.

Jews concentrate themselves in the large cities where they promote socialism and decadence.

In spite of the fact that the Jews do not even refrain from attacking Christendom, they are protected by those who wear the cassock. The Christendom of the early time was different to the one of today. The first Christians were fighters, who wanted to free their people from the Jewish ignominy. Then the Jew crept into that community and had the originally pure Christendom ridiculed by mankind. The first Christians were willing to die to defend the Christian doctrine.

They (the Jews) are hated because they satisfy their greed according to Talmudic principles. In the Jewish lawbook "Talmud" the Jews are told that the possessions of gentiles were "ownerless property", which the Jew was allowed to obtain through deceit and cheating. Whatever the "profession" may be called where the Jew earns his money, everywhere he remains a Jew. Such criminal behavior must inevitably provoke the hatred of Jews (anti-Semitism) and fighting repulsion.
The fight that the Nazarene led 2000 years ago against the Jewish usurers resulted in a gruesome way of suffering and his slaughter at Calvary. The judgement passed by Jesus on the Jews marks the Jewish people for all time: "Ye are of your father the devil! He was a murderer from the beginning." (John 8:44-45)

I bet you didn't know.....

the Israeli Mossad spy agency hatched a plan to kill President George Bush Sr

Bush was hated by the Mossad and considered an enemy of Israel because he wouldn't give in to all of Israel's demands.

his 1994 book, The Other Side of Deception,
rmer Mossad agent Victor Ostrovsky finally revealed
e specifics of what he had learned of the 1991 Mossad
ot against Bush: the Mossad planned to assassinate
ush during an international conference in Madrid.

e Mossad had captured three Palestinian "extremists"
d leaked word to the Spanish police that the terrorists
ere on their way to Madrid. The plan was to kill Bush,
ease the "assassins" in the midst of the confusion
and kill the Palestinians on the spot.

e crime would be blamed on the Palestinians—

Israel is simply
the State of Rothschild
and how appropriate that they paid for the construction of the Israeli parliament building, the Knesset, and the Israel Supreme Court. The name Rothschild means Red-shield and it originates with the red shield 'Star of David' symbol (not a Jewish symbol before the Rothschilds) which they displayed on their house in Frankfurt ...
The very flag of Israel tells you who owns it. There are many reasons why the Rothschilds and their allies wanted to hijack Palestine and one was to keep the Middle East in a state of disruption and turmoil from which a global war can eventually be triggered to usher in the New World Order of world government dictatorship.
The creation of Israel is a means not an end and the Rothschilds will be quite happy to leave the Jewish population to their fate if it suits them. After all, they've done it before.

Timeline of Israeli Bombings of United Nations Facilities

In 1996, Israelis shelled a UN compound in Qana, Southern Lebanon - which it had occupied since 1982 - killing more than 100 civilians.

In 2002, during Ariel Sharon's mauling of the West Bank, Israelis repeatedly struck UN ambulances. The commissioner-general of UNRWA stated that the Israelis deliberately targeted the ambulances.

In 2009, during Operation Cast Lead, Israelis bombed several UN buildings.

In 2006, during the most recent Israeli invasion of Lebanon, the Israeli military bombed a well-marked, well-known UN observation post, killing UN personnel.

The bodies of these people will often show visible torture scars. The expendable are the children of parents who were blackmailed into turning their children over to the CIA.
This is all hidden by the power of the National Security Act. These are children, who have been sold by pedophile fathers, or pornographic parents. The programmers /masters program them with the expectation that they will be "thrown from the freedom train" when they get to age 30.

Monies provided by such groups as the Anti-Defamation League, the American Jewish Committee's Project and the Jewish Institute for National Security Affairs have made it possible for "at least 300 high-ranking sheriffs and police from agencies large and small – from New York and Maine to Orange County and Oakland, California" to attend privately funded seminars in Israel.
There, they have learned how Israeli security forces deal with demonstrators and armed threats by 'terrorists'. The seminars include field trips to such sites as military installations, surveillance outposts, and checkpoints at the West Bank and the Israeli-Egyptian border.
The training includes spending time observing operations conducted by Israel's Border Patrol, Defense Forces, national police and intelligence services.

A shadowy and elusive terrorist organization in the Middle East was the perfect replacement,
especially since terrorist attacks could be arranged almost anywhere at almost anytime and,if the
government declared that it was the work of terrorists, who would be in the position to contradict them?
The master plan was to draw the United States into endless wars in the Middle East on behalf of Israel,
where no American interests were at stake. In the past, the stability of the region was viewed as
paramount to guarantee the uninterrupted flow of oil from stable but despotic regimes. Indeed,
no rational soul today would claim that Iraq, for example, is better off now than it
was under Saddam Hussein, whose blunder may have been to abandon the petro-dollar.

Jewish sharks know a 'Magic Negro' when they see one. They got their 'magic boy' in Jeh Johnson.

ADVANCING JEWRY'S AGENDA based on their 'war on terror' hoax, Jeh Johnson has shown himself to be the Jews' perfect shill.

As Defense Department's General Counsel, Johnson was the legal architect for formulating the legal sanctions for trying 'terrorist' suspects using military tribunals in light of the Jew-inspired NDAA legislation which denies US citizens due process.

Johnson also oversaw the US military's use of armed drones and its targeted killing program including authorizing the extra-judicial murders of US citizens' Anwar Al-Awlaki; his son, Abdulrahman al-Awlaki; Samir Khan; and Jude Kenan Mohammad.

With his background of approving a variety of murderous and unconstitutional actions, Jeh Johnson is the model stooge at Homeland Security to continue the work of his real bosses: Michael Chertoff, Joseph Lieberman (Jews don't retire) and myriads of Israeli high tech companies…ALL JEWS.

beginning with the Fed, Capitol Hill, the White House, the Courts, the Media, and our Schools.

Thus, in order to fix America a solution to the Jewish infestation of every facet of the US infrastructure has to be framed and applied.

AT THE TOP of the food chain is the Jewish-owned Federal Reserve Bank.

Jews have been given the power to create money via simple book entries.

Jews like Yellen, Fischer, Greenspan, have complete immunity to loan their created money wherever and to whomever they wish to FURTHER Jewish interests.

SOLUTION:

Restore the Constitutional mandate that gives the US government the power to create its own money without paying interest to money-controlling Jews.

All US senators, who have expressed opposition to the deal with Iran are essentially traitors

they are in the pay of Israel, a hostile foreign power, a foreign power which has repeatedly attacked the United States

"the Lavon Affair in 1954, when Israeli terrorists attacked US interest in Egypt and attempted to blame Egyptians and got caught ….to September 11, 2001, when the Zionists were the biggest force behind the attacks on America," are all clear examples of Israeli enmity towards the US

Israel is secretly America's worst enemy and yet these senators are absolutely complete slaves of this foreign power making them the worst kinds of traitors imaginable

First off, Donald Trump is half right, there weren't dozens of 'Muslims cheering' but five Israeli Jews cheering and there were five of them, arrested by New Jersey police.

Secondly, why in the hell is a Jewish organization even bothering to correct Trump on this one specific comment out of a 100 or so made from him about Muslims? Thinking from a logical perspective one can only assume Jews and Zionists do not want people to start googling anything with '911' and 'dancing' in the same sentence because they will finally realize traitors aided Israel in attacking the USA on 9/11/2001.

After the war, these very same Jewish Bolshevik gangs continued to murder, torture, and rob European civilians. JEWS FEAR CHRISTIANITY more than any other thing. Here's Why:

1) Christianity tells Jews that their leaders committed Deicide against Jesus Christ. (Jews always blame others for their crimes.)

2) Christianity tells Jews that they must repent of their sins. (Jews consider "repentance" repulsive.)

3) Christianity tells Jews that all men can become "one in Christ." (Jews wish to be an elite group.)

4) Christianity tells Jews that they must value Spiritual things above worldly things. (Jews are crass materialists.)

5) Christianity tells Jews that they are not to be trusted in spheres of influence because of their hatred of Jesus Christ. (Jews quake and tremble before such a reproof!)

Jewish Senator Jacob Javits played a prominent role in the Senate hearings on the Open Immigration Law of 1965 bill

Javits authored an article entitled Lets open the gates that proposed immigration levels of 500,000 per year for 20 years with no restrictions on national origin.

THE 1965 OPEN IMMIGRATION LAW IS PRESENTLY fulfilling the aims of the Jewish conspiracy as seen in its effects. The U.S. Census Bureau projects that by the year 2050, European-derived peoples will no longer be a majority of the population of America due to the massive influx of immigrants since the signing of the bill in 1965.

The Jews have also given these immigrants a moral mandate to expand both demographically and politically. And expand they will and do!

But any attempts by European-derived peoples to retain demographic, political, and cultural control in America are represented by the Jews as being 'racist' and 'immoral.'

WWII was essentially a war between two competing ideologies:
Nationalism -vs- Jewish Internationalism/globalism.
NATIONAL-SOZIALISTISCHE-D.A.P.-
VS
Adolf Hitler and his allies fought to preserve the concept of Nationalism, not just for Germans but for all peoples the world over.
Nationalism really just means the sovereignty of an ethnic people and the right of such ethnic people/nationalists – within their own bordered country – to self-determination.
On the other side of WWII was Jewish (Bolshevik) Internationalism (today we simply call this 'globalism'). In the 1920's, 1930's, and of course during WWII, powerful Jewish Internationalists were fervently advancing the Jewish worldview of eventually eliminating all nations... except for a Jewish homeland... (what was later to be - after WWII - the nation of Israel in 1948). Today we see that nothing has changed.

Israel has sought to keep the entire Middle East region in a state of destabilization since it's inception in 1948

This serves several factors

A constant state of conflict portrays Israel as the only stable entity in a volatile region thus appearing to be the only 'democracy' in the region for the United States to deal with

Destabilization ensures that there can be no united front against Israelis aspirations, which are never-ending.

The extent of this destabilization strategy has included Mossad backing of 'Islamists' like ISIS and other Al-Qaeda groups.

Hitler never banned guns - it is another made up Jewish myth

We have Chicago law professor Bernard Harcourt to thank for debunking this myth. As it turns out, the Weimar Republic, the German government that immediately preceded Hitler's, actually had tougher gun laws than the National Socialist regime.

In 1938 revisions made under Hitler completely deregulated the acquisition and transfer of rifles and shotguns, as well as ammunition, Meanwhile, many more categories of people, including Nazi party members, were exempted from gun ownership regulations altogether, while the legal age of purchase was lowered from 20 to 18, and permit lengths were extended from one year to three years.

The untold billions of dollars of "aid" provided to Israel by America since 1976 has been illegal in terms of the US"s own law, which forbids aid to any nuclear-armed nation which is not a signatory to the Nuclear Proliferation Treaty (NPF).
Sections 101 and 102 of the US's Arms Export Control Act of 1976 (AECA) contains the specific provisions, and Israel has refused to sign the NPF despite being in possession of around 400 nuclear weapons.
The conclusion is therefore inescapable: American aid to Israel is illegal, and every US administration since 1976 has openly broken the law because of the Jewish lobbys control over the politicians.

Throughout history, nations have passed laws prohibiting Jews from holding civil offices.

Justinian the Great, Emperor of the Byzantine Christian Empire in the 6th Century, (Jews do not allow public schools to teach Byzantine history) codified in his Justinian Code that Jews should "hold no honors" in Byzantine civil life. We must adopt these same policies today to save our nations !

THIS SECOND-CLASS CITIZENSHIP of the Jews, as crystallized in the Justinian Code, was thus entrenched in the medieval world and remained the policy of monarchical rule until the Jewish-inspired French Revolution — and attained full cessation at the end of WW I with the Jewish-funded Russian Revolution.

Satan's seat is at the Wailing Wall

Not only are our politicians selling their souls to the Jews at a Roman fortress named Fort Antonia, now misnamed, 'The Western Wall,' they're participating in a lewd occult ritual where the so-called 'Divine Presence' is actually Satan himself.

You see, the Wailing Wall is the seat of a Satanic ritual outlined by the 13th Century Jewish occult system known as the Kabbalah as expounded in the Zohar and expanded upon by the 18th Century Hasidic Movement.

DEPRAVED SATANIC RITUAL

This so-called 'Divine Presence' at the Wailing Wall is actually the Kabbalistic feminine emanation of their false god, the "Shekinah." The rabbis thrust their pelvises and penises back and forth in a prescribed prayer movement called "davening" in which the Jew copulates with the 'Shekinah' in order to give birth to an erotic union with the 'Ein Soph,' the Kabbalistic masculine emanation of their false god. Satan's seat is at the Wailing Wall and our politicians—brought there by the Jews—are carrying him all the way back home to America.

Meet the Jew who created the word 'Nazi'

The term "Nazi" (along with "Nazism") is a political epithet invented by Konrad Heiden during the 1920's as a means of denigrating Hitler, the NSDAP and National Socialism. Heiden was a journalist and member of the Social Democratic Party.

The term "Nazi" is a variation of the nickname that was used in reference to members of Heidens' SDP at the time, "Sozi" (short for Sozialisten). "Nazi" was a political pun, based upon the Austro-Bavarian slang word for "simpleton" or "country bumpkin" and derived from the fairly common name Ignatz. It would be like saying "nutsy"

So, if for no other reason, one should easily understand why the term was regarded as derogatory by the National Socialists and why they would never use it to describe themselves.

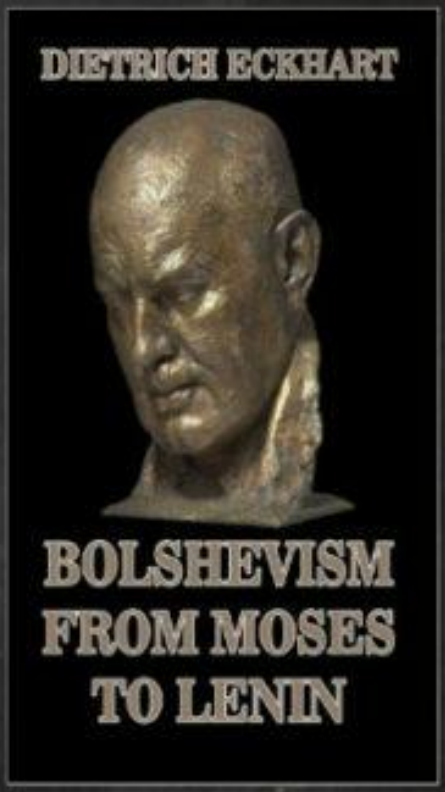
In it, they discuss Jewish strategies against gentile countries and argue that they use "bolshevism." In this case, bolshevism means and alliance of low class gentiles with Jews to rip off a society.

They argue that the strategy starts during Biblical times with Joseph (of the many colored coat) in Egypt and then repeats itself through time and place in history-Babylon, Persia, Greece, Rome, Re-conquest era Spain and modern times.



For many Christians, the Old Testament appears to be a group of faithful saints struggling against a hostile world in their quest to better understand God, but this book shines a light on the Old Testament from a different angle. : The Curses of Disinheritance, the Fig Tree, Desolation, and Deicide.

When Jesus told the Jews that their kingdom would be taken away from them and given to the Gentiles, the Jews answered, God forbid. But the curse stands. The Church inherits Gods blessings and the Synagogue has been forsaken. This is the Curse of Disinheritance.

When Jesus approached the fig tree, a symbol of Israel, He saw no fruit on it. He cursed it and the tree withered. The Church is the new Israel bearing much fruit but the Synagogue is a dried up tree. You can even see it in their faces. This is the Curse of the Fig Tree.

When Jesus saw Jerusalem rejecting Him as the Messiah, He declared, Your house is left unto you desolate. Its the Church that offers eternal life but the Synagogue has nothing to give. This is the Curse of Desolation.

When Pilate wished to set Jesus free, the Jews cried out, Crucify Him! Let His blood be upon us and on our children! This is the Deicidal Curse that falls on every Jew due to the corporate guilt of the crucifixion of God Incarnate, the Lord Jesus Christ.

This hidden alliance between two seeming enemies – Islam and Judaism -- is easily understandable if you can grasp the simple fact they both reject Jesus Christ as Lord, and therefore do not have the Father…they both worship the same "god" (Satan)…and they both pursue the same ultimate goal, i.e., the defeat of Christianity.

Do substantial numbers of the Middle Eastern invaders flooding our western lands want us dead? Yes they do.

Why ? Because the West, under Jewish control, is responsible for the deaths of at least two million Muslims since 1948. The vast majority of these deaths were civilian. From the creation of the State of Israel and subsequent ethnic cleansing to make room for Jews; to the First Gulf War and the associated genocidal blockade of Iraq (engineered and implemented under Jewess Madeleine Albright); to the second Gulf War; the invasion of Afghanistan; the engineered coups in Egypt and Libya; to the current drone warfare; more troops in Iraq; and the proxy war against Syria — the killing never seems to stop. We've been making war on them and killing them for decades. If we don't want to lose our nations — if we don't want to die in this war, we need to do three things: First, ban jews by law from all aspects of public life, end all Western support for the murderous state of Israel. Third and most important we need to redefine citizenship in our western nations on a racial basis !

GIFT TO COMMEMORATE 5TH ANNIVERSARY OF 9/11

Refusing to place the monument in Manhattan, the "authorities" instead dump Putin's gift in a depressed and unseen spot in Bayonne, NJ. - around the corner from a junkyard! To this day, the monument is barely known, even among local residents of Bayonne!

Vladimir Putin and the Russian people made a beautiful gesture towards America. But the Jews and their wholly-owned media, in anticipation of the eventual conflict with the allied independent powers of Russia and China, must constantly portray Putin as a thug. That is why the 9/11 memorial gift from Russia remains not only unknown to Americans, but also to most local New Yorkers / New Jersians! Sometime in 2012, the large wall banner depicting Putin (and Bush) was suddenly removed. The Jews cannot allow any positive impression of Putin.

The main movers and shakers behind the pro-abortion movement in the U.S. are Jews,

Jews acount for about half of all abortion providers and clinic owners; a staggering fact considering that Jews in this country comprise only about 2% of the population.

And why is this the case? Because they hate Gentiles and promote our destruction by any means at their disposal.

Abortion is just another part of the Jewish supremacist agenda to destroy their enemy, the Goyim, no matter what they must do to secure our destruction. We are what stands in the way of the successful achievement of their agenda.

From the beginning, the EU has been a Jewish operation. It has two main goals:

1. To destroy every one of the different European Nation States by consuming all of them under the non-ethnic specific name 'European', while at the same time consolidating Jewish power at the top ruling over everyone.

2. To physically destroy all the different White ethnicities through forced integration and miscegenation with the Non-White hordes of Asia, Africa and the Middle East.

The Bottom line: The Jews plan is to exterminate the White race. Get that part and all the Jews' actions are going to make sense in that context. It's all about race. Every single Jew consider themself a Jew race - superior to all other races. The ONLY way the Jews can be the eternal superior race is to exterminate the White race, The JEWS view the White race as their ONLY capable enemy that can stop their plan to rule the world - i.e. the Jew World Order .

Anyone who will not accept equality
is punished and persecuted by the Jew.

Exporting equality to the goyim is a Jewish survival strategy.

- Equality is another imperative demand of the Jew. Their religious teachings remind them that this is to be the goyims lot in life. If they follow their Talmud they can dumb the goyim down, destroy their self-sufficiency and rule over them. They can continue killing the best of the gentiles if they follow their doctrine, and if no one finds out.
- In equality the Jew can sit at the top and maintain it, persecuting any organic leadership that comes up as 'threatening'. He will point out any instance one group is doing better than another, declare it inequality, and side with the inferior every time.
- This way he levels the world. Living under the Jew causes artificial selection for weakness, naivety, passiveness, unthinkingness and servileness. The Jews contact with the nations (the races) has had a huge uplift effect on the faculties of the Jew enabling him to be a better parasite, a more consuming cancer, harder to dislodge and get rid of.

But these are two very different, distinct religions. One is true, the other is satanic.

Did I say "satanic?" Yes, that's what Judaism is. Jesus Christ identified the religion of the Jews as "satanic."

"O generation of vipers," Jesus called the Jews, "how can ye, being evil, speak good things? For out of the abundance of the heart the mouth speaketh" (Matthew 12:34).

"Ye serpents," Jesus said, "how can ye escape the damnation of hell!" (Matthew 23:33)

When the Jews insisted theirs was a religion of the Law, Jesus answered that they obeyed not the Law but instead, heeded the "tradition of the elders." Theirs, he pointed out, was a man-made religion, "full of hypocrisy and iniquity."

Yes, Jesus spoke with the authority of God, and He said that Judaism is "full of hypocrisy and iniquity."

Fellas, did you know that LUST is an open doorway into the spirit realm?

When Jesus warned us not to lust after women, (Matthew 5:28) it had a deeper purpose than just stopping men from being "poon" hounds. He was actually showing you how to keep yourself from being invaded by one of these foul spirits of lust.

Your lust is the open invitation and legal grounds for these spirits of lust to enter you and control your life. And once these lust spirits enter,they don't leave easily. They'll bog you down, emasculate you, steal your time, life and productivity from you. These destructive spirits are out to destroy you by virtue of your own desire. Symptoms of having a lust spirit include: Fixation on sex throughout the day where you can't control your urges. Uncontrollable urge to masturbate. Driven to watch porn. Satan is on an all-out mission to lure people into damnation and destruction—including Christians. And the number one way he is doing this is through sexual lust.

Expressing his concern regarding Jewry's agenda for world domination, Dostoevsky demonstrated how Jewish bankers had taken over Europe by the mid 1800's:

"It is not for nothing that everywhere in Europe the Jews are reigning over the stock exchanges, not for nothing that they control capital, not for nothing that they are masters of credit, and not for nothing, I repeat, that they are the masters of all international politics.

What is coming is the complete triumph of Jewish ideas, before which, sentiments of humanity, the thirst for truth, Christian feelings, and the national and popular pride of Europe must bow.

And what will be in the future is known also to the Jews themselves: Their reign is approaching, their complete reign!"

Thousands of "Hate Crimes" have been committed by the State of Israel

And now the latest "Hate Crime" has been perpetrated by an entire city in Israel: the burning of hundreds of copies of the New Testament. Is this an act of isolated bigotry?

No. Burning of the New Testament is a religious duty according to Judaism's highest religious authority, the Babylonian Talmud. **It says "the writings of the minim [Christians] deserve to be burned, even though the holy name of God occurs therein, for paganism is less dangerous than minuth [Christianity]." These teachings prime the mind for conduct that ranges from the insufferably obnoxious to the downright criminal; conduct which affects all levels of a society interpersonal relationships, business and national and international politics; conduct which, as history shows us, has poisoned and destroyed entire nations and will surely destroy the whole world unless we checkmate the Jew and remove him from all positions of power and influence forever!

Notice how the Jewish girl is positioned front & center -- the obvious ringleader. The Jewess is flanked by a Muslim girl and a South Indian tranny. The three White males are castoff to the far sides -- two of them are crippled and one of them homosexual (as evidenced by the rainbow Google logo G on his shirt).

Everyone has some sort of logo on their shirt -- indicating that they belong to some greater group or cause -- except for the two non-smiling, isolated and crippled White boys who are barely dangling on either end. They are nothing. The lone White Christian girl is sandwiched between the Indian tranny and the tall Black boy she will "hook up with" as the dispossessed pathetic little White boy with the cane looks on helplessly. She has no suitable White partners to marry or to mate with here because all of the White boys are either lame or queer.

In the background, a shadowy mob flashes devil's horn signs. Wow! Jewish-run Google's message couldn't possibly be anymore "in-your-face" than this -- "Die, White Man, die!" It is indeed "the Kalergi Plan" -- a long term scheme based upon genocidal hatred of European Man.

Google was founded by two JEWS

Google is a Jewish operation . . .

The Jew Craig Silverstein was the first employee hired by Google's founders Larry Page and Sergey Brin. "I am generic East European Jewish", Silverstein described himself in a recent interview. Silverstein was instrumental in developing the company's search engine, and was Director of Technology at Google for many years.

The Jewish woman Susan Wojcicki was the one who gave Google office space to start the business. Susan Wojcicki has since become Vice President of Product Management at Google overseeing AdSense, Google Book Search and Google Video. In 2014 she has attained the highly influential position as the CEO of YouTube.

This while here likewise Jewish younger sister Anne Wojcicki, a biotechnology specialist, in May 2007 during "a traditional Jewish wedding" ceremony (according to Israeli paper Ha´aretz, May 29, 2008) married the Google President Sergey Brin. Keeping everything neatly within the tribe.

The Jews admit themselves that what is bad for the Nations is good for them. They seek to destroy the nations and murder the whole world.

"… historically, Jews had always thrived in nations and empires with multicultural, pluralistic and tolerant environments, while they fared badly in strong ethnic or nationalistic societies. European Jews have always been the emblematic stranger or 'other'. Therefore, by definition, a society where the stranger is welcome is good for the Jews, although they have not always appreciated this link. … The future of European Jewry is dependant on our ability to shape a multicultural, pluralistic and diverse society."

Jim Morrison's father, admiral George Morrison was the Naval officer who personally launched American fighter jets from the USS America to engage the Israeli jets that were attacking the USS Liberty, on June 8th, 1967, during which Israeli fighter jets and torpedo boats spent more than an hour killing 34 American sailors and wounding 171,

Admiral Morrison's order was then countermanded by Chief of US Naval Forces in Europe, Admiral John S. McCain, Jr., who was the father of US Senator John S. McCain, III. Rear Admiral Morrison was the youngest person to reach such a position in the Navy, but he was never given another promotion after the USS Liberty incident. Hitler Emphasized Respect for Women, Children and Strong Family Values

During the economic hardship just before Hitler was elected, Germany was seeing a declining rate of birth. In 1933, Hitler passed a law that enabled married couples to obtain interest free loans minimum 1000 Reich Marks (equal to 9 months salary) to set up homes and start families.

For each child birthed, the couple was allowed to keep 250 marks and did not have to repay it. This system pioneered by the National Socialist government exists today in Switzerland. In the eyes of the NSDAP, women were viewed as the preservers of the tribe, the guardians of future generations, and the priestesses of domestic virtue.

the "bris," you would be disgusted by what goes on there.

That is when the little Jew-boy, only eight days old, is circumcised by the "mohel," the cutter who performs the bloody deed.

While the little kike is lying there screaming bloody murder — as well he should — all the big kikes gather around to "enjoy" the spectacle. Jews are really turned on by the sight of blood and suffering. That's why so many of them become doctors.

Then, when the "mohel" is done removing the foreskin of the little Jew-boy, the worst part of the ritual takes place. The mohel (pronounced "mole," which is what Yids remind me of, moles that hide underground and eat away at your garden) leans down and licks the blood from the little kike's penis.

Still to this day, no nation compares to the style of the Third Reich.

The Coudenhove-Kalergi Plan For The Genocide Of The White People Of Europe

Richard Coudenhove-Kalergi was a jewish writer financed by jewish bankers. In 1922 he founded the Pan-European Movement who's goal was to create a federation of European Nations to be led by the United States of America. Among his first supporters was the jewish banker Max Warburg who donated 60,000 marks to this evil, racist cause. In 1925 he wrote the book Practical Idealism which has become the bible for multiculturalists and supporters of the European Union. He didn't appear in public much, but moved behind the scenes with his project for European integration, and the creation of a new mixed-race slave race to serve a jewish master-race. This is the basis for the New World Order.

Richard Coudenhove-Kalergi

In Practical Idealism Coudenhove-Kalergi states:

The man of the future will be of mixed race. The races and classes of today will gradually disappear due to the elimination of space, time and prejudice. The Eurasian-negroid race of the future, similar in appearance to the Ancient Egyptians, will replace the diversity of peoples and the diversity of individuals. Instead of destroying European Judaism, Europe, against her will, refined and educated this people, driving them to their future status as a leading Nation through this artificial evolutionary process. It's not surprising that the People that escaped from the Ghetto-prison, became the spiritual nobility of Europe. Thus, the compassionate care given by Europe created a new breed of aristocrats. This happened when the European feudal aristocracy crashed because of the emancipation of the Jews (due to the French Revolution).

The Coudenhove-Kalergi Prize is given every two years to the European Politician who has done most to hasten this genocide and destruction of European Nations. Winners of the Coudenhove-Kalergi Prize have included Angela Merkel (2010) and Herman Van Rompuy (2012).
G.Brock Chisholm, former director of the World Health organisation, has stated "What people in all places have to do is to limit birth-rates and promote mixed marriages, this aims to create a single race in the World which will be directed by a central authority." The main purpose of this is to create a group of People without ethnic or National identity, and therefore any cohesion.

"American Jews are committed to cultural tolerance because of their belief—one firmly rooted in history—that Jews are safe only in a society acceptant of a wide range of attitudes and behaviors, as well as a diversity of religious and ethnic groups. It is this belief, for example, not approval of homosexuality, that leads an overwhelming majority of U.S. Jews to endorse 'gay rights' and to take a liberal stance on most other so-called 'social' issues."

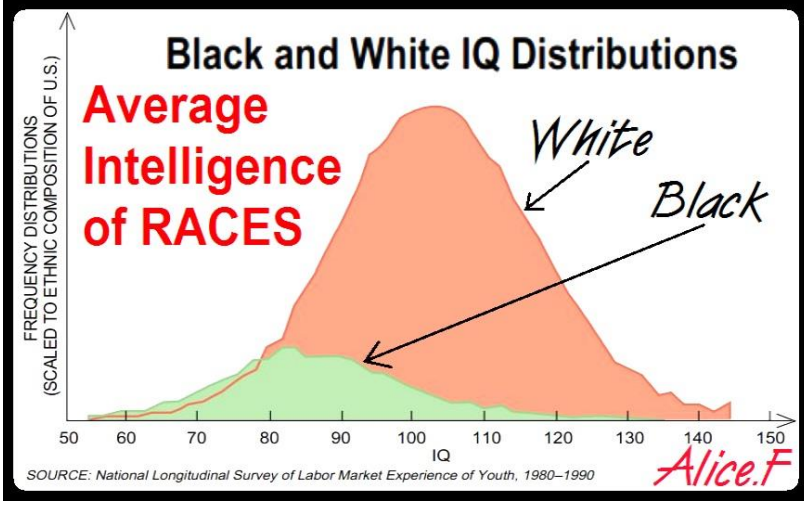
How the JEWS will rule the world

➡ The letter from the *Jewish Rabbi Baruch Levy to the Jew founder of communism Karl Marx* appeared in 1928, says that Jews will rule the world by the dissolution of the White race and the abolition of borders. This will allow the JEWS to establish a world republic where JEWS can exercise everywhere the privilege of citizenship and be treated as superior people.

➡ In a speech of *Rabbi Emanuel Rabinovich in Hungary in 1952*, he said that the White race is the most dangerous enemy of the JEWS, and it will be genocided by race mixing with dark races, when this is done, then the JEWISH people will be able to retain mastery over a world of dark people because the JEWS at that time will be the INTELLIGENT race who protected itself from race-mixing and multiculturalism.



It is the interest of all Humanity and all races, to stop the racial genocide of Whites, to EXPOSE JEWS for reducing their birth rate: feminism, homosexuality, abortion, anti-family, race mixing, mass immigration...

JEWS say: Islam is their 'Natural Allie' in Europe

" The Jewish people are in totally different place, today there is the state of Israel… The clash between the secular post-Christian Europe and the new immigration wave which is essentially religious.. yes, this is exactly what is happening, there is a clash of civilizations and we the Jews we are in the middle of this clash of civilizations. We see ourselves FIGHTING TOGETHER with OUR MUSLIM BROTHERS who want 'free' Europe, who want 'peaceful' Europe, who want to 'integrate' like our forefathers integrated in Western Europe hundreds years ago, and they are OUR NATURAL ALLIES. " ~ *Rabbi Pinchas Goldschmidt, Feb 5, 2015, RT Channel*

"Sharia law, in a 'modern form', would be acceptable in Germany" ~*Jochen Hartloff, Social Democrats, Germany*

From London to Londonistan: 423 new mosques have been built on the ruins of English Christianity.

Since 2001, 500 London churches have closed or been torn down.

This is all part of the Jewish plan to destroy Christianity and the White race and the Jews are achieving this by using the weapon of unfettered mass Muslim immigration into Europe.

" Europe is no longer Europe, it is Eurabia, a colony of Islam, where the Islamic invasion does not proceed only in a physical sense, but also in a mental and cultural sense." ~ *Oriana Fallaci, Italian author and journalist*

" The Messiah of the Jews will come when Edom, Europe, Christianity has totally fallen. So I ask you: is it good news that Muslims are coming to Europe? It is excellent news! It means the coming of the Messiah! Excellent news! " - *Rabbi Rav Touitou in France 2013*

The truth is that there was a long history of collaboration and affinity between Muslims and Jews which fueled animosity on the part of European Christendom.

[T]he Hebrew language shares much with Arabic, and Judaism shares much with Islam; on the most abstract level, both are religions of law, while Christianity is a religion of faith. More specifically, they share many features such as circumcision, dietary regulations, and similar sexual codes. Further, because the Muslims were preeminent in the medieval centuries, "Jews themselves associated Jew with Muslim." When this became known among the Christians, it much harmed the Jews' position. Most damaging of all, Jews on occasion helped Muslim troops against Christians (as in the initial Arab conquest of Spain) and some Jews held prominent positions in Muslim governments at war with the Christians. Even when they did not actually take part in the fighting, "Jews usually rejoiced when Christian territory fell into Islamic hands."

Hitler warned us the JEWS are a small rootless international clique that turn the people of the world against each other and this is exactly what the JEWS are doing now in 2017 between America & Russia over Syria.

The struggle between the people and the hatred amongst them is being nurtured by very specific interested parties. It is a small, rootless, international clique that is turning the people against each other, that does not want them to have peace... It is the people who are at home both nowhere and everywhere, who do not have anywhere a soil on which they have grown up, but who live in Berlin today, in Brussels tomorrow, Paris the day after that, and then again in Prague or Vienna or London, and who feel at home everywhere. They are the only ones who can be addressed as international, because they conduct their business everywhere, but the people cannot follow them.'

AS EASTER APPROACHES, when Christians reflect on the death and resurrection of Jesus Christ, the Holocaust Hoax will be in our faces once again.

The CHRIST HATING JEW owned US CONGRESS established 'Holocaust rememberance week' and arranged it the very same week Easter falls on !

IN THEIR PROMOTION of the Holocaust, Jews are attempting to replace the central event of world history, namely, the death & resurrection of Christ, with their own version of "death & resurrection." Jewry spins it like this: The Jews suffer a "death" in Nazi Germany. Then the Jews "resurrect" through the establishment of the state of Israel.

But who cares? What positive impact has Israel had on the rest of humanity as the death & resurrection of Christ has conferred? To the contrary, the establishment of the state of Israel has created nothing but misery for the entire world ever since its inception.

Christians should celebrate the birthdays of both Jesus Christ and Adolf Hitler, as they had so much in common.

Jesus and Hitler were both born poor and obscure in a world dominated by the Jewish swine.

- Both raised themselves up to unheard-of heights by their own hard work.
- Both were prophets in their time (although Hitler was a mere human and Christ was divine) who traveled the countryside, preaching of the need to reform society and rid the land of the evil Jewish influences.
- Both Jesus and Hitler rejected the riches that could have been theirs and turned to a simpler life.
- Hitler and Christ both inspired millions of people throughout the world to follow their examples. Both were wonderful speakers whose words and deeds will live forever.
- Both men lived full and rewarding lives and, sadly, both were taken away from their followers too young (Christ at 33, Hitler at 56).
- And both Adolf Hitler and Jesus Christ were murdered by the satanic Jews.

smoloko.com

The Jewish propaganda machine continues to pump out their audacious lies that Jews are victims - - of supposed "Christian Hate."

But the REAL TRUTH is that for over 2,000 years, the Jews have been killing Christians!

The REAL "Final Solution" is that proposed BY the Jews themselves - - - the Destruction of Christianity and the murder of ALL Christians!

It's time to WAKE UP! It is the Christians who are the TARGET of Jewish HATE!
NOT the other way around!

smoloko.com ✝

NEVER, in the history of the world, have Jews been "Victims."

There have been times when they have "reaped what they have sown" because of their collective behavior in the nations in which they have lived, but they have NEVER been "Victims" no matter how much the Jewish-controlled media portrays them that way.

A diligent study of history PROVES conclusively that the JEWS have NEVER been the victims of persecution – by Christians or anyone

History also PROVES conclusively that for OVER 2,000 years, it is the JEWS who have been persecuting and KILLING Christians!

smoloko.com ✝

The symbol of the Jews is the sign of the beast (Satan)

Count also the number of outer points of the Star and the number of lines of the hexagon within the Star. Do you not come up with the numbers “six-six-six”?

6 POINTS

6 TRIANGLES

6 SIDES

Now recall also that the Holy Bible forewarns, “Here is wisdom. Let Him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred, threescore, and six (666).”

s m o l o k o . c o m ✝

All true Christians should consider the religious significance of the swastika.

The hatred and contempt that the Jews have for the swastika is equal to the hatred and contempt they have for the Holy Cross of Christ.

Jews hate and fear the Cross because it reminds them of what they did to the Savior in retaliation for His preaching against them.

The very shape of the swastika has the cross inside it, and the arms on the ends of the cross symbolize forward movement, that is, the future.

The swastika therefore means a Jew-free society, which is what we all should strive for.

The swastika should be as important to Christians as the Jew-star is to the Spawn of Satan.

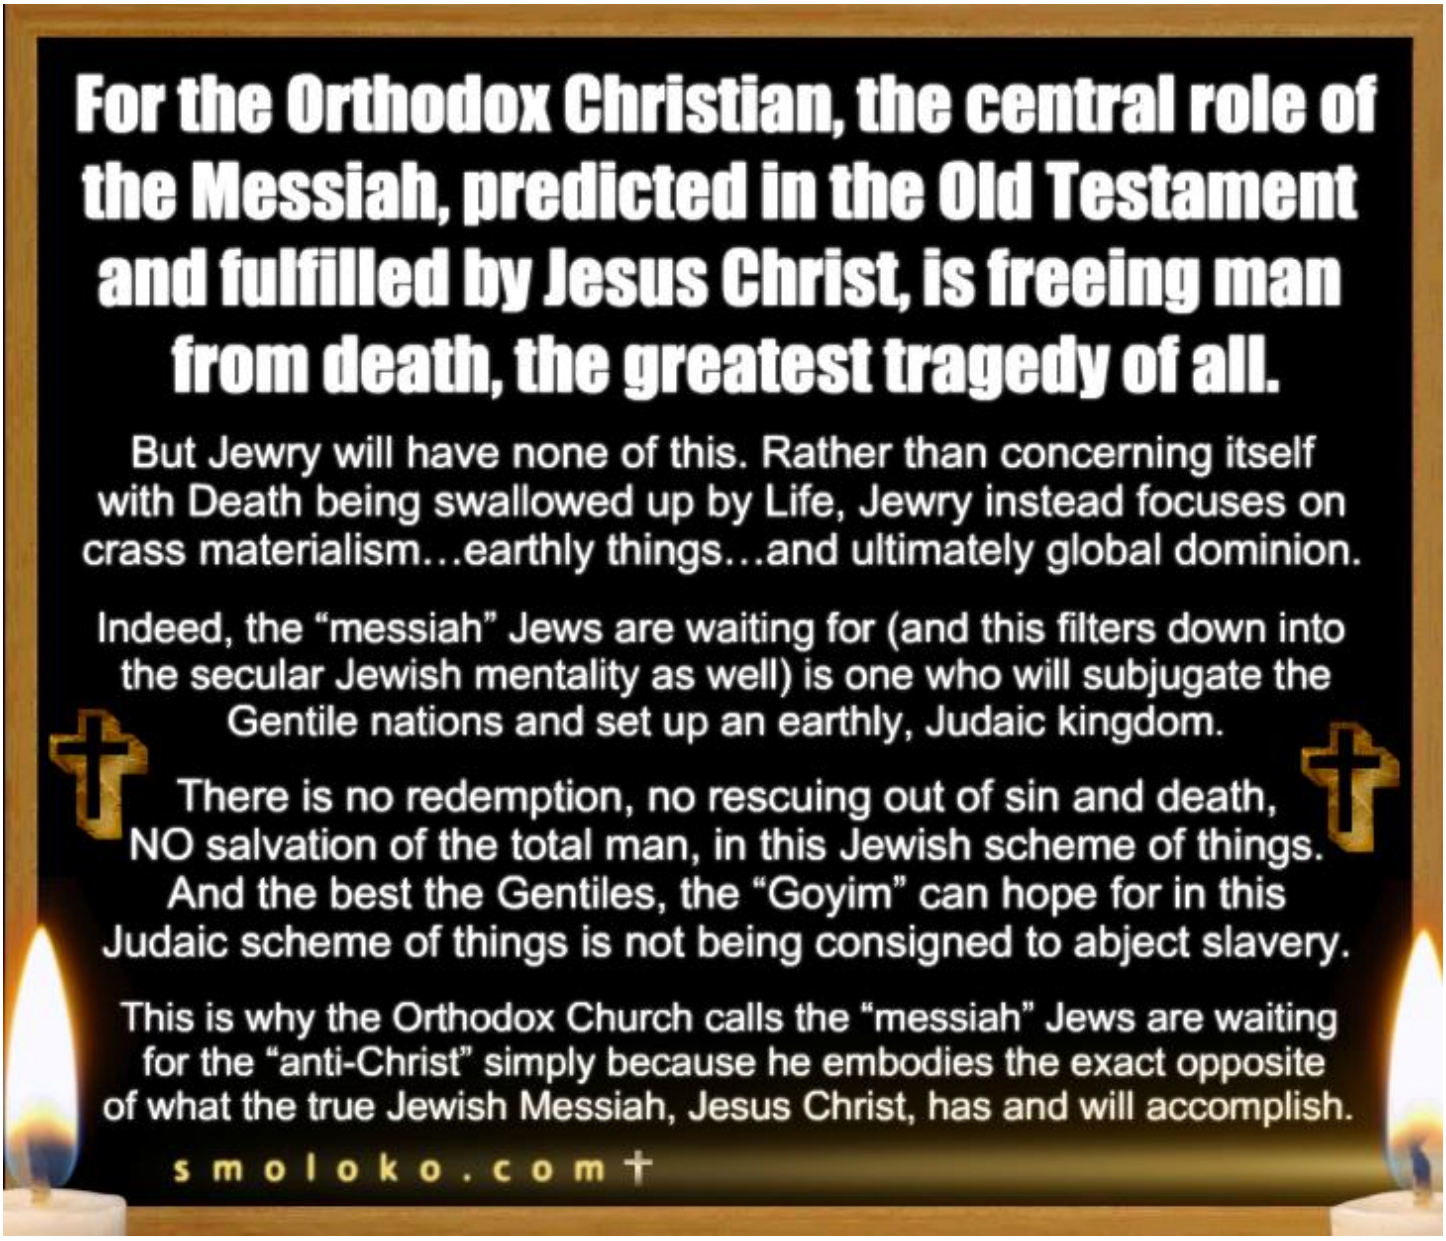
Dinner will be provided.



For the Orthodox Christian, the central role of the Messiah, predicted in the Old Testament and fulfilled by Jesus Christ, is freeing man from death, the greatest tragedy of all.
But Jewry will have none of this. Rather than concerning itself with Death being swallowed up by Life, Jewry instead focuses on crass materialism…earthly things…and ultimately global dominion.
Indeed, the "messiah" Jews are waiting for (and this filters down into the secular Jewish mentality as well) is one who will subjugate the Gentile nations and set up an earthly, Judaic kingdom.
There is no redemption, no rescuing out of sin and death, NO salvation of the total man, in this Jewish scheme of things. And the best the Gentiles, the "Goyim" can hope for in this Judaic scheme of things is not being consigned to abject slavery.
This is why the Orthodox Church calls the "messiah" Jews are waiting for the "anti-Christ" simply because he embodies the exact opposite of what the true Jewish Messiah, Jesus Christ, has and will accomplish.

I AM THE DEVIL
Gentiles are indoctrinated to believe that Jews are the 'Chosen People of God', instead of the demonic spawn of Satan that they really are.
smoloko.com

Every thought that runs through the Jew's head is saturated with hatred of Jesus Christ and His Church.

When a Jew is asleep, he's subconsciously thinking of ways to cheat Christians.

And when he's awake, he gets to act out his fantasies of swindling Christians out of their hard-earned wages.

The Jew gets pleasure out of cheating Christians. And when he can do it on a Christian holiday, like Christmas or Easter, that doubles, even triples, his enjoyment.

In private, when they're by themselves and among friends, Jews laugh about the stupid Goyim, and how easy it is to cheat them.

smoloko.com†

Why would the Jews make up the 'holocaust' ?

Jews want you to feel sorry for them ... why ?

Because any group of people viewed as "victims" tend to be allowed much leeway within society.

Perceived "victims" get away with doing all kinds of questionable acts (simply consider what Israel gets away with) because of human tendency to side with the perceived underdog/victim.

Hence, most people naturally think, "oh give them a break... haven't those poor people suffered enough..." This tactic works like a charm.

"I believe neither that Six Million Jews died under Hitlers rule in the Second World War, nor that one single Jew died in a gas-chamber. Now not only does what is known as the Holocaust serve as the secular religion of the New World Order (Auschwitz replaces Calvary, the gas-chambers replace the Cross of Our Lord, and the Six Million play the part of the Redeemer), but also it seems to me that the post-World War II Germans have difficulty in respecting themselves unless they are beating their breast for the alleged crimes of the Third Reich. So they pursue Holocaust denial with a vengeance, and on January 16 I was prosecuted for the third time in front of a lady judge of Regensburg."

Israeli-North Korean relations (Korean: 이스라엘-조선민주주의인민공화국 관계) are very hostile,[1] and North Korea has never recognized the state of Israel, denouncing it as an "imperialist satellite".[2] Since 1988 it recognises the sovereignty of the State of Palestine over all of Israel, except for the Golan Heights, which it recognises as part of Syria.

Israel–North Korea relations

Wow, there you have it folks. Could it be anymore obvious why North Korea gets bad press in the Jew-controlled West ?

smoloko.com

North Korea does not recognize Israel, and has condemned its treatment of the displaced Palestinians
More importantly, North Korea sells its advanced missile technology to the Mid East nations on Israel's 'Hit List'.
This is not to glorify the North Korean regime. We seek only to expose the sinister hand of Israel behind America's potential coming conflict with North Korea / China.

ALL JEWS ARE LIARS!!! Accomplished, perpetual liars.

That's why so many Jews are lawyers — they like to twist facts and make up lies about innocent people.

That's why so many Jews are in finance (accountants, bankers, company financial officers) — they get to get their greedy claws on other people's money.

That's why so many Jews are in the media (newspapers, TV and radio, and the movies) — they control what non-Jews read and view and think.

That's why so many Jews are actors — they get to play roles about people who are not themselves.

That's why Jews control the pornography and narcotics businesses — they turn people into addicts who are not in control over their own bodies.

Only the Eternal Jew could make up a story like the "Holocaust" (really the Holohoax) and get kind, compassionate Gentile people to believe that the poor Jews were killed by the millions (there's a whopper of a lie right there).

Only the Jews could get millions of Christians to support the bandit state of IsraHELL by telling them that the Jews are a holy people who deserved their own land, even though the Jews stole the land from the Palestinians who were there for thousands of years, and killed the people who resisted their criminal acts.

The Jews use disdainful Yiddish words amongst themselves to describe the Gentiles:

"Goyim:" This is what the Jews derisively call Gentiles to indicate an "animal nature" of the Gentiles.

"Schwartza:" This is what the Jews derisively call blacks to indicate an "ape like nature" of the blacks.

"Shiksa:" This is what the Jews derisively call a Gentile woman to indicate a "carnal nature" of a Gentile woman.

~ This Yiddish word "shiksa" is derivative of the Hebrew word "shegitz" which refers to the carcass of a pig.

"Goyisha Kup:" This is what the Jews derisively call another Jew who is stupid. "Goyisha Kup" means "Stupid Gentile Brain."

From whence comes this Jewish disdain for the Gentiles? It comes from the Talmud, a wicked book, which the Jews consider more authoritative than the Bible.

s m o l o k o . c o m

The Talmud is the wickedest, most evil, most satanic book ever written. The Talmud, not the Bible, is the Jews' most holy book.

Here is what the Jewish Talmud says about the Lord Jesus:

1) (Sanhedrin 43a). He and his disciples practiced sorcery and black magic, led Jews astray into idolatry, and were sponsored by foreign, gentile powers for the purpose of subverting Jewish worship

2) (Sanhedrin 107b; Sotah 47a). He was sexually immoral, worshipped statues of stone (a brick is mentioned), was cut off from the Jewish people for his wickedness, and refused to repent.

3) (Shabbos 104b). He learned witchcraft in Egypt and, to perform miracles, used procedures that involved cutting his flesh, which is also explicitly banned in the Bible.

Gittin 57a. Says Jesus is in hell, being boiled in "hot excrement."

Sanhedrin 43a. Says Jesus was executed because he practiced sorcery: "It is taught that on the eve of Passover Jesus was hung, and forty days before this the proclamation was made: Jesus is to be stoned to death because he has practiced sorcery and has lured the people to idolatry…He was an enticer and of such thou shalt not pity or condone."

Kallah 51a."The elders were once sitting in the gate when two young lads passed by; one covered his head and the other uncovered his head. Of him who uncovered his head Rabbi Eliezer remarked that he is a bastard.

This discussion is actually about Jesus Christ (the bastard boy who "uncovered his head" and was conceived in the filth of menstruation). The boy's adulterous mother in this Talmud story is the mother of Christ, Blessed Mary (called Miriam and sometimes, Miriam the hairdresser, in the Talmud).

According to the Talmud, Jesus was executed by a proper rabbinical court for idolatry, inciting other Jews to idolatry, and contempt of rabbinical authority. All classical Jewish sources which mention his execution are quite happy to take responsibility for it; in the Talmudic account the Romans are not even mentioned.

What does the Talmud, the chief authority of Judaism, have to say about Jesus Christ?

Balaam [Jesus] fornicated with his jackass. (Sanhedrin 105a-b)3

Jewish priests raised Balaam [Jesus] from the dead and punished him in boiling hot semen.(57a Gittin)4

She who was the descendant of princes and governors [The Virgin Mary] played the harlot with a carpenter. (Sanhedrin 106a)

[Jesus] was lowered into a pit of dung up to his armpits. Then a hard cloth was placed within a soft one, wound round his neck, and the two ends pulled in opposite directions until he was dead. (Sanhedrin 52b) 5

If you want to make America great again you are going to have to confront the Jews over their endless crimes against us.

From the presidential assassination of John Kennedy to pulling 911, the Jews are waging war on this nation.

an anti-Semite used to mean a man who hated Jews. Now it means a man who is hated by Jews.
~ Joe Sobran (02/23/1946 - 09/30/2010)
smoloko.com

Joe Sobran was fired from National Review magazine for exposing the Jewish control over America

"Talking about American politics without mentioning the Jews is a little like talking about the NBA without mentioning the Chicago Bulls. Not that the Jews are all-powerful, let alone all bad. But they are successful, and therefore powerful enough: and their power is unique in being off-limits to normal criticism even when it's highly visible. They themselves behave as if their success were a guilty secret, and they panic, and resort to accusations, as soon as the subject is raised. Jewish control of the major media in the media age makes the enforced silence both paradoxical and paralyzing. Survival in public life requires that you know all about it, but never refer to it. A hypocritical etiquette forces us to pretend that the Jews are powerless victims; and if you don't respect their victimhood, they'll destroy you. It's a phenomenal display not of wickedness, really, but of fierce ethnocentrism, a sort of furtive racial superpatriotism."

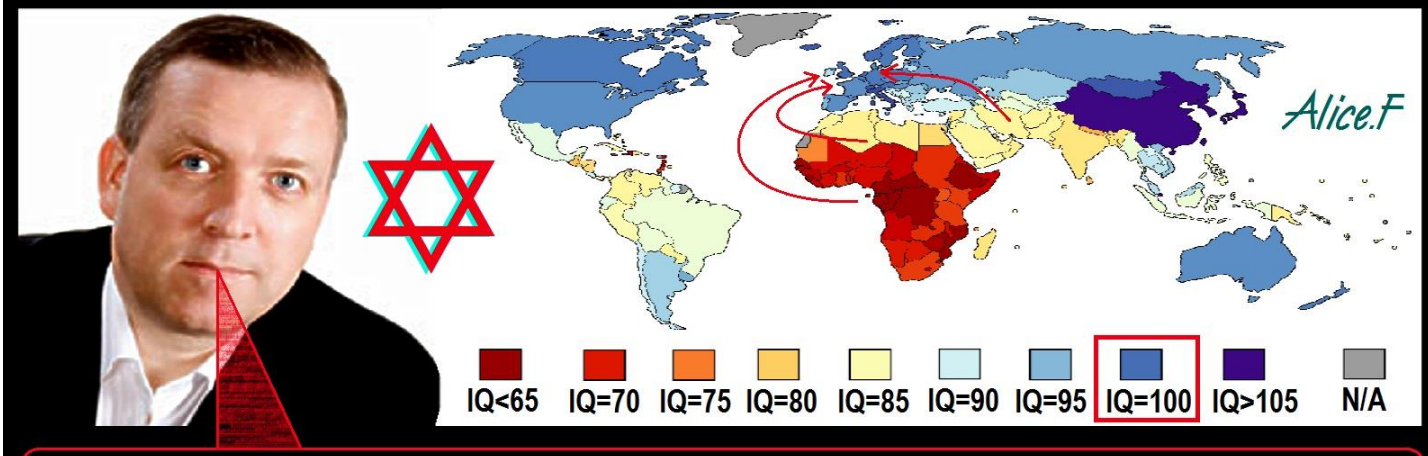
JEWS explain WHY they bring millions of Muslims and African immigrants to Europe



" The ultimate goal is the forcible-coordination of all countries of the world: That shall be achieved by mixing the races with the goal to create a light brown race in Europe. For that reason 1.5 million immigrants from the third world shall migrate to Europe every year. The result would be a population with an AVERAGE IQ OF 90 that is so dumb to grasp anything but intelligent enough to work. The European countries would NEVER AGAIN BE COMPETITORS in the struggle for global domination and a multiple millennia old culture would be destroyed. Irrational people who will fight against this "mingling of races", and put up any resistance against the global world order, should be killed." ~ *Thomas P.M. Barnett, JEW, director of the Israeli military consultancy 'Wikistrat' in his book 'The Pentagon's New Map', 2004* Alice.F

Joe Sobran: Judaism Hates Christianity

"If Christians were sometimes hostile to Jews, that worked two ways. Some rabbinical authorities held that it was permissible to cheat and even kill Gentiles. Although the great theologian Moses Maimonides insisted it was as wrong to kill a Gentile as a Jew, it seems strange that this should even have been a matter of controversy."

How did Hitler Make Germany Great Again?

He dismantled the Jewish banking system and issued debt-free currency, and he kicked the Jews out of the media and every other position of power.

International Jewry could not afford to let Hitler teach the world that the secret to building a free and prosperous nation is to get rid of the parasitic Jews, so, in their eyes, Germany had to be destroyed, and any memory of this man's heroic deeds needed to be ruthlessly suppressed for all time.

The only real political leader we've had during the past few centuries is the one person who is vilified more than any other, Adolf Hitler.

Unlike our politicians in America who lie, make promises, then BREAK THEM when entering into office - Adolf Hitler KEPT HIS PROMISES because he CARED about Germany and was not a self-seeking LIAR like our own leaders who are RULED BY JEWS !

Hitler made many promises before coming into leadership regarding putting Germany back on its feet; cleaning up the moral depravity caused by Jews in the arts and media; building up the economy; and giving Germans a sense of their dignity and solidarity robbed of them by the Jews.

Hitler has been lied about perhaps more than any other man who has ever walked the planet. He was right about the destructive nature of the Jewish race.

All of the horrible things we see happening today are from direct or indirect Jewish involvement.

If we remove Jews from the equation, the creative forces of our people will be unleashed. Extraordinary things will be created and manifested. There is no question about this.

A (((satanic power))) ruled over Germany until Hitler came along

"A satanic power had taken hold of our whole nation who had gripped in their hand all the key positions of the spiritual and intellectual life, but also of the political and economic life, and who monitored from these key positions the whole nation, a power that at the same time possessed the influence to persecute with the law those, if necessary, who undertook to join the fight against this power, and who were willing to oppose resistance to the advance of that power."

What Hitler is now, is a symbol.

He is a symbol of White pride.

He is a symbol of the rejection of degeneracy and cultural rot.

He is a symbol of opposition to mongrelization, White guilt, and White genocide.

He is a symbol of anti-communism, anti-capitalism, and anti-usury.

He is a symbol of the natural order.

He is a symbol – the symbol – of resistance to Jewish supremacy.

He is a symbol of honor, courage, and the European spirit.

And he is a symbol of Western Civilization – what it once was, and what it can be.

There is a reason why Jewish interests have pushed to make laws banning people from questioning the official story of the supposed Holocaust.

The reason being is because if you analyze what happened based on facts, logic and reason than it is impossible to conclude that six million Jews died in Germany's World War II concentration camps.

In fact the number of six million dead Jews was used by Zionists many times before World War II to promote their political agendas. If the Holocaust was real as the Jews claim it was, than there would be no reason to have such laws passed because anyone claiming otherwise would be easily dismissed through factual evidence.

The entire world has been propagandized to believe that the Germans declared war against the Jews and that the Jews were “victims.” But that is a lie!

It was the Jews who wanted to destroy Germany and all Germans so they could control all of Europe – and destroy another Christian nation, something they unfortunately (for humanity) were able to accomplish after World War II.

The Jews now completely control the government of Germany!

It was developed for the single purpose of attacking the Western World by bringing about depraved cultural change to the West. One aspect of Cultural Marxism is the subversion (and perversion) of all Western cultural institutions (e.g., art, film, music, theatre, etc) in order to help cause Western societies to rot from within.

Glory B, a former Jew, explains why she became a Christian.

The typical attitude of the typical Jew is that the world is against them and that they have to use every dirty, filthy means at their disposal to harm everyone else.The Jewish motto is, "Do unto others BEFORE they do it to you!"

Jews also believe that they are the Chosen People, chosen by their god to rule the world, and they have to bring down Jesus Christ in order to do that. For it was Jesus Christ that correctly identified the Jews as doing the will of their father, the devil.

This is why I, a former Jew, left the evil Jewish belief system and turned my life over to our Blessed Saviour Jesus Christ.

The Jews owned the slave ships that brought black Africans to America.

Jews invented the Federal Reserve in order to cheapen our money, and it is Jews who own and control the Federal Reserve to this day.

Jews took prayer out of the public schools, and refuse to let Christian students say a prayer before class or before football games.

Jews caused the Great Depression and now the Great Recession with their filthy-lucre schemes to force Christians out of their homes and businesses.

Meanwhile, Jew-speculators are getting rich by picking up valuable properties on the cheap.

Jews promote abortions, homosexuality and pornography to weaken and ultimately destroy Christianity.

Jews are behind all the filthy pornography in books and movies, and they do it for the basest of reasons: To destroy Christian values.

How much more crap are Christian Americans going to take from filthy, Christ-hating Jews before they **do what every other country that the parasitical Jews have infested has done** — GET RID OF THE JEWS!!!

    - Abortion
    - Pornography
    - Homosexuality
    - Radical feminism
- No Multiculturalism and the present Jewish policy of forced third-world immigration to the West.

"The long-term goal of International Jewry is Global Government. This requires the destruction of any sense of Nationalism or the feeling to belong to a great people and great civilization. Whites or Europeans are the main people in the world with a centuries-old advanced civilization, great history and great human achievements in Science, Arts, Literature, Architecture, Music, therefore the first thing to be done to implement a world government is to transform White people into an International people. Whites should have no pride but should feel guilty and ashamed of being Whites, thinking that Whites are responsible for all the miseries of the world. After JEWS won WW2, they fully took control of all aspects of life in White countries and started the destruction of White Civilization. JEWS struggle to teach the Holocaust, even after 70 years, as if it is a real and very evil event. They do that for one main reason: to shame White people and stop them from organizing or expressing a group interest as Whites, because this leads to "Nazism and another Holocaust or World War". Whites are not allowed to love and preserve their identities but should give up this Nationalism to a Multicultural society that these JEWS created in ALL and ONLY White countries. Multiculturalism is a JEWISH plot to erase White-European civilization forever and insure the success of the Global Government. "White Genocide" is when JEWS reduce the birth rate of Whites (by Cultural Marxism) while they replace them and race-mix them during decades in their homelands with millions of non-Whites and Muslim immigrants. These non-Whites are encouraged by the JEWS to preserve their identities and express their group interests. The goal will be to erase and dilute White identity, and by that get rid of the strongest type of Nationalism among non-Jews, the one that took centuries to be formed, and the main one that can oppose the future Global Government or the One-World-country." ~ *Alice Fricker*

Report: Netanyahu says 9/11 terror attacks good for Israel

NETANYAHU HATES AMERICA AND OUR

"If we get caught they will just replace us with persons of the same cloth. So it does not matter what you do, America is a golden calf and we will suck it dry, chop it up, and sell it off piece by piece until there is nothing left but the world's biggest welfare state that we will create and control. Why? Because it is the will of God and America is big enough to take the hit so we can do it again and again and again. This is what we do to countries that we hate. We destroy them very slowly and make them suffer for refusing to be our slaves."

FREEDOMS, HE IS PUBLIC ENEMY #1

Israeli children dress up as the burning Twin Towers complete with impaled exploding airplanes to celebrate the Jewish holiday known as Purim

Purim exalts and commemorates an ancient operation very much like 9/11. It glorifies the deceptions of Esther, who concealed her Jewish identity to seduce the King of Persia, then slyly tricked him into slaughtering 75,000 people deemed “enemies of the Jews.” That is exactly what the neoconservative Likudnik extremists – Wolfowitz, Perle, Libby, and the rest – did on September 11th, 2001. The only difference is that these modern, neocon Esthers would eventually kill millions of innocent people, not just 75,000.

The best way to fight ISIS is to do exactly what I am doing through this meme - to expose it as what it is: an Israeli controlled front -

ISIS is designed with the intention of undermining Syria, the only significant and militarily strong ally of Iran that borders the Jewish-Supremacist state in the Middle-East, which should make Islamist types realise ISIS, in fighting the 2nd best Middle or Far-Eastern opponent to Israel is not a genuine cause and only serves Jewish Supremacist interests, thus they should not support it, but should support Hamas, Hezbollah and Iran as genuine Islamic states instead.

Hitler : Freemasonry is an instrument of the Jew

"To strengthen his political position he [the Jew] tries to tear down the racial and civil barriers which for a time continue to restrain him at every step. To this end he fights with all the tenacity innate in him for religious tolerance —and in Freemasonry, which has succumbed to him completely, he has an excellent instrument with which to fight for his aims and put them across. The governing circles and the higher strata of the political and economic bourgeoisie are brought into his nets by the strings of Freemasonry, and never need to suspect what is happening."

~ Adolf Hitler, Mein Kampf

Why hasn't Israel, with the most advanced military in the middle east, offered to fight ISIS in Syria when they are right next door ?

Wouldn't this be a perfect time for Israel to put the billions of dollars of US taxpayer funded military aid and supplies they get to use ?

What is "hate speech?"

Why, that's whatever the Jews say it is

In 1917, the very first piece of legislation approved by the new communist regime of Lenin and Trotsky was something called the "Anti-Semitism Act." Just telling a Jewish joke was enough to have the joke teller carted off to Siberia, if not promptly hung on a thick rope.

Lenin, of course, was a Jew, as were almost all the communists in power in Soviet Russia. But it was against the law to say, or to tell others, that Lenin was a Jew. Only after Gorbachev came to power were the rules relaxed. Now, almost everyone in Russia knows that Lenin was a Jew. The curator of the Lenin Museum, in Red Square, Moscow, even says so.

The Jews will not promote any goyim who they do not have dirt on into positions of power, that they can use to make sure they stay in line.

As it is, probably a majority of congressmen and other high level government officials are homos, pedos and homo-pedos. Others probably just are on hotel CCTV with prostitutes that the Jews have the phone numbers of, who they can call up at any time and tell to go public with their stories.

This is a fundamental means by which the Jews control the mechanisms of power in White society – (((they))) find the worst among us, who would otherwise be in prison, killed or at least forced to work low-level jobs due to lack of character, to the highest place in our societies.

Will Folks: Nikki Haley had an affair with me

"After sliding the front seats of her SUV as far back as they would go, Nikki climbed on top of me – rubbing her crotch back and forth over the growing bulge in my pants while I groped her ass and ran my hands through her hair and up and down her back. John Mayer's "Slow Dancing In a Burning Room" played on her CD changer. Nikki and I kissed even harder and heavier than we had before (away from the lights of the Vista, we weren't worried about people seeing us here), and at one point I slid my hands under her turtleneck and felt her breasts over the black bra she was wearing.

The Jews are calling his protest of Jewish landlords an "anti-Semitic trope." Well, are the majority of slumlords and landlords in Manhattan Jews? Yes. Are they greedy? Yes. Is their act of jacking up the rent forcing minorities to flee their homes? Yes. So where's the controversy? "Anti-Semitism" is quickly becoming a euphemism for the truth.

Bobby Fischer: The Devil is based on the Jew

"I equate the Jew and the devil together, to me they are practically interchangeable and I think the Catholic church did also. I think the entire concept of the Devil is based on the Jews. For example in the New Testament, the Devil took Jesus to a high mountain and he showed him all the kingdoms of the world and he said I'll give you all of this if you just bow down and worship before me, and Jesus refused. The point is, you can have all the money in the world, do what you want if you bow down, worship and do what I tell you, this is symbolic of the Jew, just obey me and you can have everything. The Devil is based on the Jew, and if you even look at the old pictures of the devil, he even looks like a Jew."

oe Sobran was fired from National Review magazi for exposing the Jewish control over America

"Talking about American politics without mentioning the Jews is a little like talking about the NBA without mentioning the Chicago Bulls. Not that the Jews are all-powerful, let alone all bad. But they are successful and therefore powerful enough: and their power is unique in being off-limits to normal criticism even when it's highly visible. They themselves behave as if their success were a guilty secret, and they panic and resort to accusations, as soon as the subject is raised. Jewish control of the major media in the media age makes the enforced silence both paradoxical and paralyzing. Survival in public life requires that you know all about it, but never refer to it. A hypocritical etiquette forces us to pretend that the Jews are powerless victims; and if you don't respect their victimhood, they'll destroy you. It's a phenomenal display not of wickedness, really, but of fierce ethnocentrism, a sort of furtive racial superpatriotism."

The Jews are one of the principle forces attempting to lead the U.S into the war. The Jews greatest danger to this country lies in their large ownership and influence in our motion pictures, our press, our radio and our Government. I am saying that the LEADERS of the Jewish race wish to involve us in the war for reasons that are NOT AMERICAN.

~ Charles Lindbergh (Sept 11, 1941)

It is now 2017, the JEWS still own America and they are now trying to force Americans into WW3 with Russia in order to advance their plans for a JEWISH WORLD GOVERNMENT .

Assad is right. ISIS is securing the territory for Greater Israel.
Muslims are being used by the Mossad to create an Israeli super state.
Obviously the Muslim fighters have to believe they are creating an Islamic state.

the obvious ringleader. The Jewess is flanked by a Muslim girl and a South Indian tranny. The three White males are castoff to the far sides -- two of them are crippled and one of them homosexual (as evidenced by the rainbow Google logo G on his shirt).

Everyone has some sort of logo on their shirt -- indicating that they belong to some greater group or cause -- except for the two non-smiling, isolated and crippled White boys who are barely dangling on either end. They are nothing. The lone White Christian girl is sandwiched between the Indian tranny and the tall Black boy she will "hook up with" as the dispossessed pathetic little White boy with the cane looks on helplessly. She has no suitable White partners to marry or to mate with here because all of the White boys are either lame or queer.

In the background, a shadowy mob flashes devil's horn signs. Wow! Jewish-run Google's message couldn't possibly be anymore "in-your-face" than this -- "Die, White Man, die!" It is indeed "the Kalergi Plan" -- a long term scheme based upon
